# **FY 2025 SANDAG Program Budget**

**(Including the Overall Work Program)**

**May 10, 2024**

The Program Budget and Overall Work Program (OWP) are designed to meet the comprehensive planning requirements of the U.S. Department of Transportation and the California Department of Transportation.

Some of the research in the OWP is to assist others with data gathering and other information for their individual work products and studies. Such efforts are supported with funding from other public or private agencies. Findings and conclusions of those studies are those of the authors and do not necessarily reflect the official position or policies of SANDAG or its Board of Directors.

The Program Budget is available in its entirety at [SANDAG.org/Budget](https://www.sandag.org/Budget)

**401 B Street, Suite 800**

**San Diego, CA 92101**

## Abstract

Title:	FY 2025 SANDAG Program Budget (including Overall Work Program)
Author:	San Diego Association of Governments (SANDAG)
Subject:	SANDAG Program Budget and Overall Work Program
Date:	May 10, 2024
Local Planning Agency:	SANDAG
Source of Copies:	SANDAG 401 B Street, Suite 800 San Diego, CA 92101
Abstract:	The SANDAG Program Budget and Overall Work Program contain a description of the SANDAG work program on a project-by-project basis for FY 2025, as well as other budget components.
Funding:	This program is primarily financed with federal funds from the Federal Transit Administration and Federal Highway Administration; state funds from the California Department of Transportation; and transportation sales tax and local funds from SANDAG member jurisdictions.

# Table of Contents

## Chapter 1 Overview

Budget Overview.....	1-1
Introduction.....	1-2
Organizational Structure.....	1-3
Milestones.....	1-7
Project and Programs.....	1-9
Partners.....	1-13
About this Budget.....	1-15
Revenue and Expenditure Summary.....	1-21
Resolution No. RTC-2024-18.....	1-22

## Chapter 2 Overall Work Program Projects

Chapter Overview .....	2-1
List of Projects .....	2-2
Work Elements.....	2-3 through 2-96
Program Revenues .....	2-97
Notes and Explanations of Fund Sources.....	2-99
Program Expenses.....	2-100
Contracted Services.....	2-102
FY 2023-2025 Expenditure Comparison .....	2-105
Contingency Reserves.....	2-107

## Chapter 3 Regional Operations and Services

List of Projects .....	3-2
Work Elements.....	3-3 through 3-32
Program Revenues .....	3-33
Notes and Explanations of Fund Sources.....	3-35
Program Expenses.....	3-36
Contracted Services.....	3-38
FY 2023-2025 Expenditure Comparison .....	3-40
Five-Year Projected Revenue and Expenses.....	3-41
Five-Year Projected Reserve Fund Balances.....	3-43
Contingency Reserves.....	3-45
SANDAG and Criminal Justice Division Member Agency Assessments.....	3-46
ARJIS Member Assessments and Other Revenue Sources .....	3-47
ARJIS Ex-Officio Member Assessments (JPA).....	3-48

## **Chapter 4     TransNet Program**

Chapter Overview .....	4-1
TransNet Extension Flow of Funds – FY 2009 to FY 2048 .....	4-2
TransNet Program Budget.....	4-3
TransNet Long-Term Debt Program.....	4-5
TransNet Short-Term Debt Program .....	4-10
Independent Taxpayer Oversight Committee Program .....	4-12
TransNet Senior Services Transportation Grant Program .....	4-14
TransNet Smart Growth Incentive Program.....	4-15
TransNet Active Transportation Grant Program.....	4-16
TransNet Environmental Mitigation Program – Regional Habitat Conservation Fund .....	4-17
TransNet Environmental Mitigation Program – Land Management Grant Program .....	4-18
TransNet New Major Corridor Transit Operations Program.....	4-19

## **Chapter 5     Capital Budget**

Chapter Overview .....	5-1
List of Projects .....	5-2
Capital Program Revenues .....	5-4
Capital Program Notes.....	5-9
Capital Program Expenditures.....	5-10
Capital Program Contingency Reserve.....	5-13
Capital Projects.....	5.1-1 through 5.9-1

## **Chapter 6     Internal Operations**

Administration Budget.....	6-1
Administration Contracted Services .....	6-4
Administration Contingency Reserve .....	6-5
Board of Directors.....	6-6
Business Information and Technology Services Budget .....	6-8

Appendix D     Glossary .....	D-1

## CHAPTER 1

# Budget Overview

---

This budget document reflects the investments SANDAG is making in the San Diego region in FY 2025. Our projects and programs help to improve transportation, air quality, equity, the economy, public health, public safety, housing, and more. Chapter 1 explains how SANDAG operates, outlines our work program, and provides context for the following chapters.

# Budget Overview

## Total Budget Breakdown

Pass-through funds go to local jurisdictions and transit operators.

NOTE: Totals include administration budget which is allocated to the above programs/projects.

**223** Total Projects

## Major Work Efforts

- ▶ 2025 Regional Plan Development and Outreach
- ▶ Airport Transit Connection
- ▶ Otay Mesa East Port of Entry
- ▶ Del Mar Bluffs Stabilization
- ▶ LOSSAN Rail Corridor Double Tracking
- ▶ Purple Line Analysis
- ▶ Rapid Bus Planning, Implementation, and Operations
- ▶ South County Rapid Transit
- ▶ San Ysidro Mobility Hub
- ▶ Regional Bikeways
- ▶ Flexible Fleet Pilots
- ▶ Youth Opportunity Pass
- ▶ Regional Housing Acceleration
- ▶ I-5 HOV Lanes
- ▶ I-805 Soundwalls
- ▶ Access for All
- ▶ ARJIS Maintenance and Support
- ▶ Criminal Justice
- ▶ Freeway Service Patrol
- ▶ Motorist Aid Call Box Program
- ▶ 511 Advanced Traveler Information
- ▶ I-15 FasTrak® Value Pricing Program
- ▶ SR 125 Facility Operations
- ▶ New Regional Tolling Back-Office Systems (I-15 and SR 125)
- ▶ Commuter Programs and Services that Promote Transportation Alternatives to Driving Alone
- ▶ Local Jurisdiction Improvements
- ▶ Major Corridor Improvements
- ▶ Border Access Improvements
- ▶ Smart Growth Incentive Program
- ▶ Senior Service and ADA
- ▶ Environmental Mitigation Program

## Budget Revenue

for Overall Work Program, Capital Projects, and Regional Operations and Services

# Introduction

## About the San Diego Region

The San Diego region is made up of 18 cities, the County of San Diego, and 17 federally recognized tribal governments. San Diego shares its southern border with Mexico, the United States' largest trading partner. For many people, frequent travel across the international border is essential for visiting family, going to work, shopping, and accessing medical care.

It is truly a remarkable place for all, with unique coastlines, canyons, mesas, grasslands, forests, agricultural lands, and deserts. The San Diego region hosts strategically located sea and land ports of entry, the U.S. Navy's prestigious Pacific Fleet, renowned higher education institutions, and a diverse economy rooted in technology, research, national defense, and tourism.

## About SANDAG

We believe the San Diego region thrives when we work together. At SANDAG, we use data and public input to plan, build, provide resources, and preserve our region. By working collaboratively with local governments, community partners, neighboring regions, and state and federal agencies, we are able to deliver long-lasting solutions to the region's challenges, including transportation, air quality, equity, the economy, public health, public safety, housing, and more.

We are governed by a Board of Directors made up of elected representatives from each of our local city councils and County Board of Supervisors. See page 1-5 for more about our Board. As the Metropolitan Planning Organization and Regional Transportation Planning Agency for the San Diego region, we maintain a long-term Regional Plan for infrastructure improvements. We also serve the region through several other designations. Read more about our overall authority, responsibilities, and mandates on page 1-3.

## Our Vision

Pursuing a brighter future for all

## Our Mission

We are the regional agency that connects people, places, and innovative ideas by implementing solutions with our unique and diverse communities.

## Our Commitment to Equity

We hold ourselves accountable to the communities we serve. We acknowledge we have much to learn and much to change; and we firmly uphold equity and inclusion for every person in the San Diego region. This includes historically underserved, systemically marginalized groups impacted by actions and inactions at all levels of our government and society.

We have an obligation to eliminate disparities and ensure that safe, healthy, accessible, and inclusive opportunities are available to everyone. The SANDAG equity action plan will inform how we plan, prioritize, fund, and build projects and programs; frame how we work with our communities; define how we recruit and develop our employees; guide our efforts to conduct unbiased research and interpret data; and set expectations for companies and stakeholders that work with us.

We are committed to creating a San Diego region where every person who visits, works, and lives can thrive.

# Organizational Structure

## Overall Authority, Responsibilities, and Mandates

SANDAG has several federal, state, and local designations that form the framework for what we do. Below are some of SANDAG's most important designations and critical responsibilities. You can find SANDAG's governing legislation and a complete list of our mandates and designations on our website at [SANDAG.org/about/bylaws-and-policies](https://www.sandag.org/about/bylaws-and-policies).

### Federal Designations

**Metropolitan Planning Organization (MPO):** Every major region throughout the country is required to have an MPO. As the San Diego region's MPO, SANDAG is one of 18 in California. In this role, we are required to have a long-range, comprehensive Regional Transportation Plan (RTP) and Regional Transportation Improvement Program (RTIP). This role also allows us to receive formula federal funds.

**Some of SANDAG's other federal designations include:**

- ▶ Co-Lead Agency for Air Quality Planning (federal and state)
- ▶ Area-Wide Clearinghouse (federal and state)

The Federal Land Management Agencies (FLMAs) in our region include: the Bureau of Indian Affairs, U.S. Forest Service, National Park Service, U.S. Fish and Wildlife Service, Bureau of Land Management, Bureau of Reclamation, and the Department of Defense (including the U.S. Army Corps of Engineers and Military Surface Deployment and Distribution Command). SANDAG and its member agencies coordinate with all applicable FLMAs in the San Diego region affected by the various transportation projects included in this budget. We anticipate that the Department of Defense and U.S. Fish and Wildlife will be contacted most frequently.

### State Designations

**Regional Transportation Planning and Fund Allocation Agency:** As the regional transportation planning agency, SANDAG adopts the RTP and RTIP, the five-year programming of state and federal transportation funds. The agency also allocates Transportation Development Act funds (local quarter-percent sales tax collected statewide and returned to the county based on the amount collected).

**San Diego Regional Consolidated Agency:** This designation consolidated regionally significant transit planning, programming, project development, and construction into SANDAG. Day-to-day operations responsibilities remain with the existing transit operators. SANDAG is also authorized by statute to place a ballot measure before the voters and use revenues from the sales tax to provide infrastructure that maintains and improves the region's quality of life. Examples include habitat conservation, shoreline preservation, water quality enhancement, and public transit.

**Some of SANDAG's other state designations include:**

- ▶ Co-Lead Agency for Air Quality Planning (federal and state)
- ▶ Area-Wide Clearinghouse (federal and state)
- ▶ Housing
- ▶ Otay Mesa East Toll Facility Act
- ▶ Congestion Management Agency (state and local)

## Local Designations

**Council of Governments:** This designation makes SANDAG the public forum for regional decision making among the area's 18 cities and county government relating to a broad range of topics pertinent to the region's quality of life. Some of the regional topics include strategic planning, allocation of resources, and the creation of accurate, timely, and useful demographic, economic, transportation, planning, borders, environmental, and public safety information.

**San Diego County Regional Transportation Commission (Local and Voter Approval):** In this role, SANDAG administers the local half-cent sales tax, TransNet, for transportation purposes including oversight and funding.

**Regional Toll Authority (Congestion Management and Infrastructure Financing):** In this role, SANDAG is responsible for the delivery and operation of pricing programs such as the Interstate 15 Express Lanes and future managed lanes. Fees support the operation and maintenance of the program and provide additional funding for Rapid transit and vanpool services in the corridor.

**Automated Regional Justice Information System (ARJIS):** The purpose of the ARJIS Joint Powers Agency is to develop and maintain state-of-the-art criminal justice information technology that provides its members with seamless, cross-jurisdictional access to essential, accurate, real-time data via a secure criminal justice enterprise network. As the convening agency for regional justice technology, ARJIS enhances officer and public safety.

**Freeway Service Patrol Administration:** In this capacity, SANDAG provides rapid assistance to stranded motorists during peak traffic periods on various highways. This service reduces congestion and increases safety.

**Some of SANDAG's other local designations include:**

- ▶ Congestion Management Agency (state and local)
- ▶ Regional Census Data Center
- ▶ Regional Criminal Justice Clearinghouse

**Other Designations:**

- ▶ North County Multiple Habitat Conservation Program
- ▶ Successor Agency for the San Diego Service Authority for Freeway Emergencies
- ▶ Regional Transportation Demand Management Program Administration
- ▶ State Route 125 Toll Facility
- ▶ Intergovernmental Review
- ▶ Regional Information System
- ▶ SANDAG Service Bureau
- ▶ Fee-for-Services
- ▶ Master Agreement with Caltrans
- ▶ Memoranda of Understanding with Member Agency(ies)
- ▶ Memoranda of Understanding with Metropolitan Transit System and North County Transit District
- ▶ Local, State, or Federal Grant Conditions
- ▶ Regional Beach Sand Replenishment Program

## Board and Committee Structure

The Board of Directors is made up of elected officials from the region's 18 city councils and the County Board of Supervisors. As the governing body of the agency, the Board carries out various responsibilities mandated by the agency's designations (see Overall Authority, Responsibilities, and Mandates on previous page) and sets agency direction, revises policies, and discusses priorities for budget resources. Board members are elected officials—mayors, city councilmembers, and county supervisors—selected by their peers from each of the 19 jurisdictions.

Representatives from Imperial County, Caltrans, the U.S. Department of Defense, Port of San Diego, San Diego County Water Authority, San Diego Metropolitan Transit System (MTS), San Diego County Regional Airport Authority, North County Transit District (NCTD), Southern California Tribal Chairmen's Association, and Mexico serve on the Board as non-voting advisory members.

To help SANDAG address key public policy and funding responsibilities, the Board has delegated certain responsibilities to six Policy Advisory Committees (PACs) that are focused on distinct issue areas. All items delegated to the PACs are subject to Board ratification.

Find out more about our Board of Directors on our website at [SANDAG.org/meetings-and-events/board-of-directors](https://sandag.org/meetings-and-events/board-of-directors).

### SANDAG Board Leadership: (Calendar Years 2023-2024)

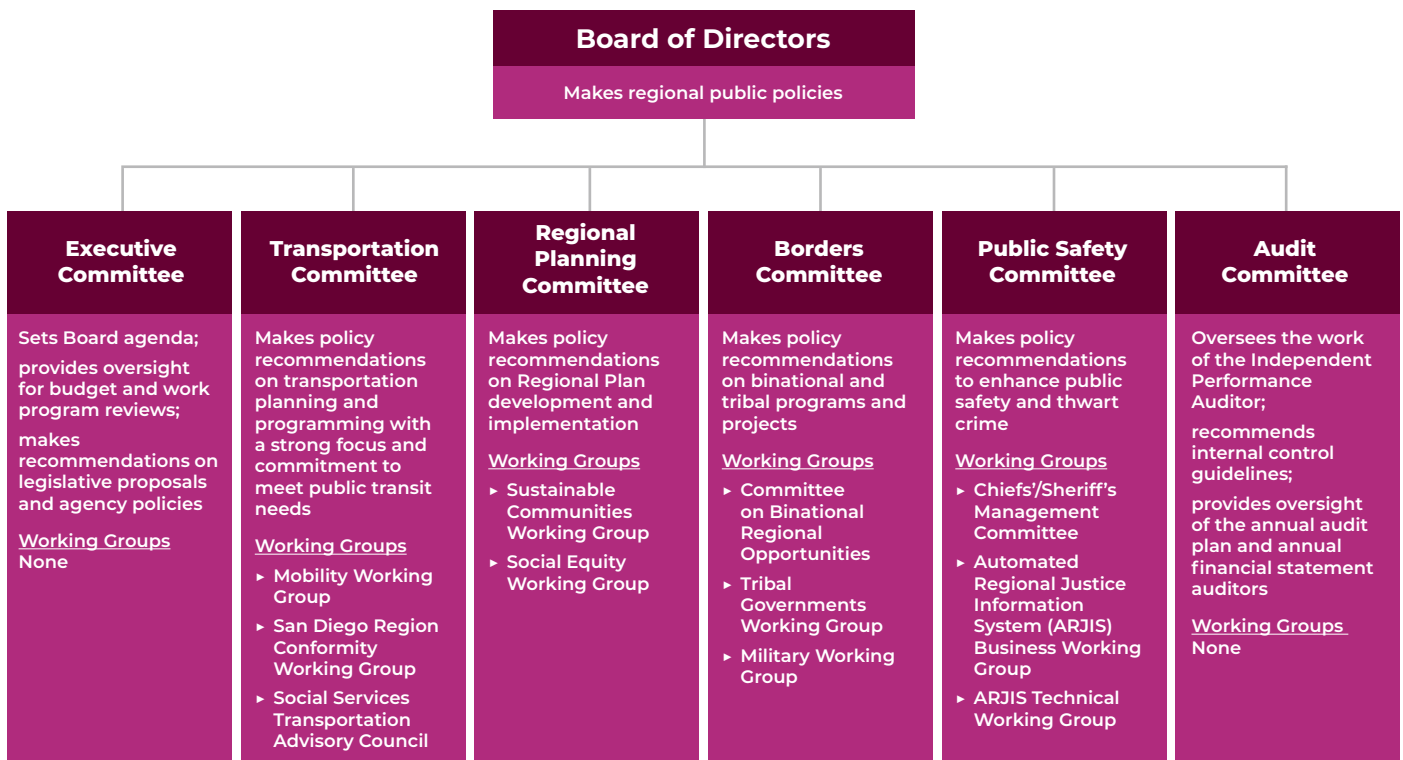

**Chairwoman**  
Hon. Nora Vargas  
County of San Diego

**First Vice Chair**  
Hon. Sean Elo-Rivera City  
of San Diego

**Second Vice Chair**  
Hon. Lesa Heebner  
City of Solana Beach

### Board Voting

A majority of the 19 member agencies constitutes a quorum for the transaction of business. Most matters are decided by a simple tally vote, where each of the Board Members present has one vote. After a tally vote, two Board Members may call for a weighted vote (unless otherwise required by law). The weighted vote procedure requires the vote of at least four Board Members representing separate Member Agencies and at least 51 percent of the total weighted vote. When these requirements are met, the weighted vote supersedes the tally vote. Additionally, electing the Chair and First Vice Chair of the Board requires the use of the weighted vote procedure.

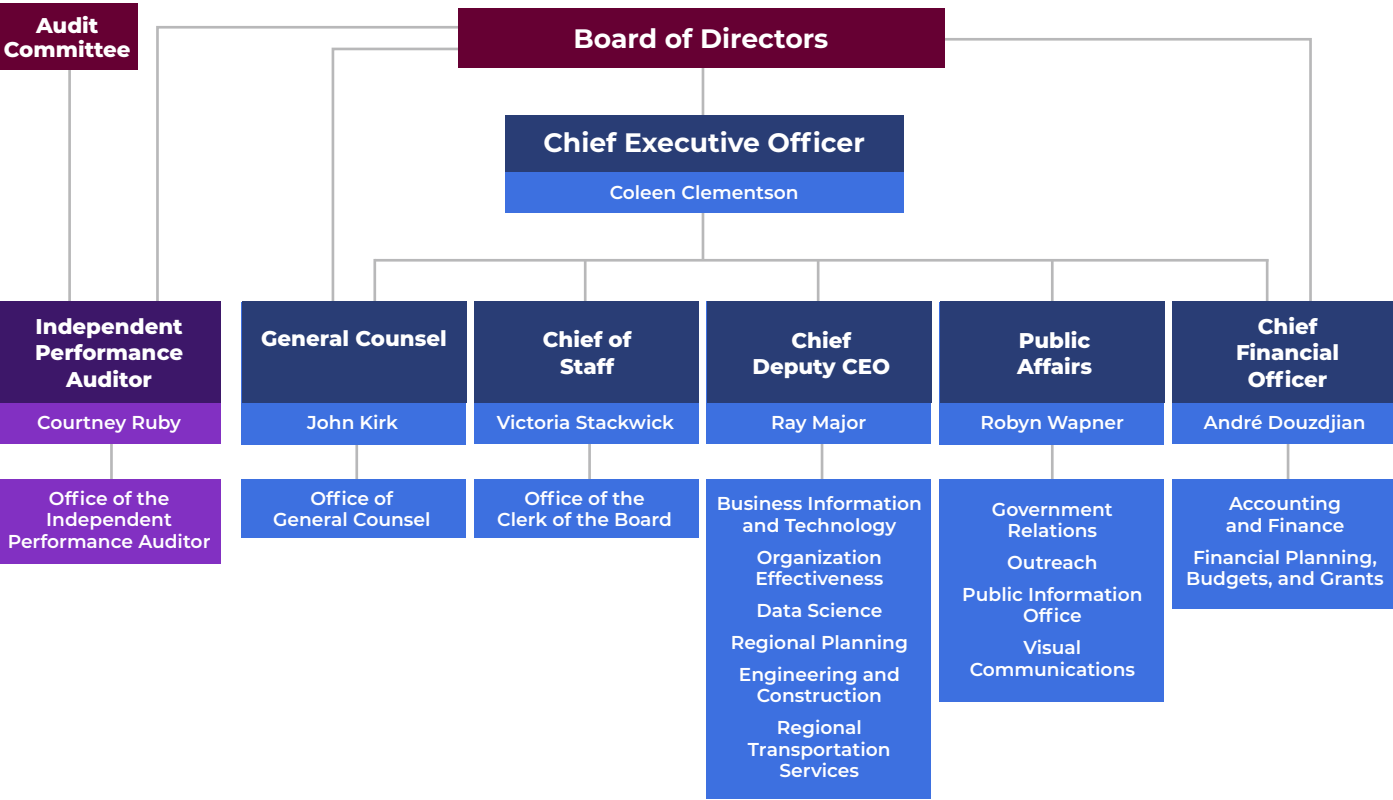

Pursuant to Public Utilities Code Section 132351.2, each agency must have at least one vote, there are no fractional votes, and no agency may have more than 50 votes. The weighted vote distribution must equal 100 votes in total. It is calculated each spring based on California Department of Finance population figures each year.

### Distribution of weighted votes as of May 1, 2024

Carlsbad	3	Escondido	4	San Diego	42
Chula Vista	8	Imperial Beach	1	San Marcos	3
Coronado	1	La Mesa	2	Santee	2
County of San Diego	15	Lemon Grove	1	Solana Beach	1
Del Mar	1	National City	2	Vista	3
El Cajon	3	Oceanside	5		
Encinitas	2	Poway	1		

### Staff Structure

SANDAG is one of the nation’s most recognized regional planning agencies. We have more than 400 employees with expertise in a broad range of professional, technical, and business support functions. The CEO of SANDAG reports directly to the Board.

# Milestones

## 2023 Milestones

These are some of SANDAG's major milestones from calendar year 2023. Visit [SANDAG.org/annualreport](https://www.sandag.org/annualreport) to see our complete recap.

## 2023

- Celebrated the 35th anniversary of **TransNet**, the half-cent sales tax administered by SANDAG that funds local transportation and environmental projects
- Partnered with community-based organizations (CBOs) to host 45 pop-up feedback collection events with approximately 2,400 participants and collected more than 2,000 online comments to inform the **2025 Regional Plan**
- Received \$100 million from the State of California Transit and Intercity Rail Capital Program to advance Phase 2 of the **San Diegoito Bridge replacement project** (with North County Transit District)
- Received \$103 million from the California Transportation Commission (CTC) to replace an 80-year-old wooden rail bridge and add 0.6 miles of double track across the **Batiquitos Lagoon**
- Received \$140 million from the CTC as part of the Trade Corridor Enhancement Program to help fund the **Otay Mesa East (OME) Port of Entry** project
- Began initial design for the **OME** facilities
- Shared **Airport Transit Connection** concepts with the Board of Directors and partner agencies
- Kicked off the **Purple Line** project, studying a potential new high-speed transit line from National City to Sorrento Mesa
- Continued the **Blue Line Express Feasibility Study**
- Studied near-term enhancements to the San Ysidro Transit Center and drafted initial concepts for the improved **San Ysidro Mobility Hub**
- Opened several miles of **carpool lanes on I-5** and the **San Elijo Activity Hub Park & Ride** on Manchester Avenue in North County as part of the award-winning Build NCC project
- Hosted more than 7,000 people at 100 pit stops as part of the reimagined **Bike Anywhere Day** celebration
- Broke ground on the **Border to Bayshore Bikeway**, continued work on the **Pershing Bikeway** and the Barrio Logan segment of the **Bayshore Bikeway**
- Launched two neighborhood electric vehicle (**NEV**) **pilot programs** in Oceanside and Pacific Beach in partnership with the City of Oceanside, Visit Oceanside, and the City of San Diego
- Completed the **Series 15 Regional Growth Forecast**, which helps us understand the impact of programs, policies, and projects in the 2025 Regional Plan
- Won the Tyler Technologies Public Sector Excellence Award for Connected Communities for our **Open Data Portal**
- Continued to grow the **Youth Opportunity Pass** program, extending it for two more years
- Launched a **Traffic Safety Dashboard** to gather essential data on transportation fatalities and severe injuries in a centralized source
- Received \$3.2 million in Safe Streets and Roads for All grant funding to develop **Vision Zero** Action Plans in partnership with Caltrans, the City of Vista, and the La Jolla Band of Luiseño Indians
- Awarded \$12.3 million through **Cycle 2 HAP grants** to local jurisdictions for 15 planning and capital projects that will accelerate housing production, prioritize infill development, and reduce vehicle miles traveled
- Offered digital skills classes in rural areas of the region, supported project proposals to improve fiber and broadband infrastructure, and assisted with the State **Digital Equity** Plan process
- Provided more than \$82.4 million toward **local street improvement projects** in progress through TransNet
- Funded work on **environmental mitigation** projects such as the Rare Dune Species Restoration Project, the Quarry Creek Preserve Fencing Project, and the Endangered Avian Nesting Site Stewardship project
- Funded the completion of four TransNet **Active Transportation and Smart Growth** projects and moved several others forward
- Awarded approximately \$7.9 million in **Specialized Transportation Grant Program** funds through the Cycle 12 call for projects
- Approved \$2.5 million in funding for RideFACTNOW, an **Access for All Grant Program** service offering on-demand transportation services for people with disabilities

## Historical Milestones

For a complete list of historical milestones, visit [SANDAG.org/about/milestones](https://www.sandag.org/about/milestones).

### 2022

- Celebrated the historic groundbreaking of the **Otay Mesa East project**
- Completed emergency repairs of the **Del Mar Bluffs**
- Launched the **Youth Opportunity Pass pilot program**
- Completed the first phase of the **North Coast Corridor program**
- Opened a record-breaking 11 miles of **new bikeways** and broke ground on nearly 5 more
- Adopted a resolution to create a **Vision Zero Action Plan**
- Launched the **Open Data Portal**

### 2021

- Adopted the **2021 Regional Plan**
- Completed the **Mid-Coast Extension of the UC San Diego Blue Line Trolley** on time and within budget
- Completed the **Rose Creek Bikeway project**
- Completed phase 2 of the **Inland Rail Trail**
- Broke ground on phase 1 of the **SANDAG and Caltrans I-5 North Coast Corridor Program**
- Completed construction on **Bus on Shoulder project**
- Completed construction for the **I-805 Corridor Enhancement projects**
- Completed nine **SANDAG-funded grant projects** throughout the region

### 2020

- Completed construction on phase 4 of the **Del Mar Bluffs stabilization project**
- Completed several construction milestones on the **Mid-Coast Trolley Corridor Transit project**
- Opened a new southbound **I-5 auxiliary lane**
- Completed three miles of the **Inland Rail Trail**
- Broke ground on the **Fourth & Fifth Avenue Bikeways project**
- Funded restoration of the **San Elijo Lagoon** through the TransNet Environmental Mitigation Program

### 2019

- Launched **South Bay Rapid**
- Broke ground on the final segment of the future **SR 11**
- Began construction on the **Georgia – Meade and Landis Bikeways**
- Hired the agency's first **Independent Performance Auditor**
- Launched **Census 2020 outreach** efforts

### 2018

- Completed construction on **State Route 15 Mid-City Centerline Rapid Transit Stations project**
- Completed construction on the third and final phase of **SuperLoop Rapid station**
- Broke ground on the **Poinsettia Station Improvements project**
- Began service on a new **double-tracked rail bridge** over the San Elijo Lagoon
- Celebrated completion of the \$117.4 million **I-5/Genesee Avenue Interchange Project**
- Began work on five **sound wall segments** along I-805
- Acquired **Deer Canyon East** (nearly 112 acres) to be restored to wetland habitat and preserved as open space

# Projects and Programs

**The Regional Plan**, which is updated every four years, is the guiding document for much of SANDAG's work. In FY 2025, we will continue drafting the 2025 Regional Plan and Environmental Impact Report to update the region's blueprint for a convenient, healthy, safe, and equitable transportation system.

Updates to the Regional Plan use a data-driven planning process and feedback from stakeholders. We have listened to and implemented significant input from our diverse communities, the Board and Policy Advisory Committees, working groups, and partner agencies. Recommendations provided by the California Air Resources Board (CARB) in their "Evaluation of the San Diego Association of Governments' SB 375 2021 Sustainable Communities Strategy" will also provide critical input.

As the 2025 update continues to take shape, our robust engagement process will bring along all stakeholders at every stage. Find out more at [SANDAG.org/regionalplan](https://SANDAG.org/regionalplan). The major projects and regional initiatives listed below are some of the most significant activities taking place in FY 2025 to advance implementation of the Regional Plan.

## Major Projects

In each of our major project descriptions below, we've identified the primary phase for FY 2025. While in the "plan" phase, we study viable options and propose potential solutions. In the "analyze" phase, we conduct environmental clearance work, review state and federal requirements, and evaluate the impact of the project on social equity. For projects in the "design" phase, staff and consultants put together tangible plans. The "build" phase includes bidding, engineering, and construction.

### Airport Transit Connection

The Airport Transit Connection will provide a reliable, direct, and convenient transit link to the San Diego International Airport for people across the region. This transportation improvement will help to reduce the increased traffic that's projected with the expansion of the airport, provide a practical travel option for residents and visitors, and contribute to the regional economy. The environmental review process helps determine regional transportation connections and direct transit options to the airport. Visit [SANDAG.org/atc](https://SANDAG.org/atc) to learn more.

#### Project Phase

PLAN	ANALYZE	DESIGN	BUILD
------	---------	--------	-------

## LOSSAN

The LOSSAN Corridor (Los Angeles-San Diego-San Luis Obispo) is one of the busiest intercity rail corridors in the nation and the only viable rail freight link between the San Diego region and the rest of the country. This corridor is also part of the Strategic Rail Corridor Network (STRACNET), identified by the U.S. Department of Defense for its importance in providing access to the Marine Corps Base Camp Pendleton and the Port of San Diego. The Del Mar Bluffs stabilization project protects the LOSSAN Rail Corridor from erosion while rail realignment alternatives are evaluated during the environmental review. The goal is to move the tracks off the Del Mar Bluffs by 2035. Visit [SANDAG.org/lossan](https://sandag.org/lossan) to learn more.

### Project Phase

PLAN	ANALYZE	DESIGN	BUILD
------	---------	--------	-------

## Otay Mesa East Port of Entry

Mexico is California's main trading partner, fueling commerce and economic opportunity throughout the San Diego-Baja California binational region. The future port of entry that we are building with our partners at Caltrans will reduce wait times, strengthen border security and safety, increase economic efficiencies, and foster innovative technology solutions, all while reducing emissions and ensuring the Cali-Baja region has the infrastructure it needs to continue its dynamic growth. Work on site preparations and critical agreements with federal and Mexican partners continue moving the project forward. Visit [SANDAG.org/ome](https://sandag.org/ome) to learn more.

### Project Phase

PLAN	ANALYZE	DESIGN	BUILD
------	---------	--------	-------

## Blue Line Improvements

To speed up trip times and increase access for transit riders, we are studying various improvements to the Blue Line Trolley, including community-oriented development around two stops. We are also exploring options for additional rapid transit services between South County to Downtown San Diego. Additionally, short and long-term upgrades to the San Ysidro Transit Center's stop on the Blue Line will improve safety and rider experience. While we actively plan for these long-term developments, near-term solutions such as more Rapid buses will be provided to serve people traveling north and south on this route. Visit [SANDAG.org/blueline](https://sandag.org/blueline) to learn more.

### Project Phase

PLAN	ANALYZE	DESIGN	BUILD
------	---------	--------	-------

## Purple Line

The Purple Line will be a high-speed, high-capacity transit line connecting San Ysidro to Sorrento Mesa through National City, City Heights, and Kearny Mesa. It will link some of the most populated areas of our region with major destinations for jobs, health care, education, and more. We are exploring the best way to build this transit line through two studies. The first is looking at types of trains and possible routes for the National City to Sorrento Mesa section. The second is examining ways to improve all major transit lines from South County to Downtown San Diego. We are also planning a temporary Rapid bus route to serve passengers traveling between these neighborhoods. Visit [SANDAG.org/purpleline](https://sandag.org/purpleline) to learn more.

### Project Phase

PLAN	ANALYZE	DESIGN	BUILD
------	---------	--------	-------

## TransNet Major Corridors

TransNet Major Corridor projects are moving forward in the environmental clearance phase, advancing them one step closer to construction. Roadway projects include improvements to SR 67 and SR 52, final environmental documentation and design for the I-15/SR 78 Connectors, and final environmental documentation and preliminary engineering for the SR78/I-5 Express Lanes Connectors. We will also begin the design of the I-5 HOV lanes extending to Oceanside. Transit projects include Blue Line railway signal improvements, Palomar Street rail grade separation, several double-tracking projects, and the implementation of six new Rapid bus projects included in the October 2023 budget amendment. Visit [SANDAG.org/transnet](https://sandag.org/transnet) to learn more.

### Project Phase

PLAN	ANALYZE	DESIGN	BUILD
------	---------	--------	-------

## Regional Bike Network

The San Diego region is one of the most exciting places in the country for bike infrastructure improvements, with nearly 1,800 miles of existing bikeways in the region and several more projects in the works. A connected, extensive network of bikeways is key to ensuring that all people can use biking and walking as comfortable and convenient forms of everyday travel. Providing more transportation options also alleviates traffic. Currently, SANDAG is constructing three bikeways: Border to Bayshore, Bayshore Bikeway Barrio Logan, and the Pershing Bikeway. In 2024, SANDAG will break ground on Imperial Ave, Eastern Hillcrest, Central Bikeway, and the Inland Rail Trail Phase 3. Visit [SANDAG.org/bikes](https://sandag.org/bikes) to learn more.

### Project Phase

PLAN	ANALYZE	DESIGN	BUILD
------	---------	--------	-------

## Toll Operations

In the San Diego region, SANDAG operates the I-15 Express Lanes and SR 125 Toll Road. A tolling system is key to providing transportation options while alleviating traffic congestion and reducing greenhouse gas emissions. In January 2024, the Board of Directors approved an action plan to resolve ongoing tolling system deficiencies and to implement a new back-office system with a new team of vendors. The transition to a new system will include conducting regular vendor and internal assessments, implementing a quality assurance and quality control plan, and operational and customer service improvements. Internal policies will also include regular and proactive reporting to the SANDAG Board as well as transparent communication with the public. While SANDAG continues its work on the action plan over the next year, there are several internal and external assessments occurring to ensure all issues are identified and resolved and public trust is restored.

---

## Regional Initiatives

Many of the San Diego region's transportation challenges are deeply connected to larger societal issues that impact everyone's quality of life. These include economic and social inequities, climate change, public health, and safety. To address the many challenges that face our region, SANDAG is leading several initiatives focused on mobility options, increased safety, and access to opportunities. Our key initiatives focus not only on transportation, but also on access to the internet, reliable data, and equitable and sustainable opportunities. By partnering with our community members—from businesses to elected officials—we can ensure that all our efforts are grounded in what's important to our communities.

---

### Data, Research, and Analytics

SANDAG creates and maintains a tremendous amount of data and takes advantage of emerging datasets to better understand the needs of the region. We then translate data into actionable information such as transportation models, economic forecasts, project cost-benefit analyses, web applications, and maps. The public safety data and independent evaluations we provide offer insight into quality-of-life issues that cross jurisdictional boundaries. The Open Data Portal (ODP) makes our data publicly and readily available to everyone. Visit [SANDAG.org/data](https://www.sandag.org/data) to learn more.

---

### People, Processes, and Technology

In FY 2025, SANDAG will invest in new technologies, our employees, and agency process improvements to ensure we are efficient, effective, and ultimately, a world-class agency. We will streamline our processes, putting into practice what we've learned from our audits. And by bringing on the proper skill sets and training our staff, we will continue to be an innovative and data-driven agency.

---

### Safety and Vision Zero

Roads and intersections should be safe for everyone. That's why the SANDAG Board of Directors adopted a Regional Vision Zero Resolution with the intention of eliminating all traffic fatalities and severe injuries while increasing safe, healthy, and equitable mobility options. Vision Zero rejects the idea that traffic crashes are inevitable and instead views them as preventable incidents. The regional Vision Zero Action Plan will recommend proven roadway safety strategies to accommodate a variety of travel modes, safer speeds, and education around responsible travel behavior. Visit [SANDAG.org/visionzero](https://www.sandag.org/visionzero) to learn more.

---

### Transit Equity and the Youth Opportunity Pass

After more than a decade of advocacy by social justice community organizations, we launched our Transit Equity program in spring 2022. The Youth Opportunity Pass (YOP) pilot program, which provides free, unlimited transit rides for young people ages 18 and under, has provided more than 11 million rides countywide since its launch. Working with our community partners, the program also includes education for youth and families about public transit options in their neighborhoods and evaluation of its impact. Visit [SANDAG.org/yop](https://www.sandag.org/yop) to learn more.

---

### Reconnecting Communities

Working with our partners at Caltrans, the City of San Diego, National City, and community-based organizations, SANDAG is reconnecting parts of the region that have been historically cut off from opportunity by past transportation infrastructure decisions. Projects funded by a state grant to advance transportation equity will create green spaces, public plazas, and transit-oriented development that will repurpose land for community benefit and create buffers from pollution.

---

# Partners

## Coordinating Agencies

Through working agreements with local, state, federal, and tribal governments, as well as regional transit agencies, SANDAG ensures the achievement of regional goals. As the region's consolidated agency and the sole state and federal grant clearinghouse, SANDAG fosters regional coordination. This approach results in access to the best technical expertise, plans that more accurately reflect the needs of our diverse region, and community support. Working groups and task forces comprised of residents, stakeholders, and community organizations are also key partners.

Examples of agencies with whom we coordinate and collaborate include MTS, NCTD, the California Air Resources Board, Caltrans District 11, Southern California Tribal Chairmen's Association (SCTCA), peer MPOs, the U.S. Department of Defense, the Republic of Mexico, and many others. We engage with these agencies in a variety of ways. For example, SANDAG maintains formal agreements with the Southern California Tribal Chairmen's Association (SCTCA) to collaborate with the region's 17 sovereign tribal nations to ensure that our plans for the region protect tribal lands, culture, and resources throughout every stage of the process. Through a government-to-government framework, SANDAG collaborates with SCTCA to convene tribal summits every four years where regional leaders from local governments and federally recognized tribal governments engage in a diplomatic dialogue and identify priority actions. We also partner with community-based organizations to help us engage with underserved populations. These community partners are selected through a competitive Request for Proposals process and have representatives on the Regional Plan Social Equity Working Group. To find out more, visit our website at [SANDAG.org/about/work-with-us/our-project-partners](https://www.sandag.org/about/work-with-us/our-project-partners).

## Federal Certification Process

Federal metropolitan transportation planning regulations require annual certification that SANDAG's planning process conforms with all applicable federal requirements. The certification finding is based upon several factors:

- ▶ The agency must be officially designated as the Metropolitan Planning Organization for the San Diego region.<sup>1</sup>
- ▶ SANDAG must have an adopted RTP,<sup>2</sup> RTIP,<sup>2</sup> and OWP<sup>2</sup> that meet the necessary federal requirements.
- ▶ The RTP and RTIP must be consistent with the regionally adopted air quality plan.<sup>2</sup>

SANDAG provides the appropriate documents and endorsements to Caltrans and maintains file copies. As a part of the annual Program Budget and OWP adoption process, the Board makes the required certification finding. The finding is then transmitted to Caltrans, the Federal Highway Administration, and the Federal Transit Administration. Caltrans notifies SANDAG if there are any deficiencies in the planning process which could result in conditional certification. In such a case, the corrective actions and the date by which they must be taken are specified in an agreement between SANDAG and Caltrans.

<sup>1</sup> 23 U.S.C. 134, 49 U.S.C. 1607

<sup>2</sup> Sec. 174 and 176(c) and (d) of the Clean Air Act

## Setting Targets and Selecting Projects

SANDAG follows the Code of Federal Regulations (23 CFR Part 450) to set federal performance targets for timing, data use, and performance monitoring. Working groups, PACs, and transit providers also contribute input. SANDAG incorporates performance data—measured against federal performance targets, as well as social equity and quality of life metrics—into planning and programming efforts through network analysis and project phasing. The Transportation Improvement Program helps implement regional planning efforts while ensuring that national performance goals are met.

## Public Participation Process

The success of SANDAG and its many regional projects and initiatives depends on fostering a close relationship with communities throughout our region, including those that have been historically underserved, underrepresented, and systemically marginalized. Public outreach efforts are guided by SANDAG Board Policy No. 025, Public Participation Plan Policy (PPP, available at [SANDAG.org/legal](https://www.sandag.org/legal)), the agency's commitment to equity ([SANDAG.org/equity](https://www.sandag.org/equity)), and our Language Assistance Plan (LAP, [SANDAG.org/LAP](https://www.sandag.org/LAP)). The PPP establishes a process for communicating with and obtaining input from the public concerning agency programs, projects, and funding. It addresses Title VI and related nondiscrimination requirements and reflects the principles of transparency, social equity, and environmental justice. Included in the PPP are procedures, strategies, and outcomes associated with the ten requirements listed in 23 CFR 450.316. The plan also fulfills various state and federal requirements pertaining to public involvement. As required by the Federal Transit Administration, the LAP identifies language groups in the San Diego region which may need additional support and how language assistance—comprised of translation and interpretation services—is provided to people with limited English proficiency.

SANDAG has an obligation to eliminate disparities and ensure that safe, healthy, accessible, and inclusive opportunities to get involved are available to everyone. SANDAG strives for equitable public involvement by providing a variety of opportunities to connect. All members of the public are invited to:

- ▶ Serve on committees or working groups
- ▶ Attend public hearings, workshops, and community meetings which are held virtually and/or in person
- ▶ Provide feedback through surveys, phone hotlines, our website, written correspondence, etc.
- ▶ Engage with us through our website, social media, and in-person events such as community fairs and workshops
- ▶ Learn more through fact sheets, reports, emails, and other publications

SANDAG also reaches out to the public through partnerships with community-based organizations, special presentations, signage, and more. The goal is that all members of the public, from a wide variety of backgrounds, have the opportunity to weigh in and are informed about how SANDAG work efforts affect them. We attempt to present technical and policy issues in approachable terms, and additional information is available through our Public Information Office ([pio@sandag.org](mailto:pio@sandag.org)) or at [SANDAG.org](https://www.sandag.org). Materials may be provided in alternate formats upon request with at least 72 hours' notice. Special accommodations include translated materials and interpretation ([SANDAG.org/languageassistance](https://www.sandag.org/languageassistance)) and closed captioning and other ADA compliant formats ([ada.coordinator@sandag.org](mailto:ada.coordinator@sandag.org)).

# About this Budget

## Budget Components

SANDAG adopts an annual program budget, which is a comprehensive financial summary of the agency's activities and includes a multi-year capital program. The budget sets out our planned activities, illustrates how our work aligns with the priorities of our member agencies, and positions us to serve the region through the delivery of major infrastructure projects, policy initiatives, and regional services. There are three primary components of the program budget.

### Overall Work Program

The Overall Work Program (OWP) is an inventory of the regional planning projects and programs that will be undertaken during the fiscal year. Examples of this work include the Regional Plan and Data and Modeling services. The OWP includes a summary of local, state, and federal funding sources to support these work efforts. Find more in chapter 2.

### Regional Operations and Services

This component of the budget provides management of ongoing operational programs and customer services that deliver enhanced mobility and public safety services. It provides for maintenance and support of intelligent transportation and regional law enforcement data systems that support travelers and public safety agencies in the San Diego region. Examples of this work include management of the SR 125 Toll Road, Freeway Service Patrol, and the SANDAG Vanpool program. Find more in chapter 3.

### Capital Projects

The capital projects budget is the largest component of the SANDAG Program Budget, and it's a direct result of state legislation that made SANDAG the responsible agency for construction of major regional transit facilities. This component of the budget includes the multi-year TransNet Major Corridor and Regional Bikeway Program and other transit and capital improvements. Examples of this work include the LOSSAN Rail Realignment, North Coast Corridor Program, bike infrastructure, and Otay Mesa East Port of Entry projects. Find more in chapter 5.

### Other Expenses

Internal operations costs are incorporated into the projects outlined in the three primary components listed above. More detail on administrative, information technology, human resources, and Board budgets can be found in chapters 6–9.

## Funding

State, federal, and local revenues represent the majority of the budget for our primary budget components, with TransNet sales tax accounting for 16%. Additionally, the 19 SANDAG member jurisdictions are assessed a fee according to population. Assessments fund Board expenses, the Office of the Independent Performance Auditor, government relations, criminal justice clearinghouse reporting, and other regional planning efforts. Member agency assessments will account for \$1.6 million in FY 2025.

For more than three decades, TransNet has been the driving force for improving transportation infrastructure in the San Diego region. TransNet is the half-cent sales tax administered by SANDAG to fund local transportation projects consistent with the Regional Plan. The majority of TransNet funding flows through SANDAG to transit operators and local jurisdictions. For more information on TransNet, visit our website at [SANDAG.org/funding/transnet](https://SANDAG.org/funding/transnet).

Budget amendments up to \$500,000 may be approved by the Policy Advisory Committees. Budget amendments of more than \$500,000 require approval by the Board.

### Budget Revenue

for Overall Work Program, Capital Projects, and Regional Operations and Services

## Funding Sources

SANDAG's Program Budget has many revenue sources including those detailed below. Actual estimates in the Draft FY 2025 Program Budget will be developed and updated between November and the end of January.

### Local Sales Tax Revenue

Despite two years of strong inflation and economic uncertainty, local sales tax revenue has seen healthy year-over-year gains. In FY 2022, we recorded an unprecedented 21.5% year-over-year increase in TransNet revenue (\$405.9 million). In FY 2023, sales tax revenue grew another 5.9%. However, expectations for FY 2024 and FY 2025 are being downgraded as inflation wanes and the past rate hikes begin to slow the economy. In the first quarter of FY 2024, sales tax revenue did not keep pace with the forecast, signaling that growth expectations may need to be softened for FY 2025.

### Federal and State Revenue

SANDAG's revenue is subject to both the state and federal governments approving annual budgets, which we initially assume will remain flat. Actual appropriation of metropolitan planning organization (MPO) planning funds will be announced in subsequent notices appearing in the Federal Register.

Federal formula funds for capital projects increased in FY 2024 pursuant to the Infrastructure Innovation and Jobs Act (IIJA) and based on the region's air quality redesignation from moderate to severe, which increased the share of the annual Congestion Mitigation and Air Quality program apportionment. SANDAG and the transit agencies are also eligible for formula funds under several state programs that include planning, operations, and capital funding. Additional funding may become available through formula appropriation in FY 2025 depending on how the State of California distributes the additional funds made available through the passage of the IIJA.

## TransNet Revenue Comparison by Month

July 2023–December 2023 only in FY 2024

## TransNet Revenue by Year

## Other Revenue and Grants

Dedicated grants, enterprise revenue, and ongoing multi-year state and federal grant programs provide funding for projects and programs in the OWP, capital, and regional operations budget components. In particular, SANDAG and the transit agencies are eligible for discretionary funds under many federal and state programs with awards continuing in FY 2024 and FY 2025. SANDAG continuously competes for discretionary grants for its planning and capital programs that are added to the Program Budget as they are awarded.

The revenue generated on the SR 125 toll road and the I-15 Express Lanes have shown positive growth. Traffic and revenue on both of these roads increased during FY 2023 and the first quarter of FY 2024. Toll and Express Lane revenues will be updated for the Draft 2025 Program Budget along with the rest of the revenues discussed above.

## Local Economic Outlook

In the second quarter of FY 2024, San Diego's regional economy displayed resilience amid a third year of elevated inflation and high interest rates. Tourism is returning to 2019 levels, and overall employment has remained healthy. At the same time, the region's households have faced headwinds from rising costs of living, only modest wage growth, and slight moderation in real estate markets.

Tourism continues its post-pandemic recovery, capitalizing on solid demand and shifts in consumer spending from goods to experiences and the tail end of the "revenge travel" phenomenon (people making up for not traveling because of the 2020 pandemic). In 2022, the region had 28.8 million visitors who spent \$13.6 billion in the region. From January through October 2023, visits outpaced that same 10-month period in 2022 by 10.9%, and visitor spending surpassed the 2022 number by 4.4%.

The region's diversified employment base has also been an anchor for the region's economy. More than 1.61 million San Diegans were in the civilian labor force as of November 2023, up 1,800 workers from the prior year. Total nonfarm, wage/salary jobs were 1.59 million in November 2023, up 21,900 from the preceding year. The largest net gains came in private healthcare and social assistance (10,700 jobs) and tourism (9,900). Administrative/support and waste management/remediation services (-7,000) had the largest job loss. The region's unemployment rate remained relatively low at 4.3% in December 2023. Comparatively, the unemployment rate for California was 5.1%, and the national unemployment rate was 3.5%.

While labor market conditions remain strong, pressure on the San Diego economy comes from continued cost of living increases. San Diego's household area median income (AMI) rose to \$116,800 at the start of FY 2024, but wage growth has not kept pace with inflation. Housing costs and elevated prices for household necessities have been cutting into discretionary spending and savings, making San Diego among the nation's top five most expensive places to live. In January 2024, San Diego inflation was at 3.8% (down from 5.2% in November), but continued to track above the national level (3.1%).

Tourism is up

Employment remains healthy

Inflation outpaces wage growth

Costs of living continue to rise

### Unemployment Rate

Source: U.S. Bureau of Economic Analysis, Not Seasonally Adjusted

### San Diego Inflation

Source: U.S. Bureau of Economic Analysis, Not Seasonally Adjusted

Necessities, such as groceries (2.6%), shelter (8.7%), electricity (16.2%), and medical care (5.2%) were the main contributors to November’s rise. With three years of inflationary pressure, credit card debt and delinquencies are rising.

Both commercial and residential real estate have struggled amid economic uncertainty. Additionally, borrowing costs for business expansion and homebuying have increased on the heels of the Fed’s rate-hike cycle that began in March 2022. Given the tighter lending standards, high cost of capital, lower business investment, and prevailing telework trends, the San Diego commercial real estate market experienced decreased demand for office space. Compared to the pre-pandemic period, leasing volume has plummeted almost 20% (Q3 2023), while availability has risen by 7 million square feet to 20.4 million square feet. While the region faced a 10.8% vacancy in late 2023, Downtown San Diego remained the hardest hit. The vacancy rate for Class A properties in the Downtown San Diego market is forecasted to reach an unprecedented 39% in 2024. This vacancy rate is caused by dwindling demand and 2.7 million square feet of new—and still uncommitted—office space expected to be delivered in the next 18 months.

In contrast, the residential real estate market remained especially tight and arguably frozen because of limited supply, near-record home prices, and elevated mortgage rates. In late December 2023, mortgage rates fell to 6.61%. Falling rates are attracting more buyers, but only some would-be sellers have put their homes on the market. In November 2023, year-over-year home sales were down by 14.5% to 1,549. The median-priced home was \$870,000, and just 16% of San Diego homes for sale qualified as “affordable” based on a \$5,550 monthly payment on a median-priced home at a 6.82% rate for a 30-year fixed mortgage (December 2023). The region also has the nation’s third-most expensive rental market, with rents up an average of 18% to \$2,830 in the past year.

While recession fears appear to be fading, the lasting impact of inflation, higher borrowing costs, elevated home prices, and mounting debt are expected to subdue consumer spending in the coming year.

## Project Type Glossary

SANDAG is continually working to fulfill our commitment to the people of this region through large infrastructure projects including those described in the "Major Projects" section. We are also working on other projects throughout the region which are included in this budget. This visual glossary explains many project types you may find mentioned in this document.

### Arterial Improvement

Helps a high-traffic neighborhood street connect to a freeway more efficiently.

### Bus Layover

Designated area where buses can wait between trips so drivers can take breaks, and where vehicles can be fueled, charged, or cleaned.

### Circulator Route

A bus that comes frequently and stops at major local destinations in a specific area.

### Connector

A ramp that connects one highway to another.

### Direct Access Ramp (DAR)

A special highway entrance where buses, carpoolers, or people who pay a toll can directly enter managed lanes without having to merge from the right side.

### Express Route

Bus routes that connect suburban areas to major urban centers that have very few stops at major destinations.

### Highway Intersection Improvements

Improves safety, and traffic flow in places where a highway crosses a major road.

### Highway Straightening

Removes curves from highways.

### Interchange

Where a freeway and a major road or other freeway cross each other.

### LOSSAN Improvements

Making the railway that connects San Diego to Los Angeles and San Luis Obispo safer, faster and more efficient.

### Local Route

A bus route that travels around neighborhoods that are near one another.

### Managed Lanes (ML)

Separated highway lanes set aside for multi-passenger transportation like buses or carpoolers, or for people who pay a toll.

### Managed Lane Connector

Ramps that connect managed lanes on different freeways.

### Microtransit

On-demand public shuttle service for short trips within a neighborhood.

### Mobility Hub

An area where different types of transportation connect easily (ex. public transit, bike lanes, or shuttles) to housing and commercial areas.

### Multimodal Corridor Improvements

Projects that make all transportation on the same route more efficient, including walking, biking, transit, trains, and/or vehicles.

### Neighborhood Electric Vehicle (NEV) Service

Small, on-demand electric shuttle available for short trips in a small area (ex. FRED San Diego).

### Otay Mesa East Port of Entry (OME POE)

A new U.S./Mexico border crossing.

### Purple Line

Future transit route connecting the border region to University Town Center (UTC) and Sorrento Mesa.

### Rapid Bus

A bus route that gets priority in high-traffic areas to speed up trips.

### Reversible Managed Lanes

A managed lane that can change traffic direction depending on the time of day or traffic conditions.

### Shoulder Widening

Project that widens pavement on the side of a freeway for safety in case of emergencies.

### Train and Trolley Improvements

(ex. on the Blue, Green, or Orange Line, SPRINT, or COASTER)  
Projects that make rail trips more efficient: for example, separating rail tracks from car traffic with a bridge.

