

Regional Habitat Conservation Taskforce

Membership

The Regional Habitat Conservation Taskforce (RHCT) provides technical expertise, background knowledge, and cross-agency coordination for the Sustainable Communities Working Group on regional habitat conservation issues, including input on issues related to coordination and implementation of the *TransNet* Environmental Mitigation Program (EMP). The EMP consists of direct mitigation of planned transportation projects and the regional habitat acquisition, management, and monitoring activities necessary to implement the Multiple Species Program and Multiple Habitat Conservation Program.

The RHCT generally meets at 1 p.m. on the second Tuesday, quarterly.
