

Shoreline Preservation Working Group

Membership

The Shoreline Preservation Working Group (SPWG) advises the Regional Planning Committee on issues related to the implementation of the Shoreline Preservation Strategy, Regional Comprehensive Plan, and Coastal Regional Sediment Management Plan. It has 13 voting members who are elected officials from the coastal and bayfront cities and County of San Diego and representatives from the Port of San Diego and U.S. Navy. Additionally, the SPWG has several non-voting advisory members who are representatives from community groups and organizations, environmental groups, state and federal agencies, and other interested stakeholders.

The SPWG generally meets quarterly at 11:30 a.m. on the first Thursday of the month.