## Revenue and Expenditure Summary

## **Adoption of FY 2025 Program Budget, and Providing for All Authorizations Necessary and Pertinent Thereto**

WHEREAS, the San Diego Association of Governments (SANDAG) Bylaws stipulate that the Board of Directors shall adopt a final Program Budget no later than June 30 of each year; and

WHEREAS, SANDAG serves as the San Diego County Regional Transportation Commission (RTC) and California Public Utilities Section 132104(a), which is part of the enabling legislation creating the RTC, requires the adoption of an annual budget; and

WHEREAS, the adopted FY 2025 Program Budget, including the Overall Work Program (OWP), anticipates reliance on federal, State of California, and other funds, which require certification of nonfederal matching funds; and

WHEREAS, such required match is identified as being available from Transportation Development Act funds, member agency assessments, local assistance, and other local funds and in-kind services; and

WHEREAS, pursuant to SANDAG Board Policy No. 017, Delegation of Authority, adoption of the annual budget by the Board shall automatically authorize the Chief Executive Officer to enter into any agreements or take any other actions necessary to implement budget items or other actions approved by the Board; and

WHEREAS, California Code of Regulations, Title 2, Section 570.5 (Requirement for a Publicly Available Pay Schedule) and Sections 571(b) and 571.1 (Definition of Special Compensation) were adopted by the California Public Employee Retirement System to provide specific requirements on how public agencies should approve and document pay rates and special compensation items; and

WHEREAS, it is necessary to authorize the SANDAG Chief Executive Officer to reimburse SANDAG for necessary administrative expenditures made on behalf of the RTC, including Board expenses, SANDAG staff services, and contractual services necessary to carry out the legal, administrative, auditing, and investment management responsibilities of the RTC;

NOW THEREFORE

The SANDAG Board of Directors, ALSO ACTING AS THE RTC, DOES HEREBY RESOLVE AS FOLLOWS:

- a. The FY 2025 Program Budget and associated Position Classification / Salary Range Table, hereby incorporated by reference, is adopted in an amount projected to be \$1.3 billion, including the OWP in the amount of \$80.9 million, the annual portion of the Capital Program in the amount of \$683.2 million, and the annual portion of Regional Operations and Services in the amount of \$79.9 million. The SANDAG Chief Financial Officer hereby is authorized to finalize the FY 2025 appropriations based on actual grant agreements/funding contracts executed, transfer of funds from consolidated transit agencies, actual sales tax revenues, sales tax-backed commercial paper proceeds, interest earnings received pursuant to this budgetary authority, and actual end-of-year carryover funds status as determined by the Chief Financial Officer; and
- b. Each member agency hereby is assessed its share of the amount shown in the adopted FY 2025 Program Budget for the base SANDAG membership, the Criminal Justice Clearinghouse assessment, and for the Automated Regional Justice Information System assessment; and
- c. The FY 2025 Position Classification / Salary Range Table and FY 2025 Special Compensation Table (Chapter 8) are hereby duly approved consistent with 2 CCR § 570.5, 571(b), and § 571.1; and
- d. The SANDAG Chief Executive Officer, or his/her designee, is authorized to make, if applicable, such personnel changes and employee compensation and benefits package adjustments for which funding is provided in the adopted FY 2025 Program Budget and as may be amended by the Board; and
- e. The SANDAG Chief Executive Officer, or his/her designee, is hereby authorized to submit grant applications and revenue claims, and execute grant and revenue agreements in the amounts identified in this adopted FY 2025 Program Budget and as may be amended subject to the final agreement of the funding agencies; and
- f. The SANDAG Chief Executive Officer, or his/her designee, is hereby authorized to execute grant agreements and all necessary documents and covenants required by granting agency laws, rules, and administrative regulations, and the Board hereby certifies the required nonfederal match to the above listed agencies and in the amounts necessary subject to SANDAG Chief Financial Officer certification of funds availability; and
- g. The SANDAG Chief Executive Officer, or his/her designee, is hereby authorized to invest or to reinvest funds, and to sell or exchange securities so purchased, in accordance with the full allowances, conditions, and limitations set forth in Board Policy No. 003, Investment Policy, during FY 2025.
- h. The SANDAG Chief Executive Officer is hereby authorized to accept funds from member agencies and other entities for the performance of Service Bureau projects and is further authorized to enter into agreements for goods and services in any amount requested by the entities as may be necessary to carry out the project; and

BE IT FURTHER RESOLVED that a copy of this resolution and adopted  
FY 2025 Program Budget be filed with the Clerk of each member agency.

PASSED AND ADOPTED this Friday, 10 of May, 2024.

**Ayes** Chula Vista, Coronado, Encinitas, Imperial Beach, La Mesa, Lemon Grove, National City,  
City of San Diego, County of San Diego, Santee, Solana Beach, and Vista.

**Noes** Carlsbad, Del Mar, Escondido, Oceanside, and San Marcos.

**Absent** El Cajon and Poway.

---

**Chair of the Board of Directors  
of the San Diego County Regional  
Transportation Commission**

San Diego County Regional Transportation  
Commission**

## CHAPTER 2

# Overall Work Program Projects

---

This chapter contains project descriptions and financial summaries for our Overall Work Program (OWP) projects.

# Overall Work Program Projects

Project descriptions contain planning activities, tasks, products, and completion dates. FY 2025 budgeting is presented alongside prior-year expenditures and multi-year total budgets (where applicable). In the financial summaries, we identify sources of funding, application of funds (by expense category), the expense summary, and the contracted services budget. Group programs are listed with related projects indented under the group title. There is a separate section for the subset of work elements that are specifically supported by annual federal planning funds. These constitute the core funding for the OWP. The Federal Highway Administration, Federal Transit Administration, and Caltrans appropriate these Consolidated Planning Grant Program funds. These agencies are authorized to review and approve the funded activities to ensure that they comply with federally established criteria for core planning functions. The final section shows the historical comparison of current project budgets relative to FY 2024 estimated expenditures and FY 2023 actual expenditures.

## Total Budget Breakdown

## Revenue

## Expenses

## Major Work Efforts

- ▶ Regional Plan Development & Implementation
- ▶ Safety and Vision Zero
- ▶ Managed Lanes
- ▶ Rapid Projects
- ▶ Zero Emission Vehicle Infrastructure and Incentives
- ▶ Housing Acceleration Program
- ▶ Youth Opportunity Pass
- ▶ Planning for Blue Line & Purple Line
- ▶ Airport Transit Connection
- ▶ Flexible Fleets Program

**61** Total OWP Projects

## List of Projects

1500000 Project Monitoring and Oversight .....	2-3	3401900 On the Move – Transit Priority Solutions for Complete Streets – FY 22/23 .....	2-66
1500100 TransNet Financial Management .....	2-5	3402200 DT La Mesa Trolley Prioritization – FY 23/24 .....	2-68
1500300 Funds Management and Oversight .....	2-7	3402300 Reconnecting Communities Study .....	2-70
1500400 OWP and Budget Programs Management .....	2-9	3402301 Barrio Logan Freeway Lid Study .....	2-72

**Work Element:** 1500000 - Project Monitoring and Oversight

**Project Manager:** Suzanne Martinez

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$367,834	\$465,061	\$548,468
Other Direct Costs	\$6,158	\$8,000	\$10,000
Contracted Services	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$373,992</b>	<b>\$473,061</b>	<b>\$558,468</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LTDA -	\$6,158	\$8,000	\$154,257
SCaltrans - STIP	\$367,834	\$465,061	\$404,211
<b>Total</b>	<b>\$373,992</b>	<b>\$473,061</b>	<b>\$558,468</b>

### Objective

The objective of this work element is to coordinate with partners, including state and federal funding and oversight agencies, on jointly funded projects to ensure that projects stay on schedule, keep within scope and budget, and meet all relevant local, state, and federal requirements, including the timely use of funds. Emphasis in FY 2025 will be continued implementation of funding programs included in the Infrastructure Investment and Jobs Act I, and earmarks in annual OmniBus Bills. Also, continued monitoring and reporting on the projects and programs funded through California Senate Bill 1 (SB 1) (Beall, 2017); submitting documentation to request funding awarded in the third cycle of SB 1 grants; seeking allocations for State Transportation Improvement Program (STIP)-funded projects; and serving as a representative on the statewide Regional Transportation Planning Agency (RTPA) Working Group on behalf of SANDAG.

### Previous Accomplishments

In FY 2024, accomplishments included continued participation with the California Transportation Commission (CTC) and other partner agencies to implement programs, including SB 1, freight plans, Active Transportation Program (ATP), and STIP; submission of the 2024 STIP; continued input to the development of guidelines for 2024 SB1 programs; participation with the RTPA Working Group, the Funds Accountability Sub-Group, and the ATP Technical Advisory Committee (TAC) to identify project delivery issues and propose solutions to keep projects on schedule; and complying with reporting requirements of the Mid-Coast Corridor Transit Project (Mid-Coast) Transportation Infrastructure Finance and Innovation Act (TIFIA) loan.

### Justification

Year-round project monitoring and oversight activities are the responsibility of the SANDAG Board of Directors acting as the San Diego County Regional Transportation Commission and the RTPA under various statutes, regulations, and agreements. These tasks fulfill federal and state mandates.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$78,353	Prepare state and federal allocation and authorization documents to support implementation of STIP, SB1, and formula program projects (Staff)	Allocation/authorization requests	6/30/2025
2.	\$78,352	Review and comment on environmental documents, engineering reports, plans, and estimates prepared by project sponsors and ensure consistency with San Diego Forward: The 2021 Regional Plan and the Regional Transportation Improvement Program (Staff)	Completed review/comments, as needed	6/30/2025
3.	\$88,353	Continue to participate in statewide RTPA Working Group and other meetings; and attend CTC meetings (Staff)	Meetings, participate in statewide transportation issues	6/30/2025
4.	\$78,353	Comply with Mid-Coast TIFIA loan requirements by submitting reports and monthly documentation, or more frequently as needed (Staff)	Mid-Coast TIFIA reporting	6/30/2025
5.	\$78,353	Work with local, state, and federal agencies and others to improve project delivery processes for projects, including commenting on state funding program guidelines (Staff)	Memos/meeting minutes documenting coordination efforts	6/30/2025
6.	\$78,352	Prepare transportation project agreements between SANDAG, Caltrans, Metropolitan Transit System, North County Transit District, and local jurisdictions (Staff)	Project agreements, as needed	6/30/2025
7.	\$78,352	Facilitate communication between state and local agencies to avoid financial inactivity on projects and comply with timely use of funds deadlines (Staff)	Meetings and correspondence, as needed	6/30/2025

## Future Activities

Participate with the RTPA Working Group, the Funds Accountability Sub-Group, and the ATP TAC to identify project delivery issues and propose solutions to keep projects on schedule; work with project managers and other agencies to submit obligation and allocation requests; work with state and local agencies to implement new requirements and new funding programs from Federal Transportation Act and OmniBus Bills; and comply with reporting requirements of the Mid-Coast TIFIA loan.

**Work Element:** 1500100 - TransNet Financial Management

**Project Manager:** Zara Sadeghian

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$1,375,636	\$1,362,584	\$1,577,553
Other Direct Costs	\$65,737	\$48,703	\$56,628
Contracted Services	\$403,079	\$341,513	\$263,007
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$1,844,452</b>	<b>\$1,752,800</b>	<b>\$1,897,188</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LTransNet - TNetAdmin	\$1,844,452	\$1,752,800	\$1,897,188
<b>Total</b>	<b>\$1,844,452</b>	<b>\$1,752,800</b>	<b>\$1,897,188</b>

### Objective

The objective of this work element is to manage and administer the TransNet local sales tax revenues consistent with the TransNet Extension Ordinance. Emphasis in FY 2025 will be on overseeing the implementation of recommendations from the FY 2024 TransNet Triennial Performance Audit and continued implementation of recommendations from the FY 2018 and FY 2021 TransNet Triennial Performance Audits, including Transportation Performance Framework; and providing oversight for the continued implementation of the TransNet Program. Other areas of focus are working on the annual Plan of Finance, continuing working on TransNet Ordinance Amendments, participation in Self-Help Counties Coalition, and prioritizing TransNet Major Corridor eligible projects for leveraging opportunities.

### Previous Accomplishments

Previous accomplishments include the implementation of recommendations from the TransNet Ten-Year Review, FY 2018 and 2021 TransNet Triennial Performance Audits; updates to the TransNet Program; monitoring and management of TransNet local sales tax revenues consistent with TransNet Extension Ordinance requirements, prior Ordinance amendments.

### Justification

This is a requirement of the TransNet Extension Ordinance.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$517,836	Provide updated revenue forecasts, as necessary, for the ongoing implementation of the TransNet Program and its update; implement debt financing mechanisms, as needed, consistent with the updated TransNet Program update (Staff and outside services)	Annual TransNet revenue forecast update by February 2025, revisions as needed; annual TransNet Program update; quarterly financial updates to the Independent Taxpayer Oversight Committee (ITOC) and the Board of Directors, including debt portfolio status; annual Plan of Finance updates	6/30/2025
2.	\$795,785	Review of the TransNet Program Update and implementation of recommendations from the FY 2024 TransNet Triennial Performance Audit, and continue implementation of recommendations from FY 2018 and FY 2021 TransNet Triennial Performance Audit, including implementation of TransNet Ordinance amendments. Continue Implementation of the TransNet Ten-Year Review: Look-Ahead Implementation Plan. (Staff and outside services)	Periodic updates on implementation progress	6/30/2025
3.	\$336,039	Refine and maintain database to track TransNet cash flows, including sales tax allocations among programs, disbursements, and allocation of debt service; determine annual ongoing cash-flow requirements for member agencies. (Staff and outside services)	Database maintenance; monthly cash flow by recipient	6/30/2025
4.	\$121,964	Continue efforts to develop or refine program guidelines and SANDAG Board Policy to implement components of the TransNet Extension Ordinance. (Staff)	New/revised guidelines and Board Policy, as needed	6/30/2025
5.	\$125,564	Work with other transportation sales tax "self-help" counties on common issues of concern, such as improved project delivery efforts and legislative issues including impact of SB 375. (Staff)	Reports summarizing attendance at Self-Help Counties Coalition	6/30/2025

### Future Activities

Future activities include implementation of recommendations from the FY 2024 TransNet Triennial Performance Audit and continued implementation of recommendations from all prior audits, regular TransNet Program updates, continued monitoring and management of TransNet local sales tax revenues consistent with TransNet Extension Ordinance requirements, and implementation of TransNet Ordinance amendments.

**Work Element: 1500300 - Funds Management and Oversight**

**Project Manager: Suzanne Martinez**

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$285,222	\$318,635	\$400,885
Other Direct Costs	\$70,050	\$73,106	\$76,790
Contracted Services	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$355,272</b>	<b>\$391,741</b>	<b>\$477,675</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA – CPG Planning	\$275,000	\$285,000	\$285,000
LTDA -	\$50,000	\$45,868	\$145,885
LTransNet - TNetAdmin	\$30,272	\$60,873	\$46,790
<b>Total</b>	<b>\$355,272</b>	<b>\$391,741</b>	<b>\$477,675</b>

### Objective

The objective of this work element is to provide funding oversight for regional transportation projects and programs by estimating, administering, and allocating local, state, and federal funds; preparing, adopting, and amending the Regional Transportation Improvement Program (RTIP); ensuring compliance and consistency with local, state, and federal laws and regulations related to the administration of these various funding sources; and submitting required state and federal reports. Emphasis in FY 2025 will be on preparation and adoption of the 2025 RTIP and preparing amendments to the 2023 and 2025 RTIP, as needed.

### Previous Accomplishments

In FY 2024, SANDAG completed the annual estimate of short-term revenue; approved amendments to the 2023 RTIP including a conformity update for an amendment to the 2021 Regional Plan; prepared the 2025 RTIP update; published federal obligation reports; and administered Consolidated Planning Grant-funded projects.

### Justification

All the tasks involved with this work element are to fulfill the requirements of SANDAG in its role as the San Diego County Regional Transportation Commission, Regional Transportation Planning Agency, and Metropolitan Planning Organization under various statutes, regulations, and agreements.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$202,156	Produce federally required annual reports: (1) Annual Listing of Obligated Projects; and (2) Congestion Mitigation and Air Quality Improvement (CMAQ) Emissions Reduction Report (Staff)	Annual Obligation Listing, CMAQ Emissions Annual Report	1/15/2025
2.	\$71,875	Provide annual apportionment and five-year revenue projections to transit operators and local jurisdictions (Staff)	Staff report; revenue projections to transit/ local agencies	2/28/2025
3.	\$172,685	Process RTIP amendments including preparing for biennial update; update ProjectTrak functionality; update ProjectTrak manual; maintain RTIP public webpage; ensure consistency with the 2021 Regional Transportation Plan (Staff)	RTIP amendments/ update; updated ProjectTrak features/manual	6/30/2025
4.	\$30,959	Continue to participate in statewide meetings and task force groups including the California Federal Program Group (Staff)	Memo summarizing regional input to interagency groups	6/30/2025

### **Future Activities**

Future activities include an annual estimate of short-term revenues; adoption of the 2025 RTIP including a social equity analysis; approval of amendments to the 2023 and 2025 RTIP; working to align the RTIP projects with the Regional Plan and publication of federal obligation reports.

**Work Element: 1500400 - OWP and Budget Programs Management**

**Project Manager: Julian Podgruszewski**

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$426,407	\$506,016	\$692,561
Other Direct Costs	\$1,100	\$2,100	\$2,106
Contracted Services	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$427,507</b>	<b>\$508,116</b>	<b>\$694,667</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA – CPG Planning	\$120,000	\$130,000	\$130,000
FFTA – CPG 5303	\$125,000	\$135,000	\$135,000
LTDA	\$182,507	\$243,116	\$429,667
<b>Total</b>	<b>\$427,507</b>	<b>\$508,116</b>	<b>\$694,667</b>

### Objective

The objective of this work element is to provide the overall development, management, and coordination of the annual SANDAG Program Budget, including the Overall Work Program (OWP). The OWP is a required component of the budget and encompasses all the regional planning activities related to transportation, including supporting infrastructure. Emphasis in FY 2025 will be on balancing agency strategic initiatives and funding constraints; refining a newly implemented Enterprise Resource Planning (ERP) platform to integrate budgeting functions with accounting, payroll and human resources; and ensuring effective coordination with local, state, and federal funding agencies and compliance with funding requirements.

### Previous Accomplishments

The draft annual Program Budget is produced in early March each year and reviewed by the Executive Committee, the Board of Directors, and funding agencies. SANDAG has met the requirement to produce a balanced budget each year and has managed the components of the budget to ensure that available funding sources are utilized and comply with funding requirements.

### Justification

The development, approval, and monitoring of the OWP is a requirement for the receipt of Consolidated Planning Grant funds. The OWP guidelines are published annually, and the draft OWP budget is submitted to the Federal Transit Administration (FTA), Federal Highway Administration (FHWA), and Caltrans for review and approval. SANDAG Bylaws require the Board of Directors to consider a draft budget for approval no later than April 1 of each year, and again during the month of May, and final budget approval no later than June 30 of each year.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$71,961	Produce year-end package for OWP for prior year including; certification of allocation and expenditure by fund source, final statement of expenditures, quarterly progress reports, and compilation of products (Staff)	Year-end package submittal to Caltrans	8/31/2024
2.	\$27,299	Identify timeline and process improvements for the annual budget process (Staff)	Summary of process improvements, annual budget schedule, and guidelines document	11/30/2024
3.	\$119,711	Customize ERP platform for improved reporting and integration with other SANDAG financial systems, including coordination with financial, payroll and human resource system (Staff)	ERP platform	12/30/2024
4.	\$27,150	Coordinate draft and final OWP with local, state, and federal funding agencies to ensure compliance with funding eligibility requirements (Staff)	Annual OWP development and coordination meeting with FHWA, FTA, and Caltrans	1/31/2025
5.	\$27,149	Produce quarterly and annual OWP progress reports for review by management, Caltrans, and other funding agencies (Staff)	Quarterly and annual reports	6/30/2025
6.	\$367,096	Develop draft and final FY 2026 Program Budget and distribute to the public, member agencies and funding agencies for review and comment (Staff)	Draft (March 2025) and final (May 2025) budget documents	6/30/2025
7.	\$54,301	Coordinate with project managers and funding agencies to identify and process accurate and timely budget amendments, as needed (Staff)	Budget amendment documents, including OWP agreement amendments	6/30/2025

## Future Activities

This is a recurring work element relating to annual budget development and monitoring. Future activities include refining budget development and monitoring processes and developing enhanced reporting and transparency through the new ERP platform.

**Work Element:** 1500800 - TDA Funds Management and Oversight

**Project Manager:** Zara Sadeghian

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$105,872	\$167,987	\$118,693
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$98,296	\$100,495	\$71,209
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$204,168</b>	<b>\$268,482</b>	<b>\$189,902</b>

### Project Funding

Funding	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
LTDA	\$204,168	\$268,482	\$189,902
<b>Total</b>	<b>\$204,168</b>	<b>\$268,482</b>	<b>\$189,902</b>

### Objective

The objective of this work element is to provide funding oversight for regional transportation projects and programs by estimating, administering, and allocating Transportation Development Act (TDA) funds; ensuring compliance and consistency with state regulations related to the administration of this funding source, including submitting required state and federal reports. Emphasis in FY 2025 will be on continuing ongoing activities and participating in the TDA Reform Task Force, and the State Transit Assistance (STA) Working Group.

### Previous Accomplishments

In FY 2024, SANDAG approved TDA claims, completed TDA and STA audits, and continued implantation of recommendations from the TDA performance audit.

### Justification

All the tasks involved with this work element support the requirements of SANDAG in its role as the Regional Transportation Planning Agency under various statutes, regulations, and agreements.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$71,209	Conduct annual fiscal audit for TDA/STA recipients. (Consultant)	Fiscal audits	12/31/2024
2.	\$61,008	Review TDA/STA claims for eligibility; process TDA/STA claim amendments, as needed; maintain TDA database; update the TDA manual, as needed; and maintain TDA website. (Staff)	TDA/STA claims and amendments	6/30/2025
3.	\$57,685	Provide annual TDA apportionment and five-year revenue projections to transit operators and local jurisdictions. (Staff)	Staff report; revenue projections to transit agencies and lo	6/30/2025

### Future Activities

Annual estimate of short-term revenues; approve TDA claims; complete TDA and STA audits; and continue implementation of recommendations from the TDA performance audit.

**Work Element:** 2300000 - Data Science, Analytics, and Modeling

**Project Manager:** Mike Duncan

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$8,665,107	\$8,953,333	\$10,689,537
Other Direct Costs	\$448,400	\$1,107,400	\$964,240
Contracted Services	\$5,906,795	\$5,626,794	\$1,570,000
Materials & Equipment	\$0	\$100,000	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$15,020,302</b>	<b>\$15,787,527</b>	<b>\$13,223,777</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA – CPG Planning	\$716,777	\$2,502,910	\$3,031,809
FFTA - 5307	\$5,147,742	\$3,120,061	\$3,143,637
LTDA	\$1,748,277	\$2,340,023	\$2,051,074
LTransNet - TNet/FTsw	\$4,918,209	\$3,318,848	\$3,175,145
LTransNet - TNetAdmin	\$2,489,297	\$4,505,685	\$1,822,112
<b>Total</b>	<b>\$15,020,302</b>	<b>\$15,787,527</b>	<b>\$13,223,777</b>

### Objective

The objective of this work element is to conduct data analysis and modeling to inform regional planning and policy development. This work element will develop, maintain, and operate data systems, models, and analytic tools that allow SANDAG and its member agencies to transform data into actionable and meaningful information for the San Diego region that facilitates effective decision-making. The scope of efforts includes transportation modeling; demographic, economic and land use analysis and forecasting; geographic information systems; survey research; performance monitoring; and data dissemination. The Open Data Portal (ODP) will continue to be the central focus of disseminating data related to mobility, the economy, the environment, and social equity in the San Diego region. Quality management practices will be used to ensure the accuracy, reliability, timeliness, appropriate use, and transparency of data and analytic products developed and used supported by consistent and effective procurement, data governance, and project management practices. These tools and data products are needed to conduct analyses required by federal and state laws. Program emphasis in FY 2025 will be support for the production use of new forecast and modeling tools in the 2025 Regional Plan and other priority agency projects.

### Previous Accomplishments

Previous accomplishments include modeling and analysis for the 2021 Regional Plan Amendment, multiple Comprehensive Multimodal Corridor Plan (CMCP) projects, extensive survey research to better understand post-pandemic travel behavior, transformational updates to transportation modeling tools, population, land use and economic forecasting tools and transportation network editing tools in preparation for the 2025 Regional Plan, Geographic Information Systems (GIS) applications, database modernization and Cloud migration, collaboration with other agencies to develop methods for rapid transportation scenario planning, modernization of older data dissemination tools such as Data Surfer, and extensive data product dissemination using the ODP. In addition, Quality Assurance/Quality Control (QA/QC) procedures, including increased use of automation in QA/QC reviews, Peer Review Process (PRP), proactive data quality measures such as use of standardized templates, and project management procedures, including use of the pilot enterprise project management system have been employed to monitor and ensure data quality and project performance.

### Justification

SANDAG is required by state and federal law to have a transportation model that addresses the planning needs of the region and can be used for air quality conformity determinations, including those related to California Senate Bill 375 (SB 375), the Sustainable Communities and Climate Protection Act of 2008 (Steinberg, 2008). This law requires the transportation model assumptions and data to be current and properly reflect the associated behavior in making travel choices. The transportation model must be validated, properly documented, and transparent to the public. This work element provides all data, analysis, models, and GIS technology framework that supports development of the Regional Plan, TransNet capital improvement program, and other SANDAG priority projects and ensures the necessary technology and systems are in place to support a broad range of agency projects and initiatives.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$2,508,914	Use a variety of data-science-enabled and analytical techniques to make data products and actionable insights more accessible to local jurisdictions and the public including ongoing data content development and enhancement of the ODP platform to support the regional plan in various key initiative areas (Staff)	ODP, Dashboards, Reports	6/30/2025
2.	\$4,061,080	Implement and support major update to SANDAG travel model, Activity-Based Model 3 (ABM3), that incorporates post-pandemic survey datasets and also includes a software platform upgrade. Completion and maintenance of features and enhancements to ABM3 that are required for 2025 Regional Plan (Regional Plan) analysis and other CMCP studies. Maintenance and enhancement of new Transportation Network Editor (TNED) network editing system to accurately reflect networks on the ground for existing years and future networks for the Regional Plan. Produce networks (highway and transit) for the draft and final Regional Plan and Environmental Impact Review (EIR) and conduct ABM3 model runs and EMFAC emissions modeling runs to support Performance Measures, SB 375 greenhouse gas analysis, air quality conformity analysis, and EIR analysis for the plan. Update off-model calculators for the Regional Plan. Complete technical documentation for the Regional Plan appendixes and provide support for other documentation. Support Regional Transportation Improvement Plan and corridor studies such as Purple Line and Blue Line. Address any questions or comments from the board, external and internal stakeholders regarding transportation modeling, including modeling use in the Regional Plan. (Staff/Consultant)	ABM3 Travel Model Code, Networks, Model and Off Model Calculator Output, Performance Measures and Reports	6/30/2025
3.	\$1,658,186	Completion of regional forecasts and subregional allocations of population, housing, employment, and income for inclusion in the 2025 Regional Plan. Demographic and economic modeling development, maintenance, and enhancements; updated Regional Cohort Component Model, re-architecture of Subregional Allocation Model, and development of the 2023/2024 Estimates Program resulting in Completed Series 15 Growth Forecast and Sustainable Communities Strategy (SCS) planning scenarios disseminated through the ODP and via presentation to stakeholders. Delivery of Cohort Component Model, Subregional Allocation Model, and Estimates Program to public repository with thorough Wikipedia-based documentation and issue-tracking boards. Delivery of Draft Series 15 Regional Growth Forecast, Census 2020, Estimates 2023, and Estimates 2024 to the ODP. (Staff/Consultant)	Series 15 Growth Forecasts and SCS Planning Scenarios	6/30/2025
4.	\$1,692,796	Maintenance and enhancement of Enterprise GIS software, infrastructure, and data. Provide GIS support for TNED. Produce analysis for ABM3 performance measures and Regional Plan EIR project footprints. Create web mapping applications and visualizations to support dissemination of data to the public and collaboration for internal project teams. Develop enhanced models and processes for updating land use, employment, and building inventories resulting in updated regional land use, employment, and building inventories, resulting in an authoritative geographic data library, spatial analyses including proximity-based performance measures for ABM3 Regional Plan model runs and project footprints for EIR, GIS applications and tools supporting agency projects and workflows. Technical support for agency GIS users. Web mapping applications for visualization and dissemination of data to public, including the SanGIS/SANDAG GIS Regional Data Warehouse. (Staff)	Enterprise GIS- Spatial Analysis, Maps, Reports, Websites	6/30/2025

Task No.	Total	Task Description	Task Product	Completion Date
5.	\$1,169,599	Transportation surveys and other primary data collection, including updated household travel survey, telework survey, and transit surveys, including adoption of advanced data science and data management techniques for storage and analysis of survey data. Continued oversight of the Passenger Counting Program for ridership data to help meet mandated Federal Transit Administration requirements. (Staff/Consultant)	Applied Research - Survey and Research Reports and Dashboards	6/30/2025
6.	\$593,906	Regular updates and tracking on San Diego's economy as it impacts SANDAG's revenue and cost estimates and forecast – specifically for employment, TransNet revenue, Regional Transportation Congestion Improvement Program and cost escalation. Conduct benefit cost analyses support grant applications and economic impact analyses to convey the value of SANDAG's major capital projects and initiatives. Work with Planners and Engineers to evaluate economic, social and environmental benefits. Provide ongoing technical support to ABM around assumptions for forecasted change. Provide routine updates to working groups and regional partners on Data Science products, SR 15 forecast and the economy, producing updated forecasts for TransNet, and other local revenue sources. State and federal-compliant benefit cost analysis; economic presentations to ITOC, Board, agency partners and community stakeholders, update guidelines and tools for cost escalation for budgets, contracts and engineering. (Staff)	Economic Research Reports, Cost Analysis and Forecasts	6/30/2025
7.	\$1,539,296	Refine and implement QA/QC and PRP procedures and conduct rigorous analysis of the agency's use of data, analysis, and modeling; implement project management best practices across key agency projects using new agency project management system, manage and oversee the acquisition and procurement of core datasets, professional services and specialized software, resulting in peer review documentation, QC test plans and test results, proactive QA documents including templates and guides, project management plans, schedules, risk and issue registers and project, program, and portfolio dashboards using new enterprise project management system. Budget and procurement documents including proposals and contracts. (Staff)	Peer Review and QA/QC Documents, Project Management Plans	6/30/2025

### Future Activities

Future activities include the ongoing data collection, analysis, and creation of model inputs necessary to be able to prepare the 2025 Regional Plan; modeling, analysis, and GIS support for agency plans and programs, plans and preparation for ongoing improvements in core ABM and Regional Forecast systems; continued adaptation of Cloud data systems and modernized data engineering and data science methods, performance monitoring activities; efforts to maintain and continue to improve the agency's GIS mapping and public access through online capabilities; QA/QC, PRP, data governance, and project management procedures; and data dissemination through the ODP, related dashboards and data visualizations and specialized data products, including integration of data pipelines from acquisition to analysis and visualization.

**Work Element:** 2302600 - Automated Passenger Counting Dashboard – FY 22/23

**Project Manager:** Grace Mino

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$4,950	\$10,000	\$22,834
Other Direct Costs	\$115	\$500	\$0
Contracted Services	\$38	\$0	\$300,448
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$5,103</b>	<b>\$10,500</b>	<b>\$323,282</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFTA – CPG 5304 Strategic Partnerships	\$4,518	\$9,294	\$286,188
LTDA -	\$585	\$1,206	\$37,094
<b>Total</b>	<b>\$5,103</b>	<b>\$10,500</b>	<b>\$323,282</b>

### Objective

The objective of this project is to complete the automation of aggregating federally required transit performance data and provide more real-time data to staff, stakeholders, and the public. Transit performance data help stakeholders make informed decisions in regard to planning initiatives, policies, and investments that foster sustainable and equitable transportation options and more efficient operations. Emphasis in FY 2025 will be on finalizing this project, preparing the final report, launching a live data dashboard, and presenting it to stakeholders and the public.

### Previous Accomplishments

Previous accomplishments in FY 2024 include the selection of a consultant, project kick-off, conducted weekly and working meetings with consultant and project partners, established data pipeline, and created and trained on the prototype dashboard. The continued development of the software to clean, aggregate, and export federally mandated transit ridership data, the completion of the first two federally mandated triennial automated passenger counter certifications, continuous distribution of transit ridership data publicly on request, and the establishment of a monthly light rail performance report distributed to local transit operators and selected vendor after competitive procurement process.

### Justification

Automating ridership numbers into a close to real time data dashboard will allow staff, transit operators, members of the public, and stakeholders the ability to access and analyze transit performance data quickly and efficiently. In addition, having a live data dashboard will help the transit operators be more responsive in close to real time to make changes to the transit system.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$64,078	Transform historical Automated Passenger Counting (APC) data, design data processing pipelines for ingesting live ridership data, build an agile schema which can adapt to changes in the transit system, and construct a publicly accessible visualization tool for displaying transit performance. (Consultant)	Data outputs, schema overview, draft web based tool	6/30/2025
2.	\$64,974	Outreach to internal staff, local agencies, transit operators, community-based partners, and interested members of the public regarding desired features and capabilities of the transit dashboard. (Staff/Consultant)	PowerPoint presentations and documentation for outreach	6/30/2025
3.	\$65,179	Project administration, including project development team meetings, data coordination between staff, consultants, and transit operators, status reports, and invoicing. (Staff)	Meeting agenda, meeting minutes, invoices	6/30/2025
4.	\$64,526	Evaluation of draft data processing pipelines, reporting capabilities, visualization tools, and exporting functions. Analysis of the precision and accuracy of all features of the draft dashboard. (Staff/Consultant)	Gap, service, and product evaluation and inventory	6/30/2024
5.	\$64,525	Final report, deployment of the final public data dashboard, and presentations with live demonstrations of the dashboard. (Staff/Consultant)	Final report, data dashboard, PowerPoint presentations, and	6/30/2025

### Future Activities

Future activities include outreach to working groups and Policy Advisory Committees for input, preparation of draft and final report, continuous improvement towards completion of final dashboard, using the dashboard to satisfy needs currently unmet by the current Passenger Counting Program software including anticipating diagnostic schedules of APC hardware on transit vehicles, teaching members of the public the relationship between the different performance metrics gathered by the APCs, responding to spontaneous issues with APC hardware in transit vehicles, and facilitating a channel for other considerations of interest which impact the transportation system.

**Work Element:** 2302700 - Data Science Research Assistance

**Project Manager:** Mike Duncan

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$0	\$0	\$6,037
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$0</b>	<b>\$0</b>	<b>\$6,037</b>

### Project Funding

Funding	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
LTDA - TDAPIng	\$0	\$0	\$6,037
<b>Total</b>	<b>\$0</b>	<b>\$0</b>	<b>\$6,037</b>

### Objective

The objective of this work element is to account for assistance that is provided to jurisdictions and the general public that is not a fee-based service or component of a SANDAG project. These are typically very small items but should be tracked separately to ensure appropriate and allowable funding sources are used.

### Previous Accomplishments

Staff have traditionally responded to activities that require 30 minutes or less for the general public and 4 hours or less for jurisdictions. To ensure equitable response and use of agency resources, requests that be accomplished within current policies started being charged to a separate budget in FY 2024.

### Justification

Inquiries from jurisdiction and the general public for data, analyses, and other information frequently occur. The SANDAG Service Bureau is used for projects over 30 minutes of staff time for the general public and for over 3 hours for member agencies. This overall work program is to account for time spent for such inquiries and allow for local funds to be used for staff time.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$6,037	Provide limited duration research support in response to agencies and the general public. (Staff)	Research provided to jurisdictions and general public	6/30/2025

### Future Activities

In FY 2025, anticipated activities include continued response to data and analytical requests from jurisdictions and the public.

**Work Element: 3100400 - Regional Plan Implementation**

**Project Manager: Tuere Fa'aola**

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$2,944,371	\$1,440,519	\$1,337,477
Other Direct Costs	\$153,000	\$0	\$0
Contracted Services	\$708,230	\$342,000	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$3,805,601</b>	<b>\$1,782,519</b>	<b>\$1,337,477</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA – CPG Planning	\$725,490	\$367,158	\$367,158
FFTA – CPG 5303	\$541,646	\$541,646	\$541,646
LTDA -	\$367,859	\$157,854	\$135,087
LTransNet - TNet/FTsw	\$1,492,655	\$445,183	\$150,078
LTransNet - TNetAdmin	\$310,744	\$270,678	\$143,508
Federal Other	\$367,217	\$0	\$0
<b>Total</b>	<b>\$3,805,601</b>	<b>\$1,782,519</b>	<b>\$1,337,477</b>

### Objective

The objective of this work element is to advance projects in the adopted 2021 Regional Plan. Staff in FY 2025 will continue to develop and release the smart growth incentive program grants; coordinate with local, state, and federal agencies to ensure consistency with the 2021 Regional Plan; and advance regional and local climate change mitigation, adaptation, and resiliency planning.

### Previous Accomplishments

Previous accomplishments include Intergovernmental Review (IGR) of projects, programs, and policies relevant to the Regional Plan, pursuit of grants for implementation of 2021 Regional Plan projects, continued advancement of climate initiatives, and development of criteria and schedule for the smart growth incentive program along with presentations to working groups and policy advisory committees.

### Justification

This project is required to meet state and federal laws governing the creation and adoption of the Regional Transportation Plan, including requirements from California Senate Bill 375 (Steinberg, 2008). The project also is required to meet state law regarding the development of Regional Comprehensive Plans described in Assembly Bill 361 (Kehoe, 2003). Requirements of Assembly Bill 805 (Gonzalez, 2017) related to the Regional Plan are incorporated in Work Element Project No. 3103000, Regional Plan Development.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$308,506	Coordinate and conduct areawide clearinghouse and IGR processing, internal reporting, and conduct review local development projects to ensure consistency with the adopted 2021 Regional Plan. Review state policy documents and guidelines, for transportation, land use, or housing related impacts in coordination with State. (e.g. Regional Housing Needs Assessment reform, Regional Transportation Plan Guideline updates, etc.) (Staff)	IGR database, project tracking, and reporting tool, and comment letters	6/30/2025
2.	\$308,506	Coordinate with regional stakeholders to implement goods movement and sustainable freight projects in the Regional Plan. Coordinate with Caltrans on studies and project development for the implementation of the proposed managed lanes network in the Regional Plan. (Staff)	Meetings, agendas, notes, technical memos	6/30/2025
3.	\$308,506	Coordinate with regional stakeholders to seek funding opportunities and advance planning and implementation of transportation projects and programs in the 2021 Regional Plan. (Staff)	Meetings, agendas, grant applications	6/30/2025
4.	\$137,115	Coordinate and release call for projects on Smart Growth Incentive Program (SGIP) to comply with 2021 Regional Plan. Includes workshops and presentations with local jurisdiction staff, working groups, and Policy Advisory Committees. (Staff)	SGIP call for projects documentation	6/30/2025
5.	\$274,844	Lead regional coordination that advances climate change mitigation, adaptation, resilience, and decarbonization planning including zero emission vehicle and infrastructure initiatives such as Accelerate to Zero Emissions collaboration. (Staff)	Reports, meetings, agendas, meeting materials	6/30/2025

## Future Activities

The implementation of the 2021 Regional Plan will continue through 2025 until the 2025 Regional Plan is adopted. In FY 2026, staff will also focus on advancing new near-term initiatives and projects from the 2025 Regional Plan.

**Work Element:** 3100404 - Tribal Consultation Program

**Project Manager:** Paula Zamudio

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$394,742	\$233,069	\$315,938
Other Direct Costs	\$2,116	\$4,414	\$4,414
Contracted Services	\$1,759	\$0	\$0
Pass-Through to Other Agencies	\$50,000	\$30,000	\$30,000
<b>Total</b>	<b>\$448,617</b>	<b>\$267,483</b>	<b>\$350,352</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA – CPG Planning	\$300,000	\$232,701	\$232,701
LTDA -	\$148,617	\$34,782	\$117,651
<b>Total</b>	<b>\$448,617</b>	<b>\$267,483</b>	<b>\$350,352</b>

### Objective

The objective of this work element is to continue the government-to-government framework for engaging the 17 federally recognized sovereign tribal governments in the regional transportation planning process as mandated by state and federal regulations; coordinate and consult with tribal governments and intertribal organizations on major transportation, land use, and other regional planning initiatives; and provide a technical forum for discussing tribal transportation issues. Emphasis in FY 2025 will be on continuing tribal consultation for the 2025 Regional Plan and the implementation of collaborative strategies agreed upon in prior Tribal Summits.

### Previous Accomplishments

A new Tribal Consultation Plan was implemented, and a new Memorandum of Understanding (MOU) was executed to continue work on collaborative strategies in the 2021 Regional Plan as well as develop the 2025 Regional Plan. A Tribal Symposium was convened in November 2023 with the Borders Committee. Prior years have included the update of the Intraregional Tribal Transportation Strategy (ITTS), and convening Tribal Summits to discuss policy areas for inclusion in the Regional Plan. The focus in FY 2022 and 2023 was the integration of tribal concerns in the implementation of the 2021 Regional Plan and development of the 2025 Regional Plan.

### Justification

The San Diego region is home to 17 federally recognized tribal governments with jurisdiction over 18 reservations, the most in any county in the United States. State and federal planning regulations mandate timely and meaningful consultation with tribal governments in regional and transportation planning activities, including the development of the 2025 Regional Plan and the Regional Transportation Improvement Program. SANDAG is committed to not only meeting the federal requirement for consultation, but to strengthening its regional government-to-government framework for long-range planning with tribal nations.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$82,403	Provide staff support and coordination for quarterly Tribal Working Group and monthly Taskforce meetings and annual events. (Staff)	Meetings, agendas and materials, membership lists, meeting minutes	6/30/2025
2.	\$85,969	Coordinate technical support and project management for the MOU with the SCTCA on 2025 Regional Plan development - Tribal Consultation. (Staff)	Quarterly reports, meetings, agendas and materials, coordination, presentations	6/30/2025
3.	\$135,737	Tribal liaison activities to advance implementation of the 2021 Regional Plan and ITTS and coordination with tribal governments on planning initiatives and strategies for the 2025 Regional Plan. (Staff)	Meetings, agendas and materials, coordination, reports, presentations	6/30/2025
4.	\$46,243	Coordinate with local, state, and federal government agencies on relevant tribal-related issues as well as with intertribal agencies such as the Native American Environmental Protection Coalition. (Staff)	Meetings, agendas and materials, coordination, staff reports and presentations	6/30/2025

## Future Activities

This is an ongoing work element. SANDAG will continue to work within its government-to-government framework to ensure timely and meaningful tribal engagement in regional planning efforts, including the implementation of collaborative strategies. SANDAG will plan a Tribal Summit between Tribal leaders and the SANDAG Board of Directors, regular monthly Tribal Task Force, as well as quarterly Tribal Transportation meetings will continue. Staff will work to schedule site visits to reservations for further identification of areas of potential collaboration.

**Work Element:** 3100407 - Regional Plan Outreach FY 2025

**Project Manager:** Tuere Fa'aola

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$0	\$0	\$1,380,309
Other Direct Costs	\$0	\$0	\$14,000
Contracted Services	\$0	\$0	\$288,000
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$0</b>	<b>\$0</b>	<b>\$1,682,309</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LTDA	\$0	\$0	\$642,309
SCTrans - SB1 – Sustainable Communities Formula FY25	\$0	\$0	\$1,040,000
<b>Total</b>	<b>\$0</b>	<b>\$0</b>	<b>\$1,682,309</b>

### Objective

The objective of this work element is to continue the implementation of the Public Involvement Program (PIP) for the 2021 Regional Plan and development of the 2025 Regional Plan, particularly through engaging with disadvantaged communities. Emphasis in FY 2025 will be engagement with 12 community-based organizations (CBOs) located in historically underrepresented communities, education, and public engagement activities on the draft 2025 Regional Plan. Outreach efforts will center around co-creating strategies with the CBOs in the SANDAG network to provide education around agency planning efforts and address multimodal transportation and land use planning needs in disadvantaged communities. Engagement activities will focus on the 2025 Regional Plan network, supporting policies and programs, performance metrics and their outcomes, and project prioritization.

### Previous Accomplishments

Prior accomplishments include robust education and outreach during the implementation of the 2021 Regional Plan and initial development of the 2025 Regional Plan. This included initiating contracts with 12 CBOs across the region to engage disadvantaged communities. Outreach efforts during implementation of the 2021 Regional Plan resulted in multiple community events to explain various projects and programs such as the Housing Acceleration Program, Youth Opportunity Pass, and more. Activities included social media campaigns, pop-up events, advertising, roadshow presentations, and participation in SANDAG community fairs and outreach events. Similar efforts were undertaken for the development of the 2025 Regional Plan.

### Justification

This project furthers SANDAG's Commitment to Equity and will ensure state and federal laws and regulations governing public outreach for the 2025 Regional Plan are met, including requirements from California Senate Bill 375 (Steinberg, 2008), Assembly Bill 361 (Kehoe, 2003), Assembly Bill 805 (Gonzalez, 2017), and Federal Title VI.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$978,155	Coordinate the engagement of disadvantaged communities as identified by CalEnviroScreen 4.0 on the development of the 2025 Regional Plan and implementation of the 2021 Regional Plan. Manage Community Outreach Service contracts for up to 12 CBOs and co-collaborate on engagement strategies and activities for the 2025 Regional Plan and research additional CBOs to address needs in disadvantaged communities. (Staff/CBOs)	Monthly CBO and Social Equity Working Group meetings, agendas and materials, outreach materials and events, invoices	6/30/2025
2.	\$704,154	Update and implement PIP strategies. (Staff/CBOs)	Updated PIP; CBO meetings, events, and materials	6/30/2025

### **Future Activities**

Future activities will include continued implementation of the PIP for development of the 2025 Regional Plan. SANDAG will continue to work with CBOs and explore updates for their contracted services as needed and applicable as well as research additional CBOs working in disadvantaged communities who could become part of the CBO network as a way to reach a greater number of communities and community members in historically disadvantaged communities.

**Work Element:** 3100600 – Air Quality Trans Conformity

**Project Manager:** Keith Greer

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$163,746	\$198,111	\$180,643
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$163,746</b>	<b>\$198,111</b>	<b>\$180,643</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFTA – CPG 5303	\$100,000	\$155,994	\$140,994
LTDA -	\$63,746	\$42,117	\$39,649
<b>Total</b>	<b>\$163,746</b>	<b>\$198,111</b>	<b>\$180,643</b>

### Objective

The objectives of this work element are to achieve federal transportation conformity for the regional plan and Regional Transportation Improvement Program (RTIP), and to meet the greenhouse gas (GHG) emissions reduction targets as outlined under Senate Bill 375 (Steinberg, 2008) and administered by the California Air Resources Board (CARB). Emphasis in FY 2025 will be to: (1) obtaining air quality conformity determination for the 2025 RTIP and quarterly amendments (if needed); and (2) continuation of conformity consultation for the 2025 Regional Plan.

### Previous Accomplishments

Accomplishments in FY 2024 included: (1) obtaining air quality conformity determination for the 2021 Regional Plan Amendment; (2) Initiation of conformity consultation for the 2025 Regional Plan; and (3) on-going discussions with the CARB and the Environmental Protection Agency on use and proposed change in the Emission Factor (EMFAC), a model that estimates the official emissions inventories of on-road mobile sources in California.

### Justification

Federal regulations require SANDAG to conduct air quality conformity analysis of the Regional Plan and RTIP, including all regionally significant projects that increase the transportation system capacity, regardless of funding sources. State law requires that SANDAG achieve specific reductions in GHG pursuant to SB 375.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$67,000	Capacity increasing projects that change in the RTIP will be remodeled with EMFAC and SANDAG will initiate the transportation conformity approval process. (Staff)	Conformity for 2025 RTIP amendment	6/1/2025
2.	\$58,643	The 2025 Regional Plan network will be modeled using EMFAC and SANDAG will initiate the transportation conformity review with federal and state agencies. (Staff)	Draft Conformity for 2025 Regional Plan	6/1/2025
3.	\$55,000	SANDAG staff will host virtual working group meeting to facilitate the transportation conformity process and provide regional collaboration among the local, state and federal agencies responsible for air quality planning. (Staff)	Host six working group meetings and prepare materials	6/30/2025

### Future Activities

Future work will involve coordination with the Conformity Working Group on the completion of transportation conformity for the 2025 Regional Plan and related RTIP amendments.

**Work Element:** 3102700 - Regl Transportation Safety Prg

**Project Manager:** Rachel Kennedy

### Project Expenses

Expense	Prior Years	FY 2024 Budget	FY 2025 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$0	\$655,383	\$479,129	\$1,134,512
Other Direct Costs	\$0	\$152,500	\$10,000	\$162,500
Contracted Services	\$0	\$1,500,000	\$264,041	\$1,764,041
Pass-Through to Other Agencies	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$0</b>	<b>\$2,307,883</b>	<b>\$753,170</b>	<b>\$3,061,053</b>

### Project Funding

Funding	Prior Years	FY 2024 Funding	FY 2025 Funding	Multi-Year Total
FFHWA -SS4A	\$0	\$2,107,883	\$440,017	\$2,547,900
LTransNet -TNetAdmin	\$0	\$200,000	\$313,153	\$513,153
<b>Total</b>	<b>\$0</b>	<b>\$2,307,883</b>	<b>\$753,170</b>	<b>\$3,061,053</b>

### Objective

The objective of this work element is the coordination of regional transportation safety related efforts including the development and implementation of the Regional Vision Zero Action Plan. This plan will provide regional guidance on safety planning and programming priorities, establishment of a safety focus network program, and supporting policy recommendations. Additional elements include expansion of the regional safety data dashboard, outreach and education efforts, effective safety research, and pop-up and quick-build safety demonstrations.

### Previous Accomplishments

Accomplishments in FY 2024 included the completion of the regional comprehensive Safety Focus Network, Descriptive Safety Statistics, Systemic Safety Analysis, and launch of digital and in-person engagement.

### Justification

The 2021 Regional Plan identified development of a regional safety policy as a near-term implementation action. In July 2022, the Board of Directors adopted Board Resolution No. 2023-02, which directed staff to develop a Vision Zero Action Plan, Regional Safety Policy, and Safety Data Dashboard. The Regional Transportation Safety Program will coordinate regional transportation safety related efforts including a Vision Zero Action Plan, which will provide guidance on safety planning and programming efforts and enable the region to compete for federal safety capital project funding.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$93,215	Update and enhance Regional Safety Data Dashboard and integrate additional data as identified and needed to benefit analyses. (Staff)	Updated Regional Safety Data Dashboard	6/30/2025
2.	\$340,560	Supporting regional safety program activities including project implementation analysis, legislation tracking, State Highway Safety Plan activity support, and local jurisdiction project/program development support. (Staff/Consultant)	Meeting notes, process documentation, project summaries	6/30/2025
3.	\$162,876	Supplemental planning to support regional safety including Assembly Bill 43 Safety Corridors Analysis, Assembly Bill 251 Vehicle Type Analysis, before and after analysis structure, and data use demonstrations. (Staff)	Meeting notes, process documentation, project summaries	1/31/2025
4.	\$156,519	Project implementation and grant development. (Staff/Consultant)	Capital project and program support material	6/30/2025

### Future Activities

Upon plan completion staff will work on implementing critical plan elements, updating the Regional Safety Data dashboard periodically and initiating plan monitoring and evaluation process.

**Work Element:** 3102800 - Federal Performance Management and Congestion Management Process  
**Project Manager:** Rachel Kennedy

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$0	\$89,471	\$139,697	\$229,168
Other Direct Costs	\$0	\$0	\$2,500	\$2,500
Contracted Services	\$0	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$0</b>	<b>\$89,471</b>	<b>\$142,197</b>	<b>\$231,668</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	Multi-Year Total
FFTA – CPG 5303	\$0	\$79,209	\$79,209	\$158,418
LTDA -	\$0	\$10,262	\$62,988	\$73,250
<b>Total</b>	<b>\$0</b>	<b>\$89,471</b>	<b>\$142,197</b>	<b>\$231,668</b>

### Objective

Transportation Performance Management (TPM) is a systematic process to advance national goals and objectives aimed at a better performing transportation system. The objective of this process includes establishing performance targets to inform planning and programming processes and monitor goal area progress. Federal TPM includes regular monitoring and communication in Regional Plan and Regional Transportation Improvement Program documents. This work element also will implement the Congestion Management Process as part of transportation planning, monitoring, and programming activities.

### Previous Accomplishments

Accomplishments in FY 2024 included Congestion Management Process review with Caltrans, completion of fiscal year Performance Management (PM) Rule 1 safety targets, initial coordination for Federal Transit Administration Transit Asset Management and Public Transportation Agency Safety Regional targets.

### Justification

Federal regulations require SANDAG to establish performance targets to inform planning and programming processes and monitor goal area progress.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$19,697	Development of Congestion Mitigation and Air Quality (CMAQ) Mid-Performance Period report and PM Rules 2 and 3 targets reevaluation. (Staff)	CMAQ Performance Report	2/28/2025
2.	\$30,000	Analyze data and coordinate with Caltrans to develop annual targets for five federally required safety targets to reduce fatalities and serious injuries on all public roads. (Staff)	Calendar Year 2025 Safety Targets	3/31/2025
3.	\$40,000	Programming process documentation including demonstration of Regional Transportation Improvement Program (RTIP) support of target achievement. (Staff)	2025 RTIP Performance Appendix	3/31/2025
4.	\$52,500	Planning process documentation in 2025 Regional Plan including performance measures, adopted targets and progress on target demonstration. (Staff)	2025 Regional Plan Performance Report	6/30/2025

### Future Activities

Future activities include development of the 2027 RTIP Federal Performance Appendix, annual PM Rule 1 target setting, coordination on statewide Full Performance Period Progress Report.

**Work Element:** 3102900 - Regional Infrastructure Incubator

**Project Manager:** Danielle Kochman

### Project Expenses

Expense	FY 2025 Budget	Future Years	Multi-Year Total
Salaries, Benefits, Indirect	\$268,348	\$106,990	\$375,338
Other Direct Costs	\$10,000	\$0	\$10,000
Contracted Services	\$239,898	\$1,074,764	\$1,314,662
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$518,246</b>	<b>\$1,181,754</b>	<b>\$1,700,000</b>

### Project Funding

Funding	FY 2025 Budget	Future Years	Multi-Year Total
FOthrFed - BAB	\$518,246	\$1,181,754	\$1,700,000
<b>Total</b>	<b>\$518,246</b>	<b>\$1,181,754</b>	<b>\$1,700,000</b>

### Objective

This project will launch SANDAG's Innovative Infrastructure Incubator, intended to support the planning and development of project concepts implementing the Regional Plan. The incubator will explore opportunities to build upon innovation and unique project delivery models to reimagine how people and goods move about the region. The Incubator will provide access to experts, technical resources, and collaboration to accelerate the projects that participate in the Incubator. Funded through a successful grant award from the Build American Bureau, the Incubators aims to develop projects that would be eligible for their financing programs. Emphasis in FY 2025 will be to establish the incubator, including the structure and schedule for collaboration, convene a steering committee, and select the pipeline of projects to participate in the project.

### Previous Accomplishments

This is a new work element in FY 2025.

### Justification

SANDAG is responsible for the creation and adoption of a Regional Plan that will meet state and federal laws including requirements from California Senate Bill 375 that outline specific climate goals. In order to achieve the mandated greenhouse gas emissions reductions, SANDAG will need to implement the Regional Plan projects more quickly than we have historically. This project will help the agency identify, evaluate, and adopt delivery models and innovative financing methods that will allow the agency to accelerate project delivery.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$27,581	Procure consultant support (Staff)	Executed consultant agreement	12/31/2024
2.	\$18,380	Project kickoff and incubator workspace establishment (Staff)	Kickoff meeting, materials and virtual collaboration approach	3/31/2025
3.	\$192,534	Project administration and incubator operations (Staff)	Project team meeting agendas, materials, action items	6/30/2025
4.	\$21,388	Develop a project selection process and evaluate projects for inclusion in the Incubator. (Staff/Consultant)	Pipeline of projects	6/30/2025
5.	\$85,363	Evaluate pipeline projects for strengths, weaknesses, opportunities, and threats (Staff/Consultant)	Pipeline project analysis memo	6/30/2025
6.	\$90,000	Develop as needed project studies and feasibility assessment for pipeline projects	Project Studies, Project Specific Feasibility Assessments	6/30/2025
7.	\$83,000	Develop an agency-wide approach to perform Value for Money Assessments to evaluate the choice of a P3 procurement alternative.	Agency Value for Money Guidebook	6/30/2025

## Future Activities

Future activities will include project specific studies to advance project development for projects selected to participate in the Incubator and developing an agency-wide approach for Value for Money Analyses.

**Work Element: 3103000 - Regional Plan Development**

**Project Manager: Tuere Fa'aola**

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$928,440	\$7,169,846	\$6,728,052	\$14,826,338
Other Direct Costs	\$6,427	\$47,500	\$47,500	\$91,427
Contracted Services	\$234,183	\$1,707,415	\$1,265,000	\$3,216,598
Pass-Through to Other Agencies	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$1,169,050</b>	<b>\$8,924,761</b>	<b>\$8,040,552</b>	<b>\$18,134,363</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	Total
FFTA - 5307	\$50,000	\$2,702,699	\$2,879,124	\$5,631,823
FFTA – CPG 5303	\$85,000	\$1,135,182	\$1,159,316	\$2,379,498
LTDA -	\$23,672	\$4,154,396	\$2,399,746	\$6,577,814
LTransNet - TNetAdmin	\$254,609	\$75,000	\$1,143,798	\$1,473,407
SCaltrans – STIP - PPM	\$755,769	\$857,484	\$458,568	\$2,071,821
<b>Total</b>	<b>\$1,169,050</b>	<b>\$8,924,761</b>	<b>\$8,040,552</b>	<b>\$18,134,363</b>

### Objective

The objective of this work element is to develop the 2025 Regional Plan in collaboration with the Board of Directors, stakeholders, and the community. This also includes preparing technical studies and analysis for the draft Environmental Impact Report (EIR) while continuing public outreach. In FY 2025, this work element has been updated to include the preparation and development of the Draft Regional Plan and EIR along with supporting technical analysis. Emphasis in FY 2025 will include completion of modeling scenarios to support the preferred network for the draft plan and technical analysis for the preparation of the EIR.

### Previous Accomplishments

Prior FY 2024 work included the development of the Regional Plan initial concept network projects, programs and policies, including the initial revenue strategies and costs; maintaining and updating the standard operating procedures, and detailed schedule; and refinement of the vision, goals and performance measures. Staff also prepared the forecasts and transportation model and completed surveys to support the initial transportation network concepts and policy scenarios development.

### Justification

This project will ensure state and federal laws and regulations governing the creation and adoption of a Regional Transportation Plan are met, including the development of a Sustainable Communities Strategy (SCS) as required by California Senate Bill 375 (Steinberg, 2008), and Regional Comprehensive Plan requirements as described in Assembly Bill 361 (Kehoe, 2003).

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$369,140	Perform administrative duties to support the development of the draft Regional Plan and EIR. This includes the staff labor and direct expenses related to posting legally required advertisements, development and review of scopes and contracts, meeting agendas, materials, and securing event venues. (Staff/Consultant)	Meetings, agendas, notes, invoices	6/30/2025
2.	\$1,307,586	Complete final refinements to the transportation network and land use scenario. Update the performance metrics and their outputs to begin technical analysis of social equity, Health assessments, air quality conformity, geographic information systems (GIS) and other analytical tools to prepare draft technical appendices. (Staff)	Refined transportation network, updated performance metrics	12/31/2024
3.	\$1,164,088	Develop draft plan chapters and supporting documents for the technical appendices. Develop draft Regional Transportation Plan (RTP) and SCS checklists for federal and state regulatory agencies. The 2025 Regional Plan will include policies and recommend pilot projects to address reducing health impact from air pollutants as discussed in the resolution adopted by the Board. (Staff)	Draft RTP and supporting appendices	6/30/2025
4.	\$2,986,451	Perform modeling of draft Regional Plan scenarios using Activity-Based Model 3 (ABM3) travel model, off model calculations, performance measure summaries, EMFAC emissions modeling, perform Quality Assurance/Quality Control (QA/QC) review of model input/results and other data used. Prepare summary reports. Modify and adapt subregional forecast scenarios as needed and perform QA/QC. Prepare documentation of regional forecast, ABM travel model, off model calculators, QA/QC procedures and related items. Prepare for, hold, and document results of Peer Review meetings on ABM3 modeling results. Prepare GIS web applications, maps, and geospatial data analysis. Prepare for, perform and document forecast scenarios, travel model runs, and performance results and geospatial data analysis as needed to support preparation of Environmental Impact Review for Regional Plan. (Staff)	ABM3 model results, QA/QC, Peer Review Panels, Maps	6/30/2025
5.	\$803,339	Continue public outreach strategies to communicate the Regional Plan projects, policies and programs (supplements efforts in Overall Work Program No. 3100407). (Staff/Consultant)	Roadshow presentations, reports, educational materials	6/30/2025
6.	\$1,012,628	Begin development of the Draft EIR and supporting technical analysis and documentation. The EIR for the 2025 Regional Plan will include an analysis of the air quality and health impacts of the 2025 Regional Plan at the regional and subregional level. (Staff/Consultant)	EIR technical documents	6/30/2025
7.	\$397,320	Legal review, guidance, and coordination with state and federal agencies on the Regional Plan and EIR requirements. (Staff/consultant)	Meetings, memos, agendas	6/30/2025

## Future Activities

In FY 2026 the focus will be on completion of the Final 2025 Regional Plan and EIR. Staff will continue efforts on internal and external public outreach and stakeholder engagement until the adoption of final 2025 Regional Plan and final EIR in late 2025. Transmittal of the final documents, including any appropriate correspondence, to federal (Federal Highway Administration, Federal Transit Administration, Environmental Protection Agency) and state (California Transportation Commission, Caltrans) regulatory agencies will continue until the Regional Plan is approved.

**Work Element:** 3200200 - Regional Shoreline Mgmt Planning

**Project Manager:** Keith Greer

### Project Expenses

Expense	FY 2023 Actual	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$113,033	\$158,812	\$343,158
Other Direct Costs	\$1,632	\$8,900	\$9,800
Contracted Services	\$158,872	\$363,215	\$171,377
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$273,537</b>	<b>\$530,927</b>	<b>\$524,335</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LLocal - Carlsbad	\$23,672	\$24,319	\$25,608
LLocal - CityofSD	\$63,231	\$64,960	\$68,156
LLocal - Coronado	\$11,280	\$11,588	\$12,213

LLocal - ImpBeach	\$9,850	\$10,119	\$10,638
LLocal - Oceanside	\$13,186	\$13,547	\$14,183
LLocal - SolanaBch	\$5,561	\$5,713	\$5,910
LMA -	\$114,665	\$367,712	\$352,958
<b>Total</b>	<b>\$273,537</b>	<b>\$330,928</b>	<b>\$524,335</b>

### Objective

The objectives of this work element are to facilitate the region's adaptation to sea level rise, assess infrastructure at risk from sea level rise, develop the necessary planning studies for a potential beach nourishment project, continue the Regional Shoreline Monitoring Program, and facilitate the Shoreline Preservation Working Group. Emphasis in FY 2025 will be: (1) completion of planning studies for future regional beach sand project (RBSP III); (2) continuation of shoreline monitoring program; and (3) evaluation and update of current shoreline policies.

### Previous Accomplishments

SANDAG has administered two regional beach sand projects (2001 and 2012). Shoreline monitoring in FY 2023 has indicated that it is time for another nourishment effort. In FY 2023 SANDAG executed a memorandum of understanding with coastal jurisdictions to take the necessary first steps toward a new nourishment effort by preparing the required feasibility and cost benefit analysis. SANDAG has completed regional shoreline monitoring with consultant support.

### Justification

Shoreline preservation and restoration is an important climate adaptation strategy that leads to healthy beaches, which provide necessary habitat, recreation, and economic prosperity, in support of an overall healthy environment. In addition, healthy beaches act as a buffer to protect coastal infrastructure from high tides, strong storms, and sea-level rise thereby enhancing the resilience of the San Diego coastal infrastructure. The program is guided by the SANDAG approved Shoreline Preservation Strategy, Coastal Regional Sediment Management Plan, and Sand Retention Strategy.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$255,627	Planning studies to evaluate RBSP III. (Consultant)	Completion of RBSP III feasibility and cost benefit study	6/1/2025
2.	\$83,950	Continuation of shoreline monitoring program. (Staff)	New executed five-year contract for monitoring	10/1/2024
3.	\$50,343	Evaluation, update, and consolation of SANDAG shoreline polices. (Staff)	Strategy to update current shoreline policies	6/1/2025
4.	\$134,415	Support of SANDAG Preservation Working Group and interregional collaboration meetings. (Staff)	Quarterly meeting minutes	6/30/2025

### Future Activities

Continuation of regional sand monitoring and management studies, evaluation of adaptation strategies for sea level rise, and incorporation of updated shoreline preservation strategies into the 2025 Regional Plan's Sustainable Communities Strategy. Initiate discussion on funding and implementation of recommendation from RBSP III Feasibility Report.

**Work Element:** 3202000 - Regional Climate Action Plan

**Project Manager:** Susan Freedman

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	Future Years	Multi-Year Total
Salaries, Benefits, Indirect	\$0	\$197,213	\$335,459	\$37,579	\$570,251
Other Direct Costs	\$0	\$6,691	\$7,710	\$16,064	\$30,465
Contracted Services	\$0	\$78,658	\$166,838	\$39,350	\$284,846
Pass-Through to Other Agencies	\$0	\$40,000	\$60,000	\$50,000	\$150,000
<b>Total</b>	<b>\$0</b>	<b>\$322,562</b>	<b>\$570,007</b>	<b>\$142,993</b>	<b>\$1,035,562</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	Future Years	Total
FOthrFed - EPA	\$0	\$322,562	\$570,007	\$142,993	\$1,035,562
<b>Total</b>	<b>\$0</b>	<b>\$322,562</b>	<b>\$570,007</b>	<b>\$142,993</b>	<b>\$1,035,562</b>

### Objective

The objective of this work element is to prepare a Priority Climate Action Plan (PCAP) and Comprehensive Climate Action Plan (CCAP) for the region under Phase 1 of the Environmental Protection Agency's (EPA) Climate Pollution Reduction Grant (CPRG) program. Emphasis in FY 2025 will be on development of the CCAP and regional greenhouse gas (GHG) emissions inventory, in coordination with the 2025 Regional Plan, stakeholder engagement, and inter-agency collaboration.

### Previous Accomplishments

In FY 2024, SANDAG began this project, completed the PCAP, hosted regional climate tables, and sought grant funding to implement near-term GHG reduction measures on behalf of the region. This project also builds on past local and regional climate planning efforts.

### Justification

The 2021 Regional Plan Amendment Supplemental Environmental Impact Report (EIR) includes GHG mitigation measure GHG-5g, which require SANDAG to prepare a PCAP and CCAP. This grant also offsets part of the staff and consultant costs to prepare the regional GHG inventory and forecast for the 2025 Regional Plan. Project furthers a number of federal planning emphasis areas relating to tackling the climate crisis and advancing equity and data in transportation planning,

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$68,048	Updates to EPA on quality assurance plan, peer review processes for regional GHG inventory, forecast and GHG reduction targets. (Staff)	Quality assurance and quality control (QA/QC) reports	6/30/2025
2.	\$170,352	Preparation of the CCAP. Due to EPA on July 21, 2025, completion will occur in FY 2026. (Staff)	Draft and Final Regional CAP	6/30/2025
3.	\$122,014	Community and stakeholder engagement including local jurisdictions, regional agencies, state agencies, tribal nations, community-based organizations, non-governmental organizations, schools and business organizations. Room rental fees, translation and interpretation, travel, etc. (Staff)	Meeting and outreach materials	6/30/2025
4.	\$42,755	Completed regional 2022 GHG emissions inventory and methodology report, quantification of GHG reduction targets across all sectors, quantification of near- and long-term GHG reduction measures, (Consultant)	Technical climate reports	6/30/2025
5.	\$166,838	Updates to EPA on QA plan, peer review processes for regional GHG inventory, forecast and GHG reduction targets. (Staff)	QA/QC reports	6/30/2025

### Future Activities

This is a four-year grant project. Future activities include continued community and stakeholder engagement and reporting on PCAP and CCAP progress. Key milestones and deliverables like the Final CCAP will be completed in FY 2026.

**Work Element:** 3300100 - TransNet Smart Growth & Active Transportation Grant Programs  
**Project Manager:** Jenny Russo

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$218,220	\$277,975	\$358,673
Other Direct Costs	\$28,706	\$37,948	\$28,552
Contracted Services	\$0	\$0	\$32,249
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$246,926</b>	<b>\$315,923</b>	<b>\$419,474</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LTransNet - BPNSAT	\$120,963	\$155,494	\$207,237
LTransNet - SGIP	\$120,963	\$159,989	\$207,237
LTransNet - TNetAdmin	\$5,000	\$440	\$5,000
<b>TOTAL</b>	<b>\$246,926</b>	<b>\$315,923</b>	<b>\$419,474</b>

### Objective

The objective of this work element is to administer and implement the TransNet Smart Growth Incentive Program (SGIP) and Active Transportation Grant Program (ATGP). In FY 2025, emphasis will be placed on conducting the Cycle 6 SGIP call for projects and continuing monitoring and oversight of grantees.

### Previous Accomplishments

In FY 2022, the Cycle 5 SGIP call for projects was held, resulting in the award of approximately \$1.9 million for five projects. FY 2023 and 2024 efforts focused on program administration and monitoring of active grant projects. Through FY 2024, SANDAG has awarded approximately \$60 million to 72 projects throughout the San Diego region, with 56 SGIP projects completed and over \$29 million to 88 projects throughout the San Diego region, with 85 ATGP projects completed.

### Justification

Both programs are required under the TransNet Extension Ordinance.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$300,048	Monitor active grant projects for progress and compliance with grant agreement requirements; review and process invoices; collect quarterly progress reports and reporting of project progress and requested amendments to Independent Taxpayer Oversight Committee and Policy Advisory Committees; labor compliance oversight; and provide technical advice and guidance to grantees. (Staff/Consultant)	Progress payments, quarterly reports	6/30/2025
2.	\$21,075	Develop and conduct Cycle 6 call for projects. (Staff)	Outreach, final call and application materials, applications	11/30/2024
3.	\$98,351	Award and execute Cycle 6 grant agreements. (Staff)	Funding recommendations, grant agreements	6/30/2025

### Future Activities

Continued monitoring, management, and implementation of the TransNet SGIP and ATGP.

**Work Element: 3300200 – Active Transportation Planning and Programs**

**Project Manager: Jennifer Williamson**

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$537,263	\$550,754	\$188,824
Other Direct Costs	\$11,311	\$2,000	\$24,500
Contracted Services	\$24,673	\$1,075,745	\$0
Pass-Through to Other Agencies	\$2,000	\$0	\$0
<b>Total</b>	<b>\$575,247</b>	<b>\$1,628,499</b>	<b>\$213,324</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA -CPG Planning	\$500,000	\$256,607	\$0
FHWA Metropolitan Planning – Complete Streets	\$0	\$138,646	\$123,822
Surface Transportation Block Grant (STBG) program	\$0	\$400,000	\$0
LTransNet -TNetAdmin	\$0	\$155,603	\$0
LTDA -	\$75,247	\$677,643	\$89,502
<b>Total</b>	<b>\$575,247</b>	<b>\$1,628,499</b>	<b>\$213,324</b>

### Objective

The objective of this work element is to integrate active transportation planning and policies into Regional Plan and SANDAG traffic safety planning efforts while also liaising with local and state public agencies on active transportation practices and project consistency. Additionally, the work element enables SANDAG to administer the regional Active Transportation (ATP) grant program and provides resources for SANDAG to apply for active transportation planning and implementation funds.

### Previous Accomplishments

Development of a regional active transportation network for the 2025 Regional Plan draft concept, administration of the state and regional ATP grant cycles, representation for SANDAG on local and statewide bike/walk advisory committees and presentation panels, development of online and in person public engagement tools for regional active transportation planning, and completion of inaugural level of traffic stress analysis to support the Regional Vision Zero Action Plan.

### Justification

This program is responsible for ensuring all ages and abilities active transportation planning practices and policies are integrated into regional transportation safety initiatives at SANDAG including the Regional Plan, Regional Vision Zero Action Plan, SANDAG grant programs, intergovernmental review, and the legislative agenda. Continued staff education and training on up-to-date active transportation planning practices are also included.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$49,395	Coordinate with local agencies including Caltrans on planning and implementation of active transportation projects, support development of state ATP grant applications, Intergovernmental Review for project consistency with Regional Plan and Comprehensive Multimodal Corridor Plans. (Staff)	Local agency coordination, grant applications, and external	6/30/2025
2.	\$49,395	Carry out Data Science knowledge transfer activities for the regional high injury network, level of traffic stress, and other Vision Zero data analysis intersecting with active transportation modes. (Staff and consultant)	Data Science safety data knowledge transfer	12/31/2024
3.	\$114,534	Provide Vision Zero and active transportation planning and policy support for Regional Safety Program, prioritization of the remaining SANDAG Regional Bikeway Projects consistent with 2024 triennial audit recommendations. (Staff)	Vision Zero and active transportation planning and policy support	6/30/2025

### Future Activities

Continued collaboration with local public agencies on planning and implementation of active transportation projects and policies while leading the local ATP grant application cycles.

**Work Element:** 3310714 - Public Private Partnership Program

**Project Manager:** Danielle Kochman

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$316,482	\$439,507	\$384,321
Other Direct Costs	\$0	\$0	\$6,000
Contracted Services	\$315,845	\$326,680	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$632,327</b>	<b>\$766,187</b>	<b>\$390,321</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LTransNet - TNet/FTsw	\$632,327	\$766,187	\$390,321
<b>Total</b>	<b>\$632,327</b>	<b>\$766,187</b>	<b>\$390,321</b>

### Objective

The objective of this work element is to develop and implement strategies and partnerships that will advance the Regional Plan. Emphasis in FY 2025 will be to roll out the recommended processes in the Public Private Partnership (P3) Program Guidelines and Implementation Manual and update SANDAG policies and manuals to streamline the unsolicited proposal process.

### Previous Accomplishments

Previous accomplishments include collaboration with respondents from the Request for Innovative Concepts to evaluate P3 opportunities, finalization of a formal program, and ongoing management of program On-Call Contracts to provide strategic advising services to SANDAG on projects leveraging partnerships.

### Justification

This work element will accelerate the implementation of projects in the adopted Regional Plan by facilitating partnerships and innovative project delivery mechanisms helping us reach various goals and mandates such as Senate Bill 375.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$198,160	Develop and maintain strategic partnerships with member agencies, transit operators, and private sector partners to develop and implement priority projects. (Staff)	Agendas, meetings and materials	6/30/2025
2.	\$192,161	Implement the P3 Program, including the proposed internal governance structure and other process recommendations, to formally review priority projects for partnership opportunities. (Staff)	Governance structure recommendations, priority project review process	6/30/2025

### Future Activities

Continued evaluation of SANDAG priority projects for P3 program opportunities that could accelerate project delivery, minimize risk, or otherwise advance SANDAG goals.

**Work Element:** 3311700 - Transportation Performance Monitoring Reporting

**Project Manager:** Grace Mino

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$278,852	\$410,736	\$476,427
Other Direct Costs	\$4,600	\$9,000	\$9,000
Contracted Services	\$114,925	\$316,391	\$316,391
Materials & Equipment	\$4,000	\$5,000	\$5,000
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$402,377</b>	<b>\$741,127</b>	<b>\$806,818</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LTransNet - MajorCorr	\$160,951	\$277,710	\$313,014
LTransNet - TNetAdmin	\$241,426	\$463,417	\$493,804
<b>Total</b>	<b>\$402,377</b>	<b>\$741,127</b>	<b>\$806,818</b>

### Objective

The objective of this work element is to provide regular and ongoing monitoring reports on regional transportation performance to various agency stakeholders. Required by the TransNet Extension Ordinance, the State of the Commute Report serves as the primary transportation performance report for the San Diego region. Emphasis in FY 2025 will be on conducting transportation data collection, assessment, and analysis activities; developing the 2024 State of the Commute Report; developing and monitoring the 2024 Federal Moving Ahead for Progress in the 21st Century Act (MAP-21) performance targets; and climate data gathering for climate plan performance monitoring.

### Previous Accomplishments

Accomplishments in FY 2024 include collection of regional transportation performance data; coordination with other regional performance reporting activities, including the Regional Plan Performance Monitoring Report; project progress updates to the Independent Taxpayer Oversight Committee (ITOC) and ITOC subcommittee; completion of the 2023 State of the Commute report; and establishment of annual regional performance targets for traffic safety, bridge and pavement condition, and roadway travel reliability.

### Justification

The State of the Commute report is a requirement of the TransNet Extension Ordinance. The report documents how freeway, transit, and some local arterial network systems are performing, identifies transportation performance bottlenecks, and documents the effects and benefits associated with completed TransNet or other capital project investments. Per MAP-21/Fixing America's Surface Transportation Act (FAST Act) federal legislation, performance monitoring and reporting for various transportation measures (safety, bridge, pavement, congestion) is required as an ongoing effort.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$111,510	Oversee and coordinate the development and release of the annual State of the Commute Report. (Staff)	Draft and final report	6/30/2025
2.	\$472,288	Conduct transportation data collection, assessment, and analysis for ITOC, State of the Commute Report, and other performance monitoring efforts, per recommendations of the TransNet Ten-Year Review and 2018 and 2021 Triennial Performance Audits. (Staff)	Ongoing data analysis, ad-hoc reports as needed	6/30/2025
3.	\$111,510	Monitor and assess data collection and reporting efforts for federal performance monitoring efforts per MAP-21/FAST Act federal legislation. (Staff)	Ongoing quarterly reports for MAP-21/FAST Act implementation	6/30/2025
4.	\$111,510	Climate Action Data Portal data gathering and monitoring, regional and local greenhouse gas (GHG) emission inventory data collection and performance monitoring. (Staff/Consultant)	Data files, reports, and regional GHG emissions inventory	6/30/2025

## Future Activities

Future activities include ongoing data collection and analysis on a corridor or project-specific level to monitor, track, and evaluate the effects and benefits of transportation projects; continued coordination and collaboration with local, state, and federal partners on MAP-21/FAST Act performance management and reporting; and ongoing efforts to improve assessment and reporting of transportation performance using data analytics and/or business intelligence technology solutions.

**Work Element:** 3320100 - Transit Planning

**Project Manager:** Jennifer Williamson

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$266,897	\$345,497	\$711,295
Other Direct Costs	\$4,186	\$18,000	\$33,000
Contracted Services	1,039	\$0	\$387,802
Pass-Through to Other Agencies	\$226,050	\$234,299	\$234,299
<b>Total</b>	<b>\$498,172</b>	<b>\$597,796</b>	<b>\$1,366,396</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LTDA -	\$227,775	\$236,729	\$906,648
LTransNet - TNetAdmin	\$50,000	\$23,612	\$129,527
SCaltrans - STIP	\$220,397	\$337,455	\$330,221
<b>Total</b>	<b>\$498,172</b>	<b>\$597,796</b>	<b>\$1,366,396</b>

### Objective

The objective of this work element is to fulfill the short-range transit planning functions of SANDAG, including the Regional Short-Range Transit Plan & Coordinated Public Transit-Human Services Transportation Plan (Coordinated Plan), Transportation Development Act (TDA) performance monitoring, Federal Title VI monitoring and reporting, and fare policy development; prepare annual TransNet Major Corridor Transit Operations Program operations and maintenance funding plan; provide assistance to transit operators; oversee Social Services Transportation Advisory Council (SSTAC), and oversee the Consolidated Transportation Services Agency (CTSA). Emphasis in FY 2025 will be to complete the Coordinated Plan, conduct the FY2021-2023 TDA Triennial Performance Audit, and continue ongoing coordination with the transit operators. SANDAG's Commitment to Equity will be incorporated into all projects to ensure Equity and Justice in Transportation Planning.

### Previous Accomplishments

Triennial TDA performance audits and annual reporting of transit operator performance monitoring were completed. Planning services were provided on behalf of the operators. SANDAG continued to coordinate with the transit operators to allow for the implementation of Pronto and TransNet expenditures.

### Justification

Federal transit law requires that projects selected for funding under the Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310) program be developed through the Coordinated Plan. Additionally, the Federal Transit Administration (FTA) Title VI Circular requires Triennial Program updates as well as analyses of any fare or major service change. TDA statutes require triennial performance audits and annual performance monitoring of services. The project also provides a five-year blueprint to implement the transit services identified in the 2021 Regional Plan, as well as integrates the near-term action item into the Short-Range Transit Plan component of the Coordinated Plan. Grant development and oversight is related to SANDAG bringing in matching funding from various sources to help fund prioritized activities in the 2021 Regional Plan.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$540,951	Conduct the FY 2025 update to the Coordinated Plan; provide oversight of CTSA; provide liaison for bi-monthly SSTAC and attend other coordination meetings; Coordinate public hearings required by SSTAC. (Staff/Consultant)	Minutes, agendas, reports	6/30/2025
2.	\$439,808	Monitor transit performance for TDA and TransNet projects; complete annual plan for the operations and maintenance of the New Major Corridor Transit Operations Program; make recommendations on possible service changes to regional services and new TransNet services. (Staff/Consultant)	Quarterly and annual reports	6/30/2025
3.	\$309,968	Manage regional fare structure, including fare levels, fare policy, and revenue sharing; coordinate transit operational issues among SANDAG, North County Transit District, and Metropolitan Transit System, including preparing transit area studies, operations plans, and planning input for TransNet projects. (Staff/Consultant)	Minutes, agendas, reports	6/30/2025
4.	\$75,669	Advance planning - Advance planning efforts on Transit Leap early action projects; transit grant coordination and oversight for new projects. (Staff/Consultant)	Minutes, agendas, reports	6/30/2025

## Future Activities

Federal transit law requires that projects selected for funding under the Section 5310 program be developed through the Coordinated Plan. The project also provides a five-year blueprint to implement the transit services identified in the 2021 Regional Plan, as well as integrates the near-term action item into the Short-Range Transit Plan component of the Coordinated Plan. Additionally, the FTA Title VI Circular requires Triennial Program Updates as well as analyses of any fare or major service change. TDA statutes require triennial performance audits and annual performance monitoring of services. Grant development and oversight is related to SANDAG bringing in matching funding from various sources to help fund prioritized projects and activities in the 2021 Regional Plan.

**Work Element:** 3320200 - Specialized Transportation Grant Program

**Project Manager:** Aly Vazquez

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$398,462	\$361,092	\$488,959
Other Direct Costs	\$2,089	\$1,360	\$2,935
Contracted Services	\$14,935	\$16,835	\$15,835
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$415,486</b>	<b>\$379,287</b>	<b>\$507,729</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FTA 5310 Enhanced Mobility of Seniors & Individuals with Disabilities	\$208,585	\$279,287	\$337,012
TransNet Senior Grants Program Monitoring	\$206,901	\$100,000	\$170,717
<b>Total</b>	<b>\$415,486</b>	<b>\$379,287</b>	<b>\$507,729</b>

### Objective

The objective of this work element is to administer grants for the Federal Transit Administration (FTA) Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310) and TransNet Senior Mini-Grant programs. Emphasis in FY 2025 will be on submitting a grant application for the FTA for Section 5310 funding, executing grants with successful applicants, purchasing grant-funded vehicles, implementing enhanced performance measures, streamlining grant monitoring procedures, producing data-driven performance reports, and preparing a call for projects for future competitive funding cycles.

### Previous Accomplishments

Since 2006, SANDAG has administered eleven competitive cycles to distribute specialized transportation funds, including funds through the former FTA New Freedom and Job Access and Reverse Commute grant programs, the current Section 5310 Grant Program, and the TransNet Senior Mini-Grant program. In FY 2024, SANDAG completed the execution of Cycle 12 grants as well as the administration of Cycle 11 grants.

### Justification

As the designated recipient of FTA Section 5310 grant funds and administrator of TransNet funds, SANDAG is responsible for the management/oversight of the Section 5310 and Senior Mini-Grant programs. Grant administration includes distributing grant funds; complying with local, state, and federal regulations; monitoring grantee performance and compliance; monitoring vehicles and other equipment procured through the grant program; and performing various reporting.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$147,194	Any activity that supports a call for projects, including going to Policy Advisory Committees	Evaluation criteria, call for project materials	6/30/2025
2.	\$147,194	Grantee monitoring	Invoices, site visits, reports	6/30/2025
3.	\$153,651	Grant program administration - Work on grant program not tied to grantee performance monitoring such as updating the Program Management Plan, budgeting or appropriately disposing vehicles	Budgets, audit responses, updated processes/procedures	6/30/2025
4.	\$59,690	Internal Coordination - Coordination with other staff on grant distribution in general	Updated SANDAG grant-wide procedures	6/30/2025

### Future Activities

Future activities include continuing to improve program procedures as well as administering the competitive process for a subsequent grant cycle and monitoring and reporting on grantee performance.

**Work Element:** 3321400 – Enhanced Mobility for Seniors and Disabled Pass Through

**Project Manager:** Aly Vazquez

### Project Expenses

Funding	Prior Years	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$0	\$0	\$0	\$0	\$0

### Objective

The objective of this work element is to facilitate pass-through funding for Federal Transit Administration (FTA) Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310) grants. The administration and oversight of these grants is funded separately in Work Element No. 3320200 Specialized Transportation Grant Program. Emphasis in FY 2025 will be on providing funding to Cycle 12 operating, mobility management, and contracted services projects. Cycle 13 funding recommendations are anticipated to be approved by the SANDAG Board of Directors in March 2025.

### Previous Accomplishments

Projects awarded through Cycle 11 and 12 call for projects have been completed. SANDAG staff performed FY 2024 desk reviews to ensure compliance with grant agreements and funding requirements.

### Justification

This project facilitates the administration of the FTA Section 5310 Program.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$2,009,160	Reimburses grantees for services or purchases vehicles on their behalf. (Staff/Consultant)	Pass-through funding on a monthly/quarterly reimbursement basis	6/30/2025

### Future Activities

Pass-through funding for operating, mobility management, and contracted services projects will continue along with vehicle purchases resulting from Cycle 13.

**Work Element:** 3321901 – Regional Housing Acceleration Program - REAP 2.0

**Project Manager:** Tuere Fa'aola

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	FY 2026 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$550,039	\$1,511,882	\$588,234	\$1,282,186	\$3,932,341
Other Direct Costs	\$1,731	\$5,000	\$0	\$0	\$6,731
Contracted Services	\$201,455	\$960,000	\$1,041,105	\$200,000	\$2,402,560
Pass-Through to Other Agencies	\$0	\$50,000	\$3,031,673	\$1,336,026	\$4,417,699
<b>Total</b>	<b>\$753,225</b>	<b>\$2,526,882</b>	<b>\$4,661,012</b>	<b>\$2,818,212</b>	<b>\$10,759,331</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	FY 2026 Funding	Multi-Year Total
SHCD -	\$753,225	\$2,526,882	\$4,661,012	\$2,818,212	\$10,759,331
<b>Total</b>	<b>\$753,225</b>	<b>\$2,526,882</b>	<b>\$4,661,012</b>	<b>\$2,818,212</b>	<b>\$10,759,331</b>

### Objective

The objective of this work element is to implement SANDAG's Housing Acceleration Program (HAP) with funding from the Regional Early Action Planning Grants of 2021 (REAP 2.0). Emphasis in FY 2025 will be managing the local jurisdiction technical assistance program, developing the tribal housing supportive call for projects and awarding grants, continued advancement of transit-oriented development activities with transit agencies, and continued outreach and education.

### Previous Accomplishments

In FY 2024, SANDAG developed and released the Housing Acceleration Program Grant Cycle 2 call for projects and awarded 3 capital and 12 planning projects. SANDAG developed and executed a memorandum of understanding (MOU) with the Southern California Tribal Chairmen's Association and an agreement with North County Transit District. Work continued on the Blue Line Trolley transit-oriented development project as well as program outreach and education. Staff worked to develop an MOU and the framework for the housing trust fund partnership.

### Justification

The Regional Early Action Planning Grants of 2021, established by State Assembly Bill 140 (Committee on Budget), provides regions with one time funding and builds upon the success of the 2019 REAP program but expands the focus by integrating housing and climate goals and allowing for broader planning and implementation investments, including infrastructure. REAP 2.0 is explicitly intended to meet multiple objectives – infill development, housing for all incomes, vehicle miles traveled reduction, and affirmatively furthering fair housing in ways that accelerate the implementation of adopted regional and local plans to achieve these goals. SANDAG has been allocated up to approximately \$43 million from the California Department of Housing and Community Development. Due to state budget constraints, SANDAG is only planning to receive approximately a quarter of the \$43 million originally allocated to our region.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$440,760	Program administration, education and outreach, inter-regional engagement, and Tribal coordination (Staff)	Agendas, meetings and materials, presentations	6/30/2025
2.	\$2,153,384	Local Jurisdiction Support, technical assistance, data and planning tools (Staff/Consultant/Pass-through*)	Trainings, data resources	6/30/2025
3.	\$0	Regional Housing Trust Fund <sup>1</sup>	Grant agreements, quarterly reports	6/30/2025
4.	\$1,647,058	Tribal partnership on housing priorities (Staff /Pass-through)	Agendas, meetings and materials, presentations, MOU agreements	6/30/2025
5.	\$419,810	Transit Agency Partnership to advance transit-oriented development (Staff/Pass-through/Consultant)	Predevelopment plans, studies	6/30/2025

### Future Activities

REAP 2.0 funds must be expended by June 2026. Future activities include technical assistance, and data and planning tools to support the region's local jurisdictions; tribal partnership programs; and transit-oriented development studies.

<sup>1</sup> Dependent upon funding availability, SANDAG will administer \$12.3 million that had been awarded to the local jurisdictions through HAP Cycle 2 and continue work on the housing trust fund.

**Work Element:** 3321902 - Regional Housing Acceleration HIT TASC

**Project Manager:** Tuere Fa'aola

### Project Expenses

Expense	FY 2024 Budget	FY 2025 Budget	FY 2026 Budget
Salaries, Benefits, Indirect	\$0	\$21,172	\$31,250
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$2,000,000	\$447,578
<b>Total</b>	<b>\$0</b>	<b>\$2,021,172</b>	<b>\$478,828</b>

### Project Funding

Funding	FY 2024 Funding	FY 2025 Funding	FY 2026 Funding
SHCD-	\$0	\$2,021,172	\$478,828
<b>Total</b>	<b>\$0</b>	<b>\$2,021,172</b>	<b>\$478,828</b>

### Objective

Funded by a grant allocated from the California Department of Housing and Community Development, the objective of this work element is to advance the Regional Early Action Planning Grants of 2021 (REAP 2.0) High Impact Transformative (HIT) objectives by investing in infrastructure, capital improvements and affordable housing along the Blue Line Trolley. The project, Transforming & Advancing South County Transit Communities (TASC), will support transit-oriented affordable housing development at the Palm Avenue Transit Station, convert an alleyway into a safer corridor for pedestrians and bikes and establish rent-to-own opportunities for residents in San Ysidro.

### Previous Accomplishments

SANDAG applied as the fiscal agent in collaboration with the City of San Diego, National Core and Casa Familiar, and was awarded \$10 million in REAP 2.0 HIT funding for the TASC project. In FY 2024, SANDAG was awarded the funding and worked with the grantors and partners to provide additional information on the project, execute the grant agreement, and develop contractual agreements with partners (MOU).

### Justification

The Regional Early Action Planning Grants of 2021, established by State Assembly Bill 140 (Committee on Budget), provides regions with one time funding to integrate housing and climate goals and allowing for broader planning and implementation investments, including infrastructure. REAP 2.0 HIT funding was awarded to communities for place-based planning and implementation activities that support REAP 2.0's goals and objectives. REAP 2.0 HIT funding prioritized projects that will have a high impact in disadvantaged and historically underserved communities. This project furthers the 2021 Regional Plan Sustainable Communities Strategy and advances our commitment to equity. Due to state budget constraints, SANDAG is only planning to receive approximately a quarter of the \$10 million originally awarded to our region.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$21,172	SANDAG staff administration and oversight of the suballocation contracts. Review, edit, and approval of progress reports. (Staff)	MOU agreements, reporting documentation	6/30/2025
2.	\$2,000,000	Suballocation of funds to partners (Pass-through funds to National CORE, Casa Familiar, City of San Diego)	Progress reports, MOU agreements, contracts	6/30/2025

### Future Activities

SANDAG will develop contractual agreements, reporting templates, and invoices protocols working collaboratively with the project team. Annual progress reports and administrative duties will be performed to ensure compliance with the REAP 2.0 HIT guidelines.

**Work Element:** 3322100 - Access for All

**Project Manager:** Benjamin Gembler

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$255,506	\$251,623	\$310,602
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$0	\$0	\$0
Pass-Through to Other Agencies	\$2,080,874	\$2,793,398	\$2,780,422
<b>Total</b>	<b>\$2,336,380</b>	<b>\$3,045,021</b>	<b>\$3,091,024</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
Local - TNC	\$2,336,380	\$3,045,021	\$3,091,024
<b>Total</b>	<b>\$2,336,380</b>	<b>\$3,045,021</b>	<b>\$3,091,024</b>

### Objective

The objective is to administer the Access for All (AFA) grant program to distribute pass-through funding from the California Public Utilities Commission (CPUC). Emphasis in FY 2025 will be to enter into Cycle 2 grant agreements with Access Providers, begin monitoring and receiving reporting from grantees; and to develop, release and conduct Cycle 3 funding.

### Previous Accomplishments

In FY 2023, the program's first call for projects was conducted, an Access Provider was selected and began providing service, and quarterly reporting was provided to the CPUC. In FY 2024, quarterly reporting began in earnest for the Cycle 1 Grant Term, quarterly reporting was provided to the CPUC, and the first grant term was completed and closed out. The Cycle 2 call for projects was developed and conducted.

### Justification

AFA is a state-mandated program administered by the CPUC and SANDAG is the designated Local Access Fund Administrator for San Diego County.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$62,120	Complete Cycle 2 call for projects by awarding and executing grant agreements with Access Providers (Staff)	Scored and ranked applications, funding recommendations, reports to Policy Advisory Committees and Board of Directors, executed grant agreements	11/30/2024
2.	\$2,842,542	Monitor grantee project progress and compliance with grant agreement requirements; reviewing and processing of invoices, collecting quarterly progress reports, and providing technical assistance and guidance to grantees (Staff)	Processed payments, invoices, SANDAG quarterly reporting,	6/30/2025
3.	\$155,301	Develop and conduct Cycle 3 call for projects (Staff)	Completed outreach to stakeholders and potential applicants, final call for projects and related materials, and Prospective Applicant webinar provided.	6/30/2025
4.	\$31,061	Provide quarterly progress reports and performance data to CPUC (Staff)	Development and submittal of quarterly status reports and performance data	6/30/2025

### Future Activities

Future activities include the continued refinement of the AFA program, development of annual calls for projects, grantee monitoring, reporting to the CPUC, and meetings with other agencies and stakeholders across the state to share best practices and program enhancements.

**Work Element:** 3322300 - San Ysidro Mobility Hub Planning

**Project Manager:** Tuere Fa'aola

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	Future Years	Multi-Year Total
Salaries, Benefits, Indirect	\$0	\$0	\$133,481	\$89,600	\$223,081
Other Direct Costs	\$0	\$0	\$27,858	\$15,000	\$43,023
Contracted Services	\$308,230	\$847,481	\$890,000	\$105,400	\$2,150,946
Pass-Through to Other Agencies	\$0	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$308,230</b>	<b>\$847,481</b>	<b>\$1,051,339</b>	<b>\$210,000</b>	<b>\$2,417,050</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	Future Years	Multi-Year Total
FFTA- AOPP	\$0	\$0	\$685,400	\$100,000	\$785,400
FFTA - TOD	\$0	\$305,000	\$100,000	\$0	\$405,000
Fed Other - FHUD	\$0	\$0	\$180,000	\$100,000	\$280,000
LMTS -	\$308,230	\$542,481	\$0	\$0	\$850,711
-LTransNet	\$0	\$0	\$85,939	\$10,000	\$95,939
<b>Total</b>	<b>\$308,230</b>	<b>\$847,481</b>	<b>\$1,051,339</b>	<b>\$210,000</b>	<b>\$2,417,050</b>

### Objective

The objective of this work element is to build upon ongoing efforts and develop a comprehensive vision for the future San Ysidro Mobility Hub per the Regional Mobility Hub Strategy and Regional Plan. Mobility hubs are an essential component of the regional transportation network which integrate shared mobility services, transit supportive land uses, and supporting technology to increase mobility options and enhance equity, safety, and accessibility. Emphasis in FY 2025 will be initiating planning, outreach and conceptual design work to support the future San Ysidro Mobility Hub and completing the Blue Line Transit-Oriented Development (TOD) Study portion of this work element.

### Previous Accomplishments

Work completed in FY 2024 includes planning and outreach activities in support of station improvement concepts for enhancing near-term operations and capacity at the existing transit center. Also, in FY 2024 staff developed a scope and schedule for planning and outreach activities to support the future Mobility Hub facility. Staff kicked off the Blue Line TOD Study and completed the existing conditions and preliminary TOD site and market analysis portions of the study.

### Justification

The San Ysidro Transit Center is a critical asset for the regional transportation network and facilitates some of the highest transit ridership across the existing system. The future San Ysidro Mobility Hub will advance the goals of the Regional Plan and expand travel choices in the border region and beyond.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$15,000	Project Management (Staff/Consultant)	Meeting minutes	6/30/2025
2.	\$140,476	Stakeholder and Public Outreach (Staff/Consultant)	Summary memo	6/30/2025
3.	\$795,863	San Ysidro Mobility Hub study (Consultant)	Final summary report	6/30/2025
4.	\$100,000	Blue Line TOD study (Consultant)	Final summary report	12/31/2024

### Future Activities

Future activities include completing planning activities and advancing station improvements into subsequent phases of implementation. Also planning for additional transit-oriented development strategies and station access improvements will continue.

**Work Element:** 3322301 - Blue Line Express Feasibility Study

**Project Manager:** Jennifer Williamson

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	FY 2026 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$435,000	\$368,003	\$488,833	\$50,000	\$1,341,836
Other Direct Costs	\$0	\$1,000	\$30,000	\$15,000	\$46,000
Contracted Services	\$0	\$0	\$925,000	\$403,855	\$1,328,855
Pass-Through to Other Agencies	\$0	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$435,000</b>	<b>\$369,003</b>	<b>\$1,443,833</b>	<b>\$468,855</b>	<b>\$2,716,691</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	FY 2026 Budget	Multi-Year Total
FFTA - 5307	\$435,000	\$369,003	\$1,443,833	\$468,855	\$2,716,691
<b>Total</b>	<b>\$435,000</b>	<b>\$369,003</b>	<b>\$1,443,833</b>	<b>\$468,855</b>	<b>\$2,716,691</b>

### Objective

The objective of this work element is to study the feasibility of implementing express-level transit service along the Blue Line corridor between San Ysidro and Downtown San Diego. Additionally, this work element will support coordination for Cross Border Trolley conceptual planning activities. Emphasis in FY 2025 will include planning and outreach activities to develop system performance assessment, alternatives analysis, cost estimates, implementation strategies, and final summary reporting.

### Previous Accomplishments

Work completed in FY 2024 includes project scope development, request for proposals documentation, stakeholder and public outreach strategy, and existing conditions assessment.

### Justification

The Blue Line Trolley has the highest ridership of any service in the Metropolitan Transit System and serves key local communities as well as a large cross border population. Despite high ridership, current transit travel times are double that of automobile drive times in the corridor. Prioritizing improvements to transit performance as well as expanding travel options in this corridor advances strategic goals in the Regional Plan and aligns with state and federal planning goals included in the California State Rail Plan.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$55,000	Existing Conditions and Corridor Performance Assessment (Staff/Consultant)	Summary technical memo	10/31/2024
2.	\$980,000	Blue Line Express Alternatives Development (Staff/Consultant)	Summary technical memo	3/31/2025
3.	\$178,833	Project management (Staff)	Meeting agendas and minutes	6/30/2025
4.	\$95,000	Stakeholder and working group engagement (Staff/Consultant)	Summary memo	6/30/2025
5.	\$45,000	Study findings and final reporting (Staff/Consultant)	Final summary report	6/30/2025
6.	\$90,000	Cross Border Trolley staff support (Staff)	Meeting agendas, materials and minutes	6/30/2025

### Future Activities

Future activities include further study of project alternatives, integration of study findings and recommendations into the Regional Plan and Regional Transportation Improvement Program, and coordination with local, state, and federal agencies.

**Work Element:** 3322302 - South County Rapid Transit

**Project Manager:** Jennifer Williamson

### Project Expenses

Expense	FY 2024 Budget	FY 2025 Budget	FY 2026 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$30,000	\$606,246	\$481,429	\$1,117,675
Other Direct Costs	\$0	\$20,000	\$10,000	\$30,000
Contracted Services	\$0	\$2,212,325	\$3,640,000	\$5,852,325
Pass-Through to Other Agencies	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$30,000</b>	<b>\$2,838,571</b>	<b>\$4,131,429</b>	<b>\$7,000,000</b>

### Project Funding

Funding	FY 2024 Funding	FY 2025 Funding	FY 2026 Funding	Multi-Year Total
FFHWA - STBG	\$30,000	\$2,838,571	\$4,131,429	\$7,000,000
<b>Total</b>	<b>\$30,000</b>	<b>\$2,838,571</b>	<b>\$4,131,429</b>	<b>\$7,000,000</b>

### Objective

The objective of this work element is to evaluate options for improving transit travel times, increasing ridership, and expanding travel options between the U.S.-Mexico border and downtown. This includes near and long-term rail and bus improvements in the corridor for existing Blue Line Trolley service (e.g., grade separations, prioritized access, and signal improvements), planned Rapid Bus service (e.g., Rapid 640), and feasibility assessment of increasing rail capacity in the corridor to enable operation of additional service (e.g., extension of LOSSAN service to the border and future integration of Purple Line and Blue Line operations). Emphasis in FY 2025 will include initiating planning and outreach activities.

### Previous Accomplishments

Work completed in FY 2024 includes project scope development, Request for Proposals documentation to procure a consultant, stakeholder and public outreach strategy, and existing conditions assessment.

### Justification

The I-5 corridor is one of the most heavily used in the region. The Blue Line Trolley has the highest ridership of any service in the Metropolitan Transit System and serves key local communities as well as a large cross-border population connecting to employment, education, and other essential services. Despite high ridership, current transit travel times are double that of personal-auto drive times in the corridor. Prioritizing performance improvements to transit as well as expanding travel options in this corridor advances strategic mobility and social equity goals in the 2021 Regional Plan and aligns with state and federal planning goals included in the California State Rail Plan and Corridor Identification and Development Program.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$541,246	Blue Line Trolley Improvements (Staff/Consultant)	Summary Technical Memo	2/28/2025
2.	\$1,125,000	Rapid Route 640 Development (Staff/Consultant)	Summary Technical Memo	5/31/2025
3.	\$920,000	Rail Integration and Expansion Feasibility (Staff/Consultant)	Summary Technical Memo	10/31/2025
4.	\$240,000	Stakeholder and Working Group Engagement (Staff/Consultant)	Summary Memo	12/31/2025
5.	\$12,325	Study Findings and Final Reporting (Staff/Consultant)	Final Summary Report	12/31/2025

### Future Activities

Future activities include further study of project alternatives, integration of study findings and recommendations into the Regional Plan and Regional Transportation Improvement Program, and coordination with local, state, and federal agencies.

**Work Element:** 3322400 - 5310 Program - COVID-19 Relief

**Project Manager:** Aly Vazquez

### Project Expenses

Expense	Prior Years	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$56,814	\$46,044	\$56,814	\$0	\$159,672
Other Direct Costs	\$0	\$348	\$350	\$0	\$698
Materials and Equipment	\$0	\$0	\$0	\$0	\$0
Contracted Services	\$0	\$0	\$0	\$0	\$0
Pass-Through to Other Agencies	\$704,165	\$30,623	\$2,892	\$3,220	\$740,901
Debt Service and Project	\$0	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$721,876</b>	<b>\$77,015</b>	<b>\$60,056</b>	<b>\$3,220</b>	<b>\$862,168</b>

### Project Funding

Funding	Prior Years	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	Multi-Year Total
FFTA- 5310	721,876	\$77,015	\$60,056	\$3,220	\$3,220
<b>Total</b>	<b>\$721,876</b>	<b>\$77,015</b>	<b>\$60,056</b>	<b>\$3,220</b>	<b>\$3,220</b>

### Objective

The objective of this work element is to facilitate pass-through funding for Federal Transit Administration (FTA) Section 5310 grants made available through the Coronavirus Response and Relief Supplemental Appropriations Act of 2021 (CRRSAA). Emphasis in FY 2025 will be to provide funding to two grantees, Facilitating Access to Coordinated Transportation and Travelers Aid of San Diego.

### Previous Accomplishments

Previous funding allowed SANDAG to provide pass-through funding to six CRRSAA/American Rescue Plan Act (ARPA) subrecipients to effectuate COVID-19 relief.

### Justification

This project facilitates the administration of the FTA Section 5310 Program (Enhanced Mobility of Seniors and Individuals with Disabilities), specifically through CRRSAA and formerly through ARPA.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$3,220	Facilitating Access to Coordinated Transportation and T ASD Specialized Transportation Service Pass-Thru funded trips	Specialized transportation trips	8/31/2024

### Future Activities

Future activities are not applicable because this budget will be expended by FY 2026.

**Work Element:** 3322500 - Purple Line Conceptual Studies

**Project Manager:** Jennifer Williamson

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$115,000	\$469,212	\$285,883	\$870,095
Other Direct Costs	\$0	\$0	\$0	\$0
Contracted Services	\$40,000	\$776,000	\$1,813,905	\$2,629,905
Pass-Through to Other Agencies	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$155,000</b>	<b>\$1,245,212</b>	<b>\$2,099,788</b>	<b>\$3,500,000</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	Multi-Year Total
Regional Surface Transportation Program	\$155,000	\$1,245,212	\$2,099,788	\$3,500,000
<b>Total</b>	<b>\$155,000</b>	<b>\$1,245,212</b>	<b>\$2,099,788</b>	<b>\$3,500,000</b>

### Objective

Using data analytics to inform Alternatives Analysis that would identify a preferred alignment and provide enough information to gain permission from the Federal Transit Administration to enter the New Starts application process. Goals of the project are to identify an alignment and mode of service that provides a direct and fast connection between densely populated communities along I-805 to major employment centers north of I-8. Consistent with the State Rail Plan, this would provide a new Regional Transit line between Sorrento Valley and central San Diego trolley services. Previous studies had identified this route as a light rail line. However, further modeling done during the development of the 2021 Regional Plan indicated that to achieve the speeds desired, this route may perform better as a high-speed commuter rail service. Alternatives analysis will answer the question of what the right mode of service is, where the stations should be located and where essential grade separations will be needed. Extensive public outreach will inform service planning needs this project could address, and what concerns and preferences the public has regarding alignments, station locations, and operations. Modeling and data analytics will determine where the alignment should be placed to optimize ridership and passenger benefits within the context of the existing and planned transit network. Integration with existing services and other modes will be a critical consideration. Emphasis in FY 2025 will be to finalize the high-level feasibility analysis of commuter rail and initiate the Alternatives Analysis, including associated public engagement through in-person workshops and online tools. FY 2025 will also include preliminary social equity and environmental analysis to inform future planning phases. The Alternatives Analysis is anticipated to continue into FY 2026.

### Previous Accomplishments

The Purple Line Conceptual Planning Study has identified the minimum operating segment of the transit line and performed initial high-level feasibility analysis of implementing the project as high-speed commuter rail. A project implementation timeline was also developed as part of the study. These findings will be used as input for the Alternatives Analysis effort.

### Justification

The Purple Line is identified as a SANDAG priority project and is included in the Regional Plan. This rail line would provide high speed transit access between dense urban neighborhoods south of I-8 and major employment centers. Consistent with the State Rail Plan, this would provide a new Regional Transit line between Sorrento Valley and central San Diego trolley services. Disadvantaged communities throughout South County have had little access to high-speed regional transit. This study would lead to a potential New Starts application and clearance to enter environmental and final design on this commuter rail line.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$285,771	Feasibility report including alignment, costs, and implementation timeline (Consultant)	Purple Line Conceptual Study Report	12/31/2024
2.	\$105,586	Supportive studies: identify opportunities for station connections and specific study on University/Sorrento Mesa alternatives (Consultant)	Station Connections Tech Memo, University/Sorrento Mesa Study	12/31/2024
3.	\$1,708,431	Alternatives Analysis: public outreach and technical analysis to determine the mode and alignment of the preferred project concept. (Consultant)	Public engagement strategy, Alternatives Analysis Report	6/30/2025

## Future Activities

Future activities include finalizing the Alternatives Analysis per Federal Transit Administration requirements that will evaluate modes of service, alignment options, cost benefit, and conduct extensive public engagement. The outcome will be that the Board will select a preferred alternative that will allow the project to compete for Federal New Starts funding.

### Project Expenses

Expense	FY 2025 Budget	Future Years	Multi-Year Total
Salaries, Benefits, Indirect	\$1,050,397	\$3,849,603	\$4,900,000
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$3,480,000	\$11,620,000	\$15,100,000
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$4,530,397</b>	<b>\$15,469,603</b>	<b>\$20,000,000</b>

### Project Funding

Funding	FY 2025 Funding	Future Years	Multi-Year Total
FFHWA - STBG	\$4,530,397	\$15,469,603	\$20,000,000
<b>Total</b>	<b>\$4,530,397</b>	<b>\$15,469,603</b>	<b>\$20,000,000</b>

### Objective

Using data analytics to inform Alternatives Analysis that would identify a preferred alignment and provide enough information to gain permission from the Federal Transit Administration to enter the New Starts application process. Goals of the project are to identify an alignment and mode of service that provides direct and fast connection between densely populated communities along I-805 to major employment centers north of I-8. Consistent with the State Rail Plan, this would provide a new Regional Transit line between Sorrento Valley and central San Diego trolley services. Previous studies had identified this route as a light rail line. However, further modeling done during the development of the 2021 Regional Plan indicated that to achieve the speeds desired, this route may perform better as a higher-speed service. Alternatives analysis will answer the question of what the right mode of service is, where the stations should be located and where essential grade separations will be needed. Modeling and data analytics will determine where the alignment should be placed to optimize ridership and passenger benefits. Emphasis in FY 2025 and beyond will be to undertake Federal Transit Administrative (FTA) Alternatives Analysis (AA). This AA will conduct an extensive public outreach effort to inform service planning needs this project would address, what concerns and preferences they have regarding alignments, station locations, and operations. The AA will also develop an array of alternatives, including a no build, different modes of service, different alignments and different service concepts that will then be modeled within the context of the existing and planned transit network and ranked. Integration with existing services and other modes will be a critical consideration. Ultimately, a preferred alternative will be sought. The preferred alternative will then be submitted to the FTA for entry into the Federal New Starts process and permission to enter into an Environmental Impact Report/Environment Impact Statement (EIR/EIS). FY2025 will also initiate planning for the Rapid Route 688 to provide transit service to the corridor in the near-term .

### Previous Accomplishments

The Adopted 2021 Regional Plan identified an initial alignment for the Purple Line. Further analysis undertaken in FY 2024 developed a minimum operating segment that evaluated how the Purple Line could be built in phases. Each phase is intended to build upon prior phases so that infrastructure is not unnecessarily constructed.

### Justification

The Purple Line is identified as a SANDAG priority project and a key project in the Regional Plan. This rail line would provide high speed transit access between dense urban neighborhoods south of I-8 and major employment centers. Consistent with the State Rail Plan, this would provide a new Regional Transit line between Sorrento Valley and central San Diego trolley services. Disadvantaged communities throughout South County have had little access to high-speed regional transit. This study would lead to a potential New Starts application and clearance to enter environmental and final design on this commuter rail line.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$1,050,397	SANDAG staff administrative efforts and consultant oversight	Administration	6/30/2025
2.	\$500,000	Rapid Route 688 Development	Summary Technical Memo	6/30/2025
3.	\$2,500,000	Develop scope and range of alternatives for analysis by mode/alignment	Alternatives Analysis	6/30/2025
4.	\$480,000	Community outreach and engagement to support alternatives analysis	Public engagement plan	6/30/2025

## Future Activities

Future activities include an EIR/EIS. The environmental document will evaluate all environmental impacts and mitigation measures needed to ensure that the project has no negative impacts. The EIR/EIS will also include an extensive public outreach effort meant to inform the public through the environmental process.

**Work Element:** 3322600 - Digital Equity Action Plan Implementation  
**Project Manager:** Danielle Kochman

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$292,284	\$295,898	\$121,592
Other Direct Costs	\$124,941	\$3,600	\$0
Contracted Services	\$50,000	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$467,225</b>	<b>\$299,498</b>	<b>\$121,592</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
-LLocal -CityofSD	\$20,000	\$0	\$0
-LLocal -CityofSD	\$30,000	\$0	\$0
-LTransNet	\$243,534	\$149,498	\$60,796
-SSState	\$173,691	\$150,000	\$60,796
<b>Total</b>	<b>\$467,225</b>	<b>\$299,498</b>	<b>\$121,592</b>

### Objective

The objective of this work element is to implement the Regional Digital Equity Strategy and Action Plan to expand connectivity, equity, and improve quality of life in the San Diego region. Emphasis on FY 2025 will be to coordinate with stakeholders to expand digital communications infrastructure to support the needs of near-term projects SANDAG has prioritized for implementation, including multiple Rapid routes.

### Previous Accomplishments

SANDAG successfully developed partnerships and received grant funding to implement the Get Connected outreach strategy and to conduct targeted outreach and enrollment assistance for the Affordable Connectivity Program; SANDAG conveyed the Regional Digital Divide task force, the permitting working group, and So Cal Transform Meetings to continue advancing initiatives that support the deployment of digital infrastructure and adoption of broadband. SANDAG also conducted a Request for Information to seek partners for submitting an application through the Federal Funding Account, and successfully negotiated a partnership and submitted an application with Zito Communications.

### Justification

Consistent with state and regional directives to bridge the digital divide, the SANDAG Board of Directors adopted Board Resolution 2021-09 committing to develop a Digital Equity Strategy and Action Plan. That Plan was adopted by the Board on December 17, 2021. The communication infrastructure spurred by this initiative not only addresses equity and quality of life by ensuring that everyone can benefit from technology, but also supports intelligent transportation solutions, automated and connected vehicle infrastructure, app-enabled mobility services, and other technology driven elements of the Regional Plan.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$37,944	Collaborate with the California Department of Technology, Caltrans, and the State's Third-Party Administrator to advance initial middle-mile priority. (Staff)	Middle-mile project work plans	2/28/2025
2.	\$23,900	Seek and apply for funding, such as competitive grants or public-private partnerships to support the implementation of the Regional Digital Equity Strategy. (Staff)	Grant submissions and partnership agreements	6/30/2025
3.	\$17,925	Coordinate with regional, state, and federal stakeholders, Caltrans, community-based organizations, educational institutions, and other stakeholders to advance the deployment of digital infrastructure by continued support of the Digital Divide Taskforce. Continue to build ownership of partners so they will take a leadership role in regional efforts. (Staff)	Digital Divide Taskforce meetings and materials	6/30/2025
4.	\$41,823	Lead digital infrastructure related initiatives agency wide and focus implementation of the Broadband Master Plan to support near term Regional Plan projects. (Staff)	Digital Infrastructure Transportation Needs Recommendations	6/30/2025

### Future Activities

Continue to develop and advance partnerships needed to accelerate the deployment of digital infrastructure; coordinate with Caltrans to deliver open-access middle-mile connections in the San Diego region; Advocate for funding and infrastructure projects that will support the implementation of technology dependent projects in the Regional Plan.

### Project Expenses

Expense	FY 2023 Actual	FY 2024 Budget	FY 2025 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$23,935	\$68,739	\$58,962	\$151,636
Other Direct Costs	\$0	\$2,000	\$2,000	\$4,000
Contracted Services	\$0	\$145,000	\$150,058	\$295,058
Pass-Through to Other Agencies	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$23,935</b>	<b>\$215,739</b>	<b>\$211,020</b>	<b>\$450,694</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	Total
FFTA -CPG 5304 Sustainable Communities	\$21,190	\$190,994	\$186,816	\$399,000
LTDA -	\$2,745	\$24,745	\$24,204	\$51,694
<b>Total</b>	<b>\$23,935</b>	<b>\$215,739</b>	<b>\$211,020</b>	<b>\$450,694</b>

### Objective

Funded by a Caltrans Planning Grant, SANDAG partnered with the County of San Diego to research and design a Regional Zero-Emission Vehicle (ZEV) Incentive Program (ZEVIP) to help accelerate the adoption of plug-in battery electric and hydrogen fuel cell electric vehicles in the region. Project deliverables include an outreach and engagement plan, incentive program strategy, implementation plan, and methodology report. Emphasis for FY 2025 is to complete the implementation plan, methodology report, and continue engagement through the project's end date.

### Previous Accomplishments

In FY 2024, SANDAG completed the outreach and engagement plan, the existing conditions assessment, and the incentive program strategy and conducted community outreach. This project builds off work completed through a previous Caltrans Planning Grant for the electric vehicle (EV) charger rebate program, which became the California Electric Vehicle Infrastructure Project (CALeVIP): San Diego County Incentive Project.

### Justification

This program is a greenhouse gas (GHG) reduction measure in the Sustainable Communities Strategy of the 2021 Regional Plan and aligns with federal emphasis areas to transition to more clean energy options. The off-model calculator estimates that the ZEV incentive program and the EV charger rebate program combined account for about 2% of the 19% per capita GHG reduction target for 2035. The ZEVIP will directly support SANDAG's commitment to equity and further federal planning emphasis areas by conducting extensive community engagement and prioritizing incentives for disadvantaged and low-income communities.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$17,380	Community engagement with focus on equity-focused communities. Outreach meetings and marketing materials, including materials for community members with limited English proficiency. (CPG Task 2) (Staff/Consultant)	Community meetings and materials	3/31/2025
2.	\$7,552	Through Accelerate to Zero Emissions Collaboration, holding ZEV Technical Advisory Committee (TAC) meetings and coordination to seek input on project. (Staff/Consultant)	TAC meetings and materials	3/31/2025
3.	\$26,202	Complete ZEVIP Implementation Plan based on program strategy (CPG Task 5) (Staff/Consultant)	ZEVIP Implementation Plan	3/31/2025
4.	\$9,828	Draft and Final Methodology Memo on EV programs for Regional Plan's Sustainable Community Strategy (SCS) (CPG Task 6) (Staff/Consultant)	SCS Memo	3/31/2025
5.	\$150,058	Consultant support to prepare draft ZEVIP implementation plan, SCS methodology memo on EV programs, and meeting/presentation materials for PDTs, stakeholder, and community meetings. (Consultant)	ZEV reports, memos, presentations	12/1/2024

## Future Activities

This project will end in Quarter 3 of FY 2025.

**Work Element:** 3322901 – Urban Core and Connections

**Project Manager:** Jennifer Williamson

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$0	\$0	\$0
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$0	\$0	\$900,000
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$0</b>	<b>\$0</b>	<b>\$900,000</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA - STBG	\$0	\$0	\$796,770
LTransNet - TNet/FTsw	\$0	\$0	\$103,230
<b>Total</b>	<b>\$0</b>	<b>\$0</b>	<b>\$900,000</b>

### Objective

The objective of this work element is to conduct planning for improving transit operations through Downtown San Diego and effectively connecting regional transit to the future Airport Transit Connection (ATC). The planning will recommend strategies and retrofits that speed up transit along key regional corridors, increase transit ridership, and create a safer travel experience for everyone.

### Previous Accomplishments

Previous accomplishments include completion of the Central Mobility Hub (CMH) Comprehensive Multimodal Corridor Plan (CMCP) and completion of the ATC concept feasibility study.

### Justification

This work builds on the Airport Transit Connection Concept Feasibility Report and CMH CMCP to focus on the Downtown urban core and connections to the ATC project. The effort will also integrate other regional planning assumptions including Blue Line Express connection to downtown and heavy rail at grade elimination crossing recommendations.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$135,000	Project management for CMH + Connections planning study and coordination with ATC evaluation and complementary stakeholder outreach and engagement efforts. (Staff/Consultant)	Regular meetings and coordination with related SANDAG rail and active transportation studies and design efforts	6/30/2025
2.	\$225,000	Continue San Diego urban core regional connections planning to identify improved near-term versus more capital-intensive treatments for rail and bus connections that would enable prioritized movement of services over cars while incorporating the ATC concept(s) being progressed to environmental review and conducting resulting traffic analysis.	Regional corridor connections multimodal planning, land use	12/31/2024
3.	\$225,000	Continue San Diego urban core community connections planning to identify improved near-term versus more capital-intensive treatments for rail and bus connections that would integrate with the ATC concept(s) being progressed to environmental review. Conduct resulting traffic analysis. (Staff/Consultant)	Community corridor connections multimodal planning, land use compatibility, and cost estimate analyses	12/31/2024
4.	\$315,000	Conduct recurring peer agency outreach for the duration of the planning effort, develop visual renderings and supportive digital outreach content that clearly communicate proposed corridor enhancements and retrofits, build upon ATC to integrate new elements resulting from planning study analysis, and deliver an urban design charrette comprised of local design and transportation experts. (Staff/Consultant)	Peer agency stakeholder engagement, corridor visual renderings, messaging points, digital outreach content, and a design charrette	6/30/2025

### Future Activities

Integrate recommended improvements into 2029 Regional Plan. Seek grant and other funding to further design and implement recommended improvements.

**Work Element:** 3330700 - Regional ITS Planning

**Project Manager:** Alex Estrella

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$466,854	\$523,520	\$577,265
Other Direct Costs	\$917	\$0	\$0
Contracted Services	\$231,410	\$400,000	\$439,559
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$699,181</b>	<b>\$923,520</b>	<b>\$1,016,824</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LTransNet - MajorCorr	\$699,181	\$923,520	\$1,016,824
<b>Total</b>	<b>\$699,181</b>	<b>\$923,520</b>	<b>\$1,016,824</b>

### Objective

The objective of this work element is to provide ongoing planning for Intelligent Transportation Systems (ITS); advance strategic development of ITS initiatives with local, state, tribal, and federal agencies; and provide oversight of the region's various ITS deployments, ensuring consistency and compliance with regional and federal ITS architecture mandates. Emphasis in FY 2025 will be on advancing implementation and cross-agency cooperation for the region's priority projects including the North Coast Express Lanes concept, the SR 11/Otay Mesa East ITS project components, the Regional Border Management System, and continuing the development of the Regional Managed Lanes Concept of Operations to support the advancement of the Smart Corridors concept.

### Previous Accomplishments

In FY 2024, work efforts included providing guidance and input on ITS to regional strategic planning activities, preparing applications for federal grants programs, and conducting procurement efforts for the development of the Regional Managed Lanes Concept of Operations study.

### Justification

ITS strategic planning plays a significant role in delivering the Next Operating System and regional priority projects. Projects and activities include technology improvements that contribute to improving mobility and tackling the climate crisis by reducing congestion and greenhouse gas emissions and enabling multi-agency Transportation Systems Management and Operations (TSMO), the technical platform for systems to work together regardless of jurisdictional boundaries. Implementation of these projects will advance Regional Plan projects and help address federal and state requirements and priorities.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$406,730	SANDAG staff will develop a TSMO Task Force to provide regional guidance on ITS cross-agency coordination to ensure that ITS Strategic Plans and regional priority projects with technology components are integrated and operated consistently across the region. (Staff)	Quarterly progress reports	6/30/2025
2.	\$240,000	SANDAG and Consultant team will continue with the development of Regional Managed Lanes Concept of Operations. (Staff/Consultant)	Operational Scenarios and Draft/and Final Concept of Operations	3/30/2025
3.	\$370,094	SANDAG and Consultant team will begin development of the Smart Corridor concept Roadmap upon completion of the Regional Managed Lanes Concept of Operations. (Staff/Consultant)	Draft Smart Corridor Concept Implementation Roadmap	6/30/2025

### Future Activities

Continue to advance strategic development of ITS initiatives by promoting multimodal and multi-agency coordination; continue planning ITS deployments to advance the Regional Plan.

**Work Element:** 3331500 - Dsgn Con Supp:Brdwy to Gaslamp  
**Project Manager:**

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$0	\$59,975	\$9,389
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$0</b>	<b>\$59,975</b>	<b>\$9,389</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LNCTD -	\$0	\$59,975	\$9,389
<b>Total</b>	<b>\$0</b>	<b>\$59,975</b>	<b>\$9,389</b>

### Objective

This project will add a new Coaster station and platform at the San Diego Convention Center in Downtown San Diego. This will allow passengers better service in the downtown area, especially the Convention Center and Petco Park. Emphasis in FY 2025 will be to review and approve plans from the North County Transit District (NCTD).

### Previous Accomplishments

The engineering design of the station is 60% complete and under review by the various stake holders.

### Justification

SANDAG to provide review of NCTD plans per request.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$9,389	Review NCTD plans (Staff)	Approved/completed NCTD plans	6/30/2025

### Future Activities

Finish the engineering plans and get a contractor under contract to construct the station.

**Work Element:** 3401601 - Next Gen Rapid R-625 Advanced Planning

**Project Manager:** Jennifer Williamson

### Project Expenses

Expense	FY 2025 Budget	Future Years	Multi-Year Total
Salaries, Benefits, Indirect	\$324,148	\$400,000	\$724,148
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$2,175,852	\$7,100,000	\$9,275,852
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$2,500,000</b>	<b>\$7,500,000</b>	<b>\$10,000,000</b>

### Project Funding

Funding	FY 2025 Budget	Future Years	Multi-Year Total
CMAQ	\$2,500,000	\$7,500,000	\$10,000,000
<b>Total</b>	<b>\$2,500,000</b>	<b>\$7,500,000</b>	<b>\$10,000,000</b>

### Objective

Building upon the work conducted in FY 2023 and FY 2024 on Next Generation Rapid Route analysis, SANDAG will undertake project development and advanced planning on Rapid Route 625. This route operates between San Diego State University and the Palomar Trolley Station in Chula Vista. The route will connect the communities of Mid-City, Southeast San Diego, National City, and Chula Vista with major educational institutions. The new phase of this study will take Rapid 625 into 30% design and prepare the route for entry into environmental. Public outreach will be undertaken to ensure that the project development is fully informed by the communities they serve.

### Previous Accomplishments

The project team conducted a New Generation Rapid Route Analysis, which identified preferred alignments, conducted public outreach, and identified initial capital and operating costs.

### Justification

Development of Rapid 625 is an early action in the 2021 Regional Plan and a critical first step in building the Transit Leap network. Rapid 625 would provide the region's residents and visitors with more mobility options, greater connectivity, and greater access to resources across the region. This project will bring Rapid 625 closer to becoming shovel-ready and a reality for the region.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$1,428,000	Develop Basis of Design for Rapid 625 (Staff/Consultant)	Technical memo; conceptual designs	6/30/2025
2.	\$595,000	Existing Conditions Analysis – Environmental Assessment (Staff/Consultant)	Meeting notes; existing conditions memo	6/30/2025
3.	\$23,800	Plan sets including design up to 30% of completion (Staff/Consultant)	Designs up to 30% and memo describing document and design layouts	6/30/2025
4.	\$239,000	Public & stakeholder engagement (Staff/Consultant)	Engagement plan	6/30/2025
5.	\$23,800	Draft and Final Report	Final report document	6/30/2025
6.	\$190,400	Project & Fiscal Management	Progress reports	6/30/2025

### Future Activities

Rapid 625 will be advanced to environmental clearance and conceptual design, and preferred alternative preliminary engineering. With 30% design, the project will be ready for the final design phase and construction. Possible funding options for final design and construction will be identified during this phase.

**Work Element:** 3401700 - Rail Regl Infrastructure Accelerator

**Project Manager:** Timothy Briggs

### Project Expenses

Funding	Prior Years	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$70,764	\$42,933	\$70,764	\$22,387	\$206,848
Other Direct Costs	\$0	\$2,512	\$10,000	\$0	\$12,512
Materials and Equipment	\$0	\$0	\$0	\$0	\$0
Contracted Services	\$200	\$632,760	\$514,997	\$147,734	\$1,295,691

Debt Service and Project	\$0	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$21,167</b>	<b>\$678,205</b>	<b>\$595,761</b>	<b>\$170,121</b>	<b>\$1,465,254</b>

### Project Funding

Funding	Prior Years	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	Multi-Year Total
FOthrFed - BAB	\$21,167	\$678,205	\$595,761	\$170,121	\$1,465,254
<b>Total</b>	<b>\$21,167</b>	<b>\$678,205</b>	<b>\$595,761</b>	<b>\$170,121</b>	<b>\$1,465,254</b>

### Objective

This project supports the agency's objective to pursue new funding. The San Diego Regional Rail Infrastructure Accelerators Strategy (SANDRIA) develops an initial evaluation and assessment for the future success of regional rail improvements in the San Diego region that can be expedited through Build America Bureau financing programs. SANDAG will establish the SANDRIA program by completing an assessment of a pipeline of projects and identifying innovative funding and implementation strategies for these projects. The pipeline of projects will include: (1) critical shovel-ready improvements to the Los Angeles – San Diego – San Luis Obispo (LOSSAN) Rail Corridor that increase capacity, address resiliency by building back better, and replace aging railway structures; (2) upgrades and increases to track capacity along the SPRINTER rail corridor; and (3) realignment of key segments of the LOSSAN Rail Corridor to enhance the attractiveness and increase the competitiveness of rail for both passenger travel and goods movement. Emphasis in FY 2025 finalizing the final study report and completing project closeout.

### Previous Accomplishments

Completed the project pipeline assessment, market & financial analysis, and governance review. Developed case studies for innovative financing and project delivery. Completed the investment strategy and identified opportunity for additional land value capture analysis.

### Justification

The adopted Regional Transportation Plan emphasizes multi-modal investments, mode shift, reduction of vehicle miles traveled, and transit-oriented development to support state climate and affordable housing goals. This project helps the region identify opportunities to deliver projects in support of the plan and opportunities to secure innovative financing. The emphasis in FY 2025 will be on sharing the final report with key stakeholders.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$97,342	A summary study report will document the study approach, evaluation and assessment processes and findings from the respective analyses, project partner, industry, and peer engagement, and overall recommendations for SANDRIA investment and delivery strategy. This report will reinforce the broad-based and collaborative approach used by the study team and provide specific guidance for advancing the implementation of the priority projects, including both immediate “shovel-ready” and longer-term project. (Consultant)	Final report	9/30/2024
2.	\$72,779	SANDAG will engage in ongoing quality assurance review and coordinate key activities necessary to complete the study and meet grant reporting requirements. This also includes travel to conferences to present study findings and project close-out. (Staff)	Study management and coordination	2/14/2025

### Future Activities

The project will continue into FY 2025 and will include completion of land value capture memo, delivery of the final study report, and presentation of study outcomes at national conferences, and grant close-out.

**Work Element:** 3401800 - Regional Strategy for Advanced Air Mobility – FY 22/23

**Project Manager:** Danielle Kochman

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$24,668	\$79,905	\$96,052
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$0	\$200,000	\$100,000
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$24,668</b>	<b>\$279,905</b>	<b>\$196,052</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA-CPG SPR	\$19,734	\$223,924	\$156,842
LTDA	\$4,934	\$55,981	\$39,210
<b>Total</b>	<b>\$24,668</b>	<b>\$279,905</b>	<b>\$196,052</b>

### Objective

The objective of this work element is to develop a strategy for Advanced Air Mobility (AAM) to integrate AAM technologies into the region's transportation system. SANDAG will work to create guidance for policy and implementation of these services, conduct an industry assessment, and understand public perception of these technologies through outreach and education. Emphasis in FY 2025 will be to complete a Policy Framework and an Implementation Strategy, and to continue stakeholder engagement through the collaborative.

### Previous Accomplishments

During FY2024, SANDAG established a stakeholder collaborative, completed an industry and market assessment, and began developing an AAM policy framework.

### Justification

AAM is a rapidly growing industry with potential to significantly disrupt the transportation system. Currently, there are no standards or regulations for such technologies in the region. If a company were to deploy services today, there are no ways to regulate or even plan for the services. SANDAG would like to prepare the San Diego region for widespread deployment of these innovative aerial transportation technologies by establishing a uniform regional vision. This vision will ensure that technologies are effectively integrated into the transportation system, that they equally serve communities, improve safety, reduce greenhouse gas emissions, and align with local, regional, and state objectives.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$6,335	Oversee consultant contract (Staff)	Invoices and progress reports	6/30/2025
2.	\$34,373	Project team coordination (Staff/Consultant)	Project development team agendas, summaries, action items	6/30/2025
3.	\$53,840	Convene stakeholder collaborative (Staff/Consultant)	Meeting agendas, materials, and summaries	6/30/2025
4.	\$47,502	Finalize AAM Policy Framework (Staff/Consultant)	Final AAM Policy Framework	12/31/2024
5.	\$54,002	Develop and finalize the Regional AAM Implementation and Operation Strategy (Staff/Consultant)	Final Regional AAM Implementation and Operation Strategy	3/31/2025

### Future Activities

This project will be completed during FY 2025.

**Work Element:** 3401900 – On the Move – Transit Priority Solutions for Complete Streets – FY 22/23

**Project Manager:** Danielle Kochman

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$5,900	\$127,676	\$336,424	\$470,000
Other Direct Costs	\$0	\$0	\$0	\$0
Contracted Services	\$0	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$30,000	\$30,000
<b>Total</b>	<b>\$5,900</b>	<b>\$127,676</b>	<b>\$366,424</b>	<b>\$500,000</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	Multi-Year Total
FFTA – CPG 5304 Strategic Partnerships	\$5,223	\$113,032	\$324,395	\$442,650
LTDA -	\$677	\$14,644	\$42,029	\$57,350
<b>Total</b>	<b>\$5,900</b>	<b>\$127,676</b>	<b>\$366,424</b>	<b>\$500,000</b>

### Objective

The On the Move project will develop near-term transportation recommendations to optimize connections for more efficient, accessible, and reliable transit operations within the region's multi-modal system. This project is a partnership between SANDAG, Caltrans District 11, City of San Diego, and Metropolitan Transit System, and will leverage existing social equity resources for comprehensive community outreach. Emphasis in FY 2025 will include identifying quick-build transit and active transportation (AT) improvements; guidance for assessing transit priority measures for different environments; a methodology to prioritize near-term investments; performance measures; and cost estimates for pilot project recommendations.

### Previous Accomplishments

Project kick-off meeting. Coordinated with the City of San Diego to use the new Mobility Master Plan as a basis for many of the improvements that will be proposed. Initiated draft System Evaluation and Priority Improvement Corridors memo.

### Justification

On the Move addresses the growing need for the San Diego region to have fast and frequent transit in the near term to provide more mobility options and reduce vehicle miles traveled. This project will advance Next Gen Rapid bus projects in the Regional Plan by identifying innovative transit priority solutions that lead to more effective operations. Rapid bus improves mobility for transit-dependent communities and makes bus routes more attractive to potential riders.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$23,072	Administration activities including invoicing, quarterly reporting, and coordination of all other relevant project information with partners and grantors. (Staff)	Progress reports, invoices with disadvantage business enterprise, meeting coordination and materials	8/29/2025
2.	\$105,752	The Project Team will evaluate the region's existing transit services and system to inform recommendations for "On the Move." The System Evaluation Memo will highlight regional transit priority projects, near-term implementation challenges, gaps in regional transportation plans, resources to implement pilot projects, summary of low-cost pilot project case studies, and recommended stakeholder outreach. (Staff)	Low-cost Pilot Project Case Studies Summary, System Evaluation Memo	5/31/2024
3.	\$66,143	The Project Team will develop a Stakeholder Engagement Plan. This plan will highlight specific milestones within the project scope that encourage regional collaboration, with a specific focus on Communities of Concern. (Staff)	Stakeholder Engagement Plan	6/30/2024
4.	\$171,457	Building upon the inventory and assessment in the System Evaluation Memo and stakeholder feedback, the project team will develop a methodology to assess regional transportation needs and prioritize low-cost pilot project considerations for the region. (Staff)	Transportation Assessment and Recommendations Memo	10/31/2024

## Future Activities

Finalize On the Move Report and project close-out.

**Project Expenses**

Expense	FY 2024 Budget	FY 2025 Budget	FY 2026 Budget	Multi-Year Total
Salaries, Benefits, Indirect	\$44,212	\$68,013	\$30,531	\$142,756
Other Direct Costs	\$0	\$0	\$0	\$0
Contracted Services	\$30,967	\$273,559	\$117,498	\$422,024
Pass-Through to Other Agencies	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$75,179</b>	<b>\$341,572</b>	<b>\$148,029</b>	<b>\$564,780</b>

**Project Funding**

Funding	FY 2024 Funding	FY 2025 Funding	FY 2026 Funding	Multi-Year Total
FFTA – CPG 5304 Strategic Partnerships	\$66,559	\$302,392	\$131,049	\$500,000
LTDA - TDAPIng	\$8,620	\$39,180	\$16,980	\$64,780
<b>Total</b>	<b>\$75,179</b>	<b>\$341,572</b>	<b>\$148,029</b>	<b>\$564,780</b>

**Objective**

The objective of this planning study is to identify and assess alternatives to enhance operations of the Orange Line Trolley within Downtown La Mesa, including but not limited to the feasibility of grade separation. Considerations could include grade separations, alternative rail alignments or road configurations, and supportive technology. Proposed solutions will have the co-benefit of mitigating congestion and travel delays and reducing the frequency of conflicts and crashes between pedestrians, bicyclists, and vehicles. The Downtown La Mesa Prioritization project will examine and recommend improvements for individual crossings or a group of crossings, identify impacts and benefits of proposed crossing improvements, and prepare a scope and schedule identifying high-level costs and requirements for further analysis in design. Conceptual plans and high-level cost estimates will be developed for alternatives that would potentially increase transit operations efficiency and lower the traffic volumes for the four intersections along Spring Street: University Avenue, Allison Avenue, La Mesa Boulevard, and Lemon Avenue.

**Previous Accomplishments**

In FY 2024, SANDAG began the project administration and procured a consultant to support the SOW who scheduled a project kick-off meeting and other meetings throughout the project schedule and will provide invoice and progress reports. The consultant also started work on the current conditions report, public outreach, and mobility solutions development/analysis, which will be continued in FY 2025.

**Justification**

This study will analyze potential improvements to support the 2021 Regional Plan's and California Air Resources Board's priority to invest in high-quality transit in order to encourage mode shift and reduce vehicle-miles travelled and greenhouse gas emissions. The 2021 Regional Plan proposes increasing frequency of Orange Line service from 15 minutes to 7.5-minute headways by 2028; however, current conditions cannot accommodate existing travel demands, which would make increasing headways impossible. To meet state air quality mandates, it is vital that our region addresses the mobility obstruction that will delay the implementation of increased frequencies for the Orange Line which serves a significant number of low-income populations that have been historically underserved. Efficient circulation in the project area is negatively impacted by high traffic volume of various modes of travel, including cars, buses, trolleys, pedestrians, and cyclists. Excessive wait times between traffic signal cycles contribute to dangerous behaviors that leave impatient drivers stranded or stuck halfway across a rail crossing when the traffic signal turns red or crossing arms come down.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$11,147	Project administration – SANDAG staff, along with consultants, will develop and maintain the project specific work plan and update project related information. (Staff)	Caltrans kickoff/agenda/notes, quarterly progress reports and invoices with disadvantaged business enterprise reporting	6/30/2025
3	\$23,749	Review Studies and Develop Current Conditions Report - consultant will obtain and review existing plans, studies, traffic counts, future traffic demands, data, and relative information on the project site for developing a summary report with SANDAG staff including an assessment of the corridor. (Consultant)	Review existing project documentation, review existing topo survey, supplemental field surveying, draft existing conditions and data summary report.	8/31/2024
4.	\$43,750	Public Outreach – Consultant will develop an outreach plan to identify and develop project team presentations, briefings, farmers market outreach events, and/or workshops with community members, stakeholders and elected officials to gather feedback and share updates with respect to project progress and direction. The project team will participate in three outreach events. (Consultant)	Project outreach plan and materials, support La Mesa Mobility Commission/SANDAG Military Working Group updates, and project factsheet.	6/30/2025
5.	\$262,926	Mobility Solutions Development and Analysis – Consultant will develop a draft list of possible mobility solutions, an evaluation criterion for identifying recommendations, conceptual plans, and a summary memo. (Consultant)	Brainstorm of mobility solutions, methodology and evaluation criterion, conceptual plans, and summary memo.	6/30/2025

## Future Activities

FY 2025 – FY 2026, conduct public outreach using the project outreach plan, including three outreach events and regular updates to stakeholders. Lastly, develop and analyze mobility solutions through a draft and final report in FY 2026 that enhances vehicular, trolley, pedestrian, and bicycle traffic in the project area and increases safety.

**Work Element:** 3402300 - Reconnecting Communities Study

**Project Manager:** Rachel Kennedy

### Project Expenses

Expense	FY 2024 Budget	FY 2025 Budget	Future Years	Multi-Year Total
Salaries, Benefits, Indirect	\$136,587	\$200,188	\$30,437	\$367,212
Other Direct Costs	\$500	\$500	\$500	\$1,500
Contracted Services	\$0	\$300,000	\$121,981	\$421,981
Pass-Through to Other Agencies	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$137,087</b>	<b>\$500,688</b>	<b>\$152,918</b>	<b>\$790,693</b>

### Project Funding

Funding	FY 2024 Budget	FY 2025 Budget	Future Years	Multi-Year Total
LTDA - TDAPIng	\$15,724	\$57,429	\$17,540	\$90,693
SCTrans – CPG SHA FY23/24	\$121,363	\$443,259	\$135,378	\$700,000
<b>Total</b>	<b>\$137,087</b>	<b>\$500,688</b>	<b>\$152,918</b>	<b>\$790,693</b>

### Objective

Funded by a Caltrans Sustainable Transportation Planning Grant, the Regional Reconnecting Communities Study will identify communities throughout the region most harmed and disconnected from resources due to transportation infrastructure and identify priority projects that are feasible and enhance mobility, safety, accessibility, and economic opportunities for future Regional Plan integration. The objective of this work element is to leverage a data-driven approach and community-centered solutions to create a framework that prepares SANDAG and regional partners to apply for state and federal funding opportunities for “reconnecting communities” projects.

### Previous Accomplishments

SANDAG has submitted multiple applications for Reconnecting Communities funding programs at the state and federal level. Seeking a regional framework to better move forward these projects in the future, SANDAG was awarded grant funding in FY 2024 and prepared procurement materials to bring on a consultant to support this work.

### Justification

Supports and furthers 2021 Regional Plan Implementation Action, apply the Social Equity Planning Framework and ensure that equity is considered throughout 2021 Regional Plan implementation. This work elements aligns with the strategic imperatives and goals of the Caltrans 2020-24 Strategic Plan and state and federal planning priorities and emphasis areas to improve and expand community partnerships and advance equity and data in transportation planning. SANDAG and stakeholders, including Caltrans District 11, are seeking a regional framework to prioritize and implement “reconnecting communities” projects.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$12,035	Project Administration (Staff). Conduct meetings and coordination. Prepare invoices and progress reports as required by the grant agreement.	Meetings, invoices, progress reports	6/30/2025
2.	\$300,000	Data Acquisition and Analytics Development (Staff). Apply a data-forward approach to identify impacted communities in the region by defining key metrics, analyzing data, applying methodology, and conducting an iterative technical analysis.	Methodology memo, analysis, maps, and summary of findings	12/31/2024
3.	\$94,997	Existing Conditions and Study Areas (Staff). Analyze and document baseline conditions within the region and impacted communities to define study focus areas.	Existing Conditions Report, Study Area Memo, geospatial data	3/31/2025
4.	\$60,075	Outreach and Engagement (Staff/Consultant). Conduct outreach and engagement throughout the study at key milestones to incorporate feedback from stakeholders and the public in final deliverables.	Public outreach materials and outreach summary report	6/30/2025
5.	\$33,581	Best Practices Research (Staff/Consultant). Research best practices in successful project types, implementation, and outcomes for “reconnecting communities” projects.	Best Practices Research Memo	6/30/2025

### **Future Activities**

In FY 2026, SANDAG will finalize the Implementation Strategies and Solutions task and the Final Report. Products will include Implementation Strategy and Solution Memo, the Final Report and all other final deliverables.

**Work Element:** 3402301 – Barrio Logan Freeway Lid Study

**Project Manager:** Tuere Fa’aola

### Project Expenses

Expense	FY 2025 Budget	Future years	Multi-Year Total
Salaries, Benefits, Indirect	\$333,090	\$523,377	\$856,467
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$75,000	\$1,568,533	\$1,643,533
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$408,090</b>	<b>\$2,091,910</b>	<b>\$2,500,000</b>

### Project Funding

Funding	FY 2025 Budget	Future years	Multi-Year Total
Federal Other	\$326,472	\$1,673,528	\$2,000,000
LTransnet	\$81,618	\$418,382	\$500,000
<b>Total</b>	<b>\$408,090</b>	<b>\$2,091,910</b>	<b>\$2,500,000</b>

### Objective

The objective of this work element is to study the feasibility of a freeway lid at the two locations sited in the Barrio Logan Community Plan to prepare for future implementation of one or both lids. The project will develop alternatives that take into consideration multimodal connections, amenities, costs, and maintenance.

### Previous Accomplishments

Grant was awarded in FY 2024.

### Justification

State and Federal funding programs, including Reconnecting Communities and Neighborhoods (RCN) grants, provide opportunities to redress the legacy of harm from transportation infrastructure that created barriers to accessing resources and opportunities. This effort supports and furthers the SANDAG 2021 Regional Plan Implementation Actions and the agency's commitment to equity.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$31,616	Project Management/Admin (Staff/Consultant)	Agendas, meeting notes, invoices, progress reports	06/30/2025
2.	\$116,616	Exiting Conditions Analysis (Staff)	Existing Conditions Report, Study Area Memo, geospatial data	06/30/2025
3.	\$116,616	Develop Community-oriented study goals (Staff/Consultant)	Memo, schedule, goal plan	06/30/2025
4.	\$143,242	Public Outreach & Stakeholder Coordination (Staff/Consultant)	Public outreach materials and outreach summary report	06/30/2025

### Future Activities

In FY 2026, SANDAG will continue public outreach and stakeholder coordination and begin work on additional tasks, such as the feasibility assessment & alternatives selection and conceptual design.

**Work Element:** 3402400 – San Diego Regional VMT Mitigation Program – FY 23/24

**Project Manager:** Keith Greer

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	FY 2026 Budget
Salaries, Benefits, Indirect	\$0	\$12,458	\$51,797	\$57,839
Other Direct Costs	\$0	\$0	\$0	\$0
Contracted Services	\$0	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$86,450	\$133,706	\$137,750
<b>Total</b>	<b>\$0</b>	<b>\$98,908</b>	<b>\$185,503</b>	<b>\$195,589</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	FY 2026 Funding
FFHWA – CPG SPR*	\$0	\$98,908	\$185,503	\$195,589
<b>Total</b>	<b>\$0</b>	<b>\$98,908</b>	<b>\$185,503</b>	<b>\$195,589</b>

\*Matched by \$135,750 County of San Diego General fund over life of project (not included in totals above)

### Objective

Funded by a Caltrans Strategic Partnership Grant, SANDAG and the County of San Diego are partnering to develop a Regional Vehicle Miles Traveled (VMT) Mitigation program for the San Diego region. Objectives for FY 2025 include convening of a Technical Working Group, stakeholder outreach and public outreach; evaluation and development of program alternatives; and development of a preferred Draft Regional VMT Mitigation Fee Program.

### Previous Accomplishments

Grant awarded and agreement executed in FY 2024. Key Accomplishment in FY 2024: Project kick off meeting, detailed project schedule, establishment of Technical Advisory Committee and execution of MOA between SANDAG and County of San Diego on grant implementation,

### Justification

Transportation infrastructure projects are required to mitigate for increases in VMT pursuant to Senate Bill 743 (Steinberg, 2013) in order to achieve the State of California's goal to address the climate crisis. Small and rural jurisdictions in the region are finding it difficult to offset projects that increase VMT on a project-by-project basis. Since VMT crosses jurisdictional boundaries, a regional solution is needed. The VMT Mitigation Program will help to ensure that VMT reducing infrastructure and programs will be implemented in conjunction with the buildout of the region's land uses. The program will allow for new development to be consistent with the Regional Plan by paying its fair share towards the completion of the transportation network and assisting the region to meet its Senate Bill 375 targets. This project furthers implementation of the Regional Plan, the State's Climate Action Plan for Transportation Infrastructure (CAPTI) and federal planning emphasis areas related to climate resilience and complete streets.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$15,918	Selection of consultant – The County of San Diego will procure the services of a transportation consultant to assist on project. SANDAG will work with the County on the procurement and selection of consultant. (Staff)	Consultant selection and administration	9/1/2024
2.	\$153,668	Conveying of Technical Working Group, Stakeholder Outreach, Public Outreach (Staff/Consultant)	Summary of technical working group meetings and stakeholder outreach	6/30/2025
3.	\$15,917	Develop evaluation criteria to evaluate potential VMT mitigation framework options. At a minimum, these criteria will address the following: Legal Requirements, Quantification, Cost Effectiveness and Affordability, Additionality, Equity and Geographic Scope (Consultant)	Develop evaluation criteria for Framework	5/15/2025

### **Future Activities**

In future years: (1) development of Final VMT Mitigation Fee Program based on Technical Working Group and project stakeholder input; (2) development of proposed fee program nexus study and ordinance for consideration by local jurisdictions seeking to mitigate VMT; and (3) approval of the fee program by seek Board of Directors.

**Work Element:** 3430200 - Smart Corridors

**Project Manager:** Danielle Kochman

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$0	\$578,975	\$92,860
Other Direct Costs	\$0	\$5,000	\$0.00
Contracted Services	\$0	\$360,000	\$0.00
Pass-Through to Other Agencies	\$0	\$0	\$0.00
<b>Total</b>	<b>\$0</b>	<b>\$943,975</b>	<b>\$92,860</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
-FFHWA -STBG	\$0	\$600,000	\$0
-LTransnet	\$0	\$343,975	\$92,860
<b>Total</b>	<b>\$0</b>	<b>\$943,975</b>	<b>\$92,860</b>

### Objective

The objective of this work element is to develop and support a variety of initiatives aimed at building out the Managed Lane network envisioned in the Regional Plan. Emphasis in FY 2025 will be on supporting Caltrans on implementing Managed Lanes in the North Coast Corridor, educating the Board, stakeholders, and the public on the importance of customizing the operating environment of Managed Lanes to achieve policy goals, and addressing regulatory and legislative roadblocks to Managed Lane implementation.

### Previous Accomplishments

SANDAG successfully partnered with Caltrans Headquarters on a grant through the Build America Bureau to fund a statewide initiative to address roadblocks to Managed Lane implementation. SANDAG also considered a predevelopment agreement with Cavnue to jointly develop a project intended for Public Private Partnership implementation; however, determined it was not the best approach for the agency at this time.

### Justification

This work element will accelerate the implementation of projects in the 2021 Regional Plan by facilitating partnerships and innovative project delivery mechanisms related to the Managed Lane network. This work element furthers implementation of the 2021 Regional Plan and federal planning emphasis areas related to data and public involvement in transportation planning.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$17,589	Provide education for board members, stakeholders, and the public to understand options for the operational approach for the Managed Lane network. (Staff)	Approach for regional toll policy	12/31/2024
2.	\$35,695	Support Caltrans Headquarter and District Office on Managed Lane implementation efforts. (Staff)	Managed Lane System Plan, RIA Deliverables	6/30/2025
3.	\$13,192	Work with Caltrans, California Transportation Commission (CTC) the state legislature, and other regulatory agencies on authorization for alternative delivery options on Managed Lane projects. (Consultant/Staff)	Recommendations for Legislation as needed	6/30/2025
4.	\$26,384	Define public goals for managed lanes operations (Staff)	Managed Lanes Policy Goals	12/31/2024

### Future Activities

Continue working with Caltrans, CTC, state legislature, other regulatory agencies, and other Metropolitan Planning Organizations around the state to proactively address regulatory and legislative roadblocks, operations and maintenance plans, and develop the business case to shape the approach to implementation for priority segments.

**Work Element:** 3501000 - Flexible Fleet Pilots

**Project Manager:** Danielle Kochman

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	FY 2026 Budget
Salaries, Benefits, Indirect	\$234,160	\$270,513	\$588,234	\$638,425
Other Direct Costs	\$0	\$0	\$0	\$0
Contracted Services	\$288,662	\$0	\$0	\$0
Pass-Through to Other Agencies	\$200,001	\$933,800	\$500,000	\$6,000,000
<b>Total</b>	<b>\$722,823</b>	<b>\$1,204,313</b>	<b>\$1,088,234</b>	<b>\$6,638,425</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	FY 2026 Funding
FFHWA - STBG	\$514,023	\$1,059,973	\$504,166	\$6,336,247
DMV Registration Fees	\$208,800	\$144,340	\$584,068	\$302,178
<b>Total</b>	<b>\$722,823</b>	<b>\$1,204,313</b>	<b>\$1,088,234</b>	<b>\$6,638,425</b>

### Objective

The objective of this work element is to plan, deploy and monitor Flexible Fleet pilot projects aimed at expanding shared mobility travel choices, enhancing transit connections and reducing single-occupant vehicle miles traveled (VMT). Emphasis in FY 2025 will be to continue operations for the Beach Bug in Pacific Beach and gO'side in Oceanside, monitor operations, and incorporate performance data into the Open Data Porta (ODP). Additionally, the project team will develop a formal Flexible Fleets program to support additional services throughout the region.

### Previous Accomplishments

The Flexible Fleets Implementation Strategic Plan was finalized and provided guidance for implementation of Flexible Fleet pilot projects with input from community-based organizations. Contracts with Flexible Fleet service providers have been executed with additional capacity to allow for local jurisdictions and non-profits to deploy services while also supporting regional consistency and coordination. The Beach Bug and gO'side neighborhood electric vehicles launched in July 2023, and performance is being evaluated for future integration into the OPD. A workplan has been developed to design and implement a future competitive program for Flexible Fleets implementation.

### Justification

Flexible Fleets are one of the strategies in the 2021 Regional Plan for creating a balanced and equitable transportation system that meets all regulatory requirements for reducing VMT and greenhouse gas emissions.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$238,409	Project administration activities to include internal and external agency collaboration, lead Flexible Fleets Task Force Meetings, and coordinate with local jurisdictions about flexible fleets bench and grant opportunities. (Staff)	Progress reports, invoices, meetings, meeting notes and materials	6/30/2025
2.	\$84,520	Develop a competitive program for funding distribution and coordinate partnership agreements with local jurisdictions for deployments. (Staff)	Program development materials, data collection and analysis	12/31/2024
3.	\$88,435	Finalize guidelines and evaluate proposals (Staff)	Outreach Strategy	6/30/2025
4.	\$88,435	Monitor and report on performance of operations of Beach Bug and gO'side neighborhood electric vehicle pilots (Staff)	Performance metrics, Operational Changes Summary, summary reports, surveys	6/30/2025
5.	\$588,435	Issue Notice of Award (Staff)	Contracts and Implementation	6/30/2025

### Future Activities

Deploy program for additional regional Flexible Fleets services. Execute contracts with jurisdictions to deploy new pilot projects. Monitor operations and integrate data into ODP.

**Work Element:** 3501001 - eBike Incentive Program

**Project Manager:** Jennifer Williamson

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$52,531	\$55,804	\$67,063
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$304,494	\$14,723	\$5,385
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$357,025</b>	<b>\$70,527</b>	<b>\$72,448</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA - CMAQ	\$357,025	\$70,527	\$72,448
<b>Total</b>	<b>\$357,025</b>	<b>\$70,527</b>	<b>\$72,448</b>

### Objective

The objective of this work element is to implement an electric bike (e-bike) incentive pilot by providing access to e-bikes to pilot participants and assess the impact of using personal e-bikes for daily travel as a strategy to reduce car trips. The pilot participants are low-income residents within 15 minutes of transit. This program is focused on increasing mobility choices and access to the region. Emphasis in FY 2025 will be wrapping up the e-bike incentive pilot and analyzing the data.

### Previous Accomplishments

Previous accomplishments include launching the e-bike incentive pilot and recruiting and onboarding 120 participants while tracking their daily trips and completing quarterly e-bike travel behavior survey.

### Justification

The pilot helps fulfill a commitment in the 2021 Regional Plan of funding local e-bike incentives while strongly aligning with SANDAG priorities to reduce congestion, advance equity, and combat climate change. E-biking is a newer form of active travel that could overcome some of the commonly reported barriers to traditional pedal biking such as topography. An e-bike incentive program offers direct access to a new sustainable mobility option that benefits a diverse demographic.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$25,358	Continue project management to coordinate the administration and monitoring of the pilot. (Consultant/Staff)	Bi-weekly meeting and monthly progress report	8/31/2024
2.	\$25,359	Data collection, analysis, and performance monitoring. (Consultant/Staff)	Aggregated pilot participant monthly data reports	8/31/2024
3.	\$21,731	Marketing of pilot milestones to SANDAG Policy Advisory Committees, working groups, and general public. (Consultant/Staff)	Reports, presentations, and social media outreach	8/31/2024

### Future Activities

Conclude the initial pilot and determine how to scale the e-bike incentive pilot to either accept additional applicants or supply e-bike incentives to increase e-bike use in the region through other means.

**Work Element:** 3501002 - Microtransit Pilot Southeast SD

**Project Manager:** Danielle Kochman

### Project Expenses

Expense	FY 2025 Budget	Future Years	Multi-Year Total
Salaries, Benefits, Indirect	\$0	\$331,850	\$331,850
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$30,000	\$2,563,260	\$2,593,260
Pass-Through to Other Agencies	\$18,722	\$56,168	74,890
<b>Total</b>	<b>\$48,722</b>	<b>\$2,951,278</b>	<b>\$3,000,000</b>

### Project Funding

Funding	FY 2025 Budget	Future Years	Multi-Year Total
SState - CapTrade	\$48,722	\$2,951,278	\$3,000,000
<b>Total</b>	<b>\$48,722</b>	<b>\$2,951,278</b>	<b>\$3,000,000</b>

### Objective

The objective of this work element is to plan, deploy and monitor four-year Microtransit pilot in Southeast San Diego. This project will expand shared mobility travel choices, enhance transit connections and reduce single-occupant vehicle miles traveled (VMT). Emphasis in FY 2025 will be to collaborate with project partners to engage with the community to develop service operations priorities and prepare for the start of service operations.

### Previous Accomplishments

The project team received Board approval to accept Clean Mobility Options funding to support operations and has initiated agreements with project partners. Social Equity Analysis and the pre-launch survey has been initiated.

### Justification

Flexible Fleets are one of the strategies comprising the region's strategy in the 2021 Regional Plan for creating a balanced and equitable transportation system that meets all regulatory requirements for reducing VMT and greenhouse gas emissions.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$18,722	Pass-through to community-based organization, Urban Collaborative Project, to conduct community engagement and outreach activities for this project within Southeast San Diego. (Consultant)	Meeting summaries, sign-in sheets, agendas, presentation slides	6/30/2025
2.	\$30,000	Vendor operation of services and performance data and analysis, summary of accomplishments, identified problems and resolution and scheduled service deviation recommendations. (Consultant)	Service operations, Summary of Accomplishments	6/30/2025

### Future Activities

Continued service operations, data analysis and integration into SANDAG's Open Data Portal, plan for sustainable funding source opportunities, Clean Mobility Options Coordination.

**Work Element:** 3502000 - Regl EV Charger Incntve Prg:CALeVIP

**Project Manager:** Susan Freedman

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	FY 2026 Budget
Salaries, Benefits, Indirect	\$200,769	\$374,497	\$93,788	\$76,000
Other Direct Costs	\$0	\$0	\$0	\$0
Contracted Services	\$126,364	\$174,216	\$100,400	\$20,000
Pass-Through to Other Agencies	\$2,069,870	\$1,919,096	\$1,000,000	\$898,945
<b>Total</b>	<b>\$2,397,003</b>	<b>\$2,467,809</b>	<b>\$1,194,188</b>	<b>\$994,945</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding	FY 2026 Funding
-LLocal -APCD	\$439,984	\$500,000	\$300,000	\$260,016
-LTransNet	\$1,957,019	\$1,967,809	\$894,188	\$734,929
<b>Total</b>	<b>\$2,397,003</b>	<b>\$2,467,809</b>	<b>\$1,194,188</b>	<b>\$994,945</b>

### Objective

The objective of this work element is to manage and fund a rebate program for shared-use, public, and workplace electric vehicle (EV) charging stations in the San Diego region in partnership with state and local agencies. Emphasis in FY 2025 will be to disperse final payments for EV charger installations completed through the California Electric Vehicle Infrastructure Project (CALeVIP) San Diego County Incentive Project (SDCIP), and to develop the next phase of a regional charger rebate program.

### Previous Accomplishments

In FY 2021, through a Caltrans Planning Grant, SANDAG established partnerships with the County Air Pollution Control District, Center for Sustainable Energy (CSE), and California Energy Commission's CALeVIP to unify regional and state charger investments into one cohesive project as the CALeVIP SDCIP that opened in October 2020 and was fully subscribed on opening day. In FY 2022-2024, CSE processed rebated applications and, in coordination with SANDAG, conducted outreach on permit streamlining, workforce training, and EV Expert services. SANDAG coordinated additional regional planning activities to advance charger installations through the Accelerate to Zero (A2Z) Emissions collaboration.

### Justification

The EV charger rebate program is a greenhouse gas (GHG) reduction measure in the 2021 and 2015 Regional Plans' Sustainable Communities Strategies, which called for SANDAG to support a network of publicly accessible chargers throughout the region. The project is to increase the availability of EV chargers in the region to reduce GHG emissions and air pollution associated with passenger vehicles. This project furthers the federal planning emphasis area to tackle the climate crisis through a transition to a clean energy and resilient future.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$10,709	Project administration (Staff)	Contract management and CSE oversight	6/30/2025
2.	\$40,400	Technical assistance on EV installations for community-based organizations (CBOs), stakeholders in low income and disadvantaged communities, and for local governments; permit streamlining for local governments; and outreach on workforce training for installers. (Consultant)	Webinar and reports	6/30/2025
3.	\$60,000	CSE SDCIP rebate processing and customer service and progress reports to SANDAG. (Consultant)	Report on projects and rebates issued	6/30/2025
4.	\$41,539	Community and stakeholder engagement including A2Z collaborative efforts. Coordination of technical assistance with local governments and CBOs. (Staff/Consultant)	Outreach events and engagement materials	6/30/2025
5.	\$41,540	Develop Phase 2 of charger rebate program. Coordinate with Flexible Fleets program to fill near-term infrastructure needs in low income and disadvantaged communities. (Staff)	Project guidance and materials	6/30/2025
6.	\$1,000,000	Pass through to Air Pollution Control District for incentives for installing rebate chargers. (Staff/APCD)	Completed applications and supporting documentation	6/30/2025

### Future Activities

Future activities in FY 2026 include issuing all remaining payments to project applicants and project closeout with CSE. Staff will continue to explore partnership opportunities to advance workplace and public charger installations across the region.

**Work Element:** 3503000 - Next OS Planning

**Project Manager:** Alex Estrella

### Project Expenses

Expense	FY 2022 Budget	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$419,956	\$183,429	\$419,956	\$519,768
Other Direct Costs	\$1,720	\$652	\$0	\$0
Contracted Services	\$335,250	\$246,861	\$645,000	\$240,692
Pass-Through to Other Agencies	\$0	\$0	\$0	\$0
<b>Total</b>	<b>\$1,845,812</b>	<b>\$430,942</b>	<b>\$1,064,956</b>	<b>\$760,460</b>

### Project Funding

Funding	FY 2022 Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
STBG -	\$1,543,642	\$430,942	\$1,064,956	\$760,460
DMV Registration Fees	\$302,170	\$0	\$0	\$0
<b>Total</b>	<b>\$1,845,812</b>	<b>\$430,942</b>	<b>\$1,064,956</b>	<b>\$760,460</b>

### Objective

The objective of this work element is to establish the Next Operating System (Next OS) as a regional data hub that will enable Regional Plan strategies to work together to create a seamless transportation system. Emphasis in FY 2025 will be on completing the Broadband and Digital Infrastructure Master Plan and development of the Smart Intersection Systems (SIS) to advance SANDAG's Next Generation Rapid bus projects. The SIS will advance the deployment of smart and connected technologies to improve transit service efficiencies through the application of transit signal priority (TSP) technologies.

### Previous Accomplishments

Development of the Next OS concept is a critical technology and mobility component of the Regional Plan. In FY 2024, work on the Next OS Business Plan was carried out to document the state of existing SANDAG transportation management systems data platforms. Also in FY 2024, the development of the Broadband Master Plan was initiated.

### Justification

Next OS serves as the digital platform and is a key component in delivering Regional Plan strategies such the SIS, the Regional Border Management System, the Curb Management System, the Integrated Corridor Management System, and the Mobility as a Service concept. These strategies focus on connecting users, transportation service providers, and infrastructure to orchestrate more efficient and safe movement of people and goods across the region. Successful implementation of Next OS infrastructure and technologies will enhance the equity and resiliency of the transportation network. The Next OS also builds on SANDAG's core capabilities as a data driven organization. Implementation of these projects will advance the Regional Plan per federal and state requirements and priorities.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$360,174	SANDAG staff will provide regional guidance and support for regional and local technology projects to pilot technology deployments; to ensure a coordinated and consistent approach for advancing Next OS. (Staff)	Ongoing coordination with regional and local partners	6/30/2025
2.	\$288,832	SANDAG and Consultant team will begin development of Smart Intersection Systems (SIS) to advance SANDAG's Next Generation Rapid TSP system that will improve transit mobility at targeted intersections along the planned Rapid bus routes. (Staff/Consultant)	SIS Concept of Operations and System Requirements update for Rapid TSP Implementation	6/30/2025
3.	\$111,454	SANDAG and Consultant team will complete a Broadband and Digital Infrastructure Master Plan to inventory public fiber infrastructure, identify gaps, and develop an implementation strategy to connect public facilities in each of the San Diego region's jurisdictions, especially areas of greatest need. (Staff/Consultant)	Draft and Final Broadband Master Plan	9/30/2024

### **Future Activities**

Development of future concept of operations and system requirements of Next OS platforms and implementation of Next OS use case pilot projects.

**Work Element:** 3505000 – Youth Opportunity Pass Program

**Project Manager:** Jennifer Williamson

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$0	\$0	\$50,424
Other Direct Costs	\$213,320	\$100,000	\$100,000
Contracted Services	\$0	\$0	\$0
Pass-Through to Other Agencies	\$6,557,840	\$6,543,840	\$6,547,872
<b>Total</b>	<b>\$6,771,160</b>	<b>\$6,643,840</b>	<b>\$6,698,296</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA - CMAQ	\$6,361,800	\$6,643,840	\$6,698,296
LLocal - CntyofSD	\$409,360	\$0	\$0
<b>Total</b>	<b>\$6,771,160</b>	<b>\$6,643,840</b>	<b>\$6,698,296</b>

### Objective

The objective of this work element is to implement a multiyear pilot project to advance the social equity goals of the 2021 Regional Plan by providing free transit to all youth ages 18 and under throughout San Diego County, with a focus on serving communities that have been historically underserved and that were hit hardest by the COVID-19 pandemic. SANDAG staff will coordinate with our community-based organization (CBO) partners, local transit agencies, educational institutions, and other potential stakeholders to effectively spread the word about this pilot project and educate potential riders about the public transportation system in the region. The project includes coordination with the Metropolitan Transit System (MTS) and North County Transit District (NCTD) to implement and monitor the program. The Youth Opportunity Pass pilot program is currently scheduled to conclude in June 2026.

### Previous Accomplishments

SANDAG staff began planning the pilot program in summer 2021, and SANDAG successfully launched the Youth Opportunity Pass pilot program in May 2022 in coordination with the County of San Diego, MTS, and NCTD. Outreach to community organizations and schools was conducted beginning in March 2022 to distribute information about the program and free transit passes for youth. A study of the program's impact started in fall 2022 and included elements such as surveys and focus group sessions. The survey results and study report were finalized in fall 2023.

### Justification

In early 2021, the Board of Directors adopted a Commitment to Equity Statement that guides SANDAG's work on social equity and environmental justice. As a part of this commitment, certain parts of the 2021 Regional Transportation Plan, including this project, are being prioritized as early action items for rapid implementation. This will allow SANDAG to focus on equity throughout our region as efficiently as possible.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$6,566,024	YOP program administration (Staff)	Fare-free transit provision	6/30/2025
2.	\$132,272	Education & community-based outreach (Staff)	Outreach materials, website, Pronto cards	6/30/2025

### Future Activities

The Youth Opportunity Pass pilot program will continue through June 2026. The early action pilot sponsored by this project will be complete upon the completion of these activities.

**Work Element:** 7300000 - TransNet Program: Public Engagement & Education  
**Project Manager:** Brandy Sweitzer

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$132,782	\$50,023	\$61,865
Other Direct Costs	\$1,997	\$45,400	\$10,000
Contracted Services	\$6,278	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$141,057</b>	<b>\$95,423</b>	<b>\$71,865</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LTransNet - TNetAdmin	\$141,057	\$95,423	\$71,865
<b>Total</b>	<b>\$141,057</b>	<b>\$95,423</b>	<b>\$71,865</b>

### Objective

The objective of this work element is to educate and meaningfully involve the public on TransNet Program activities through media, online engagement, and traditional outreach activities. Emphasis in FY 2025 will be on increasing awareness of SANDAG's delivery of TransNet commitments and expanding the engagement of historically underrepresented communities in TransNet Program activities and project delivery.

### Previous Accomplishments

Previous accomplishments include outreach efforts on behalf of the TransNet Program, including the new SANDAG website, updating the TransNet branding guidelines to align with the new SANDAG branding, and multiple public outreach efforts on a wide range of TransNet projects and programs, including the North Coast Corridor, Environmental Mitigation Program, various TransNet grant programs, Los Angeles-San Diego-San Luis Obispo (LOSSAN) Rail Corridor doubletracking, Active Transportation Program, and GObyBIKE.

### Justification

The SANDAG public information program is essential to ensure all communities have the opportunity for meaningful participation in the agency's planning and project delivery process for TransNet activities. This public involvement component uses a variety of traditional and digital outreach activities, in a variety of formats and languages, to inform residents and other stakeholders of the progress on implementing transportation projects funded by the TransNet half-cent sales tax.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$31,935	Implement public information program to encourage public involvement in TransNet activities. (Staff)	Public information programs on capital improvement program projects	6/30/2025
2.	\$19,965	Publish TransNet information in SANDAG monthly newsletter, social media, TransNet signage, project fact sheets, and other publications. (Staff)	SANDAG newsletter, fact sheets, social media, signage	6/30/2025
3.	\$19,965	Update the public, news media, elected officials, and other stakeholders on TransNet program activities, including joint projects with Caltrans, the San Diego Metropolitan Transit System, and the North County Transit District. (Staff)	Advertising, brochures, social media, and editorials	6/30/2025

### Future Activities

Continued public information and outreach activities for the TransNet Program.

**Work Element: 7300100 - Public Engagement & Educational Activities**

**Project Manager: Jessica Gonzales Zepeda**

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$395,269	\$51,907	\$72,706
Other Direct Costs	\$18,973	\$130,400	\$0
Contracted Services	\$52,169	\$0	\$130,000
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$466,411</b>	<b>\$182,307</b>	<b>\$202,706</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA – CPG Planning	\$200,000	\$161,396	\$172,039
LTDA -	\$266,411	\$20,911	\$30,667
<b>Total</b>	<b>\$466,411</b>	<b>\$182,307</b>	<b>\$202,706</b>

### Objective

The objective of this work element is to educate and meaningfully involve the public in SANDAG's various activities through media, online engagement, and traditional outreach activities. Emphasis in FY 2025 will be on implementing the findings from our strategic communications plan and equity assessment/plan to help improve the effectiveness and impact of the SANDAG public involvement program, including a focus on the engagement of historically underrepresented communities in agency projects, programs, and initiatives.

### Previous Accomplishments

Distributed timely and relevant news releases to the media and other interested parties. Coordinated in-person and virtual activities, including ribbon-cutting, groundbreaking ceremonies, press conferences, and other outreach events. Support the production and distribution of educational materials, reports, and videos for various programs.

### Justification

The SANDAG public information program is essential to ensure all communities have the opportunity for meaningful participation in the agency's planning and delivery process for its various programs, projects, and work activities. This public involvement component uses a variety of traditional and digital outreach activities, in a variety of formats and languages, to reach and engage the public.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$37,356	Conduct an equity assessment of current engagement activities and establish an outreach framework centered on best practices for engaging and measuring our impact when communicating with San Diego region communities around SANDAG work. Prepare an update to Board Policy No. 025 and train staff on best practices.	Equity assessment and outreach framework; updated Board Policy No. 025	6/30/2025
2.	\$130,000	Develop and implement a strategic communication plan to inform the public and stakeholders about SANDAG work and encourage public participation. This work includes our in-person and virtual activities, ribbon cutting and groundbreaking ceremonies, press conferences, and other outreach events designed to engage public participation.	Strategic communications framework and plan; metrics and evaluation methods; public involvement activities	6/30/2025
3.	\$35,350	Create comprehensive public involvement plan that aligns efforts with SANDAG priority projects, programs, and initiatives. Provide proactive and transparent communication through timely release of information and opportunities for the public to participate. Promote and secure news media coverage to educate and involve stakeholders with agency activities and regional issues. Expand and maintain opportunities for public involvement, education, and input on social media.	Social media, photos, video, graphic design, scripts, media advisories, media focused events, social media, press releases, photos, videos. Responding to public inquiries, fact sheets, brochures, reports, web copy and posting, Public involvement plans, meeting broadcasts, social media, eblasts, newsletters, events, presentations, groundbreakings, workshops, fact sheets, public notices, media advisories, press releases.	6/30/2025

### Future Activities

Create and execute comprehensive public involvement plan that aligns efforts with SANDAG priority projects and programs. Provide proactive and transparent communication through timely release of information and opportunities for the public to participate. Promote and secure news media coverage to educate and involve stakeholders with agency activities and regional issues. Expand and maintain opportunities for public involvement, education, and input on social media. Assist Board members and staff with scheduling and preparing educational materials for public activities, press conferences, and media interviews. Establish internal communications program to ensure transparent, timely, and thorough exchange of information throughout agency.

**Work Element:** 7300200 - Public Awareness

**Project Manager:** Lisa Starace

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$236,805	\$211,916	\$194,792
Other Direct Costs	\$1,407	\$120,400	\$86,000
Contracted Services	\$31,061	\$0	\$75,000
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$269,273</b>	<b>\$332,316</b>	<b>\$355,792</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LTDA -	\$134,637	\$156,775	\$172,391
LTransNet - TNetAdmin	\$134,636	\$175,541	\$183,401
<b>Total</b>	<b>\$269,273</b>	<b>\$332,316</b>	<b>\$355,792</b>

### Objective

The primary goal of this work element is to create and establish awareness and understanding of SANDAG through the development, implementation, maintenance, and ongoing development of consistent, clear, and transparent communications. The foundation of this consistency and clarity is the ongoing implementation and development of the SANDAG brand.

### Previous Accomplishments

Launched and implemented updated SANDAG visual brand and detailed guidelines. Collaborated on site map and website content to support successful website launch and use as primary resource for information on SANDAG. Grew social media to promote understanding of SANDAG programs and projects by analyzing data, implementing best practices, and leveraging current trends. Developed comprehensive project maps to improve transparency and awareness of progress and details of agency projects.

### Justification

Effective awareness strategies are essential to ensure the region's residents know about SANDAG projects, programs, and services. As we seek to increase recognition and provide transparency, we use data, best practices, and creative approaches to develop effective plans and strategies with the goal of further developing awareness and understanding of SANDAG.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$235,034	Complete development of tools and resources to streamline SANDAG communications, including consolidation of SANDAG brands, websites, and messaging. (Staff)	Implementation of Five-Year Branding Plan	3/31/2025
2.	\$120,758	Implementation of five-year public awareness plan, including developing metrics and goals for regional understanding of projects, programs, and public participation processes. (Staff)	Complete transition of program branding to SANDAG brand	10/1/2025

### Future Activities

Continue the next phase of five-year public awareness plan, including the branding timeline. Use analytics, metrics, and other data to inform scheduled evaluations of the effectiveness of recognition efforts and strategies. Upon review of these evaluations, determine further refinement and development of branding and awareness strategies.

**Work Element: 7300300 - Software Development Services**

**Project Manager: Bill Parris**

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$729,204	\$798,514	\$303,101
Other Direct Costs	\$20,023	\$20,000	\$0
Contracted Services	\$54,500	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$803,727</b>	<b>\$818,514</b>	<b>\$303,101</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA – CPG Planning	\$411,760	\$707,967	\$260,348
LTDA -	\$391,967	\$110,517	\$42,753
<b>Total</b>	<b>\$803,727</b>	<b>\$818,514</b>	<b>\$303,101</b>

### Objective

The objectives of this work element are to improve public outreach productivity through the application of configurable technologies; increase the accessibility of the SANDAG data stores by configuring, enhancing, and documenting commercial off the shelf software and database solutions for the agency functions; and provide direct, comprehensive technical support to SANDAG.org and other public-facing SANDAG websites. Emphasis in FY 2025 will be on the continued development of the new SANDAG.org, assisting and supporting the implementation of the new Enterprise Resource Planning (ERP) system, and configuring and supporting commercially developed applications that improve workflows.

### Previous Accomplishments

Previous accomplishments include supporting the successful launch of the ERP Phase 1 ensuring current critical functionality was considered and when appropriate added to the configuration of the new system. Provided guidance and technical support on data conversion from existing databases in custom applications. Retired more than a dozen in house developed applications enabling agency focus on process improvement and configuration of new software. Continued website consolidation onto the SiteCore Content Management System providing self service content editing to agency staff, created new and migrated custom reports from the old financial system to the new system and the development of new sections and functions on agency websites.

### Justification

This work element supports internal and external communications for various SANDAG departments by developing applications, automating workflows, and processes that facilitate the dissemination of data to the public. The work element plays a significant role in increasing the efficiency of these activities.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$75,776	Provide technical support for the development and maintenance of in-house applications that automate workflows and processes that facilitate the dissemination of data to the public (Staff)	Specific applications or existing application enhancements	6/30/2025
2.	\$75,775	Provide technical support and enhancements to SANDAG's public-facing websites (Staff)	Specific products or enhancements produced under this task	6/30/2025
3.	\$75,775	Provide technical support for the agency's strategic initiative to modernize systems and technology (Staff)	Specific products or enhancements produced under this task	6/30/2025
4.	\$75,775	Provide technical support for the development and maintenance of reporting resources (Staff)	Specific reports developed or modified under this task	6/30/2025

### **Future Activities**

Technical support for SANDAG.org, the ERP, the Board Payment System, and numerous data integration changes to support the new ERP system. Migrated ShiftSanDiego.com and SDForward.com to the new Sitecore Content Management system. Create new workflows to hook website forms into SANDAG's SharePoint lists for reporting and commenting. Create new and migrate custom reports the old financial system to the new system.

**Work Element: 7300400 - Government Relations**

**Project Manager:**

### Project Expenses

Expense	FY 2023 Actual	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$1,615,412	\$2,047,431	\$1,934,582
Other Direct Costs	\$65,236	\$60,000	\$60,000

Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$2,111,196</b>	<b>\$2,704,231</b>	<b>\$2,630,258</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LMA -	\$744,804	\$584,547	\$468,116
LTDA -	\$683,288	\$704,276	\$614,929
LTransNet - TNetAdmin	\$683,104	\$1,415,408	\$1,547,213
<b>Total</b>	<b>\$2,111,196</b>	<b>\$2,704,231</b>	<b>\$2,630,258</b>

### Objective

The objective of this work element is to manage state and federal legislative activities in accordance with the SANDAG Legislative Program. Emphasis is on implementing the Legislative Program, including supporting SANDAG's priority projects and Strategic Initiatives by utilizing relationships and outreach to elected members and stakeholders to advance project development and by securing funding and policy updates - at the federal level through stimulus, grants, annual appropriations, and the next transportation reauthorization; at the state level through the annual budget process, grant programs, and by working closely with state regulatory agencies and the Legislature; supporting member agencies and local jurisdictions by improving communications, providing updates on SANDAG projects and programs; and supporting the Board of Directors and Policy Advisory Committees to ensure timely and successful meetings and strategic outcomes.

### Previous Accomplishments

Previous work element accomplishments include support for adoption of the 2021 Regional Plan, Opening the Mid-Coast Extension of the UC San Diego Blue Line Trolley, the approval of SANDAG Community Benefits Agreement, Del Mar Bluffs Emergency Repairs. FY 2022 - Previous team accomplishments include securing support for the Central Mobility Hub in the National Defense Authorization Act to allow for flexible funding mechanisms for the Navy and Army Corp language in the Water Resources Development Act to support Del Mar stabilization efforts; partnering with the California State Transportation Agency to convene the Los Angeles-San Diego-San Luis Obispo San Diego Regional Rail Corridor Working Group and identifying the funding needed to complete Del Mar Bluffs stabilization work; partnering with the Lieutenant Governor and California State Transportation Agency to pursue high level dialogue with Government of Mexico to advance the Otay Mesa East Port of Entry and establishing a team to support future negotiations with U.S. Custom and Border Protection; securing more than \$200 million in grant funding; securing passage of Assembly Bill 2731 (Gloria, 2020), California Environmental Quality Act streamlining legislation; and increasing outreach to regulatory agencies to demonstrate sound policy initiatives that will yield funding for the region and improved processes.

### Justification

Through coordinated state and federal legislative efforts, this work element helps accomplish key SANDAG initiatives and coordinates regional priorities among member agencies, advisory members, and other stakeholders.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$923,337	Monitor and respond to key state and federal legislation and funding opportunities through the implementation of the annual legislative program. (Staff)	Legislative Program & related policy initiatives/funding	3/31/2025
2.	\$593,974	Identify and implement collaboration activities with member agencies and key regional stakeholders in support of SANDAG project, programs, and priorities. (Staff)	Educational briefings, project visits, cooperative agreement	6/30/2025
3.	\$643,974	Represent SANDAG on state, federal, and regional organizations to advance agency policies and programs (i.e., California Association of Councils of Governments, California Transit Association, National Association of Regional Councils, American Public Transportation Association, and Southern California Legislative Roundtable). (Staff)	Presentations, reports, and participation in conferences	6/30/2025
4.	\$468,973	Binational, tribal, military, and interregional liaison activities to advance implementation of the 2021 Regional Plan and coordination with government entities in Mexico on planning initiatives and strategies. (Staff)	Meeting coordination & participation; reports, presentations	6/30/2025

### Future Activities

Continued efforts to secure state and federal funding for SANDAG projects and programs; and ongoing coordination with member agencies and key stakeholders to agency priorities.

**Work Element: 7300500 - Transportation-Related Public Meeting Activities**

**Project Manager:**

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$1,823,718	\$961,092	\$597,810
Other Direct Costs	\$12,120	\$5,000	\$117,000
Contracted Services	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$1,835,838</b>	<b>\$966,092</b>	<b>\$714,810</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA – CPG Planning	\$450,000	\$400,000	\$350,000
FFTA - 5307	\$525,000	\$400,000	\$200,000
LTDA -	\$520,140	\$166,092	\$164,810

<b>Total</b>	<b>\$1,835,838</b>	<b>\$966,092</b>	<b>\$714,810</b>

### Objective

The objective of this work element is to support all work done by the Board of Directors, the Policy Advisory Committees, and the Working Groups by developing and communicating interagency solutions concerning regional issues, transportation project/program implementation, conflict resolution, and other coordination needs. Emphasis in FY 2025 will be on facilitating discussions and policy decisions related to the Regional Plan and continuing to enhance coordination activities with the public and member agencies to advance the region's priority projects and initiatives.

### Previous Accomplishments

Policy Advisory Committee meetings and Working Groups have provided significant opportunities to advance regionally coordinated issues. The ongoing information sharing, consensus building, and development of various memoranda of understanding have contributed to the successful implementation of key regional improvements in all areas improving the quality of life for all.

### Justification

Many regional projects and programs are heavily dependent upon interagency agreement and commitment for successful implementation. Activities supported by this work element ensure that consistent communication in the planning and implementation phases occurs with a focus on regional strategic goals. This work element captures established as well as ad hoc efforts where additional coordination is necessary to ensure all impacted agencies have a chance to voice their concerns and agree on solutions that advance regional priorities. SANDAG will continue to coordinate with member and partner agencies to develop strategies and policies that support an integrated and equitable transportation system, affordable housing, and other priorities for the region. We will review and consider process improvements to ensure more efficient and effective means to raise and address issues with various member agencies, receive feedback, and coordinate technical solutions to regional transportation, equity, and quality of life issues.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$218,737	Provide administrative support, develop agendas, conduct Policy Advisory Committee meetings, and Board meetings as a forum for coordinating regional initiatives involving elected officials, agency executives, and staff of member agencies. Topics include SANDAG projects, initiatives, programs, and agreements impacting cities, transit agencies, tribal governments, and other agencies. (Staff)	Board and Policy Advisory Committee meetings	6/30/2025
2.	\$306,536	Implement new content management system for agenda production and posting activities to enhance transparency and regional involvement in transportation-related meetings held by the agency; including integration with new SANDAG website and agency wide training to support transition to new processes and software. (Staff)	Meeting Agendas and Board payments	6/30/2025
3.	\$189,537	Task Description: Coordinate interpretation, closed captioning, and Zoom access to increase equity and inclusion in all Board, Policy Advisory Committee, and Working Group meetings. (Staff)	Public Engagement	6/30/2025

## Future Activities

Continue all activities related to Board, Policy Advisory Committees, and Working Groups to support successful implementation of key regional improvements in all areas improving the quality of life for all. Implement new and improved agenda production software to improve transparency, agenda production, board payment process, and public and member engagement. Highlight and elevate the work of the Working Groups to improve regional coordination and partnerships.

**Work Element:** 7300600 - Social Equity Program

**Project Manager:** Catherine Thibault

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$485,639	\$594,682	\$590,055
Other Direct Costs	\$1,000	\$7,000	\$8,000
Contracted Services	\$65,000	\$149,850	\$196,395
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$551,639</b>	<b>\$751,532</b>	<b>\$794,450</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFTA - 5307	\$250,000	\$276,424	\$276,424
LTDA	\$75,000	\$85,131	\$188,741
LTransNet - TNetAdmin	\$226,639	\$389,977	\$329,285
<b>Total</b>	<b>\$551,639</b>	<b>\$751,532</b>	<b>\$794,450</b>

### Objective

This work element advances non-discriminatory policies, practices, and outcomes at SANDAG; ensures SANDAG is in compliance with federal and state civil rights legislation, Executive Orders, and regulations; and supports development of social equity capacity with staff across the agency and regional transit agency partners through training, project reviews, and other technical assistance.

Emphasis in FY 2025 will be focused on producing the federally mandated Federal Transit Administration (FTA) Title VI Triennial Program Update, due on October 1, 2024. In addition, FTA will proceed with a program review. Work will also begin on the Federal Highway Administration (FHWA) Title VI Program and the Language Assistance Plan updates, both due in 2025.

As part of the technical support component of this work element, staff will continue with regular trainings on Title VI, Environmental Justice (EJ), and Americans with Disabilities Act (ADA) as well as on how to conduct social equity analyses. Technical support for specific projects will also be provided.

Other key components of this work element include the implementation and coordination of the Language Assistance Program, with ongoing processing of language assistance requests and technical support pertaining to interpretation of the Language Assistance Plan (LAP).

The project manager will also finalize the Equity Action Plan and prepare for an agency-wide strategy to implement a new rulemaking related to ADA web compliance.

### Previous Accomplishments

Previous accomplishments under this work element include the update of the SANDAG FTA and FHWA Title VI programs and LAP and supported implementation and monitoring of elements in those plans. The team also provided ADA reviews of plans and specifications, as well as ongoing technical assistance to internal staff and regional transit agencies on matters pertaining to ADA, EJ, Title VI, and social equity. The team assumed leadership of two very important projects, the Equity Action Plan and the Language Assistance Program.

### Justification

This work element ensures that SANDAG policies, projects, and activities promote social equity and help to reduce discriminatory impacts on historically underserved populations across the San Diego region. This helps position SANDAG as a regional leader in advancing equity. It also ensures that SANDAG does not risk losing funding due to lack of compliance with federal civil rights laws and regulations, including but not limited to Title VI of the Civil Rights Act of 1964, the ADA Standards for the 2010 Department of Justice and the 2006 ADA Standards for Transportation Facilities of the Access Board and the proposed Accessibility Standards for Public Rights-of-Way, the ADA Accessibility Standards for Accessible Design, EJ and external Equal Employment Opportunity mandates, and federal and state civil rights regulations and guidance.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$265,197	Prepare the Triennial FTA Title VI Program, due on October 1, 2024. Upon submission, SANDAG will also have to do a review with FTA staff and make corrections as needed. The task also includes preparing for FHWA Title VI Program and LAP updates, both due in 2025. (Staff/Consultant)	FTA Title VI Program Update	11/30/2024
2.	\$292,351	Provide review of projects at 30, 60, and 95% design for ADA compliance. The task also includes providing accommodations for effective communications and developing a process ahead of upcoming rulemaking on ADA web compliance. (Staff/Consultant)	ADA Compliance	6/30/2025
3.	\$12,496	Receive, review, and respond to external discrimination complaints, following the process detailed in Board Policy No. 009 and the Caltrans Local Assistance Procedures Manual. (Staff)	Discrimination Complaints	6/30/2025
4.	\$53,362	Provide technical support related to compliance with Title VI, EJ, and the ADA through trainings and review of work products. The task also includes the update to the Social Equity Handbook, which includes all information pertaining to compliance. (Staff)	Trainings and Technical Support	6/30/2025
5.	\$53,362	Support priority projects and staff efforts to conduct social equity analyses and integrating social equity considerations. Key projects for FY 2025 include Otay Mesa East, Los Angeles-San Diego-San Luis Obispo, Purple Line, flexible fleet pilot projects, etc. (Staff)	Support priority projects	6/30/2025
6.	\$65,783	Lead the development, adoption, and implementation of the SANDAG Equity Action Plan. (Staff/Consultant)	Equity Action Plan	3/31/2025
7.	\$51,899	Provide technical support related to interpretation of the LAP. Conduct day-to-day coordination and implementation of the plan, including coordination with vendors, dissemination of information, and creation of tools to support staff. (Staff/Consultant)	Language Assistance	6/30/2025

## Future Activities

Future activities under this work element include the update of our FTA Title VI Program Update, which is federally mandated and due on October 1, 2024. Our team will also begin the process of updating the FHWA Title VI Program and our LAP, both due in 2025. We will continue to support internal teams, providing subject-matter-expertise on social equity, Title VI, ADA, language assistance and EJ issues. We will finalize and support the implementation of the Equity Action Plan. We will continue to work on the implementation of the LAP, and coordinate ongoing language access needs. We will monitor and implement ADA reviews on construction projects and support the ADA web compliance and document formatting efforts. We will continue to receive and review discrimination complaints submitted to SANDAG.

**Work Element:** 7500000 - Service Bureau

**Project Manager:** Mike Duncan

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$25,767	\$61,300	\$25,177
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$25,767</b>	<b>\$61,300</b>	<b>\$25,177</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
SANDAG Service Bureau Fees	\$25,767	\$61,300	\$25,177
<b>Total</b>	<b>\$25,767</b>	<b>\$61,300</b>	<b>25,177</b>

### Objective

The SANDAG Service Bureau is a fee-based operation established in 2005 that includes work conducted through SourcePoint, the nonprofit public benefit corporation chartered by SANDAG in 1982. The objective of this work element is to provide customized data and reports to member agencies, nonmember government agencies, tribal governments, private organizations, and individuals. Through its Executive Committee, the Board of Directors has directed staff to prioritize 2025 Regional Plan efforts during FY 2025. Accordingly, Service Bureau work is anticipated to be limited to minor non-travel model requests during this fiscal year. During FY2026, the Executive Committee will provide direction on whether the Service Bureau will continue.

### Previous Accomplishments

During FY 2024, a variety of Service Bureau projects were completed for local jurisdictions including the cities of Oceanside, San Diego, and Vista, and the Port of San Diego. Through the provision of open-source documentation on the SANDAG Activity-Based Model (ABM), staff have made it possible for multiple engineering firms to use the SANDAG model to provide services to local governments and businesses.

### Justification

The purpose of the Service Bureau is to offer products and services that meet the needs of decisionmakers in the public sector while providing revenue to sustain these activities. During FY 2025, staff will be focused on 2025 Regional Plan activities and anticipate little capacity for Service Bureau work, though minor non-travel model projects for public agencies may occur.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$16,766	Offer data products and professional services that meet the needs of public agencies, tribal governments, private organizations, and individuals. (Staff)	Service Bureau Products and Services	6/30/2025
2.	\$8,411	Manage Service Bureau by overseeing operations, including contracting, invoicing, and presenting progress reports to the Executive Committee. (Staff)	Quarterly Progress and Annual Report to Executive Committee	6/30/2025

### Future Activities

Through its Executive Committee, the Board of Directors has directed staff to prioritize 2025 Regional Plan modeling efforts. Accordingly, Service Bureau modeling work is not anticipated during this fiscal year, but other types of projects may continue on a limited basis. Staff will continue to maintain the ABM as a well-documented open-source project, thus supporting the capacity of multiple entities to provide travel modeling services to local jurisdictions. It is not anticipated that staff will return to the practice of providing transportation modeling services under contract with local governments and private firms.

## Notes and Explanations of Fund Sources shown in Overall Work Program Revenues

### Federal Transportation Planning Funds

Funds	Note
FTA (5303) MPO Planning (CPG) FTA (5307) Transit Planning	These funds, which are allocated to Metropolitan Planning Organizations (MPOs) based on Federal Transit Administration (FTA) formula to be used for regional transportation planning efforts are subject to confirmation by federal and state funding agencies.
FHWA Planning (CPG)	Regional transportation planning funds administered by the Federal Highway Administration (FHWA) and Caltrans, allocated to MPOs according to the requirements of 23 USC 134 and 135, as amended by Moving Ahead for Progress in the 21st Century Act . FTA (5303) and FHWA Planning grant funds are considered Consolidated Planning Grant (CPG) funds and are administered by Caltrans.

### Local Flexible Funds

Funds	Note
Transportation Development Act (TDA) Planning/Administration	The TDA passed by the state allocates a portion of the local quarter-percent sales tax revenue to MPOs for transportation planning and programming purposes and for the administration of TDA funds.
TransNet	The voter approved TransNet Extension Ordinance provides administrative funding for SANDAG to administer the TransNet Program, undertake related planning efforts, and distribute funds for the various expenditure categories under the Ordinance (see Chapter 4).

## CHAPTER 3

# Regional Operations and Services

---

This chapter describes regional operations and services—such as toll facilities and other transportation systems—and member agency assessments.

## CHAPTER 3

# Regional Operations and Services

Included in this chapter are operations of the State Route 125 toll facilities, Freeway Service Patrol program, the Interstate 15 FasTrak® Value Pricing Program, Intelligent Transportation Systems Operations, and Transportation Demand Management. Mobility programs, the Automated Regional Justice Information System (ARJIS), and property management activities are also covered. We also operate and maintain regional transportation facilities and law enforcement data systems that support travelers, employers, and public safety agencies in San Diego County. This chapter describes the work elements and budgets for this distinct group of projects in much the same way that chapter 2 describes our OWP work elements.

Also, this chapter shows the three forms of member agency assessments that are part of the annual budget: SANDAG member assessments, Criminal Justice member assessments, and the ARJIS member assessments and user fees. SANDAG and Criminal Justice assessments are based on population estimates updated per the California Department of Finance each May. These assessments increase annually based on the Consumer Price Index (CPI), 7.26% for FY 2024.

Other Direct Costs	\$0	\$2,878	\$0
Contracted Services	\$0	\$0	\$0
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$243,879</b>	<b>\$261,586</b>	<b>\$278,223</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
Criminal Justice Member Assessments	\$243,879	\$261,586	\$278,223
<b>Total</b>	<b>\$243,879</b>	<b>\$261,586</b>	<b>\$278,223</b>

### Objective

The objectives of this work element are to support local criminal justice (CJ) planning and policymaking by providing analysis of crime and other public safety data; maintaining current and historical information about crime and public safety strategies; developing research designs to evaluate the effectiveness of crime prevention and reduction strategies; and supporting the Public Safety Committee (PSC). Emphasis in FY 2025 will be to adapt processes and methodologies to the new National Incident Based Reporting System (NIBRS)/California Incident Based Reporting System (CIBRS) data and increase the criminal justice data availability in the Open Data Portal.

### Previous Accomplishments

Previous accomplishments include responding to daily requests for crime-related information from elected officials, CJ professionals, community-based organizations, the public, and the media; maintaining crime-related databases and CJ-related information resources for the community's access; transitioning to the CIBRS/NIBRS data collection system; analyzing crime and arrest data from 20 public safety agencies; participating on local task forces; analyzing and disseminating data from the Substance Abuse Monitoring (SAM) project; and providing staff support to the PSC.

### Justification

The CJ Clearinghouse has been in existence since 1977 and is supported with dedicated funding from SANDAG member agencies. It is the only entity that compiles and analyzes data from individual jurisdictions and other data sources to create a regional picture of trends and upcoming issues related to public safety.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$121,272	Prepare CJ flashes, CJ bulletins, and other products such as SAM outcomes, regional crime and arrest data, and other regional public safety information.	Eight CJ bulletins and/or Briefs and eight CJ Flashes	6/30/2025
2.	\$91,555	Gather, manage, and quality control crime-related databases and information, including the new NIBRS/CIBRS data.	Updated crime databases, policies, and products	6/30/2025
3.	\$39,238	Support and staff the PSC.	Agenda, reports, and PSC follow-up materials	6/30/2025
4.	\$13,079	Identify and work on mechanisms to guarantee program sustainability.	New projects and/or grants	6/30/2025
5.	\$13,079	Support policymakers, practitioners, and community members with crime-related and SAM data.	Presentations and information requests	6/30/2025

### Future Activities

Continue to focus on the region's information and research needs; track statistics and key issues; provide timely resources to the community; disseminate information using new platforms to allow for personalized and time certain information; and staff the PSC.

**Work Element:** 2340100 - CJAM – Substance Abuse Monitoring

**Project Manager:** Octavio Rodriguez

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$163,709	\$103,603	\$63,674
Other Direct Costs	\$2,241	\$7,170	\$4,548
Contracted Services	\$16,436	\$28,279	\$22,741
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$182,386</b>	<b>\$139,052</b>	<b>\$90,963</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
Member Assessments	\$24,593	\$75,302	\$18,750
SD County	\$98,769	\$18,750	\$72,213
CA Border Alliance Group	\$59,024	\$45,000	\$0
<b>Total</b>	<b>\$182,386</b>	<b>\$139,052</b>	<b>\$90,963</b>

### Objective

The objective of this work element is to support practitioners and policymakers in tracking changes in drug trends over time to inform prevention, treatment, and other policies and programs. Emphasis in FY 2025 will be on continuing to measure drug use and other behavior trends among adults and juveniles with recent justice system contact through interviews with adults booked into San Diego County detention facilities and juveniles booked into San Diego County Juvenile Hall and Achievement Centers on a biannual basis about their substance use history and other relevant issues.

### Previous Accomplishments

SANDAG has conducted interviews with adult and juvenile arrestees since 1987. When federal funding for these interviews was discontinued in 2003-2004, local funding sources were secured to continue this effort. San Diego is the only location nationwide that has collected data from recent arrestees with no interruption and maintains the possibility for longitudinal analysis of regional substance use trends.

### Justification

This project has dedicated local funding. Locally, this information is used to assess substance use trends and identify potential drug epidemics and treatment needs. This project also has served as a platform for other research, with the inclusion of questions related to new drugs, homelessness, mental health, and the illegal use of firearms.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$90,963	Conduct interviews and collect urine specimens from adult and juvenile arrestees; analyze results and summarize trends in drug use of arrestees	Completed interviews and samples; summary reports	6/30/2025

### Future Activities

This project will continue contingent upon continued dedicated funding, with annual reviews of the data and updates to the instruments to reflect current questions of interest.

**Work Element:** 2345000 – CJAM – Adult Criminal Justice Projects (Group Program)

**Project Manager:** Octavio Rodriguez Ferreira

### Objective

The objective of this work element is to deliver high-quality research and evaluation services to support local law enforcement and public safety agencies in enhancing their crime prevention and intervention programs across diverse areas. By conducting thorough research, the objective is to provide these agencies with valuable insights and data-driven recommendations, fostering collaboration between research and practical applications for more effective community safety. Emphasis in FY 2025 will be on compiling valid and reliable information from historical and original data sources to provide timely information to improve program delivery and objectively measure if program goals were achieved.

### Previous Accomplishments

SANDAG has collaborated with local, state, and federal law enforcement; local service providing agencies; local prosecutors; and the public defender to seek grant funding to evaluate local crime prevention efforts. These evaluations have resulted in publications and presentations to improve our local justice system.

### Justification

The projects in the Criminal Justice Adult Program use dedicated funds provided by public safety entities, including state and federal grants, to provide objective evaluations regarding effective and efficient strategies to keep our communities safe.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$1,745,735	Design and implement research methodologies, including collecting data from a variety of sources to track outcome measures for ongoing projects.	Data dashboards, summary reports and presentations	6/30/2025

### Future Activities

Future activities are contingent on continued dedicated grant funding.

**Work Element:** 2350000 – CJAM – Youth Evaluation Projects (Group Program)

**Project Manager:** Octavio Rodriguez Ferreira

### Objective

The objective of this work element is to continue to partner with local jurisdictions to evaluate grant-funded programs, ranging from prevention to graduated sanctions for youth. SANDAG has also developed partnerships with other youth serving entities in the region to provide quality evaluations that support its funding and mission to provide innovative juvenile justice prevention and intervention services. Of notable significance are evaluations focused on diversion programs and reducing juvenile incarcerations, which continue to support prior improvements in the local juvenile justice system, positively impacting youths involved with it. Focus in FY 2025 will be on compiling valid and reliable information from historical and original data sources to provide timely information to improve program delivery and objectively measure if program goals were achieved.

### Previous Accomplishments

The projects in the Criminal Justice Youth Program use dedicated funds provided by public safety entities, including federal and state grants, to provide objective evaluations regarding effective and efficient strategies to keep our communities safe and prevent juvenile delinquency.

### Justification

SANDAG has collaborated with local public safety stakeholders and other community-based agencies to seek grant funding to evaluate local crime prevention efforts. These evaluations have resulted in publications and presentations to improve our local juvenile justice system.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$423,260	Track outcome measures for ongoing projects related to reducing juvenile delinquency and victimization, and to evaluate programs directed at supporting at-risk populations	Data dashboards, summary reports and presentations	6/30/2025

### Future Activities

Future activities are contingent on continued dedicated grant funding.

<b>Total</b>	<b>\$5,891,924</b>	<b>\$6,119,417</b>	<b>\$9,012,367</b>

### Objective

The objective of this work element is to reduce non-recurrent freeway congestion and enhance safety by providing a roving motorist aid service that patrols designated urban freeways and assists/removes stranded or disabled vehicles.

### Previous Accomplishments

By the end of FY 2024 the Freeway Service Patrol (FSP) is projected to have assisted more than 100,000 motorists. A contract to extend Fleet Management services and a contract to revise the gasoline sliding scale were both executed.

### Justification

The FSP program is an established incident management program operating in metropolitan areas throughout the state. It facilitates the rapid clearing of accidents and other incidents, thereby improving traffic flow. FSP is a transportation systems management strategy that supports the implementation of San Diego Forward: The 2015 Regional Plan and the 2021 Regional Plan by improving safety, reducing congestion, and reducing greenhouse gas emissions on regional highways. SANDAG currently contracts with local tow operators to provide FSP program service on 225 miles of the region's busiest freeways.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$9,012,367	Ongoing motorist aid services and contract documents	Provide cost-effective and efficient FSP motorist aid service	6/30/2025

### Future Activities

The FSP program will procure new service agreements for tow operation services and continue to provide congestion relief and good customer service. FSP will improve safety by assisting stranded motorists on the region's urban freeways.

**Work Element:** 3310300 - I-15 FasTrak® Value Pricing Program

**Project Manager:** Lucinda Broussard

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$1,331,811	\$2,054,608	\$2,953,928
Other Direct Costs	\$661,106	\$1,631,700	\$1,938,384
Contracted Services	\$482,001	\$1,624,250	\$1,435,500
Materials and Equipment	\$47,959	\$90,000	\$92,000
Pass-Through to Other Agencies	\$1,104,917	\$1,790,000	\$3,320,000
<b>Total</b>	<b>\$3,627,793</b>	<b>\$7,670,621</b>	<b>\$9,739,812</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LLocal - HOVFines	\$3,627,793	\$7,670,621	\$9,739,812
<b>Total</b>	<b>\$3,627,793</b>	<b>\$7,670,621</b>	<b>\$9,739,812</b>

### Objective

The objectives of this work element are to maximize utilization of the I-15 Express Lanes by allowing FasTrak customers to pay a toll/fee to use the excess capacity of the facility; cost-effectively manage the program; and utilize price controls to maintain performance levels in the lanes. Emphasis in FY 2025 will be to sustain and further improve the efficiencies of I-15 Express Lanes through the implementation of upgraded transponders on all vehicles utilizing the expressway. This will result in optimized utilization and contribute to a more efficient transportation system.

### Previous Accomplishments

The I-15 Express Lanes have a history of steady growth in traffic volume and revenue, with a track record of consistent, dependable performance, prior to the impact of the COVID-19 pandemic. The aim is to continue this trend by enhancing and maintaining these performance levels.

### Justification

San Diego Forward: The 2015 Regional Plan and the 2021 Regional Plan include pricing strategies, such as the I-15 Express Lanes, to reduce the demand on the region's transportation system. The I-15 Express Lanes incentivizes the use of public transit and sharing rides, both of which contribute to reducing greenhouse gas emissions. The I-15 program also improves mobility in the corridor by allowing solo drivers to pay a fee to use the facility, thereby removing traffic from the general-purpose lanes. In addition, net revenues available after covering the cost of operating the program may be used for other mobility improvements including subsidizing transit services in the corridor.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$113,700	Operations management with a focus on crucial supporting roles such as human resources, regional membership, trainings, safety, insurance, and other regulatory compliance. (Admin)	Continued enhancement in efficiency and advancement in innovation and growth, and heightened adaptability	6/30/2025
2.	\$2,740,460	Prioritizing customer service excellence, with a focus on reducing call center wait times, efficiently providing FasTrak program and 6C toll technology information, handling violations, processing payments, and managing customer accounts. This approach supports the broader goal of enhancing facility marketing and promotion, aimed at increasing usage, revenue, FasTrak® account sign-ups, and transponder growth. (CustServ)	Call center performance reports, outreach and marketing plans, marketing collateral, and updated customer agreements	6/30/2025
3.	\$328,080	Continue to effectively maintain safe facilities while incorporating electric vehicles, focus on routine preventive maintenance and upgrade the infrastructure. Manage energy efficiently, with renewable sources and emphasize sustainability, utilize technology for real-time monitoring, conduct regular inspections, and adhere to safety and compliance standards. (Facilities)	Adopting electric vehicles and charging, alongside routine maintenance. Grow efficiencies and with a sustainable operation. Ensure a safe, environmentally friendly, and technologically advanced workplace.	6/30/2025
4.	\$1,080,786	Maintain accurate and detailed records of revenue and expenses in the I-15 accounting; consistently ensure precision in revenue collections; uphold the practice of making reserve commitments; and produce management reports as necessary. (Finance)	Maintaining detailed I-15 accounting records and revenue tracking, along with reserve commitments and regular management reports.	6/30/2025
5.	\$1,294,089	Conduct performance monitoring on I-15 Express Lanes facility and advance implementation of operational strategies related to high-occupancy vehicle eligibility and transponder requirements that improve performance and to document implementation implications. (IT)	Data collection and analysis presented at quarterly corridor management meetings; implementation plan for operational strategies and documentation of related benefits and implications	6/30/2025
6.	\$4,182,696	Partner with Caltrans and the Metropolitan Transit System to support facility operations and optimize corridor performance through effective operations. (Roadway)	Cost sharing, annual transit subsidy payment, and implementation of operational improvement strategies	6/30/2025

## Future Activities

Ongoing operations are aimed at enhancing the smooth and efficient functioning of I-15 through proactive management of maintenance requirements, strategic pricing initiatives, and effective enforcement. The goal is to maintain and improve the performance and utilization of the highway by implementing tactics that drive revenue and optimize usage. By prioritizing these efforts, the aim is to continuously improve the overall functioning and utilization of I-15.

**Work Element:** 3310500 - 511 Advanced Traveler Infor Service

**Project Manager:** Aaron Moreno

### Project Expenses

Expense	FY 2023 Actual	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$18,127	\$23,267	\$23,710
Other Direct Costs	\$101,605	\$83,000	\$128,000
Contracted Services	\$0	\$120,000	\$194,699

<b>Total</b>	<b>\$119,732</b>	<b>\$226,267</b>	<b>\$346,409</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LTransNet -MajorCorr	\$119,732	\$109,343	\$346,409
California State DMV Vehicle Registration Fee	\$0	\$116,924	\$0
<b>Total</b>	<b>\$119,732</b>	<b>\$226,267</b>	<b>\$346,409</b>

### Objective

The objective of this work element is to operate and maintain the region's 511 Advanced Traveler Information Service.

### Previous Accomplishments

In FY 2023, the advanced traveler information service is projected to field over 80,000 calls and host more than 140,000 website visits. The program also upgraded Spanish language features as well as enhanced tracking.

### Justification

The 511 system provides commuters with 24/7 automated traveler information, a key component to improved mobility. The 511 program also serves as the gateway to regional transportation programs, including iCommute, Motorist Aid Services, FasTrak®, and transit services information.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$346,409	Vendor operations meetings, performance analytics and monthly reporting (Staff)	Operations oversight and maintenance of the 511 system	6/30/2025

### Future Activities

Continue coordinated efforts with the Next OS team.

**Work Element:** 3310703 - TDM – Program and Service Delivery

**Project Manager:** Daniel Reilly

### Project Expenses

Expense	FY 2023 Actual	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$375,037	\$499,602	\$496,849
Other Direct Costs	\$345,073	\$243,240	\$189,596
Contracted Services	\$0	\$150,000	\$1,971,433
Materials & Equipment	\$157,926	\$485,000	\$0
Pass-Through to Other Agencies	\$3,306	\$31,000	\$22,000
<b>Total</b>	<b>\$881,342</b>	<b>\$1,408,842</b>	<b>\$2,679,878</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA -CMAQ	\$864,635	\$1,393,398	\$2,679,878
FasTrak Revenues	\$11,300	\$8,776	\$0
TransNet New MC Transit Ops	\$5,400	\$6,668	\$0
LTDA	\$7	\$0	\$0
<b>Total</b>	<b>\$881,342</b>	<b>\$1,408,842</b>	<b>\$2,679,878</b>

### Objective

The objective of this work element is to assist with managing the demand of the regional transportation system by providing commuter programs and services that promote transportation alternatives to driving alone. Emphasis in FY 2025 will be expanding the program by installing new secure bike parking locations and improving user experience.

### Previous Accomplishments

FY 2024 accomplishments include the administration of the Guaranteed Ride Home and Bike Parking programs through Salesforce; expansion of the Bike Parking Program; ongoing maintenance of those facilities; planning of new projects; interactive Park & Ride map; and assistance to customers looking for an alternative commute.

### Justification

Transportation Demand Management is an important component of the 2021 Regional Plan by contributing to improved mobility through congestion reduction, meeting regional air quality goals through reducing vehicle miles traveled and greenhouse gas emissions, and providing more travel choices in the region.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$2,679,878	Perform bike locker maintenance as needed and expand program by adding lockers or relocating underutilized bike lockers. New projects to expand the Bike Parking Program. (Staff/Consultants)	Expanded bike parking facilities and operational equipment.	6/30/2025

### Future Activities

Retire old lockers and install new lockers as needed. Expand locker locations and improve user experience.

**Work Element:** 3310704 - TDM – Regional Vanpool Program

**Project Manager:** Michelle Porter

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$257,828	\$260,270	\$369,644
Other Direct Costs	\$16,000	\$10,000	\$192,850
Contracted Services	\$3,082,700	\$3,657,200	\$3,535,850
Pass-Through to Other Agencies	\$0	\$0	\$0.00
<b>Total</b>	<b>\$3,356,528</b>	<b>\$3,927,830</b>	<b>\$4,098,344</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA-CMAQ	\$3,356,528	\$3,927,830	\$4,098,344
<b>Total</b>	<b>\$3,356,528</b>	<b>\$3,927,830</b>	<b>\$4,098,344</b>

### Objective

The objective of this work element is to administer the regional SANDAG Vanpool program and complete the annual Federal Transit Administration (FTA) National Transit Database (NTD) reporting. The emphasis in FY 2025 will be to grow the vanpool program and streamline vanpool reporting in a new system.

### Previous Accomplishments

Accomplishments in FY 2024 is working with outreach staff to grow the program and the admission of the annual NTD report to the FTA and the annual NTD vanpool audit.

### Justification

Transportation Demand Management is an important component of San Diego Forward: The 2015 Regional Plan, the 2019 Federal Regional Transportation Plan, and the 2021 Regional Plan by contributing to improved mobility through congestion reduction, meeting regional air quality goals through reducing vehicle miles traveled and greenhouse gas emissions, and providing more travel choices in the region.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$4,098,344	Outreach and education, customer service, and performance monitoring and reporting. Move data from Salesforce into new TDM System. Reports on vanpool participation and vehicle miles reduced; regular coordination meetings with vendors; outreach and customer support for vanpool participants. Prepare annual NTD Report to FTA, prepare program audit. (Staff)	Administer Vanpool program, vendor management, NTD Report	6/30/2025

### Future Activities

Transition vanpool data into a new system and move away from Salesforce and SurveyMonkey. Grow the vanpool program.

**Work Element:** 3310711 - TDM – Employer Outreach

**Project Manager:** Jennifer Williamson

### Project Expenses

Expense	FY 2023 Actual	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$605,390	\$607,288	\$786,128
Other Direct Costs	\$19,136	\$43,500	\$15,500
Contracted Services	\$1,661,619	\$1,782,097	\$1,998,428
Pass-Through to Other Agencies	\$14,216	\$18,000	\$40,000
<b>Total</b>	<b>\$2,300,361</b>	<b>\$2,450,885</b>	<b>\$2,840,056</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
FFHWA -CMAQ	\$2,300,361	\$2,450,885	\$2,840,056
<b>Total</b>	<b>\$2,300,361</b>	<b>\$2,450,885</b>	<b>\$2,840,056</b>

### Objective

The objective of this work element is to manage the public outreach, communications, and marketing of the Transportation Demand Management (TDM) programs and services; and to assist employers, schools, developers, organizations, and local jurisdictions with the development and implementation of TDM programs that reduce congestion and related vehicle miles traveled and greenhouse gas emissions. Two annual campaigns, Bike Anywhere Day and Clean Air Day, will aim to engage audiences across the region in trying sustainable transportation modes.

### Previous Accomplishments

Accomplishments in FY 2024 included hosting the Employer Diamond Award Event with 118 employers, four employer webinars, three employer forums and monthly employer outreach. In FY 2024 the TDM program planned and conducted SANDAG's annual Bike Anywhere Day, Clean Air Day Campaign, a targeted Vanpool campaign and ongoing management of TDM outreach contract. All of these efforts encourage employers to develop and implement commuter programs that reduce the number of employees driving alone to work.

### Justification

TDM is an important component of the 2021 Regional Plan and the regional congestion management process by contributing to improved mobility, meeting regional air quality goals through reducing vehicle miles traveled and greenhouse gas emissions, and providing more travel choices in the region.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$1,990,428	Consultant support with employer, school, and community outreach, education, and marketing of TDM programs and services.	Bi-annual campaigns, marketing materials, sponsorships, number of employers, schools, organizations in the program, program/event reports	6/30/2025
2.	\$786,128	Program administration	TDM report; month to month supervision of contract deliverables, project management. coordination with stakeholders	6/30/2025
3.	\$63,500	Direct Program costs	Transit passes, promo items, travel, updated photos/videos/graphics	6/30/2025

### Future Activities

Expand commuter program to additional employers, developers, and schools. Create a campaign to increase awareness of sustainable transportation services. Increase participation by local jurisdictions in the Bike Anywhere Day and Clean Air Day campaigns.

**Work Element:** 3311000 - ITS Operational Support

**Project Manager:** Stan Glowacki

### Project Expenses

Expense	FY 2023 Actual	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$355,773	\$253,721	\$482,355
Other Direct Costs	\$471,723	\$711,359	\$1,238,371
Contracted Services	\$0	\$0	\$0
Materials and Equipment	\$0	\$0	\$10,500
<b>Total</b>	<b>\$827,496</b>	<b>\$965,080</b>	<b>\$1,731,226</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LTransNet - MajorCorr	\$827,496	\$965,080	\$1,731,226
<b>Total</b>	<b>\$827,496</b>	<b>\$965,080</b>	<b>\$1,731,226</b>

### Objective

Address the ongoing operations, system administration, network communications, and maintenance needs of external facing Intelligent Transportation Systems such as the regional ITS deployments. Emphasis in FY 2024 will be to continue the maintenance of the Regional Arterial Management System and the Integrated Corridor Management System and building capacity to support future systems such as the Regional Border Management System and Next Operating System.

### Previous Accomplishments

ICMS has transitioned to a full virtual environment with replication for improved performance, reliability and continuity. The system has remained stable and continues to be utilized by regional stakeholders to review events and recommended response plans. ICMS still performs as the regional data hub interconnecting the I15 corridor, the Regional Arterial Management System, CHP Events and Construction notices. The system remains open for future modules and entities to consume regional traffic data.

### Justification

San Diego Forward: The 2015 Regional Plan and the 2021 Regional Plan describes Transportation Systems Management and Emerging Technologies as vital strategies to meet our plan goals including maximizing the region's existing transportation system and reducing greenhouse gas emissions. The ITS operations program ensures that transportation systems that have been deployed are effectively operated and maintained.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$1,731,226	Maintenance of third-party support contracts and agreements to provide regional technical support, administration, and monitoring of ITS; daily review of system generated performance metrics and reports to ensure service level agreements are met based on environment – 24/7 or next business day support.	Maintain all related ITS operations contracts & consultants	6/30/2025

### Future Activities

This program will continue to focus on the administration and support of ITS operations.

**Work Element:** 3312100 – SR 125 Facility Operations

**Project Manager:** Lucinda Broussard

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$6,129,248	\$7,780,870	\$8,948,702
Other Direct Costs	\$5,186,443	\$6,072,197	\$6,250,637
Materials and Equipment	\$553,316	\$623,000	\$495,000
Contracted Services	\$1,305,652	\$2,127,188	\$2,331,300
Pass-Through to Other Agencies	\$0	\$0	\$0
Debt Service and Project Reserves	\$5,869,150	\$13,894,000	\$13,902,250
<b>Total</b>	<b>\$19,043,809</b>	<b>\$30,497,255</b>	<b>\$31,927,889</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
SR125 Toll Road Revenue	\$19,043,809	\$30,497,255	\$31,927,889
<b>Total</b>	<b>\$19,043,809</b>	<b>\$30,497,255</b>	<b>\$31,927,889</b>

### Objective

The objective of this work element is to maintain and operate the SR 125 Toll Road; collect tolls; and project revenue to pay for operations, maintenance, and debt. Emphasis in FY 2025 will be to transition the new roadway toll collection system and cash and credit card payment machines; increase toll revenue and efficiently manage operating expenses to support the repayment of outstanding debt; and improve customer service through new account management tools and support options.

### Previous Accomplishments

SANDAG has consistently operated the facility within budget, met debt service obligations, and exceeded traffic and revenue targets prior to the pandemic.

### Justification

In 2011, SANDAG completed the acquisition of the SR 125 Development Franchise Agreement, which is scheduled to terminate in 2042. To complete the purchase, SANDAG incurred debt and is required to manage the facility in a manner to support repayment of the bonds, adhere to Caltrans standards for maintenance, and to make improvements based on traffic levels. This work element provides for SANDAG management of the program, contracted services, daily operations, and debt service payments.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$1,690,805	Operations management with a focus on crucial supporting roles such as human resources, regional membership, trainings, safety, insurance, and other regulatory compliance. (Admin)	Continued enhancement in efficiency and advancement in innovation and growth, and heightened adaptability.	6/30/2025
2.	\$4,050,976	Prioritizing customer service excellence, with a focus on reducing call center wait times, efficiently providing FasTrak program and 6C toll technology information, processing payments, and managing customer accounts. With a goal of enhancing Toll Road marketing and promotion, aimed at increasing usage, revenue, FasTrak® account sign-ups, and account growth. (CustServ)	Call center performance reports, outreach and marketing plans, marketing collateral, and updated customer agreements.	6/30/2025
3.	\$3,308,650	Continue to effectively maintain safe facilities while incorporating electric vehicles, focus on routine preventive maintenance and upgrade the infrastructure. Manage energy efficiently, with renewable sources and emphasize sustainability, utilize technology for real-time monitoring, conduct regular inspections, and adhere to safety and compliance standards. (Facilities)	Adopting electric vehicles and charging, alongside routine maintenance. Grow efficiencies and with a sustainable operation. Ensure a safe, environmentally friendly, and technologically advanced workplace.	6/30/2025
4.	\$17,143,529	Maintain accurate revenue and expense information in SR 125 accounting system; ensure debt service and funding reserve obligations are recorded in a timely manner; and provide management reports along with adherence to the Master Trust and Franchise Development Agreements. (Finance)	Quarterly and annual financial and operations reports via the Municipal Securities Rulemaking Board's Electronic Municipal Market. Access portal required under the Security and Exchange Commission Rule 15c2-12 with respect to the Continuing Disclosure and Master Trust Agreements	6/30/2025
5.	\$3,465,598	Complete transition to the new Regional Tolling System; database migration, administration, and support for SANDAG's Tolling and Customer Information Services in support of SANDAG's tolling software implementation, maintain high level of tolling system availability, network security, and interface with external partners. (IT)	Reliable system performance at toll lanes and back office, database administration support for ongoing operational needs, monthly supplemental reports, an interoperable toll system that conforms to applicable standards	6/30/2025
6.	\$2,268,331	Maintain the toll collection hardware, traffic management systems, enforcement protocols, and safety measures in optimal condition, while ensuring diligent upkeep of roadway maintenance and landscaping. (Roadway)	Toll road operations on a 24/7/365 basis and monthly maintenance report	6/30/2025

## Future Activities

Continue to improve the Toll Operations Center building, roadway, and network infrastructure to meet the terms of the SR 125 Development Franchise Agreement.

**Work Element:** 3312200 - Motorist Aid – Call Box Program

**Project Manager:** Aaron Moreno

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$237,432	\$321,997	\$217,096
Other Direct Costs	\$97,924	\$249,415	\$268,800
Contracted Services	\$1,317,828	\$1,203,127	\$1,763,299
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$1,653,184</b>	<b>\$1,774,539</b>	<b>\$2,249,195</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
CA DMV Vehicle Registration Fee	\$1,653,184	\$1,024,539	\$2,249,195
<b>Total</b>	<b>\$1,653,184</b>	<b>\$1,024,539</b>	<b>\$2,249,195</b>

### Objective

The objective of this work element is to improve the safety of the public and the highway system by providing lifeline assistance to stranded motorists. Emphasis in FY 2024 will be to procure and install new 511 signs and to repaint all call boxes in the system and to maintain and monitor usage and continue to increase public awareness through enhanced marketing to meet the changing needs of motorists.

### Previous Accomplishments

By the end of FY 2023 the Call Box program is projected to have assisted more than 10,500 motorists. A new contract for call center services was also executed during this period.

### Justification

State law authorizes the formation of county service authorities for freeway emergencies for the purpose of funding and operating freeway motorist aid systems to help stranded motorists in need of assistance. As a result of Assembly Bill 1572 (Fletcher, 2012), SANDAG became the responsible agency effective January 1, 2013, and assumed the responsibilities for all operational, administrative, and maintenance activities for the freeway call box system.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$2,249,195	Ongoing operation, maintenance, and monthly reporting of motorist aid systems. Operate and maintain fixed and mobile call box systems, including installations and removals (includes contracted services); and coordinate with the SANDAG regional 511 program (mobile 511 Roadside Assistance program). (Consultant/Staff)	Ongoing operation, maintenance, and monthly reporting of motorist aid systems	6/30/2025

### Future Activities

The Call Box program looks to improve its customer service to stranded motorists by conducting call audits of the call answering center and provide valuable feedback, as well as continue coordinated meeting with the California Highway Patrol. The call box system will also be receiving a fresh coat of paint for all call boxes.

**Work Element:** 3312400 - FSP – Traffic Mitigation Program

**Project Manager:** Aaron Moreno

### Project Expenses

Expense	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$24,383	\$23,267	\$12,931
Other Direct Costs	\$0	\$0	\$0
Contracted Services	\$1,188,000	\$1,188,000	\$2,845,440
Pass-Through to Other Agencies	\$0	\$0	\$0
<b>Total</b>	<b>\$1,212,383</b>	<b>\$1,211,267</b>	<b>\$2,858,371</b>

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
Caltrans Traffic Mitigation Program	\$1,212,383	\$1,211,267	\$2,858,371
<b>Total</b>	<b>\$1,212,383</b>	<b>\$1,211,267</b>	<b>\$2,858,371</b>

### Objective

The objective of this Caltrans-funded Traffic Mitigation Program (TMP) is to reduce freeway congestion and enhance safety by providing a roving motorist aid service that patrols designated construction zones and assists/removes stranded or disabled vehicles. Emphasis in FY 2025 will be to continue support for Caltrans construction projects.

### Previous Accomplishments

In FY 2023 SANDAG provided service in support of the TMP on one construction projects. This construction-related service is projected to assist over 5,000 motorists.

### Justification

The Freeway Service Patrol (FSP) TMP is an established incident management program, operating in designated construction zones to facilitate the rapid clearing of accidents and other incidents, thereby improving traffic flow. FSP is a transportation systems management strategy that supports the implementation of San Diego Forward: The 2015 Regional Plan, and the 2021 Regional Plan by improving safety, reducing congestion, and thereby reducing greenhouse gas emissions on regional highways. SANDAG contracts with local tow operators to provide FSP program service in construction zones on the region's busiest freeways.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$2,858,371	Administer contracts with contractors, California Highway Patrol, and Caltrans.	Executed and active contracts	6/30/2025

### Future Activities

The FSP-TMP service will continue to assist Caltrans by providing a roving motorist aid service in designated construction zones.

**Work Element:** 3312700 - A Street Property Management

**Project Manager:** Dalila Ramos-Rios

### Project Expenses

Expense	FY 2023 Actual	FY 2024 Budget	FY 2025 Budget
Salaries, Benefits, Indirect	\$23,735	\$21,991	\$20,247

### Project Funding

Funding	FY 2023 Funding	FY 2024 Funding	FY 2025 Funding
LLocal -Rentallnc	\$51,991	\$83,991	\$94,749
<b>Total</b>	<b>\$51,991</b>	<b>\$83,991</b>	<b>\$94,749</b>

### Objective

The objective of this work element is to provide oversight and property management for A Street Auto, ACE Parking, and Aladdin Bail Bonds, who are tenants on SANDAG-owned real property. Emphasis in FY 2025 will be to collect rent and ensure the compliance of insurance requirements and lease terms. Staff will continue to support facility needs for the current tenants and monitor property maintenance expenses.

### Previous Accomplishments

Prior to FY 2024, SANDAG acquired four properties with existing lease agreements and assumed the existing leases at the time of purchase. In July 2023, MTS requested expedited use of one of the properties that were being leased to ACE Parking. As a result, SANDAG terminated one of the two lease agreements with ACE Parking, while the remaining three lease agreements (with ACE Parking, A Street Auto, and Aladdin Bail Bonds) continue to be in place. SANDAG has continued to collect rent from tenants, monitor insurance requirements and proactively manage necessary repairs.

### Justification

SANDAG has acquired portions of the proposed Downtown Bus Stopover site. Three of the four properties acquired are subject to the leases in place at the time of acquisitions. This project ensures the collection of rent and supports other property management activities. Having active tenants on the property provides less risk to SANDAG and the public than leaving the lots vacant pending the beginning of construction of the Bus Stopover project.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$17,937	Monitor insurance needs related to the properties to ensure any possible new risks are considered and insurance policies are updated. (Staff)	Renewal of annual property insurance policy	7/31/2024
2.	\$25,875	Ensure tenants comply with lease/rental terms, collect rent, and maintain related records. (Staff)	Lease revenue collection and tracking	6/30/2025
3.	\$50,937	Respond to property maintenance and service requests, procure and oversee maintenance professionals if needed. Track property maintenance expenditures. (Staff/Consultant)	Resolution of maintenance issues and associated reports	6/30/2025

### Future Activities

Continue with oversight and management of the property, as well as the collection of rent from tenants. It is anticipated that the leases that are currently in place will be terminated when the Metropolitan Transit System begins construction of the new Downtown Bus Stop-Over facility, the specific date is to be determined.

**Work Element:** 7350100 - ARJIS: Maintenance and Support  
**Project Manager:** Paul Lin

### Project Expenses

Llocal Misc	\$1,494,653	\$329,018	\$136,346
State ARJIS	\$4,469,346	\$6,935,000	\$7,194,507
<b>Total</b>	<b>\$5,963,999</b>	<b>\$7,264,018</b>	<b>\$7,330,853</b>

### Objective

The objective of this work element is to provide ongoing administration, operation, and maintenance for the Automated Regional Justice Information System ARJIS. Emphasis in FY 2025 will be on migrating ARJIS finance systems to the new ERP system; completing the network redesign; developing and maintaining the new mapping dashboard application; office move by the end of 2024; continue the staff professional development and recruiting for business analyst and system administrator; providing 24/7/365 support to member agencies via the ARJIS help desk; create and maintain database backup procedures; enhancing desktop and mobile software applications by procuring, installing, and upgrading licenses; providing users training by in person or virtual classes.

### Previous Accomplishments

During the past fiscal year, ARJIS successfully recruited a new network engineer and a software developer. We successfully implemented including completed National Incident Based Reporting System NIBRS and Mapping Dashboard Phrase II application; completed network devices and VMware host servers upgrade; San Diego data center move from 401 B to San Diego Sheriff data center.

### Justification

This work element has dedicated local funding from ARJIS member agencies, it is critical for ensuring ARJIS day to day operations and administration as well as continuity of ARJIS applications and maintenance of the complex system infrastructure/network to include secure data storage and sharing. Protection of all systems, network devices, distributed servers, and databases in ARJIS using industry standards and the management of numerous software licenses is essential to allow continuous access to member agencies, thereby ensuring officer and public safety.

## Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$5,016,068	Operations and Administration	ARJIS Operations and Administration including staff hours.	6/30/2025
2.	\$1,446,000	Infrastructure, Network, and Mobile	Infrastructure, Network and Mobile maintenance, support & services. Including all Network devices, Servers, Storage, Disaster Recovery, Security, Data Center, Nlets hosting fee.	6/30/2025
3.	\$689,912	Application development and all software licenses.	Software licenses renewal and development	6/30/2025
4.	\$542,785	Professional Services	All consulting and professional services excluding for ARJIS operations and administration like Auditing and Legal services.	6/30/2025

## Future Activities

Continue ARJIS staff professional growth and development and improve operational productivity and efficiency; continue to develop, monitor and maintain the ARJIS Enterprise system, including database, network, infrastructure, and applications; continue to implement enhancements from the SANDAG Assessment, including the tracking and reporting of grant deliverables, mobile program platform flexibility, and coordination between agency legal resources; develop and update the ARJIS Acceptable Use Policies in compliance with the FBI Criminal Justice Information Systems and Cal DOJ Security Policies and Practices; develop new applications, database, network environment from on premise to cloud solution.

**Work Element:** 7352800 – ARJIS: UASI FFY 2021

<b>Total</b>	<b>\$0</b>	<b>\$0</b>	<b>\$799,986</b>	<b>\$550,000</b>	<b>\$1,349,986</b>

### Objective

The objective of this work element is to coordinate, develop, and implement technologies that enhance public safety through the San Diego region. The Department of Homeland Security (DHS) Urban Area Security Initiative (UASI) assists with this work element by funding the Automated Regional Justice Information System to implement projects that target information sharing in San Diego County. The projects funded include implementing a cyber security platform in the cloud environment.

### Previous Accomplishments

ARJIS completed Phase II and Phase II of the ARJIS crime mapping dashboard.

### Justification

This work element has dedicated federal funding from the DHS-UASI grant. The region's law enforcement and fire chiefs were responsible for selecting the top projects out of approximately 50 applicants. The ARJIS projects were ranked in the top 20 and awarded funding.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$550,000	Replacing ARJIS Firewall and client VPN	ARJIS Cyber Security Platform	12/15/2024

### Future Activities

Complete implementation of the cyber security platform in the Azure government cloud.

**Work Element:** 7352900 – ARJIS: UASI FFY 2022

FDOHS - UASI	\$0		\$541	\$1,358,784	\$1,359,325
<b>Total</b>	<b>\$0</b>		<b>\$541</b>	<b>\$1,358,784</b>	<b>\$1,359,325</b>

### Objective

The objective of this work element is to coordinate, develop, and implement technologies that enhance public safety through the San Diego region. The Department of Homeland Security (DHS) Urban Area Security Initiative (UASI) assists with this work element by funding the Automated Regional Justice Information System to implement projects that target information sharing in San Diego County. The projects funded include a regional training program, Single Sign On (SSO), Live911 and cloud migration.

### Previous Accomplishments

Recruited and hired a regional trainer to plan and enhance the ARJIS regional training program.

### Justification

This work element has dedicated federal funding from the DHS-UASI grant. The region's law enforcement and fire chiefs were responsible for selecting the top projects out of approximately 50 applicants. The ARJIS projects were ranked in the top 20 and awarded funding.

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$664,459	Transition ARJIS environment to the cloud, resulting in enhanced systems and increased cyber-security	ARJIS Cloud Transformation	12/15/2024
2.	\$453,400	ARJIS Training Program is to provide standardized, consistent, relevant training on a variety of ARJIS systems and technologies to local, state, and federal agency partners.	ARJIS Regional Training Program	12/15/2024
3.	\$119,785	The ARJIS SSO project would enhance information analysis and cyber-security as law enforcement personnel would be able to access systems and data using a much easier approach than used currently.	ARJIS Single Sign On	12/15/2024
4.	\$121,140	The Live911 pilot project would drastically decrease this time by providing real-time audio streaming and locations of 911 calls to field personnel.	ARJIS Single Sign On	12/15/2024

### Future Activities

Plan and implement cloud transformation, Live911, and SSO security function.

**Work Element:** 7353200 – ARJIS: UASI FFY 2023

**Project Manager:** Noy Lithyovong

### Project Expenses

<b>Total ARJIS Work Elements</b>	<b>\$5,036,836</b>	<b>\$7,200,760</b>	<b>\$8,064,545</b>	<b>\$9,797,543</b>

<sup>1</sup> Fees include both member assessments and JPA fees for Charter Member Agencies. Member Assessments and ARJIS User & Network Connectivity Fees cover all ARJIS operations; network and server hardware support and help desk (24/7), software application support and system updates/enhancements, crime mapping, crime statistics, monthly mandated crime reporting, data entry, user support and training, regional validation table updates, interface maintenance, software licensing and contracts, user group and committee meetings and administration.

<sup>2</sup> FY 2024 fees are also based off a new fee structure in Addendum A of the 2023 JPA.

<sup>3</sup> See page 3-.

<sup>4</sup> Description of ARJIS work elements listed by OWP number. Project budgets have been modified to better align with work efforts.

<sup>5</sup> ARJIS Work Elements (Grants) - Project budgets reflect federal grant funding.

<sup>6</sup> ARJIS budgets for maintenance & support, project management & administration, ARJIS Enterprise and ARJIS Mobile were combined in FY24.

<sup>7</sup> Uncommitted reserves do not include contingency funds for legal and business disruptions/disaster recovery.

<b>Total</b>	<b>\$953,331</b>	<b>\$1,176,499</b>	<b>\$2,935,000</b>	<b>\$2,890,000</b>

<sup>1</sup> Since Participating member agencies have no population base, rates are based on usage. During the year, member accounts may be added or closed at their request, so annual totals may vary slightly.

<sup>2</sup> FY 2024 fees are based on number of users, as outlined in Addendum A of the 2023 JPA.

## CHAPTER 4

# TransNet Program

---

This chapter provides summary information related to the TransNet Program—the region's half-cent sales tax allocated to transportation-related improvements.

## CHAPTER 4

# TransNet Program

In 2004, the voters enacted a 40-year extension to the TransNet Program (Proposition A, November 2004), which extended the previous program from FY 2009 through FY 2048. The TransNet Ordinance and Expenditure Plan governs the distribution of revenues. The following pages show actual and estimated revenue distribution for FY 2022–2024 and the projected TransNet funding necessary for transit agencies to provide continued operations.

### These budgets further break down:

- Costs related to administration and the Independent Taxpayer Oversight Committee
- Population formula-based distributions to the Metropolitan Transit System, North County Transit District, and specialized services for seniors and disabled riders
- Allocations to the Transit System Improvements and Local Street and Road programs
- Interest income from bond proceeds
- The complete schedule of debt service payments
- Competitive grant programs being administered by SANDAG
- The New Major Corridor Transit Operations fund

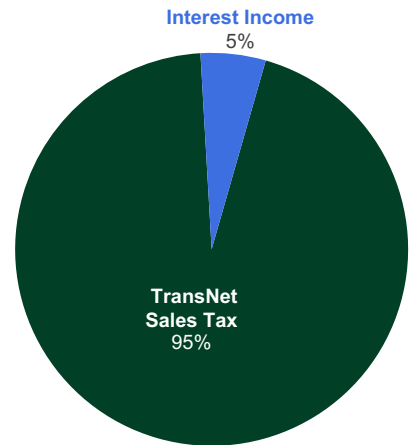

## Total Budget Breakdown

## Major Work Efforts

- Local jurisdictions—system improvements
- Transit system improvements
- Transit system and Bus Rapid Transit operations
- Major corridor improvements
- Border access improvements
- Bikeways
- Smart Growth Incentive Program
- Senior Service and ADA
- Environmental

## Revenue

## Expenses

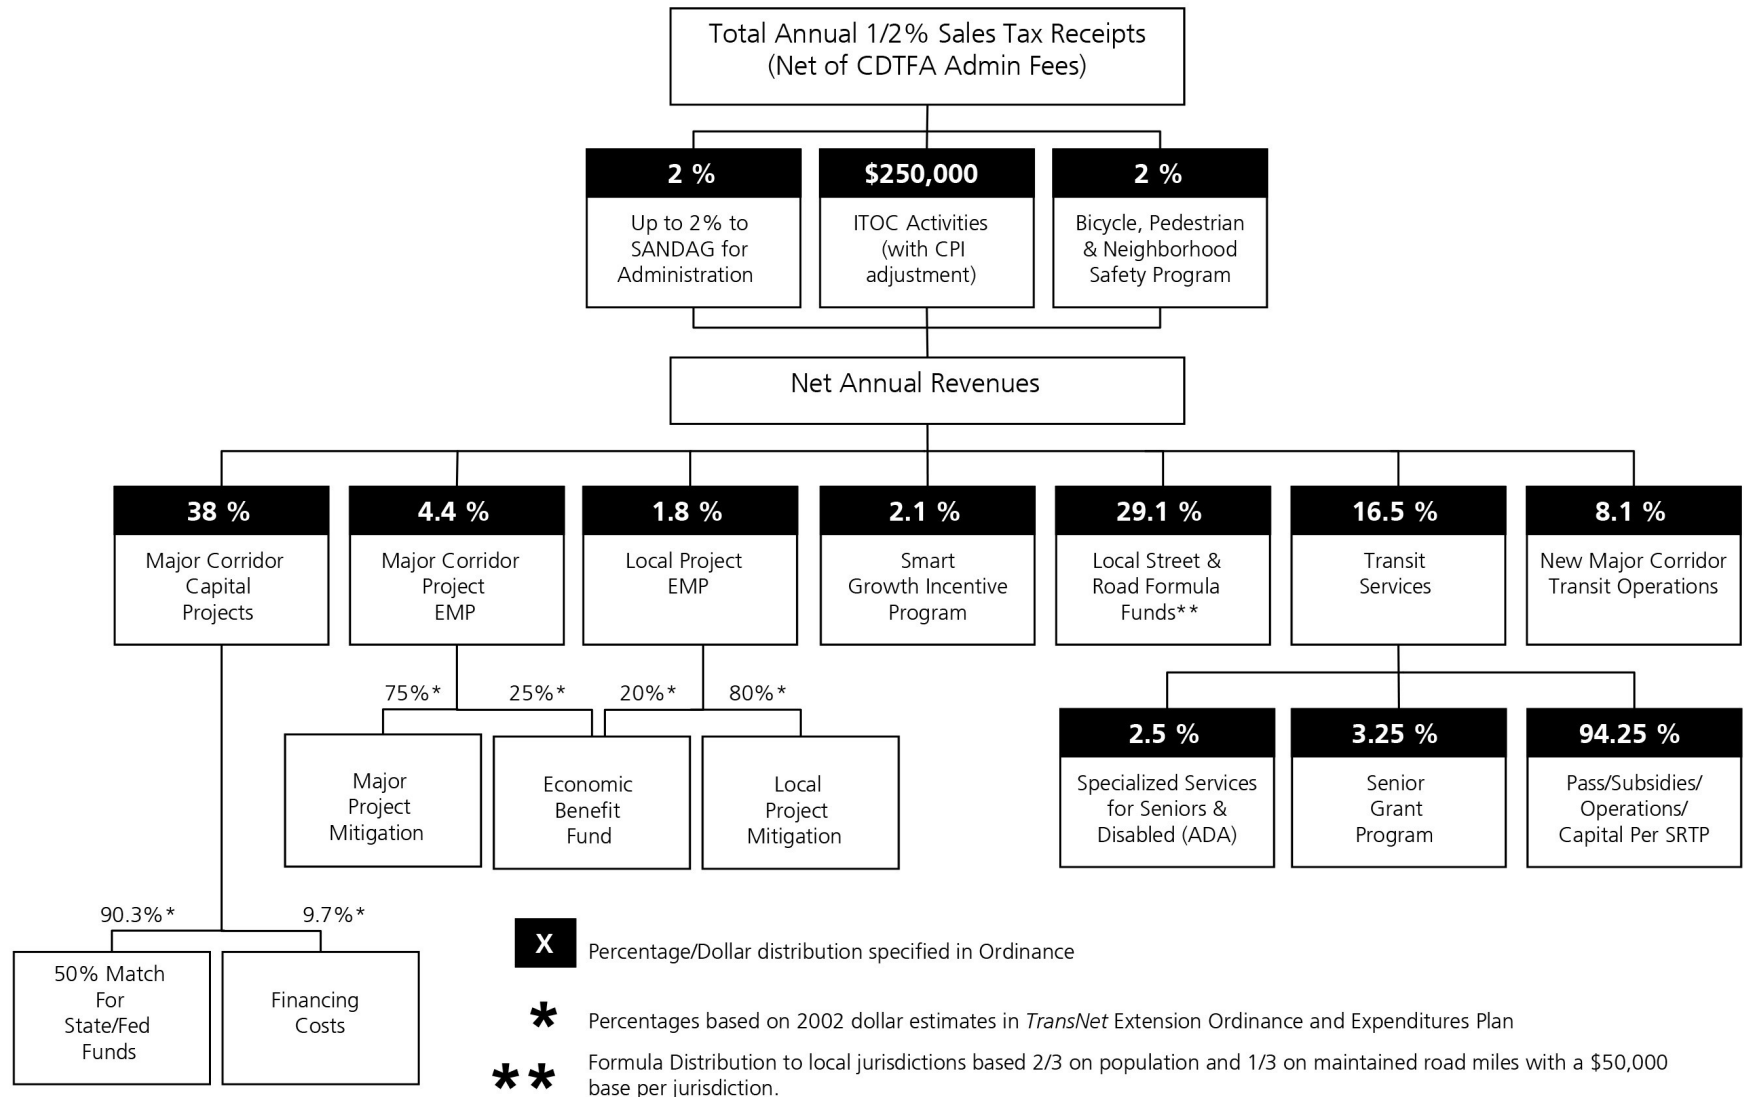

**80** Total TransNet Projects\*

\*These projects are also accounted for in different chapters, so are not added to the total project number count.

## TransNet Extension Flow of Funds FY 2009 – FY 2048\*

\* On May 14, 2021, the SANDAG Board of Directors, acting as the San Diego County Regional Transportation Commission, approved an adjustment to increase the administrative expense limitation from 1% to 2% beginning in FY 2022.

Revised May 2021

# San Diego County Regional Transportation Commission

## TransNet Program Budget

TransNet Program Revenues	Actual FY 2023	Estimated FY 2024	Projected FY 2025	% of Estimated Sales Tax Receipts	% Change FY 2024 to FY 2025	FY 2025 Debt Service Payments <sup>1</sup>

The TransNet Ordinance established the rules for the allocation of all Commission revenues. Commission funds are allocated according to the following priorities:

<sup>1</sup> See Long Term and Short Term Debt Program tables for details.

<sup>2</sup> Estimated FY 2024 and projected FY 2025 interest includes projected sales tax revenue interest earnings and projected earnings on unspent bond proceeds held as investments.

<sup>3</sup> Up to 2% of the annual sales tax revenue is allocated for administrative expenses. In May 2021, the Board of Directors approved an Ordinance amendment to change the Administrative allocation from 1% to 2% effective FY 2022.

<sup>4</sup> See Chapter 7 for further detail. Office of the Independent Performance Auditor expenses are incorporated into the Indirect Cost pool for FY 2024 to spread the costs across SANDAG programs.

<sup>5</sup> The Independent Taxpayer Oversight Committee (ITOC) allocation is based on the annual increase in the Consumer Price Index (CPI) beginning with FY 2002, using \$250,000 as the starting base. SANDAG policy, and in accordance with the ordinance, is to use the current CPI index and calculate change from the base year.

<sup>6</sup> Total of 2% of annual sales tax revenue shall be allocated for bikeway facilities and connectivity improvements, pedestrian and walkable community projects, bicycle and pedestrian safety projects and programs, and traffic calming projects.

<sup>7</sup> 42.4% of Net Sales Tax Receipts, which equates to 40.6% of Estimated Sales Tax Receipts, shall be allocated for Major Corridor projects, which include transportation mitigation under the Environmental Mitigation Program (EMP) and any finance charges incurred.

<sup>8</sup> 8.1% of Net Sales Tax Receipts, which equates to 7.8% of Estimated Sales Tax Receipts, shall be allocated to operate new rail or Bus Rapid Transit services.

<sup>9</sup> 16.5% of Net Sales Tax Receipts, which equates to 15.8% of Estimated Sales Tax Receipts, shall be allocated for purposes of public transit services, including providing for senior and Americans with Disabilities Act-related services.

<sup>10</sup> 33% of Net Sales Tax Receipts, which equates to 31.6% of Estimated Sales Tax Receipts, shall be allocated for local street and road improvement services, which includes roadway projects as well as Local EMP and Smart Growth Incentive programs.

Detail of Estimated Program Allocations	Actual FY 2023	Estimated FY 2024	Projected FY 2025	% Change FY 2024 to FY 2025	FY 2025 Debt Service Payments
Total Administrative Allocations	\$8,594,704	\$ 8,594,717	\$ 8,680,810	1.0%

Interest Income (to be allocated) <sup>5</sup>	21,294,720	23,784,869	24,558,041	3.3%	
<b>Total Program Allocations</b>	<b>\$451,029,901</b>	<b>\$ 453,520,722</b>	<b>\$ 458,598,538</b>	<b>1.1%</b>	<b>\$(110,449,213)</b>

<sup>1</sup> The Independent Taxpayer Oversight Committee (ITOC) allocation is based on the annual increase in the Consumer Price Index (CPI) beginning with FY 2002, using \$250,000 as the starting base. SANDAG policy, and in accordance with the Ordinance, is to use the current CPI index and calculate change from the base year.

<sup>2</sup> Transit System Improvements allocations include 'off-the-top' funding services for Americans with Disabilities Act (ADA)-related programs and for senior/disabled services, with the balance allocated by population to the Metropolitan Transit System and North County Transit District. The ADA funding is allocated to the transit agencies based on population, while the Senior Services program is allocated based on a competitive call for projects process.

<sup>3</sup> Local Street and Road program funds are allocated based on \$50,000 to each jurisdiction and the balance allocated by a formula based 2/3 on population data published by the State of California Department of Finance, and 1/3 on miles of maintained roads published by Caltrans. Individual city and county data as a percentage of the total of all city and county figures may fluctuate year to year.

<sup>4</sup> The Local EMP and Local Smart Growth Incentive programs are a subset under the Local System Improvement program designed to encourage early project mitigation and Smart Growth planning. These funds are available on a competitive call for projects process.

<sup>5</sup> Estimated FY 2024 and projected FY 2025 interest includes projected earnings on sales tax revenues and unspent bond proceeds held as investments.

## Long-Term Debt Program Notes

---

<sup>1</sup> This schedule only reflects debt issued that will be repaid with TransNet sales tax dollars. In August of FY2020, the 2019 Series A and B Capital Grants Receipts Revenue Bonds were issued which is secured solely by Grant Receipts and therefore is not reflected on this schedule.

<sup>2</sup> The 2008 Bond interest payments are based on the fixed rate payable to the swap providers and variable rate paid to the bondholders using actual rates through December 25, 2019, and using an average rate derived from the last six years for future periods, offset with the variable rate received from the swap providers (65% of LIBOR or SIFMA). It is anticipated that over the life of the debt, the variable rate received from the swap providers will approximate the variable rate paid to the bondholders. On June 14, 2012, \$151,500,000 of the 2008 Series ABCD Bonds were redeemed through the issuance of the 2012 Bonds.

<sup>3</sup> The 2010 Build America Bonds interest payments are net of the federal interest subsidy, which is approximately 27% of the total interest cost (prior to the Federal Sequestration in March 2013, the interest subsidy was 35%). Gross Interest Payment for FY 2021 is \$20,035,926 with an estimated subsidy (receipt) of \$6,479,618.

<sup>4</sup> On December 19, 2019, \$246,910,000 of the 2012 Bonds and \$155,335,000 of the 2014 Bonds were redeemed through the issuance of the 2019 Bonds.

<sup>5</sup> On March 25, 2021, \$146,365,000 of the 2014 Bonds were redeemed through the issuance of the 2021 Bonds.

<sup>6</sup> On July 13, 2023, \$383,700,000 of the 2008 Series A/B/C/D bonds, \$80,960,000 and \$41,163,000 of the 2019 Series A bonds redeemed through the issuance of the 2023 Bonds

<sup>1</sup> The Commercial Paper Program authorized capacity is \$100,000,000. Principal payments are based on outstanding Commercial Paper for payments using TransNet revenues. On June 30, 2025, there will be an outstanding principal balance of \$16,350,000 related to the North County Transit District Certificates of Participation. No TransNet is used to repay this balance.

<sup>2</sup> On October 1, 2022, \$537,480,000 of 2021 Series A short-term notes were fully refunded by drawing upon the Transportation Infrastructure Finance and Innovation Act (TIFIA) loan agreement.

<sup>3</sup> The Commercial Paper interest payments are based on an interest rate of 3.4% for budgeting purposes. Interest rates over the last two years have ranged from 0.1% to 3.6%. Actual interest payments will be at the actual market rate.

<sup>4</sup> By June 30, 2024, the City of San Diego will paydown the remaining \$26,167,000 of their outstanding Commercial Paper using their local funds. No TransNet funds will be used to repay this balance.

### Annual Project Funding<sup>7</sup>

Funding	FY 2023 Actual	FY 2024 Estimated Actual	FY 2025 Budget
TransNet ITOC Program	\$461,610	\$504,034	\$515,144
<b>Total</b>	<b>\$461,610</b>	<b>\$504,034</b>	<b>\$515,144</b>

### Objective

The objective of this work element is to fulfill the requirements of the TransNet Extension Ordinance, which authorizes the Independent Taxpayer Oversight Committee (ITOC) to oversee a number of functions relating to independent oversight of the TransNet Program. Emphasis in FY 2025 will be continued support for ITOC meetings and annual TransNet fiscal and compliance audits. Other areas of focus are producing the annual ITOC report.

### Previous Accomplishments

Previous accomplishments include overseeing the annual fiscal and compliance audits, completion of the FY 2024 TransNet Triennial Performance Audit, review of the TransNet Program Updates and completion of FY 2024 ITOC Annual Report.

### Justification

The ITOC Program fulfills a voter mandate in the TransNet Extension Ordinance.

<sup>1</sup> Salaries, benefits, indirect costs for SANDAG staff supporting the ITOC.

<sup>2</sup> Mileage and parking reimbursement for ITOC members.

<sup>3</sup> Reserve started at \$20,000 in FY 2013 with CPI adjustment each subsequent year.

<sup>4</sup> Carryover balance is transferred from the prior year and includes a net difference between annual funding and expenses, prior year unspent funding, and may include interest earned.

<sup>5</sup> Current Year Interest Earned will be added to "Carryover TransNet Revenue - unbudgeted" in future years.

<sup>6</sup> Year-end carryover balance.

<sup>7</sup> Annual revenue is \$250,000 (\$2000) escalated annually by the most current Consumer Price Index (CPI).

### Product, Tasks, and Schedule for FY 2025

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$177,851	Staff support for ongoing ITOC meetings; development of the ITOC work program.	Monthly ITOC meeting agendas and reports	6/30/2025
2.	\$27,283	Produce annual ITOC report in accordance with the TransNet Extension Ordinance.	2025 ITOC Annual Report to the Board of Directors	6/30/2025
3.	\$149,350	Provide additional review services by independent consultant, as appropriate	Independent report to the Board of Directors	6/30/2025
4.	\$81,845	Oversee annual TransNet fiscal and compliance audits and present recommendations and findings, if any, to the ITOC, Transportation Committee, and SANDAG Board of Directors.	FY 2024 TransNet Fiscal and Compliance Audit Report	6/30/2025

### Future Activities

Future activities include continued support for ongoing ITOC meetings, producing FY 2025 ITOC Annual Report, and overseeing the annual fiscal and compliance audits.

## Senior Services Transportation Grant Program

The Senior Services Transportation Grant program is a competitive grant program awarded for projects and operations that support mobility and access for seniors.<sup>1</sup>

<b>Grand Total</b>			<b>\$23,945,167</b>	<b>\$21,391,919</b>	<b>\$1,707,182</b>	<b>\$590,248</b>

<sup>1</sup> The grant awards shown reflect the current and active SANDAG projects per the FY 2009 - FY 2023 call for projects as approved by the Board of Directors on September 26, 2008, February 25, 2011, March 22, 2013, February 27, 2015, July 22, 2016, March 24, 2017, March 22, 2019, March 26, 2021, and February 24, 2023. As grant projects are completed, original grant awards may be reduced to reflect actual costs at close out, with remaining funds returned to the pool for future use.

<sup>2</sup> Prior expenditures are calculated based on actual previous expenditures. Any grant balance remaining is used for future call for projects in the TransNet Senior Services Transportation Grant program.

<sup>3</sup> 82 projects completed prior to FY 2025

## Smart Growth Incentive Program

The Smart Growth Incentive Program (SGIP) provides competitive grant funding to local jurisdictions for comprehensive public infrastructure projects and planning activities that facilitate compact, mixed-use, transit-oriented development and increase housing and transportation choices.

Project No.	Contract No.	Jurisdiction	Project Title	Grant Amount	Anticipated Expenditures		
					Prior <sup>1</sup>	FY 2025	Future
1224067	5005488	City of El Cajon	El Cajon Transit Center Community Connection Improvements	\$2,500,000	\$2,300,000	\$200,000	-

Grand Total				\$59,957,009	\$53,089,075	\$3,750,197	\$325,000

<sup>1</sup> Prior expenditures are calculated based on actual previous expenditures plus estimated expenditures for FY 2024. Prior Expenditures from completed projects are actual project costs. Any grant balance remaining is used for future call for projects in the TransNet SGIP.

<sup>2</sup> Project is complete and one of the City's contractors is under investigation by the Department of Industrial Relations. Once the labor compliance issues are resolved by the DIR, the project will be closed.

<sup>3</sup> 60 projects completed prior to FY 2025

FY 2025 TransNet Program

## Active Transportation Grant Program

The Active Transportation Grant program (ATGP) (formerly known as the Bicycle, Pedestrian, and Neighborhood Safety program — BPNS) is a competitive grant program supporting bicycle and pedestrian infrastructure and neighborhood safety enhancement projects. The program's TransNet funds also are supplemented with available Transportation Development Act Article 3 funds.

Projects funded through TransNet<sup>1</sup>

Project No.	Contract No.	Grantee	Project Title	Grant Amount	Anticipated Expenditures		
					Prior <sup>2</sup>	FY 2025	Future
1223071	5004838	City of Carlsbad	Carlsbad Boulevard and Tamarack Avenue Pedestrian Improvement Project	\$1,054,000	\$397,112	\$13,538	\$643,350

Subtotal Projects Completed <sup>3</sup>				15,632,270	13,931,775	-	-
Grand Total				\$16,686,270	\$14,328,887	\$13,538	\$643,350

<sup>1</sup> The project shown above was selected for funding through the Active Transportation Program (ATP) Cycle 2 Call for Projects. The Board of Directors approved an exchange of the state ATP funding for TransNet funding at its October 23, 2015, meeting.

<sup>2</sup> Prior expenditures are calculated based on actual previous expenditures plus estimated expenditures for FY 2024. Prior Expenditures from completed projects are actual project costs. Any grant balance remaining is used for future call for projects in the TransNet ATGP.

<sup>3</sup> 47 projects completed prior to FY 2025

## Regional Habitat Conservation Fund

SANDAG has established a Regional Habitat Conservation Fund. This program is a component of the TransNet Environmental Mitigation program (EMP) (1200300) shown in the TransNet Program of Projects as part of Chapter 4. Contracts are awarded to land managers to assist with regional management and monitoring needs to promote regional habitat conservation and reduce the potential for listing of future species as endangered by the federal and state wildlife agencies. The Board of Directors allocates funding on an annual basis to complete specific tasks.

Project No.	Project Title	Approved Budget	Prior	Current Expenditure	Anticipated Expenditures

<sup>1</sup> Prior year expenditures are calculated based on actual project to date expenditures plus estimated expenditures for the remainder of FY 2024.

<sup>2</sup> Memorandum of Agreement approved by the Board on February 22, 2019, allocating a total of \$4 million a year to regional management and biological monitoring for FY 2019 to FY 2029.

## Environmental Mitigation Program Land Management Grant Program

SANDAG has established a competitive Land Management Grant Program. This program is a component of the TransNet Environmental Mitigation Program's Habitat Conservation Fund (1200300) shown in the TransNet Program of Projects as part of Chapter 5. The grants are awarded to land managers to assist with regional management and monitoring needs to promote regional habitat conservation and reduce the potential for listing for future species as endangered by the federal and state wildlife agencies.

<sup>1</sup> Operating Costs include those costs passed on to MTS/NCTD for Operations and Maintenance Costs, which include: Station and Right of Way Maintenance, Security, and Utilities.

<sup>2</sup> Administration Costs include the staff costs to monitor and administer the services.

<sup>3</sup> Intelligent Transportation Systems include those costs to maintain and monitor Traffic Signal Priority, Real Time Information, Variable Message Signs, etc.

<sup>4</sup> Professional Services includes those costs to promote and evaluate the service, including Marketing and Passengers Surveys, etc.

<sup>5</sup> Mid-City Rapid Bus' Operating Net Costs are the costs to operate Mid-City minus the "Maintenance of Effort" requirement from SR 15 previously operated in the same corridor by MTS.

<sup>6</sup> Farebox Revenues are those fares collected from passengers by the transit agencies.

<sup>7</sup> TransNet Subsidy = Operating costs + Administration costs + Intelligent Transportation Systems + Professional Services - Maintenance of Effort - Farebox and Other Revenues.

<sup>8</sup> On September 27, 2019, the Board of Directors approved swapping TransNet New Major Corridor Transit Operations funds with I-15 FasTrak funds.

<sup>9</sup> Other Revenues include naming rights and/or advertising revenues received by MTS/NCTD

## CHAPTER 5

# Capital Projects

---

This chapter includes a summary of regionally significant capital projects and applicable funds.

## CHAPTER 5

# Capital Projects

The TransNet Extension Ordinance (chapter 4) allows SANDAG to continue partnering with Caltrans, transit operators, and local jurisdictions. Together, we implement major transit, highway, and bikeway projects throughout the region.

**This chapter is divided into nine sections:**

- ▶ The TransNet Program of Projects (POP) includes current budgets for approved TransNet Extension projects.
- ▶ The TCIF /Goods Movement Program projects describe efforts relating to the movement of goods in region.
- ▶ The Regional Bikeway Program section outlines bikeway projects led by SANDAG.
- ▶ Major Capital Projects are regionally significant capital investments over \$1 million.
- ▶ Minor Capital Projects include other capital projects of less than \$1 million.
- ▶ Projects Pending Closeout are open to the public and substantially complete.
- ▶ Projects Completed Through a Major Milestone require additional funding to move into the next phase.
- ▶ The Future Projects section identifies approved Complete Corridor projects with funding beginning in FY 2026 and beyond.
- ▶ Comprehensive Multimodal Corridor Plan projects address the creation of management plans for transportation solutions.

## Total Budget Breakdown

## Major Work Efforts

- ▶ LOSSAN Corridor/Del Mar Bluffs
- ▶ Otay Mesa East Port of Entry
- ▶ Airport Transit Connection
- ▶ Regional Bikeways—Barrio Logan, Border to Bayshore, Eastern Hillcrest, Downtown to Imperial, University
- ▶ Major Corridor Projects—I-5 HOV Lanes: Oceanside Design, I-15/SR 78 Connectors Environmental Clearance, SR 52 Operational Improvements Environmental Clearance, SR 67 Improvements Environmental Clearance and Design, SR 78 HOV Lanes Environmental Clearance, SR 94/SR 125 South to East Connector Environmental Clearance & Design, I-805 Soundwalls and Auxiliary Lanes Construction

## Revenue

## Expenses

**122** Total Capital Projects

## List of Projects

<b>5.1 TransNet Program of Projects</b>	<b>5.1-1</b>	1280515 I-805 South Soundwalls	5.1-41
1200100 TransNet Project Office	5.1-2	1280516 I-805 North Auxiliary Lanes	5.1-42
1200200 Project Biological Mitigation Fund	5.1-3	1280518 SR 94 Transit Priority Lanes (I-5 to I-805)	5.1-43
1200300 Regional Habitat Conservation Fund	5.1-5	1280519 I-805 Transit Priority Lanes (SR 15 to SR 52)	5.1-44
1257001 Mid-Coast Light Rail Transit (LRT)	5.1-6	1280520 I-805/SR 94/SR 15 Transit Connection	5.1-45
1200504 I-5 HOV: Manchester Avenue to Palomar Airport Road	5.1-8	1280521 I-805: HOV Conversion to Express Lanes (Palomar to SR 94)	5.1-46
1200509 I-5 HOV: San Elijo Bridge Replacement	5.1-9	<b>5.2 TCIF/Goods Movement</b>	<b>5.2-1</b>
1200510 I-5 HOV: Carlsbad	5.1-10	1201101 SR 11 and Otay Mesa East Port of Entry	5.2-2
1200513 SR 56 HOV Lanes	5.1-12	1201105 SR 11 and Otay Mesa East Port of Entry: Traffic and Revenue Study	5.2-4
1200515 I-5/I-805 HOV Conversion to Express Lanes	5.1-13	<b>5.3 Regional Bikeway</b>	<b>5.3-1</b>
1200516 I-5 HOV Lanes: Oceanside	5.1-14	1223017 Coastal Rail Trail Encinitas: E Street to Chesterfield Drive	5.3-2
1201514 Downtown Multiuse and Bus Stopover Facility	5.1-15	1223020 North Park/Mid-City Bikeways: Robinson Bikeway	5.3-3
1201520 I-15 Express Lanes – Forrester Creek Improvements	5.1-16	1223053 San Diego River Trail: Carlton Oaks Segment	5.2-4
1205204 SR 52 Improvements	5.1-17	1223054 Central Avenue Bikeway	5.2-5
1206701 SR 67 Improvements	5.1-18	1223055 Bayshore Bikeway: Barrio Logan	5.2-6
1207606 SR 76 East	5.1-19	1223056 Border to Bayshore Bikeway	5.3-7
1207802 I-15/SR 78 HOV Connectors	5.1-20	1223057 Pershing Drive Bikeway	5.3-8
1207803 SR 78/I-5 Express Lanes Connector	5.1-21	1223058 Downtown to Imperial Avenue Bikeway	5.3-9
1207804 SR 78 HOV Lanes: I-5 to I-15	5.1-22	1223079 North Park/Mid-City Bikeways: Howard Bikeway	5.3-10
1210021 Blue Line Railway Signal Improvements	5.1-23	1223081 North Park/Mid-City Bikeways: University Bikeway	5.3-11
1210090 Low-Floor Light Rail Transit Vehicles	5.1-24	1223083 Uptown Bikeways: Eastern Hillcrest Bikeways	5.3-12
1210091 Palomar Street Rail Grade Separation	5.1-25	1223084 Uptown Bikeways: Washington Street and Mission Valley Bikeways	5.3-13
1212501 SR 94/SR 125 South to East Connector	5.1-26	1223085 Uptown Bikeways: Mission Hills and Old Town Bikeways	5.3-14
1239805 Poinsettia Station Improvements	5.1-27	1223087 North Park/Mid-City Bikeways: Orange Bikeway	5.3-15
1239807 Sorrento Valley Double-Track	5.1-28	1223093 GObyBIKE San Diego: Construction Outreach Program	5.3-16
1239809 Eastbrook to Shell Double-Track	5.1-29	1223094 Inland Rail Trail Phase 3	5.3-17
1239810 Carlsbad Village Double-Track	5.1-30	1223095 Inland Rail Trail Phase 4	5.3-18
1239811 Elvira to Morena Double-Track	5.1-31	1223096 Bayshore Bikeway: Barrio Logan Phase 2	5.3-19
1239812 Sorrento to Miramar Phase 2	5.1-32	1223097 Bayshore to Imperial Bikeway	5.3-20
1239813 San Dieguito Lagoon Double-Track Design	5.1-33	1223200 Pacific Coast Highway/ Central Mobility Bikeway	5.3-21
1239814 LOSSAN Rail Corridor Preliminary Engineering	5.1-34		
1239816 Batiquitos Lagoon Double-Track	5.1-35		
1239820 COASTER Train Sets	5.1-36		
1239822 San Dieguito Lagoon Double-Track Phase 1 Construction	5.1-37		
1239823 San Dieguito to Sorrento Valley Double-Track	5.1-38		
1239824 San Dieguito Lagoon Double-Track Phase 2 Construction	5.1-39		
1280513 I-805/SR 94 Bus on Shoulder Demonstration Project	5.1-40		

<b>5.4 Major Capital Projects</b>	<b>5.4-1</b>
1129200 OCS Insulator & Catch Cable Replacement	5.4-2
1130100 ERP System	5.4-3
1131500 Fiber Optic Information Network Gap Closures	5.4-4
1142600 Joint Transportation Operations Center (JTOC)	5.4-5
1145300 Rose Canyon Bridge Replacements	5.4-6
1145400 San Onofre Bridge Replacements	5.4-7
1146500 Bridge 257.2 Replacement Project	5.4-8
1146600 San Onofre to Pulgas Double-Track Phase 2	5.4-9
1147000 Beyer Blvd. Slope & Drainage	5.4-10
1147100 Del Mar Bluffs V	5.4-11
1147101 Del Mar Bluffs Access Improvements	5.4-12
1147700 Next Operating System (Next OS)	5.4-13
1147800 SR 76 Roadway Straightening	5.4-14
1147900 I-8/Willows Road Interchange Improvements	5.4-15
1148000 Harbor Drive 2.0/Vesta Street Bridge	5.4-16
1149000 Central Mobility Hub	5.4-17
1149100 Airport Transit Connection	5.4-18
1149200 San Ysidro Track Relocation	5.4-19
1400000 Regional Tolling Back-Office System	5.4-20
1400402 Roadway Toll Collection System	5.4-21
1400406 New SR 125 Regional Tolling Back-Office System	5.4-22
1400407 New I-15 Regional Tolling Back-Office System	5.4-23
<b>5.5 Minor Capital Projects</b>	<b>5.5-1</b>
Minor Capital Projects	5.5-2
<b>5.6 Projects Pending Closeout</b>	<b>5.6-1</b>
Projects Pending Closeout	5.6-2
<b>5.7 Projects Completed Through a Major Milestone</b>	<b>5.7-1</b>
Projects Completed Through a Major Milestone	5.7-2
<b>5.8 Future Projects</b>	<b>5.8-1</b>
Future Projects	5.8-2
<b>5.9 Comprehensive Multimodal Corridor Plan</b>	<b>5.9-1</b>
1600101 CMCP - Regional CMCP Development	5.9-2
1600504 CMCP – Central Mobility Hub Connections	5.9-3
1609401 CMCP - High Speed Transit/SR 94	5.9-5
1612501 CMCP - High Speed Transit/SR 125	5.9-6

Comprehensive Multimodal Corridor Plan	285	5,823	5%
<b>Total All Capital Projects (excluding EMP)</b>	<b>\$63,979</b>	<b>\$981,313</b>	<b>7%</b>
<b>EMP<sup>2</sup></b>	<b>-</b>	<b>\$27,243</b>	<b>-</b>

FY 2025 Balance	Contingency Reserves	Remaining Budget 2025-2033	% of Budget
TransNet Program of Projects	\$150,008	\$789,061	19%
TCIF/Goods Movement Projects	-	370,361	0%
Regional Bikeway Projects	7,730	203,927	4%
Major Capital Projects	12,740	232,688	5%
Minor Capital Projects	-	555	0%
Projects Pending Closeout	89	1,949	5%
Comprehensive Multimodal Corridor Plan	-	6,910	0%
<b>Total All Capital Projects (excluding EMP)</b>	<b>\$170,567</b>	<b>\$1,605,451</b>	<b>11%</b>
<b>EMP</b>	<b>-</b>	<b>\$16,666</b>	<b>-</b>

<sup>1</sup> These numbers include only the SANDAG share of the Capital Program and do not include the Caltrans portion

<sup>2</sup> Environmental Mitigation Program: The EMP does not have a contingency reserve because expenditures are planned on an annual basis based on cash availability

# TransNet Program of Projects

Projects shown in this section describe efforts relating to transit, highway, and environmental mitigation projects being funded in part by TransNet. In November 2004, voters approved an extension of the TransNet sales tax for specific improvements to the region's transportation network, including the associated environmental mitigation.

## Budget Comparison

### FY 2025

\$355,260,000

### FY 2024

\$263,870,000

## Major Projects

- ▶ I-5 HOV Carlsbad (1200510)
- ▶ Batiquitos Lagoon Double Track (1239816)
- ▶ San Dieguito Lagoon Double Track Phase 1 Construction (1239822)
- ▶ San Dieguito to Sorrento Valley Double Track (1239823)
- ▶ I-805 South Soundwalls (1280515)

## Capital Budget Breakdown

**Project Name:** TransNet Project Office

**CIP No.** 1200100

**RTIP No:** N/A

**Project Manager:** Chelsea Gonzales

**Corridor Director:** Chelsea Gonzales

#### Project Scope:

Implement project control measures for the TransNet Major Corridors and Bikeway Programs including: scheduling, cost estimating, change control, risk management, work breakdown structure, resource planning, document control, TransNet Dashboard development, and consultant contract administration.

#### Project Limits:

Regionwide

#### Progress to Date:

Emphasis in FY 2025 will be on continuing implementation of the TransNet Major Corridor Program, Bike Program and transition from PMTools to the Enterprise Resource Program and CORA project management tool.

#### Major Milestones:

Milestone	Date

#### Project Scope:

Habitat acquisition, restoration, creation, enhancement, management and monitoring necessary to meet regional transportation project mitigation requirements.

#### Project Limits:

Regionwide

#### Progress to Date:

Over 9,215 acres of land have been acquired and over 200 acres are currently under restoration. Restoration of the San Dieguito Lagoon Phase II Project is 95% complete and will be completed in FY 2025. Long-term monitoring of the San Elijo Lagoon Restoration Project is currently in process.

#### Project Scope:

Provide funding to assist with regional habitat management and monitoring as described in the TransNet Extension Ordinance.

#### Project Limits:

Regionwide

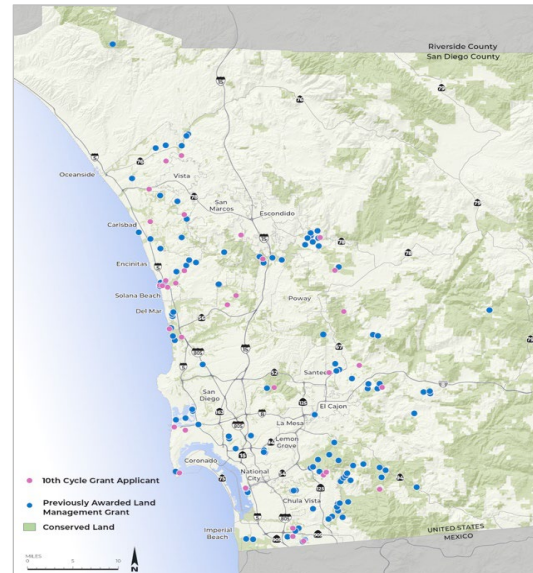

#### Progress to Date:

Grant agreements under the 10th cycle were executed for selected grantees in January 2023. Habitat management and monitoring work under these grants, is in process and will continue through FY25. The FY 24-26 Work Plan for regional management and monitoring will be implemented through FY 2026.

#### Project Scope:

A new 10.9-mile extension of the Trolley Blue Line with stations at Tecolote Road, Clairemont Drive, Balboa Avenue, Nobel Drive, Veterans Administration Medical Center, Pepper Canyon and Voigt Drive on the UC San Diego campus, Executive Drive, and University Towne Center (UTC).

#### Project Limits:

On and along existing coastal rail corridor from Old Town Transit Center to Gilman Drive, along I-5 from Gilman Drive to UC San Diego, and along Voigt Drive and Genesee Avenue to UTC.

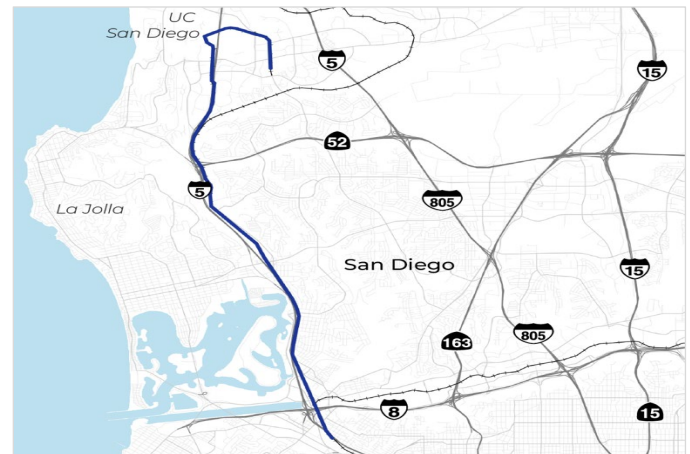

#### Progress to Date:

Project opened for service in November 2021. Remaining construction activities were completed in FY 2024. In FY 2025, right-of-way transfers, as-built document preparation, Clairemont Station third party construction coordination, and project close out activities will be ongoing.

**Project Name:** I-5 HOV: Carlsbad

**CIP No.** 1200510

**RTIP No:** CAL09

**Project Manager:** Marvin Canton

**Corridor Director:** Allan Kosup

#### Project Scope:

Construct one High-Occupancy Vehicle (HOV) lane in each direction and a southbound auxiliary lane at Cannon Road, community enhancement, soundwalls, long-term plant establishment and, as part of the Batiquitos Lagoon Trail project, a new 0.9 east/west trail. The environmental and design phases for the Batiquitos Lagoon Trail is being completed under CIP No. 1200504 I-5 HOV Manchester Avenue to Palomar Airport Road.

#### Project Limits:

On I-5 from Palomar Airport Road to north of SR 78. The Batiquitos Lagoon Trail project is located under Interstate 5 from Batiquitos Lagoon Nature Center to Mermaid Lane in the City of Carlsbad.

#### Progress to Date:

All lanes are open to traffic. The construction of the outside widening, slope repair, lagoon and community enhancements, and soundwalls are 35% complete. Design for Batiquitos Lagoon Trail project is 90% complete. Construction of the Batiquitos Lagoon Trail project is anticipated to begin in FY 2026.

**Project Scope:**

Construct one High-Occupancy Vehicle (HOV) lane in each direction on SR 56 from El Camino Real to Carmel Valley Road.

**Project Limits:**

On SR 56 from El Camino Real to Carmel Valley Road.

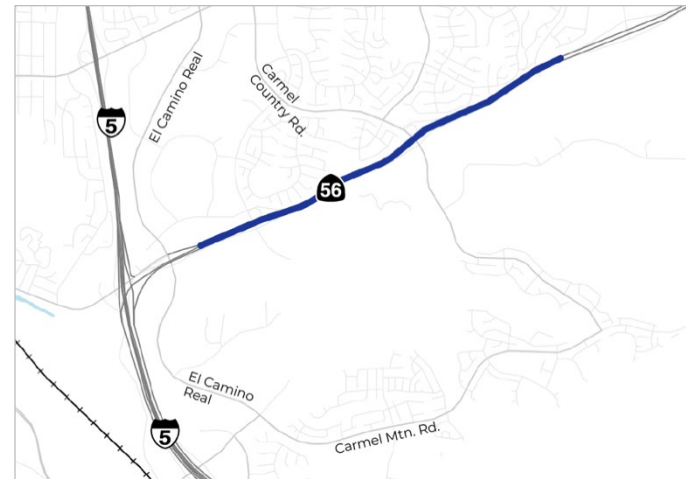

**Progress to Date:**

Construction began in FY 2024 and will continue through FY 2025. Project will open to the public in late FY 2025.

**Major Milestones:**

**Project Name:** I-5/I-805 HOV Conversion to Express Lanes  
**CIP No.** 1200515 **RTIP No:** CAL09D  
**Project Manager:** Marvin Canton **Corridor Director:** Allan Kosup

#### Project Scope:

Corridor study, preliminary engineering and design for the conversion of existing High Occupancy Vehicle (HOV) lanes to Express Lanes along the I-5 and I-805 corridors.

#### Project Limits:

On I-805 from SR 52 to the I-5/805 merge and on I-5 from the I-5/805 merge to SR 78.

#### Progress to Date:

The final environmental document for the I-805 portion was cleared under CIP 1280503 and the I-5 portion was cleared under CIP 1200501. Design is 5% complete and will continue through FY 2025.

#### Major Milestones:

**Project Name:** Downtown Multiuse and Bus Stopover Facility  
**CIP No.** 1201514 **RTIP No:** SAN129  
**Project Manager:** Omar Atayee **Corridor Director:** Karen Jewel

#### Project Scope:

Preliminary engineering, design, and right-of-way activities for a bus stopover facility and potentially a multiuse facility that could include office, residential, and retail development.

#### Project Limits:

The block bounded by A Street, B Street, State Street, and Union Street in the Columbia-Civic/Core neighborhood of Downtown San Diego.

#### Progress to Date:

Three parcels have been acquired. In FY 2025, negotiations will continue for acquisition of the remaining parcel(s) necessary to construct the facility.

Note: the entire cost for this project is estimated to be \$163 million. Continued progress is subject to a funding allocation.

<b>Project Name:</b>	SR 94/SR 125 South to East Connector		
<b>CIP No.</b>	1212501	<b>RTIP No:</b>	CAL68
<b>Project Manager:</b>	Michael Lubin	<b>Corridor Director:</b>	Karen Jewel

#### Project Scope:

Design and right-of-way of southbound SR 125 to eastbound SR 94 direct connector. Construction of operational improvements on SR 125 Northbound Auxiliary Lane, SR 125 Southbound Auxiliary Lane, and SR 94 Eastbound Auxiliary Lane (Phase 1). Phase 2 will include construction of the southbound SR 125 to eastbound SR 94 direct connector.

#### Project Limits:

On SR 94 and SR 125 from Lemon Avenue to Bancroft Drive.

#### Progress to Date:

Phase 1 design is 80% complete and will be completed in FY 2025.

#### Major Milestones:

Milestone	Date
Draft Environmental Document	February-15
Final Environmental Document	December-15
Ready to Advertise	January-26
Begin Construction	July-26
Open to Public	July-28
Construction Complete	May-30

**Project Name:** Poinsettia Station Improvements  
**CIP No.** 1239805 **RTIP No:** SAN117  
**Project Manager:** Angela Anderson **Corridor Director:** Bruce Smith

#### Project Scope:

Construct a new grade-separated pedestrian crossing, reconfigure tracks, and install new platform, fence, signals, and track upgrades.

#### Project Limits:

On coastal rail corridor at Poinsettia Station.

#### Progress to Date:

Project closeout with North County Transit District anticipated to be finalized in FY 2025. Grant closeout will occur in FY 2026 and FY 2027.

#### Major Milestones:

<b>Project Name:</b>	<b>Carlsbad Village Double-Track</b>		
<b>CIP No.</b>	<b>1239810</b>	<b>RTIP No:</b>	<b>SAN130</b>
<b>Project Manager:</b>	<b>Tim Dewitt</b>	<b>Corridor Director:</b>	<b>Bruce Smith</b>

#### Project Scope:

Prepare final environmental document and 30% design for 1.0 miles of double-track, a new bridge across Buena Vista Lagoon, and new signals.

#### Project Limits:

On the LOSSAN Rail Corridor from Mile Post (MP) 228.4 near Kelly Street to MP 229.5 near Carlsbad Boulevard across Buena Vista Lagoon and near Carlsbad Village Station.

#### Progress to Date:

Environmental clearance and feasibility study are complete. Design is 30% complete. Remaining work is pending environmental clearance of the Carlsbad Village Double-Track Trench Project (CIP 1239819). Continuing efforts to seek funding in FY 2025.

#### Major Milestones:

<b>Project Name:</b>	<b>San Dieguito Lagoon Double-Track Design</b>		
<b>CIP No.</b>	<b>1239813</b>	<b>RTIP No:</b>	<b>SAN30</b>
<b>Project Manager:</b>	<b>Angela Anderson</b>	<b>Corridor Director:</b>	<b>Bruce Smith</b>

#### Project Scope:

Environmental clearance and design of 2.1 miles of double-track, special events platform, replacement of the San Dieguito Bridge, and other various improvements. Project will be split into two phases for construction. Phase 1 (CIP No. 1239822) will construct 0.8 miles of double-track north of the existing bridge. Phase 2 (CIP No. 1239824) will build the remaining double-track, new bridge, and improvements.

#### Project Limits:

On the LOSSAN Rail Corridor from the City of Solana Beach Mile Post (MP) 242.2 to south of MP 243.9 in the City of Del Mar.

#### Progress to Date:

Phase 1 pre-construction outreach and Phase 2 final design for the double-track bridge and special events platform will continue through FY 2025.

**Project Name:** San Dieguito Lagoon Double-Track Phase 2 Construction  
**CIP No.** 1239824 **RTIP No:** SAN30  
**Project Manager:** Angela Anderson **Corridor Director:** Bruce Smith

#### Project Scope:

Construction of 0.3 miles of new main track, improvements to 0.6 siding track, the replacement of aging wood trestle San Dieguito Lagoon Rail Bridge, construction of special events platform for the Del Mar Fairgrounds, and other various improvements.

#### Project Limits:

In the City of Del Mar, along the San Diego subdivision of the LOSSAN Rail Corridor between Mile Post (MP) 243.0 to MP 243.9.

#### Progress to Date:

Preconstruction activities and right-of-way certification were completed on CIP No. 1239813. Advertisement preparation will occur in FY 2025. Construction will begin in FY 2026.

**Project Name:** I-805/SR 94 Bus on Shoulder Demonstration Project  
**CIP No.** 1280513 **RTIP No:** SAN224  
**Project Manager:** Peter Thompson **Corridor Director:** Karen Jewel

#### Project Scope:

Design and construct new freeway shoulder infrastructure on East Palomar Street, I-805 and SR 94. Implement technology improvements within the corridor to support Rapid operation. Procurement of 16 new compressed natural gas buses.

#### Project Limits:

In Chula Vista, on East Palomar Street between Heritage Road and I-805. On I-805 between East Palomar Street and SR 94. On SR 94 between I-805 and Downtown San Diego.

#### Progress to Date:

Driver surveys were completed in FY 2024. Rider surveys will be completed in FY 2025. Environmental work and pilot operations are ongoing.

# Goods Movement

Projects shown in this section describe efforts relating to the movement of goods in the San Diego region for which SANDAG and Caltrans share in the lead role for the environmental planning, design engineering, and construction.

## Budget Comparison

<b>FY 2025</b>
\$145,510,000
<b>FY 2024</b>
\$32,033,000

## Major Projects

- ▶ SR 11 Otay Mesa Port of Entry (1201101)

## Capital Budget Breakdown

<b>Project Name:</b>	<b>SR 11 and Otay Mesa East Port of Entry</b>		
<b>CIP No.</b>	<b>1201101</b>	<b>RTIP No:</b>	<b>V11</b>
<b>Project Manager:</b>	<b>Nikki Tiongco</b>	<b>Corridor Director:</b>	<b>Maria Rodriguez-Molina</b>

#### Project Scope:

Design and right-of-way (ROW) for four-lane toll highway from SR 125 to proposed Port of Entry (POE), including the proposed Commercial Vehicle Enforcement Facility (CVEF) and POE at the Mexico border. Construction of CVEF, POE, and tolling system. Prepare engineering studies for the Otay Mesa East POE and tolling system. SR 11 Otay East Bridging Document - 30% Architectural Plans, Bond Counsel, documents required for bond issuance.

#### Project Limits:

On new alignment from SR 125 to the U.S.-Mexico Border.

#### Progress to Date:

Design is 40% complete. Construction site preparations have been completed. Construction will begin in FY 2025.

#### Major Milestones:

Milestone	Date
Draft Environmental Document	April-11
Final Environmental Document	March-12
Ready to Advertise	July-24
Begin Construction	January-25
Open to Public	January-27
Construction Complete	March-28

<b>Project Name:</b>	<b>SR 11 and Otay Mesa East Port of Entry: Traffic and Revenue Study</b>		
<b>CIP No.</b>	<b>1201105</b>	<b>RTIP No:</b>	<b>V11</b>
<b>Project Manager:</b>	<b>Nikki Tiongco</b>	<b>Corridor Director:</b>	<b>Maria Rodriguez-Molina</b>

#### Project Scope:

Develop an Investment Grade Traffic and Revenue (IG T&R) study for the SR 11/Otay Mesa East Port of Entry project.

#### Project Limits:

On new alignment from SR 125 to the U.S.-Mexico Border.

#### Progress to Date:

Initial Traffic and Revenue Study was completed in spring 2023. An updated Investment Grade Traffic and Revenue Study is needed to secure additional project financing for the Otay Mesa East Port of Entry project in 2025. New data collection and model adjustments were initiated in FY 2024, and the revised study will be completed in FY 2025.

# Regional Bikeway

Projects shown in this section describe efforts relating to regional bikeway projects for which SANDAG is in the lead role for the environmental planning, design engineering, and construction.

## Budget Comparison

### FY 2025

\$76,000,000

### FY 2024

\$42,249,000

## Major Projects

- ▶ Bayshore Bikeway Barrio Logan (1223055)
- ▶ Border to Bayshore Bikeway (1223056)
- ▶ Downtown to Imperial Bikeway (1223058)
- ▶ University Bikeway (1223081)
- ▶ Eastern Hillcrest Bikeway (1223083)

## Capital Budget Breakdown

**Project Name:** Coastal Rail Trail Encinitas: E Street to Chesterfield Drive  
**CIP No.** 1223017 **RTIP No:** SAN156  
**Project Manager:** Tim DeWitt **Corridor Director:** Chris Kluth

#### Project Scope:

Design and construct 1.7 miles of new bicycle facility.

#### Project Limits:

Chesterfield Drive to Santa Fe Drive (Phase 1) and onto F Street and along San Elijo Avenue (Phase 2).

#### Progress to Date:

Phase 1 (1.3 miles) is open to the public. Final design for Phase 2 (0.4 miles) will be finalized in FY 2025. Construction for Phase 2 will begin in FY 2026.

#### Major Milestones:

Milestone	Date
Draft Environmental Document	N/A
Final Environmental Document	August-17
Ready to Advertise	January-18
Begin Construction	March-18
Open to Public	May-27

**Project Name:** North Park/Mid-City Bikeways: Robinson Bikeway  
**CIP No.** 1223020 **RTIP No:** SAN158  
**Project Manager:** Angela Anderson **Corridor Director:** Chris Kluth

#### Project Scope:

Preliminary engineering and environmental clearance for 13 miles of bikeway in the North Park/Mid City area. Construct a 0.2-mile bikeway that consists of on-street bike facilities, traffic calming improvements, and an elevated shared-use path.

#### Project Limits:

In the City of San Diego community of North Park on Robinson Avenue between Park Boulevard and Alabama Street, including a missing segment of Robinson Avenue between Florida Street and Alabama Street.

#### Progress to Date:

Design is 95% complete. Federal environmental clearance began in FY 2024 and will be completed in FY 2025. Right-of-way and utility work will take place in FY 2025.

#### Major Milestones:

Milestone	Date

#### Project Scope:

Environmental clearance, design, and construction of 1.0 miles of new bike path.

#### Project Limits:

In the City of San Diego along Terrace Drive and Central Avenue from Adams Avenue to Landis Street, within the Mid-City Rapid Corridor.

#### Progress to Date:

Design is complete. Project will advertise in FY 2025.

#### Major Milestones:

Milestone	Date
Draft Environmental Document	April-18
Final Environmental Document	February-24
Ready to Advertise	February-25
Begin Construction	August-25
Open to Public	August-27
Construction Complete	August-28

**Project Name:** North Park/Mid-City Bikeways: Howard Bikeway  
**CIP No.** 1223079 **RTIP No:** SAN230  
**Project Manager:** Mary McGuirk **Corridor Director:** Chris Kluth

#### Project Scope:

Environmental clearance, design, and construction of a 1.2 mile bikeway consisting of on-street bike facilities and traffic calming improvements.

#### Project Limits:

In the City of San Diego North Park community on Howard Avenue between Park Boulevard and 32nd Street.

#### Progress to Date:

Final environmental clearance was obtained in FY 2024. Utility agreement with City of San Diego, utility coordination with SDG&E, and subsequent Caltrans right-of-way certification are underway.

#### Major Milestones:

Milestone	Date
Draft Environmental Document	February-18
Final Environmental Document	December-23
Ready to Advertise	TBD
Begin Construction	TBD
Open to Public	TBD
Construction Complete	TBD

Final design of 1.8 miles of on-street bikeways.

#### Project Limits:

In the City of San Diego on West University Avenue, between Ibis Street and First Avenue in Mission Hills, and on San Diego Avenue and Congress Street, between Old Town Transit Center and Hortensia Street.

#### Progress to Date:

Environmental phase is 50% complete and will be completed in FY 2025. Design is 65% complete and will be advanced in FY 2025.

#### Major Milestones:

Milestone	Date
Draft Environmental Document	July-16
Final Environmental Document	December-24
Ready to Advertise	TBD
Begin Construction	TBD
Open to Public	TBD
Construction Complete	TBD

Note: The entire cost for this project is estimated to be \$17 million. Continued progress is subject to a funding allocation.

**Project Name:** Bayshore Bikeway: Barrio Logan Phase 2  
**CIP No.** 1223096 **RTIP No:** SAN195  
**Project Manager:** Dinara Ussenova **Corridor Director:** Chris Kluth

#### Project Scope:

Improvements at 28th Street include ADA compliant sidewalks and track crossings, wider medians, improved pavement markings, modifications to an existing storm drain system and the lane configuration at Main Street, implementation of advanced preemption, and improvements to existing railway signaling system at Schley, Sampson, and 28th Street.

#### Project Limits:

Along Harbor Drive at Sampson Street, Schley Street, and 28th Street in the City of San Diego, Community of Barrio Logan.

#### Progress to Date:

Environmental phase is 100% complete. Right-of-way acquisition and final design will take place in FY 2025.

#### Major Milestones:

Milestone	Date
Draft Environmental Document	N/A
Final Environmental Document	May-24
Ready to Advertise	November-24
Begin Construction	May-25
Open to Public	May-26
Construction Complete	May-27

<b>CIP No.</b>	1223097	<b>RTIP No:</b>	TBD
<b>Project Manager:</b>	Mary McGuirk	<b>Corridor Director:</b>	Chris Kluth

#### Project Scope:

Environmental clearance for a 7.9-mile regional bikeway of continuous bicycle boulevards, buffered bike lanes, and Class III/IV facilities including 15 traffic circles, 7 roundabouts, and 35 intersection treatments.

#### Project Limits:

Along multiple roads to connect the cities of National City, Chula Vista, and San Diego from Imperial Ave and 47th Street in San Diego to J Street and Bay Boulevard in Chula Vista.

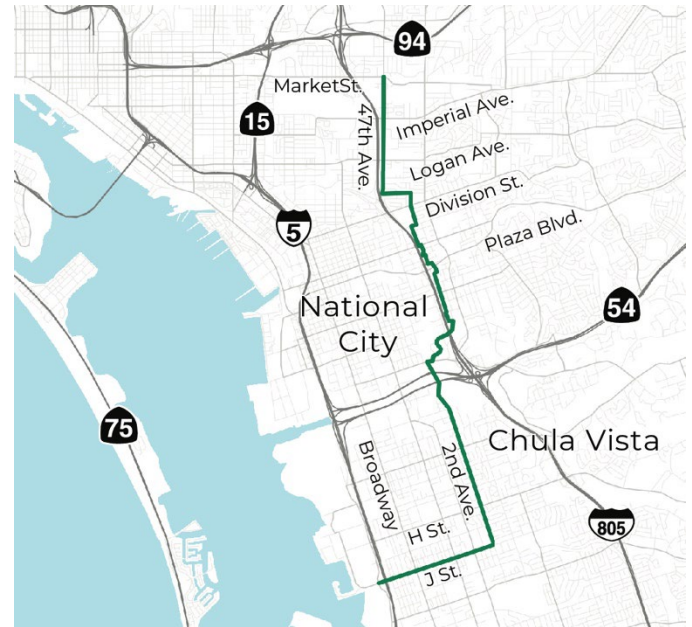

#### Progress to Date:

Consultant team for environmental document development was procured in FY 2024. Environmental phase will start in FY 2025.

CHAPTER 5.4

# Major Capital

Projects described in this section are other regionally significant capital investments (more than \$1 million) necessary for the renewal and improvement of the region’s transportation network as well as projects to improve quality of life.

## Budget Comparison

<b>FY 2025</b>
\$93,634,000
<b>FY 2024</b>
\$52,199,000

## Major Projects

- ▶ San Onofre to Pulgas Double-Tracking Phase 2 (I146600)
- ▶ Del Mar Bluffs V (I147100)
- ▶ New SR 125 Regional Tolling Back-Office System (I400406)
- ▶ New I-15 Regional Tolling Back-Office System (I400407)

## Capital Budget Breakdown

<b>Project Name:</b>	<b>OCS Insulator &amp; Catch Cable Replacement</b>		
<b>CIP No.</b>	<b>1129200</b>	<b>RTIP No:</b>	<b>SAN36</b>
<b>Project Manager:</b>	<b>Dale Neuzil</b>	<b>Corridor Director:</b>	<b>Chip Finch</b>

#### Project Scope:

Installation of OCS insulators and catch cables at all balance weight locations to comply with General Order 95 and replacement of aging stick insulators on the Orange and Green Trolley lines to provide better reliability.

#### Project Limits:

Orange Line from 12th & Imperial to Main Street in El Cajon. Green Line from County Center/Little Italy to Mission San Diego and Main Street in El Cajon to Santee.

#### Progress to Date:

Construction along the Orange Line is complete. Planned rehabilitation of the overhead contract system on the Green Line between Mission San Diego Station and Old Town Transit Center is planned for FY 2025.

#### Major Milestones:

Milestone	Date

<b>CIP No.</b>	<b>1130100</b>	<b>Corridor Director:</b>	<b>Bill Parris</b>
<b>Project Manager:</b>	<b>Rita Love</b>		

#### Project Scope:

Implement an integrated modern cloud-based enterprise resource planning (ERP) platform to meet the current and future needs of SANDAG. The ERP solution will cover the human capital management, payroll and financial management needs of the agency. Modernizing these core operational areas will provide enhanced reporting, consolidate financial management functions and allow paper-based processes to be automated through electronic workflow management.

#### Project Limits:

Regionwide.

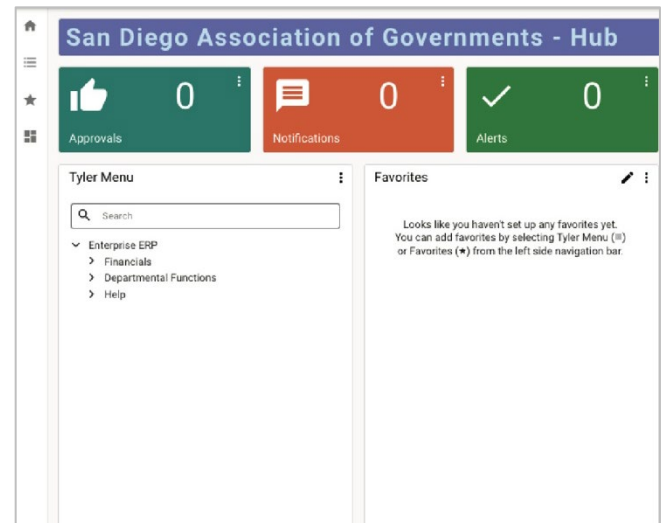

#### Progress to Date:

Implementation began in FY 2023. Phase 1 activities went live in FY 2024. Implementation of Phase 2 activities began in spring 2024 and will go live in FY 2025.

#### Major Milestones:

Milestone	Date
Ready to Advertise	March-21
Begin Implementation	April-22

<b>Project Name:</b>	<b>Fiber Optic Information Network Gap Closures</b>		
<b>CIP No.</b>	<b>1131500</b>	<b>RTIP No:</b>	<b>N/A</b>
<b>Project Manager:</b>	<b>Dinara Ussenova</b>	<b>Corridor Director:</b>	<b>Chip Finch</b>

#### Project Scope:

The Fiber Optic Information Network Gap Closure project will close the remaining gaps in Escondido, Oceanside and SR 125 to the Toll Plaza and create redundant communications information network paths for SANDAG Tolling, Caltrans, MTS, and NCTD.

#### Project Limits:

From downtown San Diego to Oceanside over to Escondido and back to downtown San Diego and from Caltrans Hub 5 through downtown San Diego, I-15, SR 905 to Toll Plaza and downtown San Diego through Chula Vista, SR 125 to Toll Plaza.

#### Progress to Date:

Primary hardware construction is complete. Work in FY 2025 will consist of final network connections, verification, and testing.

**Project Name:** San Onofre to Pulgas Double-Track Phase 2  
**CIP No.** 1146600 **RTIP No:** SAN115  
**Project Manager:** Tim DeWitt **Corridor Director:** Bruce Smith

#### Project Scope:

Design and construction of approximately 1.6 miles of new second main track adjacent to existing track, build two new bridges, and new signals.

#### Project Limits:

On LOSSAN Rail Corridor from Control Point (CP) Don at Mile Post (MP) 216.5 to CP Pulgas at MP 218.1 at Camp Pendleton and signal work from intermediate signal at MP 214.1 to MP 220.1 at Camp Pendleton.

#### Progress to Date:

Design is complete. Revalidation of environmental clearance occurred in FY 2024. Construction will begin in FY 2025.

#### Major Milestones:

Milestone	Date
Draft Environmental Document	N/A
Final Environmental Document	April-12
Ready to Advertise	March-24
Begin Construction	October-24
Open to Public	April-27
Construction Complete	April-28

**Project Name:** Harbor Drive 2.0/Vesta Street Bridge  
**CIP No.** 1148000 **RTIP No:** CAL615  
**Project Manager:** Andrea Hoff **Corridor Director:** Nikki Tiongco

#### Project Scope:

Develop a connected, sustainable freight corridor to enhance connections and access between Port and Naval gates, reduce impacts of freight on Port-side Environmental Justice Neighborhoods, and improve mobility at the intersection at Norman Scott Road, 32nd Street, and Wabash Street.

#### Project Limits:

Harbor Drive between the Tenth Avenue Marine Terminal and National City Marine Terminal, and key intersections leading to the I-5 and I-15.

#### Progress to Date:

Environmental clearance phase completed in FY 2024. Design will continue in FY 2025.

#### Major Milestones:

<b>CIP No.</b>	<b>1149100</b>	<b>RTIP No:</b>	<b>SAN258</b>
<b>Project Manager:</b>	<b>Jennifer Williamson</b>	<b>Corridor Director:</b>	<b>Antionette Meier</b>

#### Project Scope:

Environmental clearance for an Airport Transit Connection between Old Town and Santa Fe Depot with a primary stop at San Diego International Airport.

#### Project Limits:

From I-8 to the San Diego Airport and 12th and Imperial Trolley Center subject to concept screening through the Environmental Process.

#### Progress to Date:

Initial studies were conducted under CIP 1149000 (Central Mobility Hub). Environmental analysis and transit airport connection feasibility analyses will continue in FY 2025.

<b>Project Name:</b>	San Ysidro Track Relocation		
<b>CIP No.</b>	1149200	<b>RTIP No:</b>	TBD
<b>Project Manager:</b>	Tuere Fa'aola	<b>Corridor Director:</b>	Antionette Meier

#### Project Scope:

Project will include conceptual engineering and an environmental assessment to relocate the rail tracks at the San Ysidro Port of Entry to allow for the advancement of the San Ysidro Mobility Hub and its features.

#### Project Limits:

Beyer Boulevard to San Ysidro Port of Entry (Blue Line Trolley).

#### Progress to Date:

Advanced planning (phase 1) with initial 10% design for alternatives is complete. In FY 2025, environmental analysis and conceptual engineering for preferred alternative will begin.

<b>CIP No.</b>	<b>1400000</b>	<b>RTIP No:</b>	<b>N/A</b>
<b>Project Manager:</b>	<b>Michael Bertram</b>	<b>Corridor Director:</b>	<b>Bill Parris</b>

#### Project Scope:

This project will deliver a Regional Tolling Back-Office System and combine the existing tolling system from I-15 and SR 125, as well as create a system that will support future roadways that will have a tolling option.

#### Project Limits:

Regionwide

#### Progress to Date:

Regional Tolling Back-Office System went live in 2020. Migration to the new tolling system (CIP No. 1400406 and 1400407) began in FY 2024 and will be complete in FY 2025.

<b>Project Manager:</b>	<b>Chiachi Rumbolo</b>	<b>Corridor Director:</b>	<b>Lucinda Broussard</b>

#### Project Scope:

This project will replace the Regional Tolling Back-Office System for SR 125 and will support future roadways that will have a tolling portion.

#### Project Limits:

SR 125 toll road.

#### Progress to Date:

Data migration from current Regional Tolling Back-Office System to the new system, and development of core system features occurred in FY 2024. In FY 2025, work will consist of testing and system go-live which includes deployment of core system features. Development and deployment of additional system features and integration with the ERP will also occur in FY 2025. Additional system features, such as tools for Customer Service Representatives, are expected to be deployed in FY 2026.

<b>Project Name:</b>	New I-15 Regional Tolling Back-Office System		
<b>CIP No.</b>	1400407	<b>RTIP No:</b>	N/A
<b>Project Manager:</b>	Chiachi Rumbolo	<b>Corridor Director:</b>	Lucinda Broussard

#### Project Scope:

This project will replace the Regional Tolling Back-Office System for I-15 and will support future roadways that will have a tolling portion.

#### Project Limits:

I-15 toll road.

#### Progress to Date:

Data migration from current Regional Tolling Back-Office System to the new system, and development of core system features occurred in FY 2024. In FY 2025, work will consist of testing and system go-live which includes deployment of core system features. Development and deployment of additional system features and integration with the ERP will also occur in FY 2025. Additional system features, such as tools for Customer Service Representatives, are expected to be deployed in FY 2026.

#### Major Milestones:

Milestone	Date
Draft Environmental Document	N/A
Final Environmental Document	N/A
Ready to Advertise	N/A
Begin Implementation	February-24
System Go Live	January-25
Implementation Complete	September-25

CHAPTER 5.5

# Minor Capital

Projects described in this section include capital improvement and replacement projects of less than \$1 million.

## Budget Comparison

<b>FY 2025</b>
\$555,000
<b>FY 2024</b>
\$100,000

## Major Projects

- ▶ Regional Arterial Detection Deployment – Phase 1 (1144800)
- ▶ Division 6 Bus Maintenance Facility (1147500)

## Capital Budget Breakdown

## Minor Capital Projects

Project No.	Project Title/Description	Total Budget (\$000s)
<b>1128400</b>	<b>Document Control</b> Development and implementation of a standardized project document management filing system, a current configuration drawing management system, and a historical document archive in conformance with regulatory requirements.	\$300
<b>1144800</b>	<b>Regional Arterial Detection Deployment - Phase 1</b> Develop system for the automated, continuous, real-time monitoring, and reporting of transportation and arterial data metrics that will be used to support and improve regional performance management efforts for State of the Commute, TransNet reporting, and other performance reporting requirements.	719
<b>1147500</b>	<b>Division 6 Bus Maintenance Facility</b> Title VI analysis and environment reviews to be conducted for new transit facility in compliance with state and federal law for MTS property acquisition and Clean Transit Advancement Campus.	415
<b>Total Minor Capital Projects</b>		<b>\$1,434</b>

# Projects Pending Closeout

Projects described in this section include capital projects that are open to the public and are substantially complete.

## Budget Comparison

**FY 2025**

\$8,228,000

**FY 2024**

\$20,453,000

## Capital Budget Breakdown

## Projects Pending Closeout

Project No.	Project Title/Description	Budget Remaining as of June 2024 (thousands of dollars)	Total Budget (thousands of dollars)
1200501	<b>I-5 North Coast: 4 Express Lanes</b> Final environmental document and Public Works Plan for four managed lanes including direct access ramps at various locations.	\$71	\$74,200
1200503	<b>I-5/SR 56 Interchange</b> Final environmental document for west-to-north and south-to-east general purpose connectors including auxiliary lanes on SR 56 from El Camino Real to Carmel Country Road.	1	12,513
1200506	<b>I-5/Genesee Interchange and Widening</b> Construct longer and wider bridge and replace ramp connections on Genesee Avenue, construct retaining walls and a bike path between Voigt Drive and Sorrento Valley Road, and complete the follow-up landscaping project.	185	121,278
1200507	<b>I-5/Voigt Drive Improvements</b> Construction of the realignment of both Campus Point and Voigt Drive between I-5 and Genesee Avenue.	398	41,015
1200508	<b>I-5/Gilman Drive Bridge</b> Construct new overcrossing over I-5 between Gilman Drive and Medical Center Drive.	49	24,757
1200512	<b>I-5/Genesee Auxiliary Lane</b> Design and construction of southbound auxiliary lane on I-5 between Genesee Avenue and La Jolla Village Drive.	4	7,243
1201103	<b>SR 11 and Otay Mesa East Port of Entry: Segment 2A and SR 905/125/11 Southbound Connectors Construction</b> Construct SR 11 four-lane toll highway from Enrico Fermi Drive to the proposed Otay Mesa East Port of Entry, and the SR 125 southbound to eastbound SR 905 and eastbound SR 11 connectors.	16	127,769
1201106	<b>Otay Mesa East Port of Entry: Utility Improvements</b> Design and construct new utility services including water, sewer, communication, electrical, and gas that will facilitate operations for the future Otay Mesa East POE and CHP-operated Commercial Vehicle Enforcement Facility.	1	9,142
1201507	<b>SR 15 BRT: Mid-City Centerline Stations</b> Construct two bus rapid transit (BRT) stations in the median of SR 15. Portions of the BRT station at El Cajon Boulevard were constructed by the Mid-City Rapid Bus project (1240001).	27	61,759
1201509	<b>Downtown BRT Stations</b> New and modified transit stops at Park Boulevard, 11th Avenue, India Street, and Kettner Boulevard.	34	20,844

Project No.	Project Title/Description	Budget Remaining as of June 2024 (thousands of dollars)	Total Budget (thousands of dollars)
1205203	<b>SR 52 Extension</b> Construct four general purpose lanes, direct connectors at SR 125 and SR 67, and interchanges at Fanita Drive, Magnolia Avenue, and Cuyamaca Street.	3,340	460,509
1207602	<b>SR 76 Middle</b> Reconstruct two-lane conventional highway as a four-lane conventional highway.	1,391	165,075
1223016	<b>Coastal Rail Trail San Diego: Rose Creek</b> Construct 2.1 miles Class 1 shared use path.	12	27,603
1223022	<b>Uptown Bikeways: Fourth and Fifth Avenue Bikeways</b> Construct 4.5 miles of new on-street bikeways.	26	24,229
1223023	<b>Inland Rail Trail Phases 1 &amp; 2</b> Environmental clearance for 7.0 miles of new bike path. Construct 4.0 miles of new bike path.	4	54,142
1223082	<b>North Park/Mid-City Bikeways: Georgia-Meade Bikeway</b> Design 3.5 miles and construct 6.5 miles of urban bikeways including traffic calming improvements. Includes construction of Landis Bikeway.	30	26,366
1239806	<b>San Elijo Lagoon Double-Track</b> Install 1.5 miles of new double track, replace Bridge 240.4, reconfigure Control Point Cardiff with double crossovers, install new signals and drainage structures.	1,289	77,787
1240001	<b>Mid-City Rapid Bus</b> Provide new Rapid Bus service including: consolidated transit stops, SR 15 transit plaza and Mid-City Centerline, synchronized traffic signals with extended green lights for buses, new low-floor vehicles, new shelters, improve waiting areas, real-time next-bus arrival signs, service frequency upgrade to every 10 minutes in the peak period, and every 15 minutes off-peak. Additional improvements include adding Traffic Signal Priority (TSP) along Park Boulevard, and TSP maintenance reporting for Rapid Fleet.	181	44,526
1280504	<b>South Bay BRT</b> Develop new Rapid transit service from the I-805/Palomar Direct Access Ramp to the Otay Mesa Border, including the construction of a guideway on East Palomar over SR 125, around Otay Ranch Town Center Mall and through the Millenia development. Construct seven new Rapid stations.	342	127,391
1280505	<b>I-805 HOV/Carroll Canyon Direct Access Ramp</b> Construct two High-Occupancy Vehicle (HOV) lanes and north facing Direct Access Ramp (DAR) at Carroll Canyon Road, and extend Carroll Canyon Road as a four-lane arterial from Scranton Road to Sorrento Valley Road.	173	95,775

Project No.	Project Title/Description	Budget Remaining as of June 2024 (thousands of dollars)	Total Budget (thousands of dollars)
1280510	<b>I-805 South: 2HOV and Direct Access Ramp</b> Construct two High-Occupancy Vehicle lanes between Palomar Street and SR 94, north-facing Direct Access Ramps (DAR) and transit station at Palomar Street, and general-purpose lanes between Plaza Boulevard and SR 54.	18	182,546
1280511	<b>I-805 North: 2 HOV Lanes</b> Construct two High Occupancy Vehicle lanes and a south-facing direct access ramp at Carroll Canyon Road.	156	111,490
1390501	<b>SR 905: I-805 to Britannia Boulevard</b> Construct a six-lane freeway on new alignment from I-805 to Britannia Boulevard.	242	85,637
1390506	<b>SR 125/905 Southbound to Westbound Connector</b> Construct SR 125/905 southbound to westbound freeway grade-separated interchange connector.	1	28,992
1400405	<b>SR 125 Ramps Overlay</b> The project will complete pavement preservation on the SR 125 ramps and update American with Disabilities Act curb ramps.	1,694	8,759
1600501	<b>Central Mobility Hub - Notice of Preparation (NOP)</b> Notice of Preparation (NOP), preliminary project alternatives development, and Public-Private Partnership (P3) procurement for Central Mobility Hub, Automated People Mover, roadway/freeway modifications, and supportive multi-use development.	329	5,714
1600801	<b>CMCP - High Speed Transit/I-8</b> Oversight of utilization of data in transportation planning and development of multimodal transportation solutions to increase transportation options, decrease congestion, and improve mobility along the I-8 Corridor. It will also consider future transportation connections to the proposed SDSU Mission Valley Campus development.	20	3,000
1605201	<b>CMCP - Coast, Canyons, and Trails (SR 52)</b> Oversight of utilization of data in transportation planning and development of multimodal projects and strategies that integrate active transportation, transit, and the deployment of technology to better manage mobility throughout the corridor.	2	2,106
1607801	<b>CMCP - SPRINTER/Palomar Airport Road/SR 78</b> Oversight of utilization of data in transportation planning and development of multimodal transportation solutions to improve connectivity and access to homes, jobs, and education hubs in North County by reducing travel times, creating greater trip reliability and providing travelers with more transportation choices.	62	3,000
<b>Total Projects Pending Closeout</b>		<b>\$10,098</b>	<b>\$2,035,167</b>

## CHAPTER 5.7

# Projects Completed Through a Major Milestone

---

Projects described in this section include capital projects that have been completed through a major milestone and require additional funding to move into the next phase.

---

## Projects Completed Through a Major Milestone

- ▶ Bayshore Bikeway: 8B Main Street to Palomar (1129900)
- ▶ San Onofre Bridge Replacements (1145400)
- ▶ Clairemont Mesa Blvd BRT Stations (1201515)
- ▶ I-805 Imperial BRT Station (1280512)

## Projects Completed Through a Major Milestone

Project No.	Project Title/Description	Funded to Date (thousands of dollars)	Completed Phase of Work	Budget Year
<b>1129900</b>	<b>Bayshore Bikeway: 8B Main Street to Palomar</b> Completed 65% design plans for 0.4 miles of new bikeway. A private developer will construct the remaining portion of the bikeway south of where the SANDAG project ends at Ada Avenue.	\$1,196	Design (65%)	FY 2022
<b>1145400</b>	<b>San Onofre Bridge Replacements</b> Project Study Report for replacement of an aging timber trestle railway bridge that was built in the early 1900s.	\$110	PSR	FY 2023
<b>1201515</b>	<b>Clairemont Mesa Blvd BRT Stations</b> Traffic Signal Priority on Clairemont Mesa Boulevard and transit station improvements at eastbound Ruffin Road stop. Final design of five additional transit stations is complete. Construction funds are pending further available funding.	\$1,665	Final Design	FY 2022
<b>1280512</b>	<b>I-805 Imperial BRT Station</b> Project Study Report for an I-805 Rapid station with connection to the 47th Street Trolley complete.	\$1,673	PSR	FY 2016

# Future Projects

---

The Future Projects section identifies approved Complete Corridor projects with funding beginning in FY 2026 and beyond.

---

## Major Upcoming Projects

- ▶ I-5 HOV Conversion to Express Lanes (1200514)
- ▶ I-15 Transit Priority Lanes and Direct Access Ramp at Clairemont Mesa Blvd (1201519)
- ▶ Carlsbad Village Double-Track Trench (1239819)
- ▶ I-805 HOV Conversion to Express Lanes (1280517)
- ▶ CMCP – High Speed Transit/I-15 (1601501)
- ▶ CMCP – High Speed Transit/SR 56 (1605601)

## Future Projects

Project No.	Project Title/Description	Total Budget (thousands of dollars)
<b>1200514</b>	<b>I-5 HOV Conversion to Express Lanes</b> Design and construction to convert High-Occupancy Vehicle (HOV) lanes to Express lanes from the I-5/805 merge to SR 78.	\$87,000
<b>1201519</b>	<b>I-15 Transit Priority Lanes and Direct Access Ramp at Clairemont Mesa Blvd</b> Environmental clearance and design for two transit lanes and a south facing Direct Access Ramp at Clairemont Mesa Blvd.	28,000
<b>1239819</b>	<b>Carlsbad Village Double-Track Trench</b> Preliminary engineering and environmental clearance for a double track railroad trench, 1.1 miles of second main track, and replacement of railroad lagoon Bridge 228.6.	21,181
<b>1280517</b>	<b>I-805 HOV Conversion to Express Lanes</b> Construction to convert HOV lanes to Express Lanes on I-805 from SR 52 to the I-5/805 merge.	86,300
<b>1601501</b>	<b>CMCP - High Speed Transit/I-15</b> A CMCP is a comprehensive, integrated management plan for increasing transportation options, decreasing congestion, and improving travel times in a transportation corridor.	1,500
<b>1605601</b>	<b>CMCP - High Speed Transit/SR 56</b> A CMCP is a comprehensive, integrated management plan for increasing transportation options, decreasing congestion, and improving travel times in a transportation corridor.	1,100
<b>Total Future Projects</b>		<b>\$225,081</b>

# Comprehensive Multimodal Corridor Plan (CMCP)

Projects described in this section include projects related to creating a comprehensive, integrated management plan for increasing transportation options, decreasing congestion, and improving travel times in a transportation corridor.

## Budget Comparison

### FY 2025

\$3,991,000

### FY 2024

\$697,000

## Major Projects

- ▶ CMCP-High Speed Transit/SR 94 (1609401)
- ▶ CMCP-High Speed Transit/SR 125 (1612501)

## Capital Budget Breakdown

<b>Project Name:</b>	<b>CMCP - Regional CMCP Development</b>		
<b>CIP No.</b>	<b>1600101</b>	<b>RTIP No:</b>	<b>SAN269</b>
<b>Project Manager:</b>	<b>Rachel Kennedy</b>	<b>Corridor Director:</b>	<b>Rachel Kennedy</b>

#### Project Scope:

Oversight of utilization of data in transportation planning and development of corridor-specific Regional Comprehensive Multimodal Corridor Plans (CMCP).

#### Project Limits:

Regionwide

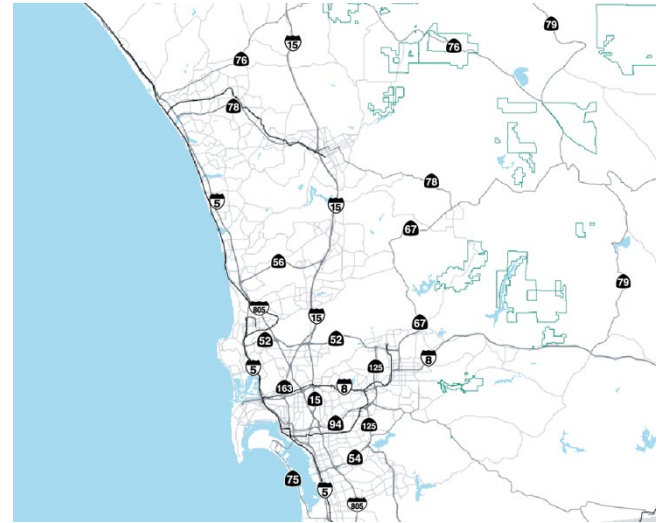

#### Progress to Date:

Development of six CMCPs have been completed, with two currently underway. In FY 2025, CIP No. 1600101 will provide program support for the SR 125 (CIP No. 1612501) and SR 94 (CIP No. 1609401) CMCPs.

<b>Project Manager:</b>	<b>Marisa Mangan</b>	<b>Corridor Director:</b>	<b>Rachel Kennedy</b>

#### Project Scope:

Oversight of utilization of data in transportation planning and development of innovative transportation solutions to transform the way people and goods move in the area of San Diego International Airport and the surrounding communities, including the proposed development of a Central Mobility Hub and Connections Comprehensive Multimodal Corridor Plan (CMCP). In addition, this project will analyze the feasibility of new rail grade separations along the railway corridor between Old Town and Downtown.

#### Project Limits:

Central Mobility Station/I-5/Coronado Connection & Downtown Connection.

#### Progress to Date:

Initial CMCP report has been completed. In FY 2025, work will begin on the feasibility of rail grade separations along the railway corridor between Downtown and Old Town.

**Project Scope:**

Development of multimodal transportation solutions to increase transportation options, decrease congestion, and improve mobility along SR 94 between I-5 and SR 125 in San Diego, from Downtown San Diego to Lemon Grove.

**Project Limits:**

Along the SR 94 corridor from I-5 to SR 125.

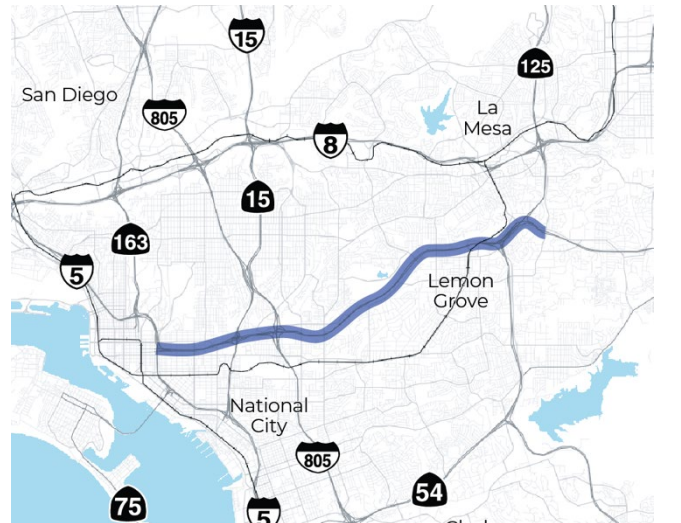

**Progress to Date:**

Work in FY 2024 included consultant procurement and project administration. Work in FY 2025 will consist of evaluating existing conditions, conducting community outreach, and developing transportation solutions.

#### Project Scope:

Development of multimodal transportation solutions to improve mobility in the corridor along SR 125 from SR 52 to SR 905 and the U.S.-Mexico border. The Comprehensive Multimodal Corridor Plan (CMCP) also will include analysis of tolls on the South Bay Expressway.

#### Project Limits:

On SR 125 from SR 52 to SR 905 and the U.S.-Mexico Border.

#### Progress to Date:

Consultant has been procured and work is anticipated to start mid-FY 2025. Work in FY 2025 will consist of completing the toll analysis and starting the CMCP.

## CHAPTER 6

# Internal Operations

---

The administration and IT budgets show the cost of staff time, office leases, contracted services, information systems support, travel, and training. These costs are allocated across projects in the OWP, regional operations and services, and capital budgets based on direct labor dollars charged to each project and funded accordingly. Each year, the allocation method for assigning these costs to projects is reviewed and approved by the Federal Transit Administration.

The Board's budget shows the costs associated with conducting the Board's business and related Policy Advisory Committee meetings. These costs are funded with SANDAG member agency assessments and TransNet funds. The information shown in the following pages includes the budget summaries and descriptions of cost categories for the FY 2025 budget and prior years.

## Administration Budget

	FY 2023 Actual Budget	FY 2024 Budget	FY 2025 Budget	% of Non-Personnel Costs	Annual % Change		
Personnel							
SANDAG Total Salaries and Benefits	\$66,756,932	\$73,127,056	\$80,781,119	-	10.5%		
Administration Salaries and Benefits - (Included in Total Agency Salaries and Benefits shown above)	10,509,899	12,076,283	13,843,005	-	14.6%		
Subtotal Administration Salaries and Benefits	10,509,899	12,076,283	13,843,005	-	14.6%		
Non-Personnel							
Office and Graphics Supplies	187,500	188,000	210,818	1.6%	12.1%		
Postage	10,500	10,000	11,000	0.1%	10.0%

Contingency Reserve	275,000	250,000	250,000	1.9%	0.0%		
Subtotal Non-Personnel	8,180,648	9,527,482	13,369,586		40.3%		
Total Budget	18,690,547	21,603,765	27,212,591		26.0%		
Less: Contingency funded separately with Member Assessments and TransNet	(275,000)	(250,000)	(250,000)	-	0.0%		
Less: Items Funded with Other Sources <sup>1</sup>	(300,000)	-	(698,583)	-	-		
Total Administration Costs Charged to Overhead	18,115,547	21,353,765	26,264,008	100%	23.0%		
OIPA Indirect Cost - Salaries and Benefits <sup>2</sup>	1,160,547	1,334,374	2,085,898	-	56.3%		
OIPA Indirect Cost - Non-Personnel <sup>2</sup>	9,739	37,600	37,600	-	0.0%		
IT Indirect Cost - Salaries and Benefits	2,046,692	2,330,326	2,231,124	-	-4.3%		
IT Indirect Costs - Non-Personnel	2,794,601	3,035,887	5,917,253	-	94.9%		
Total Indirect Costs to be Allocated (See Below)	\$24,127,126	\$28,091,951	\$36,535,883	-	30.1%		
The Administration Budget is allocated to the OWP, TransNet, Regional Operations, and Capital Projects as follows:							
	FY 2023	% of Costs	FY 2024	% of Costs	FY 2025	% of Costs	Annual % Change
Salaries and Benefits allocated to OWP Projects	\$6,858,569	50%	\$8,454,078	54%	\$9,988,015	55%	18%
Salaries and Benefits allocated to TransNet Projects	137,171	1%	89,618	1%	90,800	1%	1%
Salaries and Benefits allocated to Operations Projects	1,508,885	11%	1,668,275	10%	1,816,003	10%	9%
Salaries and Benefits allocated to Capital Projects	5,212,512	38%	5,529,012	35%	6,265,209	35%	13%
Total Salaries and Benefits Allocated	13,717,137	100%	15,740,983	100%	18,160,027	100%	15%
Non-Personnel allocated to OWP Projects	5,204,994	50%	6,633,388	0%	10,106,721	55%	27.4%
Non-Personnel allocated to TransNet Projects	104,100	1%	70,318	0%	\$91,879	1%	-32.5%
Non-Personnel allocated to Operations Projects	1,145,099	11%	1,308,992	0%	1,837,586	10%	14.3%
Non-Personnel allocated to Capital Projects	3,955,795	38%	4,338,271	0%	6,339,670	35%	9.7%
Total Non-Personnel Allocated	10,409,988	100%	12,350,969	0%	18,375,856	100%	18.6%
Total Indirect Cost Allocations	\$24,127,125	-	\$28,091,952	-	\$36,535,883	-	

<sup>1</sup> Contingency Reserve for Community Benefits Agreement Implementation (FY 2024), and local TDA funds for federally ineligible costs (FY 2025)

<sup>2</sup> Beginning in FY 2023, indirect costs associated with OIPA will be spread throughout the agency's projects.

## Administration Budget Detailed Descriptions

Account Title/Purpose	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	Change Amount	Annual % Change	Primary Reason for Change
<b>Office and Graphics Supplies</b> Standard office supplies, paper, materials, ergonomic resources, outside graphics, etc.	\$187,500	\$188,000	\$210,818	\$22,818	12.1%	Resources for ADA compliance remediation of website documents.
<b>Postage</b> Standard mailing expenses, shipping costs, and couriers.	10,500	10,000	11,000	1,000	10.0%	
<b>Contracted Services</b> Professional services related to: financial audits, legal consultation, program management and administration services, and organization development initiatives.	1,700,792	1,968,853	7,149,452	5,180,599	263.1%	Various professional and vendor services related to the office relocation project; costs will be offset by negotiated rent abatements in FY 2025 and FY 2026.
<b>Parking and Mileage</b> Parking validations and mileage reimbursement.	70,000	79,000	84,000	5,000	6.3%	Increase in parking rates at the 401 B Street garage.
<b>Travel</b> Employee business travel not charged to specific projects.	50,000	64,500	64,750	250	0.4%	
<b>Meeting and Miscellaneous Expenses</b> All-Hands employee meetings; public notices.	71,000	80,000	86,200	6,200	7.8%	Budget reflects increased costs for venue rentals and offsite meeting expenses.
<b>Temporary Personnel</b> Resources for short-term/interim staffing needs.	75,000	75,000	125,000	\$50,000	66.7%	Additional temporary staffing needed to support the office relocation project.
<b>Recruitment Expenses</b> Advertising, pre-employment checks, and candidate travel.	60,000	118,500	222,500	104,000	87.8%	Increased volume of recruitments, outsourced search services, and enhanced advertising/outreach efforts.
<b>Memberships and Publications</b> Agency and employee membership in professional associations.	109,761	146,500	169,000	22,500	15.4%	Reflects anticipated membership expenses in FY 2025
<b>Rent and Facilities</b> 401 B Street office lease and related fees, taxes, and maintenance expenses.	4,066,000	4,475,000	3,030,000	(1,445,000)	-32.3%	SANDAG is moving its office location in FY 2025. Expenses reflects rent expenses through January 2025; rent has been abated for the initial months of the new office space lease, which commences in December 2024.

Account Title/Purpose	FY 2023 Budget	FY 2024 Budget	FY 2025 Budget	Change Amount	Annual % Change	Primary Reason for Change
<b>Lease/Purchase/Maintenance: Vehicles</b> Maintenance of SANDAG fleet vehicles.	20,000	20,000	20,000	0	0.0%	
<b>Lease/Purchase/Maintenance: Furniture and Equipment</b> Acquisition, replacement, and maintenance of office furniture and equipment.	50,000	50,000	50,000	0	0.0%	
<b>Insurance</b> Coverage for general liability, property, travel, cyber, bonds, and other insurance types.	725,845	800,000	754,000	(46,000)	-5.8%	Insurance costs have been allocated to specific programs and projects.
<b>Telecommunications</b> Telephone and voicemail system and services.	223,000	232,000	232,000	0	0.0%	
<b>Training Program</b> Professional development, coaching, technical training, and tuition reimbursement for employees.	229,900	387,000	272,000	(115,000)	-29.7%	Training resources have been allocated to specific programs and projects.
<b>COVID-19 Expenses</b>	-	-	-	-	-	
<b>Maintenance/Equipment - Information Systems</b> Maintenance, software, and equipment costs	256,350	583,129	638,866	55,738	9.6%	
<b>Contingency</b> Administration reserve for unforeseen expenses.	275,000	250,000	250,000	0	0.0%	
<b>Total Non-Personnel Costs</b>	<b>8,180,648</b>	<b>9,527,482</b>	<b>13,369,586</b>	<b>3,842,105</b>	<b>40.3%</b>	
<b>Less: Items funded with other sources</b>	(300,000)	-	(698,583)	(698,583)	-	
<b>Less: Contingency funded separately with Member Assessments and TransNet</b>	(275,000)	(250,000)	(250,000)	-	0.0%	
<b>Total Non-Personnel Costs Charged to Overhead</b>	<b>\$7,605,648</b>	<b>\$9,277,482</b>	<b>\$12,421,003</b>	<b>\$3,143,522</b>	<b>41.3%</b>	

## Administration Budget Contracted Services

OWP No.	Contract Type Scope	Current Budget Year Amount
8000100	Professional Services: CALCOG MOU	\$35,000
8000100	Legal Services: On Call Open Government Law Services	70,000
8000100	Legal Services: Outside counsel for agency needs	200,000
8000100	Legal Services: Legal Research	16,000
<b>8000100</b>	<b>Admin - Overhead</b>	<b>321,000</b>
8000120	Office Space Services: Vendor services for building maintenance (carpet cleaning, moving furniture/equipment throughout the agency, temporary storage services)	25,000
8000120	Office Space Services: Office relocation - FF&E	2,310,000
8000120	Office Space Services: Office relocation - Project Management Services	305,000
8000120	Office Space Services: Office relocation - Moving Services	500,000
8000120	Office Space Services: Office relocation - Structured cabling	1,100,000
8000120	Office Space Services: Office relocation - Access control	353,000

## CHAPTER 7

# Office of the Independent Performance Auditor

---

As a result of California Assembly Bill 805 (Gonzalez, 2017), SANDAG hired an Independent Performance Auditor in FY 2019 to oversee and conduct independent examinations of SANDAG's programs, functions, and operations. The OIPA budget shows the cost of implementing the Business and Audit Plan, which is approved each year by the Audit Committee. OIPA expenses are allocated across projects in the OWP, regional operations and services, and capital budgets based on direct labor dollars charged to each project and funded accordingly.

**Budget<sup>1</sup>**

	FY 2023 Actual Budget	FY 2024 Budget	FY 2025 Budget	% of Non-Personnel Costs	Annual % Change
<b>Personnel</b>					
Salaries and Benefits	\$1,160,547	\$1,334,374	\$2,085,898	-	56.3%

## CHAPTER 8

# Human Resources

---

Included in this chapter are the Personnel Cost Summary, the Position Classification/Salary Range table, and the Special Compensation table. The Personnel Cost Summary shows the budgeted agency salaries and benefits for FY 2025, the revised budget for FY 2024, and actuals for FY 2023. The Position Classification/Salary Range table identifies the agency's classification structure and associated salary ranges. The Special Compensation table describes additional types of compensation that some employees may be eligible to receive.

San Diego Association of Governments  
FY 2025 Human Resources  
**SANDAG Organization Chart**

All positions are stated in terms of full-time equivalents  
TIPS = Temporary, Intern, Part-time, Seasonal (Totals 28 positions).

<sup>1</sup> This is a grandfathered classification

<sup>2</sup> Deputy Director I positions include: Deputy Director of Regional Planning

<sup>3</sup> Director I positions include: Director of ARJIS; Director of Diversity and Equity

<sup>4</sup> Director II positions include: Director of Accounting and Finance; Director of Business Information & Technology Services; Director of Contracts and Procurement Services; Director of Engineering and Construction; Director of Financial Planning, Budgets, and Grants; Director of Human Resources; Director of Public Affairs; Director of Regional Transportation Services

<sup>5</sup> Senior Director positions include: Senior Director, Data Science; Senior Director, Organization Effectiveness; Senior Director, Regional Planning

The FY 2025 Classification/Salary Range Table was approved by the SANDAG Board of Directors on May 10, 2024.

Effective date: July 1, 2024

## FY 2025 Special Compensation Table

### Acting Pay

An employee may be provided with acting pay, on an interim basis, when temporarily assigned to a higher-level position and performing the responsibilities of the higher-level position without the obligation of the duties of their current role; this is referred to as an Acting Assignment. The acting pay provided to an employee shall be at a rate appropriate to the classification of the acting assignment, and commensurate with the employee's qualifications and experience. The minimum increase is 5% of the employee's regular rate of pay and up to 25% may be provided.

Consistent with California Code of Regulations (CCR), Title 2, Section 571(b), SANDAG shall report Acting Pay (Temporary Upgrade Pay) to CalPERS as special compensation when duly earned by an eligible employee.

### Holiday Pay

Due to the 24/7 operational nature of the SR 125 toll road, employees who hold the position Toll Operations Specialist are required to work their usual assigned schedule regardless of agency holidays. If a holiday falls on a day a Toll Operations Specialist is normally required to work, the employee will be paid regular holiday pay in addition to straight time at their current hourly rate for the hours worked on the holiday. The following holidays shall be observed:

- New Year's Day
- Martin Luther King Day
- President's Day
- Cesar Chavez Day
- Memorial Day
- Juneteenth National Independence Day
- Independence Day
- Labor Day
- Veterans Day
- Thanksgiving Day and the day after
- Christmas Day

Consistent with California Code of Regulations (CCR), Title 2, Section 571(b) and 571.1, SANDAG shall report Holiday Pay to CalPERS as special compensation when duly earned by an employee.

### Lump Sum Merit Pay

Employees who meet or exceed their goals and objectives, as evidenced by the overall rating on their annual Performance Evaluation that covers the review period, may be eligible to receive a performance reward. The primary form of a performance reward is a merit increase (an adjustment in base salary). Alternatively, an employee may be provided with a lump sum merit payment as a form of performance reward. Lump sum merit payments may be used to supplement merit increases, or instead of merit increases, when an employee is at or close to the top of their salary range. When an employee receives lump sum merit pay, their base salary will be brought to the top of the salary range; any additional compensation above the top of the salary range will be provided as lump sum merit pay and is a one-time payment.

SANDAG shall not report Lump Sum Merit Pay to CalPERS as compensation earned.

### Shift Differential Pay

Employees who hold the job title of Toll Operations Specialist or Toll Plaza Attendant, who are routinely and consistently scheduled to work other than a standard daytime shift, will be entitled to shift differential pay in the amount of \$0.50 per hour for hours worked between 6 p.m. and 6 a.m.

Consistent with California Code of Regulations (CCR), Title 2, Section 571(b) and 571.1, SANDAG shall report Shift Differential Pay to CalPERS as special compensation when duly earned by an employee.

This document was approved by the SANDAG Board of Directors on May 10, 2024.

Effective date: July 1, 2024

## **APPENDIX A**

# Pending Discretionary Grants and Projects

---

FY 2025 Pending Discretionary Grants and Projects

Project Title	Grant Program	Project Manager	Department Director	Proposed Budget <sup>1</sup>	Proposed Grant Amount	Local Match
Decarbonizing the San Diego Region	Climate Pollution Reduction Grants	Freedman	Meier	\$199,000,000	\$199,000,000	\$0
Total				\$199,000,000	\$199,000,000	\$0

<sup>1</sup> Total project cost

**Work Element:** Decarbonizing the San Diego Region

**Project Manager:** Susan Freedman

### Project Expenses

Expense	Multi-Year Budget
Salaries, Benefits, Indirect	\$6,544,950
Other Direct Costs	\$7,157,001
Contracted Services	\$49,958,677
Pass-Through to Other Agencies	\$135,339,372
<b>Total</b>	<b>\$199,000,000</b>

### Project Funding

Funding	Multi-Year Budget
EPA Climate Pollution Reduction Grants (CPRG)	\$199,000,000
<b>Total</b>	<b>\$199,000,000</b>

### Objective

The objective of this work element is to bring federal funding to the region to implement programs that will significantly reduce greenhouse gas (GHG) emissions by 2030 and that were included in the region's Priority Climate Action Plan (PCAP) and that are consistent with the Regional Plan. If awarded, this grant would fund six regional programs and one project: a regional zero-emission vehicle (ZEV) incentive program, a regional medium- and heavy-duty charging infrastructure program, a regional active transportation grant program, regional transit incentive programs (expansion of the Youth Opportunity Pass [YOP] and Try Transit programs), a regional building electrification program, a regional residential solar and energy storage program, and the Express 277 Bus Rapid Transit (BRT) project, which is a new BRT service for the communities of Ramona and Poway.

### Previous Accomplishments

In fall of 2023, the SANDAG Board of Directors accepted a \$1M planning grant from the U.S. Environmental Protection Agency's (EPA) Climate Pollution Reduction Grant (CPRG) program to develop a PCAP and Comprehensive Climate Action Plan for the region. The PCAP identified GHG reduction measures and actions that could be implemented by 2030 and it was completed in March 2024. The EPA accepted SANDAG's PCAP, which satisfied the eligibility requirement to apply for a CPRG implementation grant. SANDAG submitted a grant application in late March 2024, building on work from the PCAP that was completed under Work Element No. 3202000.

### Justification

State law requires that SANDAG achieve specific reductions in GHGs pursuant to California Senate Bill (SB 375). The transportation programs proposed in the CPRG application will contribute to meeting these GHG reduction targets. In addition, the Environmental Impact Report (EIR) for the 2021 Regional Plan calls for SANDAG to invest in programs that support the transition to zero-emission vehicles and infrastructure (mitigation measure GHG-5b), as well as projects that reduce GHG emissions found in local government Climate Action Plans (CAPs) such as building retrofits and renewable energy systems (mitigation measure GHG-5a).

## Product, Tasks, and Schedule

Task No.	Total	Task Description	Task Product	Completion Date
1.	\$930,632	Oversee administration of the grant, including coordination with external partners, contract execution and management, and progress reporting to the EPA. (Staff/Consultant)	Semi-annual progress reports for EPA; memorandums of understanding with partner agencies	10/31/2029
2.	\$25,000,000	Develop, launch, and manage the regional ZEV incentive program for residents, local governments, and Tribal governments in San Diego County. (Staff/ Consultant)	Progress reports; administrator request for proposals; outreach and technical assistance plan; program manual; program data	6/30/2025
3.	\$11,441,996	Develop, launch, and manage the regional zero-emission medium- and heavy-duty vehicle charging infrastructure program. (San Diego Air Pollution Control District [SDAPCD])	Progress reports; grant application materials; program data on installations	10/31/2029
4.	\$41,296,928	Develop, launch, and manage the regional active transportation grant program for local governments and Tribal governments. (Staff/Consultant)	Progress reports; application materials; construction of bike infrastructure	10/31/2029
5.	\$21,783,157	Expand transportation incentive programs for YOP to provide free transit to all youth 18 and under and the Try Transit program to provide 30-day passes to commuters. (Staff/Consultant)	Progress reports; outreach and engagement materials; program/user data	10/31/2029
6.	\$15,354,049	Design, construct, and operate the Express 277 Bus Rapid Transit Project. (Staff/Consultant)	Progress reports; design and engineering plans, operations plan; outreach materials; construction of route infrastructure	10/31/2029
7.	\$35,999,402	Develop, launch, and manage the regional building electrification program to offer financial incentives and direct installation to replace gas water heaters and HVACs with heat pumps. (San Diego Community Power [SDCP]/San Diego Regional Energy Network [SDREN])	Progress reports; application materials; outreach and education materials; installation data	10/31/2029
8.	\$47,193,836	Develop, launch, and manage the regional residential solar and energy storage program to offer technical assistance and financial incentives to install solar and storage systems. (SDCP/SDREN)	Progress reports; application materials; applicant and project data dashboard; installation data	10/31/2029

## Future Activities

If SANDAG's proposal is selected for funding, future activities include coordinating with the implementing agencies and departments, conducting extensive outreach and engagement with low-income and disadvantaged communities, local jurisdictions, tribal governments, and community stakeholders.

## APPENDIX B

# Planning Factors

---

FY 2025 Appendix B

# Planning Factors

As part of the annual budget development planning process, SANDAG, as the Metropolitan Planning Organization for the San Diego region, has an obligation to fully consider and incorporate the federal and state planning factors into the development of planning efforts in the Overall Work Program.

The Federal Transit Administration and Federal Highway Administration have identified key provisions in the [Bipartisan Infrastructure Law/Infrastructure Investments and Jobs Act \(BIL/IJJA\)](#), the most recently enacted federal transportation laws. SANDAG staff has incorporated these additional provisions and emphasis areas into upcoming transportation planning efforts where federal funding is involved. For the development and implementation of regional transportation planning activities and the five-year Regional Transportation Improvement Program, due consideration has been given to adhere to the federal planning factors identified in the legislation.

Title 23 of the United States Code describes Federal Planning Factors issued by Congress to emphasize planning factors from a national perspective. The following table illustrates how SANDAG’s work program for FY 2025 addresses these ten planning factors.

## Overall Work Program for BIL/IJJA Planning Factors

1. Support the economic vitality of the metropolitan area, especially by enabling global competitiveness, productivity, and efficiency
2. Increase the safety of the transportation system for motorized and non-motorized users
3. Increase the security of the transportation system for motorized and non-motorized users
4. Increase the accessibility and mobility of people and for freight
5. Protect and enhance the environment, promote energy conservation, improve the quality of life, and promote consistency between transportation improvements and State and local planned growth, housing, and economic development patterns
6. Enhance the integration and connectivity of the transportation system, across and between modes, for people and freight
7. Promote efficient system management and operation
8. Emphasize the preservation of the existing transportation system
9. Improve the resiliency and reliability of the transportation system and reduce or mitigate stormwater impacts of surface transportation
10. Enhance travel and tourism

## Planning Emphasis Areas

The Federal Transit Administration (FTA) and Federal Highway Administration (FHWA) jointly issued updated Planning Emphasis Areas (PEAs) on December 30, 2021, for metropolitan transportation agencies to incorporate into their work. The following table illustrates how SANDAG's work program for FY 2025 addresses these eight planning emphasis areas. Following this table, are detailed descriptions of the planning emphasis areas as provided by FTA and FHWA.

1. Tackling the Climate Crisis – Transition to a Clean Energy, Resilient Future
2. Equity and Justice40 in Transportation Planning
3. Complete Streets
4. Public Involvement
5. Strategic Highway Network)/U.S. Department of Defense Coordination
6. Federal Land Management Agency Coordination
7. Planning and Environment Linkages
8. Data in Transportation Planning

## **APPENDIX C**

# Certifications/Assurances

---

**Fiscal Year 2024/2025 California Department of Transportation  
Debarment and Suspension Certification**

*As required by U.S. DOT regulations on governmentwide Debarment and Suspension*

*(Nonprocurement), 49 CFR 29.100:*

- 1) The Applicant certifies, to the best of its knowledge and belief, that it and its contractors, subcontractors and subrecipients:
  - a) Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
  - b) Have not, within the three (3) year period preceding this certification, been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, state, or local) transaction or contract under a public transaction, violation of Federal or state antitrust statutes, or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
  - c) Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, state, or local) with commission of any of the offenses listed in subparagraph (1)(b) of this certification; and
  - d) Have not, within the three (3) year period preceding this certification, had one or more public transactions (Federal, state, and local) terminated for cause or default.
- 2) The Applicant also certifies that, if Applicant later becomes aware of any information contradicting the statements of paragraph (1) above, it will promptly provide that information to the State.
- 3) If the Applicant is unable to certify to all statements in paragraphs (1) and (2) of this certification, through those means available to Applicant, including the General Services Administration's ***Excluded Parties List System (EPLS)***, Applicant shall indicate so in its applications, or in the transmittal letter or message accompanying its annual certifications and assurances, and will provide a written explanation to the State.

## FY 2024/2025 FHWA and FTA Metropolitan Transportation Planning Process Self-Certification

In accordance with 23 CFR part 450, the California Department of Transportation and San Diego Association of Governments (SANDAG), the designated Metropolitan Planning Organization for the San Diego, California urbanized area(s), hereby certify that the transportation planning process is being carried out in accordance with all applicable requirements including:

- 1) 23 U.S.C. 134, 49 U.S.C. 5303, and subpart C of 23 CFR part 450;
- 2) In nonattainment and maintenance areas, sections 174 and 176(c) and (d) of the Clean Air Act, as amended (42 U.S.C. 7504, 7506(c) and (d)) and 40 CFR part 93;
- 3) Title VI of the Civil Rights Act of 1964, as amended (42 U.S.C. 2000d-1) and 49 CFR part 21;
- 4) 49 U.S.C. 5332, prohibiting discrimination on the basis of race, color, creed, national origin, sex, or age in employment or business opportunity;
- 5) Section 1101(b) of the FAST Act (Pub. L. 114-94) and 49 CFR part 26 regarding the involvement of disadvantaged business enterprises in USDOT funded projects;
- 6) 23 CFR part 230, regarding the implementation of an equal employment opportunity program on Federal and Federal-aid highway construction contracts;
- 7) The provisions of the Americans with Disabilities Act of 1990 (42 U.S.C. 12101 et seq.) and 49 CFR parts 27, 37, and 38;
- 8) The Older Americans Act, as amended (42 U.S.C. 6101), prohibiting discrimination on the basis of age in programs or activities receiving Federal financial assistance;
- 9) Section 324 of title 23 U.S.C. regarding the prohibition of discrimination based on gender; and
- 10) Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. 794) and 49 CFR part 27 regarding discrimination against individuals with disabilities.

*Not every provision of every certification will apply to every applicant or award. If a provision of a certification does not apply to the applicant or its award, FTA will not enforce that provision.*

*Text in italic is guidance to the public. It does not have the force and effect of law, and is not meant to bind the public in any way. It is intended only to provide clarity to the public regarding existing requirements under the law or agency policies.*

## **CATEGORY 1. CERTIFICATIONS AND ASSURANCES REQUIRED OF EVERY APPLICANT.**

*All applicants must make the certifications in this category.*

### **1.1. Standard Assurances.**

*The certifications in this subcategory appear as part of the applicant’s registration or annual registration renewal in the System for Award Management (SAM.gov) and on the Office of Management and Budget’s standard form 424B “Assurances—Non-Construction Programs”. This certification has been modified in places to include analogous certifications required by U.S. DOT statutes or regulations.*

As the duly authorized representative of the applicant, you certify that the applicant:

- (a) Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
- (b) Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
- (c) Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
- (d) Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
- (e) Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§ 4728–4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM’s Standards for a Merit System of Personnel Administration (5 CFR 900, Subpart F).

- (f) Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to:
  - (1) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin, as effectuated by U.S. DOT regulation 49 CFR Part 21;
  - (2) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§ 1681–1683, and 1685–1686), which prohibits discrimination on the basis of sex, as effectuated by U.S. DOT regulation 49 CFR Part 25;
  - (3) Section 5332 of the Federal Transit Law (49 U.S.C. § 5332), which prohibits any person being excluded from participating in, denied a benefit of, or discriminated against under, a project, program, or activity receiving financial assistance from FTA because of race, color, religion, national origin, sex, disability, or age.
  - (4) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. § 794), which prohibits discrimination on the basis of handicaps, as effectuated by U.S. DOT regulation 49 CFR Part 27;
  - (5) The Age Discrimination Act of 1975, as amended (42 U.S.C. §§ 6101–6107), which prohibits discrimination on the basis of age;
  - (6) The Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse;
  - (7) The comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91–616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism;
  - (8) Sections 523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§ 290 dd-3 and 290 ee-3), as amended, relating to confidentiality of alcohol and drug abuse patient records;
  - (9) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§ 3601 et seq.), as amended, relating to nondiscrimination in the sale, rental, or financing of housing;
  - (10) Any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and,
  - (11) the requirements of any other nondiscrimination statute(s) which may apply to the application.
- (g) Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (“Uniform Act”) (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases. The requirements of the Uniform Act are effectuated by U.S. DOT regulation 49 CFR Part 24.

- (h) Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§ 1501–1508 and 7324–7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.
- (i) Will comply, as applicable, with the provisions of the Davis–Bacon Act (40 U.S.C. §§ 276a to 276a-7), the Copeland Act (40 U.S.C. § 276c and 18 U.S.C. § 874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 327–333), regarding labor standards for federally assisted construction subagreements.
- (j) Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
- (k) Will comply with environmental standards which may be prescribed pursuant to the following:
  - (1) Institution of environmental quality control measures under the National Environmental Policy Act of 1969 (P.L. 91-190) and Executive Order (EO) 11514;
  - (2) Notification of violating facilities pursuant to EO 11738;
  - (3) Protection of wetlands pursuant to EO 11990;
  - (4) Evaluation of flood hazards in floodplains in accordance with EO 11988;
  - (5) Assurance of project consistency with the approved State management program developed under the Coastal Zone Management Act of 1972 (16 U.S.C. §§ 1451 et seq.);
  - (6) Conformity of Federal actions to State (Clean Air) Implementation Plans under Section 176(c) of the Clean Air Act of 1955, as amended (42 U.S.C. §§ 7401 et seq.);
  - (7) Protection of underground sources of drinking water under the Safe Drinking Water Act of 1974, as amended (P.L. 93-523); and
  - (8) Protection of endangered species under the Endangered Species Act of 1973, as amended (P.L. 93–205).
- (l) Will comply with the Wild and Scenic Rivers Act of 1968 (16 U.S.C. §§ 1271 et seq.) related to protecting components or potential components of the national wild and scenic rivers system.
- (m) Will assist the awarding agency in assuring compliance with Section 106 of the National Historic Preservation Act of 1966, as amended (16 U.S.C. § 470), EO 11593 (identification and protection of historic properties), and the Archaeological and Historic Preservation Act of 1974 (16 U.S.C. §§ 469a-1 et seq.).
- (n) Will comply with P.L. 93-348 regarding the protection of human subjects involved in research, development, and related activities supported by this award of assistance.
- (o) Will comply with the Laboratory Animal Welfare Act of 1966 (P.L. 89-544, as amended, 7 U.S.C. §§ 2131 et seq.) pertaining to the care, handling, and treatment of warm blooded

- animals held for research, teaching, or other activities supported by this award of assistance.
- (p) Will comply with the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4801 et seq.) which prohibits the use of lead-based paint in construction or rehabilitation of residence structures.
  - (q) Will cause to be performed the required financial and compliance audits in accordance with the Single Audit Act Amendments of 1996 and 2 CFR Part 200, Subpart F, “Audit Requirements”, as adopted and implemented by U.S. DOT at 2 CFR Part 1201.
  - (r) Will comply with all applicable requirements of all other Federal laws, executive orders, regulations, and policies governing the program under which it is applying for assistance.
  - (s) Will comply with the requirements of Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. § 7104) which prohibits grant award recipients or a subrecipient from:
    - (1) Engaging in severe forms of trafficking in persons during the period of time that the award is in effect;
    - (2) Procuring a commercial sex act during the period of time that the award is in effect; or
    - (3) Using forced labor in the performance of the award or subawards under the award.

## 1.2. Standard Assurances: Additional Assurances for Construction Projects.

*This certification appears on the Office of Management and Budget’s standard form 424D “Assurances—Construction Programs” and applies specifically to federally assisted projects for construction. This certification has been modified in places to include analogous certifications required by U.S. DOT statutes or regulations.*

As the duly authorized representative of the applicant, you certify that the applicant:

- (a) Will not dispose of, modify the use of, or change the terms of the real property title or other interest in the site and facilities without permission and instructions from the awarding agency; will record the Federal awarding agency directives; and will include a covenant in the title of real property acquired in whole or in part with Federal assistance funds to assure nondiscrimination during the useful life of the project.
- (b) Will comply with the requirements of the assistance awarding agency with regard to the drafting, review, and approval of construction plans and specifications.
- (c) Will provide and maintain competent and adequate engineering supervision at the construction site to ensure that the complete work confirms with the approved plans and specifications, and will furnish progressive reports and such other information as may be required by the assistance awarding agency or State.

### 1.3. Procurement.

*The Uniform Administrative Requirements, 2 CFR § 200.325, allow a recipient to self-certify that its procurement system complies with Federal requirements, in lieu of submitting to certain pre-procurement reviews.*

The applicant certifies that its procurement system complies with:

- (a) U.S. DOT regulations, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,” 2 CFR Part 1201, which incorporates by reference U.S. OMB regulatory guidance, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,” 2 CFR Part 200, particularly 2 CFR §§ 200.317–200.327 “Procurement Standards;
- (b) Federal laws, regulations, and requirements applicable to FTA procurements; and
- (c) The latest edition of FTA Circular 4220.1 and other applicable Federal guidance.

### 1.4. Suspension and Debarment.

*Pursuant to Executive Order 12549, as implemented at 2 CFR Parts 180 and 1200, prior to entering into a covered transaction with an applicant, FTA must determine whether the applicant is excluded from participating in covered non-procurement transactions. For this purpose, FTA is authorized to collect a certification from each applicant regarding the applicant’s exclusion status. 2 CFR § 180.300. Additionally, each applicant must disclose any information required by 2 CFR § 180.335 about the applicant and the applicant’s principals prior to entering into an award agreement with FTA. This certification serves both purposes.*

The applicant certifies, to the best of its knowledge and belief, that the applicant and each of its principals:

- (a) Is not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily or involuntarily excluded from covered transactions by any Federal department or agency;
- (b) Has not, within the preceding three years, been convicted of or had a civil judgment rendered against him or her for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public or private agreement or transaction; violation of Federal or State antitrust statutes, including those proscribing price fixing between competitors, allocation of customers between competitors, and bid rigging; commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, or obstruction of justice; or commission of any other offense indicating a lack of business integrity or business honesty;

- (c) Is not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State, or local) with commission of any offense described in paragraph (b) of this certification;
- (d) Has not, within the preceding three years, had one or more public transactions (Federal, State, or local) terminated for cause or default.

**1.5. Coronavirus Response and Relief Supplemental Appropriations Act, 2021, and CARES Act Funding.**

The applicant certifies:

- (a) To the maximum extent possible, funds made available under title IV of division M of the Consolidated Appropriations Act, 2021 (Public Law 116–260), and in title XII of division B of the CARES Act (Public Law 116–136; 134 Stat. 599) shall be directed to payroll and operations of public transit (including payroll and expenses of private providers of public transportation); or
- (b) The applicant certifies that the applicant has not furloughed any employees.

**1.6. American Rescue Plan Act Funding.**

The applicant certifies:

- (a) Funds made available by Section 3401(a)(2)(A) of the American Rescue Plan Act of 2021 (Public Law 117-2) shall be directed to payroll and operations of public transportation (including payroll and expenses of private providers of public transportation); or
- (b) The applicant certifies that the applicant has not furloughed any employees.

**CATEGORY 2. PUBLIC TRANSPORTATION AGENCY SAFETY PLANS**

*This certification is required of each applicant under the Urbanized Area Formula Grants Program (49 U.S.C. § 5307), each rail operator that is subject to FTA’s state safety oversight programs, and each State that is required to draft and certify a Public Transportation Agency Safety Plan on behalf of a Small Public Transportation Provider (as that term is defined at 49 CFR § 673.5) pursuant to 49 CFR § 673.11(d).*

*This certification is required by 49 U.S.C. § 5307(c)(1)(L), 49 U.S.C. § 5329(d)(1), and 49 CFR § 673.13. This certification is a condition of receipt of Urbanized Area Formula Grants Program (49 U.S.C. § 5307) funding.*

*This certification does not apply to any applicant that only receives financial assistance from FTA under the Formula Grants for the Enhanced Mobility of Seniors Program (49 U.S.C.*

*§ 5310), the Formula Grants for Rural Areas Program (49 U.S.C. § 5311), or combination of these two programs, unless it operates a rail fixed guideway public transportation system.*

If the applicant is an operator, the applicant certifies that it has established a Public Transportation Agency Safety Plan meeting the requirements of 49 U.S.C. § 5329(d)(1) and 49 CFR Part 673; including, specifically, that the board of directors (or equivalent entity) of the applicant has approved, or, in the case of an applicant that will apply for assistance under 49 U.S.C. § 5307 that is serving an urbanized area with a population of 200,000 or more, the safety committee of the entity established under 49 U.S.C. § 5329(d)(5), followed by the board of directors (or equivalent entity) of the applicant has approved, the Public Transportation Agency Safety Plan or any updates thereto; and, for each recipient serving an urbanized area with a population of fewer than 200,000, that the Public Transportation Agency Safety Plan has been developed in cooperation with frontline employee representatives.

If the applicant is a State that drafts and certifies a Public Transportation Agency Safety Plan on behalf of a public transportation operator, the applicant certifies that:

- (a) It has drafted and certified a Public Transportation Agency Safety Plan meeting the requirements of 49 U.S.C. § 5329(d)(1) and 49 CFR Part 673 for each Small Public Transportation Provider (as that term is defined at 49 CFR § 673.5) in the State, unless the Small Public Transportation Provider provided notification to the State that it was opting out of the State-drafted plan and drafting its own Public Transportation Agency Safety Plan; and
- (b) Each Small Public Transportation Provider within the State that opts to use a State-drafted Public Transportation Agency Safety Plan has a plan that has been approved by the provider's Accountable Executive (as that term is defined at 49 CFR § 673.5), Board of Directors or Equivalent Authority (as that term is defined at 49 CFR § 673.5), and, if the Small Public Transportation Provider serves an urbanized area with a population of 200,000 or more, the safety committee of the Small Public Transportation Provider established under 49 U.S.C. § 5329(d)(5).

### **CATEGORY 3. TAX LIABILITY AND FELONY CONVICTIONS.**

*If the applicant is a business association (regardless of for-profit, not for-profit, or tax exempt status), it must make this certification. Federal appropriations acts since at least 2014 have prohibited FTA from using funds to enter into an agreement with any corporation that has unpaid Federal tax liabilities or recent felony convictions without first considering the corporation for debarment. E.g., Consolidated Appropriations Act, 2023, Pub. L. 117-328, div. E, tit. VII, §§ 744–745. U.S. DOT Order 4200.6 defines a “corporation” as “any private corporation, partnership, trust, joint-stock company, sole proprietorship, or other business association”, and applies the restriction to all tiers of subawards. As prescribed by U.S. DOT*

*Order 4200.6, FTA requires each business association applicant to certify as to its tax and felony status.*

If the applicant is a private corporation, partnership, trust, joint-stock company, sole proprietorship, or other business association, the applicant certifies that:

- (a) It has no unpaid Federal tax liability that has been assessed, for which all judicial and administrative remedies have been exhausted or have lapsed, and that is not being paid in a timely manner pursuant to an agreement with the authority responsible for collecting the tax liability; and
- (b) It has not been convicted of a felony criminal violation under any Federal law within the preceding 24 months.

#### **CATEGORY 4. LOBBYING.**

*If the applicant will apply for a grant or cooperative agreement exceeding \$100,000, or a loan, line of credit, loan guarantee, or loan insurance exceeding \$150,000, it must make the following certification and, if applicable, make a disclosure regarding the applicant's lobbying activities. This certification is required by 49 CFR § 20.110 and app. A to that part.*

*This certification does not apply to an applicant that is an Indian Tribe, Indian organization, or an Indian tribal organization exempt from the requirements of 49 CFR Part 20.*

##### **4.1. Certification for Contracts, Grants, Loans, and Cooperative Agreements.**

The undersigned certifies, to the best of his or her knowledge and belief, that:

- (a) No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
- (b) If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- (c) The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and

contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

#### **4.2. Statement for Loan Guarantees and Loan Insurance.**

The undersigned states, to the best of his or her knowledge and belief, that:

If any funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this commitment providing for the United States to insure or guarantee a loan, the undersigned shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

Submission of this statement is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required statement shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

### **CATEGORY 5. PRIVATE SECTOR PROTECTIONS.**

*If the applicant will apply for funds that it will use to acquire or operate public transportation facilities or equipment, the applicant must make the following certification regarding protections for the private sector.*

#### **5.1. Charter Service Agreement.**

*To enforce the provisions of 49 U.S.C. § 5323(d), FTA's charter service regulation requires each applicant seeking assistance from FTA for the purpose of acquiring or operating any public transportation equipment or facilities to make the following Charter Service Agreement. 49 CFR § 604.4.*

The applicant agrees that it, and each of its subrecipients, and third party contractors at any level who use FTA-funded vehicles, may provide charter service using equipment or facilities acquired with Federal assistance authorized under the Federal Transit Laws only in compliance with the regulations set out in 49 CFR Part 604, the terms and conditions of which are incorporated herein by reference.

## 5.2. School Bus Agreement.

*To enforce the provisions of 49 U.S.C. § 5323(f), FTA's school bus regulation requires each applicant seeking assistance from FTA for the purpose of acquiring or operating any public transportation equipment or facilities to make the following agreement regarding the provision of school bus services. 49 CFR § 605.15.*

- (a) If the applicant is not authorized by the FTA Administrator under 49 CFR § 605.11 to engage in school bus operations, the applicant agrees and certifies as follows:
  - (1) The applicant and any operator of project equipment agrees that it will not engage in school bus operations in competition with private school bus operators.
  - (2) The applicant agrees that it will not engage in any practice which constitutes a means of avoiding the requirements of this agreement, part 605 of the Federal Mass Transit Regulations, or section 164(b) of the Federal-Aid Highway Act of 1973 (49 U.S.C. 1602a(b)).
- (b) If the applicant is authorized or obtains authorization from the FTA Administrator to engage in school bus operations under 49 CFR § 605.11, the applicant agrees as follows:
  - (1) The applicant agrees that neither it nor any operator of project equipment will engage in school bus operations in competition with private school bus operators except as provided herein.
  - (2) The applicant, or any operator of project equipment, agrees to promptly notify the FTA Administrator of any changes in its operations which might jeopardize the continuation of an exemption under § 605.11.
  - (3) The applicant agrees that it will not engage in any practice which constitutes a means of avoiding the requirements of this agreement, part 605 of the Federal Transit Administration regulations or section 164(b) of the Federal-Aid Highway Act of 1973 (49 U.S.C. 1602a(b)).
  - (4) The applicant agrees that the project facilities and equipment shall be used for the provision of mass transportation services within its urban area and that any other use of project facilities and equipment will be incidental to and shall not interfere with the use of such facilities and equipment in mass transportation service to the public.

## CATEGORY 6. TRANSIT ASSET MANAGEMENT PLAN.

*If the applicant owns, operates, or manages capital assets used to provide public transportation, the following certification is required by 49 U.S.C. § 5326(a).*

The applicant certifies that it is in compliance with 49 CFR Part 625.

## **CATEGORY 7. ROLLING STOCK BUY AMERICA REVIEWS AND BUS TESTING.**

### **7.1. Rolling Stock Buy America Reviews.**

*If the applicant will apply for an award to acquire rolling stock for use in revenue service, it must make this certification. This certification is required by 49 CFR § 663.7.*

The applicant certifies that it will conduct or cause to be conducted the pre-award and post-delivery audits prescribed by 49 CFR Part 663 and will maintain on file the certifications required by Subparts B, C, and D of 49 CFR Part 663.

### **7.2. Bus Testing.**

*If the applicant will apply for funds for the purchase or lease of any new bus model, or any bus model with a major change in configuration or components, the applicant must make this certification. This certification is required by 49 CFR § 665.7.*

The applicant certifies that the bus was tested at the Bus Testing Facility and that the bus received a passing test score as required by 49 CFR Part 665. The applicant has received or will receive the appropriate full Bus Testing Report and any applicable partial testing reports before final acceptance of the first vehicle.

## **CATEGORY 8. URBANIZED AREA FORMULA GRANTS PROGRAM.**

*If the applicant will apply for an award under the Urbanized Area Formula Grants Program (49 U.S.C. § 5307), or any other program or award that is subject to the requirements of 49 U.S.C. § 5307, including the Formula Grants for the Enhanced Mobility of Seniors Program (49 U.S.C. § 5310); “flex funds” from infrastructure programs administered by the Federal Highways Administration (see 49 U.S.C. § 5334(i)); projects that will receive an award authorized by the Transportation Infrastructure Finance and Innovation Act (“TIFIA”) (23 U.S.C. §§ 601–609) or State Infrastructure Bank Program (23 U.S.C. § 610) (see 49 U.S.C. § 5323(o)); formula awards or competitive awards to urbanized areas under the Grants for Buses and Bus Facilities Program (49 U.S.C. § 5339(a) and (b)); or low or no emission awards to any area under the Grants for Buses and Bus Facilities Program (49 U.S.C. § 5339(c)), the applicant must make the following certification. This certification is required by 49 U.S.C. § 5307(c)(1).*

The applicant certifies that it:

- (a) Has or will have the legal, financial, and technical capacity to carry out the program of projects (developed pursuant 49 U.S.C. § 5307(b)), including safety and security aspects of the program;
- (b) Has or will have satisfactory continuing control over the use of equipment and facilities;

- (c) Will maintain equipment and facilities in accordance with the applicant's transit asset management plan;
- (d) Will ensure that, during non-peak hours for transportation using or involving a facility or equipment of a project financed under this section, a fare that is not more than 50 percent of the peak hour fare will be charged for any—
  - (1) Senior;
  - (2) Individual who, because of illness, injury, age, congenital malfunction, or any other incapacity or temporary or permanent disability (including an individual who is a wheelchair user or has semi-ambulatory capability), cannot use a public transportation service or a public transportation facility effectively without special facilities, planning, or design; and
  - (3) Individual presenting a Medicare card issued to that individual under title II or XVIII of the Social Security Act (42 U.S.C. §§ 401 et seq., and 1395 et seq.);
- (e) In carrying out a procurement under 49 U.S.C. § 5307, will comply with 49 U.S.C. §§ 5323 (general provisions) and 5325 (contract requirements);
- (f) Has complied with 49 U.S.C. § 5307(b) (program of projects requirements);
- (g) Has available and will provide the required amounts as provided by 49 U.S.C. § 5307(d) (cost sharing);
- (h) Will comply with 49 U.S.C. §§ 5303 (metropolitan transportation planning) and 5304 (statewide and nonmetropolitan transportation planning);
- (i) Has a locally developed process to solicit and consider public comment before raising a fare or carrying out a major reduction of transportation;
- (j) Either—
  - (1) Will expend for each fiscal year for public transportation security projects, including increased lighting in or adjacent to a public transportation system (including bus stops, subway stations, parking lots, and garages), increased camera surveillance of an area in or adjacent to that system, providing an emergency telephone line to contact law enforcement or security personnel in an area in or adjacent to that system, and any other project intended to increase the security and safety of an existing or planned public transportation system, at least 1 percent of the amount the recipient receives for each fiscal year under 49 U.S.C. § 5336; or
  - (2) Has decided that the expenditure for security projects is not necessary;
- (k) In the case of an applicant for an urbanized area with a population of not fewer than 200,000 individuals, as determined by the Bureau of the Census, will submit an annual report listing projects carried out in the preceding fiscal year under 49 U.S.C. § 5307 for associated transit improvements as defined in 49 U.S.C. § 5302; and
- (l) Will comply with 49 U.S.C. § 5329(d) (public transportation agency safety plan).

### **CATEGORY 9. FORMULA GRANTS FOR RURAL AREAS.**

*If the applicant will apply for funds made available to it under the Formula Grants for Rural Areas Program (49 U.S.C. § 5311), it must make this certification. Paragraph (a) of this certification helps FTA make the determinations required by 49 U.S.C. § 5310(b)(2)(C). Paragraph (b) of this certification is required by 49 U.S.C. § 5311(f)(2). Paragraph (c) of this certification, which applies to funds apportioned for the Appalachian Development Public Transportation Assistance Program, is necessary to enforce the conditions of 49 U.S.C. § 5311(c)(2)(D).*

- (a) The applicant certifies that its State program for public transportation service projects, including agreements with private providers for public transportation service—
  - (1) Provides a fair distribution of amounts in the State, including Indian reservations; and
  - (2) Provides the maximum feasible coordination of public transportation service assisted under 49 U.S.C. § 5311 with transportation service assisted by other Federal sources; and
- (b) If the applicant will in any fiscal year expend less than 15% of the total amount made available to it under 49 U.S.C. § 5311 to carry out a program to develop and support intercity bus transportation, the applicant certifies that it has consulted with affected intercity bus service providers, and the intercity bus service needs of the State are being met adequately.
- (c) If the applicant will use for a highway project amounts that cannot be used for operating expenses authorized under 49 U.S.C. § 5311(c)(2) (Appalachian Development Public Transportation Assistance Program), the applicant certifies that—
  - (1) It has approved the use in writing only after providing appropriate notice and an opportunity for comment and appeal to affected public transportation providers; and
  - (2) It has determined that otherwise eligible local transit needs are being addressed.

### **CATEGORY 10. FIXED GUIDEWAY CAPITAL INVESTMENT GRANTS AND THE EXPEDITED PROJECT DELIVERY FOR CAPITAL INVESTMENT GRANTS PILOT PROGRAM.**

*If the applicant will apply for an award under any subsection of the Fixed Guideway Capital Investment Program (49 U.S.C. § 5309), including an award made pursuant to the FAST Act's Expedited Project Delivery for Capital Investment Grants Pilot Program (Pub. L. 114-94, div. A, title III, § 3005(b)), the applicant must make the following certification. This certification is required by 49 U.S.C. § 5309(c)(2) and Pub. L. 114-94, div. A, title III, § 3005(b)(3)(B).*

The applicant certifies that it:

- (a) Has or will have the legal, financial, and technical capacity to carry out its Award, including the safety and security aspects of that Award,
- (b) Has or will have satisfactory continuing control over the use of equipment and facilities acquired or improved under its Award.
- (c) Will maintain equipment and facilities acquired or improved under its Award in accordance with its transit asset management plan; and
- (d) Will comply with 49 U.S.C. §§ 5303 (metropolitan transportation planning) and 5304 (statewide and nonmetropolitan transportation planning).

**CATEGORY 11. GRANTS FOR BUSES AND BUS FACILITIES AND LOW OR NO EMISSION VEHICLE DEPLOYMENT GRANT PROGRAMS.**

*If the applicant is in an urbanized area and will apply for an award under subsection (a) (formula grants), subsection (b) (buses and bus facilities competitive grants), or subsection (c) (low or no emissions grants) of the Grants for Buses and Bus Facilities Program (49 U.S.C. § 5339), the applicant must make the certification in Category 8 for Urbanized Area Formula Grants (49 U.S.C. § 5307). This certification is required by 49 U.S.C. § 5339(a)(3), (b)(6), and (c)(3), respectively.*

*If the applicant is in a rural area and will apply for an award under subsection (a) (formula grants), subsection (b) (bus and bus facilities competitive grants), or subsection (c) (low or no emissions grants) of the Grants for Buses and Bus Facilities Program (49 U.S.C. § 5339), the applicant must make the certification in Category 9 for Formula Grants for Rural Areas (49 U.S.C. § 5311). This certification is required by 49 U.S.C. § 5339(a)(3), (b)(6), and (c)(3), respectively.*

*Making this certification will incorporate by reference the applicable certifications in Category 8 or Category 9.*

*If the applicant will receive a competitive award under subsection (b) (buses and bus facilities competitive grants), or subsection (c) (low or no emissions grants) of the Grants for Buses and Bus Facilities Program (49 U.S.C. § 5339) related to zero emissions vehicles or related infrastructure, it must make the following certification. This certification is required by 49 U.S.C. § 5339(d).*

The applicant will use 5 percent of grants related to zero emissions vehicles (as defined in subsection (c)(1)) or related infrastructure under subsection (b) or (c) to fund workforce development training as described in section 49 U.S.C. § 5314(b)(2) (including registered apprenticeships and other labor-management training programs) under the recipient's plan to address the impact of the transition to zero emission vehicles on the applicant's current workforce; or the applicant certifies a smaller percentage is necessary to carry out that plan.

## **CATEGORY 12. ENHANCED MOBILITY OF SENIORS AND INDIVIDUALS WITH DISABILITIES PROGRAMS.**

*If the applicant will apply for an award under the Formula Grants for the Enhanced Mobility of Seniors and Individuals with Disabilities Program (49 U.S.C. § 5310), it must make the certification in Category 8 for Urbanized Area Formula Grants (49 U.S.C. § 5307). This certification is required by 49 U.S.C. § 5310(e)(1). Making this certification will incorporate by reference the certification in Category 8, except that FTA has determined that (d), (f), (i), (j), and (k) of Category 8 do not apply to awards made under 49 U.S.C. § 5310 and will not be enforced.*

*In addition to the certification in Category 8, the applicant must make the following certification that is specific to the Formula Grants for the Enhanced Mobility of Seniors and Individuals with Disabilities Program. This certification is required by 49 U.S.C. § 5310(e)(2).*

The applicant certifies that:

- (a) The projects selected by the applicant are included in a locally developed, coordinated public transit-human services transportation plan;
- (b) The plan described in clause (a) was developed and approved through a process that included participation by seniors, individuals with disabilities, representatives of public, private, and nonprofit transportation and human services providers, and other members of the public;
- (c) To the maximum extent feasible, the services funded under 49 U.S.C. § 5310 will be coordinated with transportation services assisted by other Federal departments and agencies, including any transportation activities carried out by a recipient of a grant from the Department of Health and Human Services; and
- (d) If the applicant will allocate funds received under 49 U.S.C. § 5310 to subrecipients, it will do so on a fair and equitable basis.

## **CATEGORY 13. STATE OF GOOD REPAIR GRANTS.**

*If the applicant will apply for an award under FTA's State of Good Repair Grants Program (49 U.S.C. § 5337), it must make the following certification. Because FTA generally does not review the transit asset management plans of public transportation providers, the asset management certification is necessary to enforce the provisions of 49 U.S.C. § 5337(a)(4). The certification with regard to acquiring restricted rail rolling stock is required by 49 U.S.C. § 5323(u)(4). Note that this certification is not limited to the use of Federal funds.*

The applicant certifies that the projects it will carry out using assistance authorized by the State of Good Repair Grants Program, 49 U.S.C. § 5337, are aligned with the applicant's most recent transit asset management plan and are identified in the investment and prioritization section of such plan, consistent with the requirements of 49 CFR Part 625.

If the applicant operates a rail fixed guideway service, the applicant certifies that, in the fiscal year for which an award is available to the applicant under the State of Good Repair Grants Program, 49 U.S.C. § 5337, the applicant will not award any contract or subcontract for the procurement of rail rolling stock for use in public transportation with a rail rolling stock manufacturer described in 49 U.S.C. § 5323(u)(1).

#### **CATEGORY 14. INFRASTRUCTURE FINANCE PROGRAMS.**

*If the applicant will apply for an award for a project that will include assistance under the Transportation Infrastructure Finance and Innovation Act (“TIFIA”) Program (23 U.S.C. §§ 601–609) or the State Infrastructure Banks (“SIB”) Program (23 U.S.C. § 610), it must make the certifications in Category 8 for the Urbanized Area Formula Grants Program, Category 10 for the Fixed Guideway Capital Investment Grants program, and Category 13 for the State of Good Repair Grants program. These certifications are required by 49 U.S.C. § 5323(o).*

*Making this certification will incorporate the certifications in Categories 8, 10, and 13 by reference.*

#### **CATEGORY 15. ALCOHOL AND CONTROLLED SUBSTANCES TESTING.**

*If the applicant will apply for an award under FTA’s Urbanized Area Formula Grants Program (49 U.S.C. § 5307), Fixed Guideway Capital Investment Program (49 U.S.C. § 5309), Formula Grants for Rural Areas Program (49 U.S.C. § 5311), or Grants for Buses and Bus Facilities Program (49 U.S.C. § 5339) programs, the applicant must make the following certification. The applicant must make this certification on its own behalf and on behalf of its subrecipients and contractors. This certification is required by 49 CFR § 655.83.*

The applicant certifies that it, its subrecipients, and its contractors are compliant with FTA’s regulation for the Prevention of Alcohol Misuse and Prohibited Drug Use in Transit Operations, 49 CFR Part 655.

#### **CATEGORY 16. RAIL SAFETY TRAINING AND OVERSIGHT.**

*If the applicant is a State with at least one rail fixed guideway system, or is a State Safety Oversight Agency, or operates a rail fixed guideway system, it must make the following certification. The elements of this certification are required by 49 CFR §§ 672.31 and 674.39.*

The applicant certifies that the rail fixed guideway public transportation system and the State Safety Oversight Agency for the State are:

- (a) Compliant with the requirements of 49 CFR Part 672, “Public Transportation Safety Certification Training Program”; and
- (b) Compliant with the requirements of 49 CFR Part 674, “State Safety Oversight”.

### **CATEGORY 17. DEMAND RESPONSIVE SERVICE.**

*If the applicant operates demand responsive service and will apply for an award to purchase a non-rail vehicle that is not accessible within the meaning of 49 CFR Part 37, it must make the following certification. This certification is required by 49 CFR § 37.77.*

The applicant certifies that the service it provides to individuals with disabilities is equivalent to that provided to other persons. A demand responsive system, when viewed in its entirety, is deemed to provide equivalent service if the service available to individuals with disabilities, including individuals who use wheelchairs, is provided in the most integrated setting appropriate to the needs of the individual and is equivalent to the service provided other individuals with respect to the following service characteristics:

- (a) Response time;
- (b) Fares;
- (c) Geographic area of service;
- (d) Hours and days of service;
- (e) Restrictions or priorities based on trip purpose;
- (f) Availability of information and reservation capability; and
- (g) Any constraints on capacity or service availability.

### **CATEGORY 18. INTEREST AND FINANCING COSTS.**

*If the applicant will pay for interest or other financing costs of a project using assistance awarded under the Urbanized Area Formula Grants Program (49 U.S.C. § 5307), the Fixed Guideway Capital Investment Grants Program (49 U.S.C. § 5309), or any program that must comply with the requirements of 49 U.S.C. § 5307, including the Formula Grants for the Enhanced Mobility of Seniors Program (49 U.S.C. § 5310), “flex funds” from infrastructure programs administered by the Federal Highways Administration (see 49 U.S.C. § 5334(i)), or awards to urbanized areas under the Grants for Buses and Bus Facilities Program (49 U.S.C. § 5339), the applicant must make the following certification. This certification is required by 49 U.S.C. §§ 5307(e)(3) and 5309(k)(2)(D).*

The applicant certifies that:

- (a) Its application includes the cost of interest earned and payable on bonds issued by the applicant only to the extent proceeds of the bonds were or will be expended in carrying out the project identified in its application; and
- (b) The applicant has shown or will show reasonable diligence in seeking the most favorable financing terms available to the project at the time of borrowing.

## **CATEGORY 19. CYBERSECURITY CERTIFICATION FOR RAIL ROLLING STOCK AND OPERATIONS.**

*If the applicant operates a rail fixed guideway public transportation system, it must make this certification. This certification is required by 49 U.S.C. § 5323(v). For information about standards or practices that may apply to a rail fixed guideway public transportation system, visit <https://www.nist.gov/cyberframework> and <https://www.cisa.gov/>.*

The applicant certifies that it has established a process to develop, maintain, and execute a written plan for identifying and reducing cybersecurity risks that complies with the requirements of 49 U.S.C. § 5323(v)(2).

## **CATEGORY 20. PUBLIC TRANSPORTATION ON INDIAN RESERVATIONS FORMULA AND DISCRETIONARY PROGRAM (TRIBAL TRANSIT PROGRAMS).**

*Before FTA may provide Federal assistance for an Award financed under either the Public Transportation on Indian Reservations Formula or Discretionary Program authorized under 49 U.S.C. § 5311(c)(1), as amended by the FAST Act, (Tribal Transit Programs), the applicant must select the Certifications in Category 21, except as FTA determines otherwise in writing. Tribal Transit Program applicants may certify to this Category and Category 1 (Certifications and Assurances Required of Every Applicant) and need not make any other certification, to meet Tribal Transit Program certification requirements. If an applicant will apply for any program in addition to the Tribal Transit Program, additional certifications may be required.*

FTA has established terms and conditions for Tribal Transit Program grants financed with Federal assistance appropriated or made available under 49 U.S.C. § 5311(c)(1). The applicant certifies that:

- (a) It has or will have the legal, financial, and technical capacity to carry out its Award, including the safety and security aspects of that Award.
- (b) It has or will have satisfactory continuing control over the use of its equipment and facilities acquired or improved under its Award.
- (c) It will maintain its equipment and facilities acquired or improved under its Award, in accordance with its transit asset management plan and consistent with FTA regulations, “Transit Asset Management,” 49 CFR Part 625. Its Award will achieve maximum feasible coordination with transportation service financed by other federal sources.
- (d) With respect to its procurement system:
  - (1) It will have a procurement system that complies with U.S. DOT regulations, “Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards,” 2 CFR Part 1201, which incorporates by reference U.S. OMB regulatory guidance, “Uniform Administrative Requirements, Cost

- Principles, and Audit Requirements for Federal Awards,” 2 CFR Part 200, for Awards made on or after December 26, 2014,
- (2) It will have a procurement system that complies with U.S. DOT regulations, “Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments,” 49 CFR Part 18, specifically former 49 CFR § 18.36, for Awards made before December 26, 2014, or
- (3) It will inform FTA promptly if its procurement system does not comply with either of those U.S. DOT regulations.
- (e) It will comply with the Certifications, Assurances, and Agreements in:
  - (1) Category 05.1 and 05.2 (Charter Service Agreement and School Bus Agreement),
  - (2) Category 06 (Transit Asset Management Plan),
  - (3) Category 07.1 and 07.2 (Rolling Stock Buy America Reviews and Bus Testing),
  - (4) Category 09 (Formula Grants for Rural Areas),
  - (5) Category 15 (Alcohol and Controlled Substances Testing), and
  - (6) Category 17 (Demand Responsive Service).

#### **CATEGORY 21. EMERGENCY RELIEF PROGRAM.**

*An applicant to the Public Transportation Emergency Relief Program, 49 U.S.C. § 5324, must make the following certification. The certification is required by 49 U.S.C. § 5324(f) and must be made before the applicant can receive a grant under the Emergency Relief program.*

The applicant certifies that the applicant has insurance required under State law for all structures related to the emergency relief program grant application.

# **FEDERAL FISCAL YEAR 2024 CERTIFICATIONS AND ASSURANCES FOR FTA ASSISTANCE PROGRAMS**

**CERTIFICATIONS AND ASSURANCES SIGNATURE PAGE**

**AFFIRMATION OF APPLICANT**

Name of the Applicant: \_\_\_\_\_

BY SIGNING BELOW, on behalf of the Applicant, I declare that it has duly authorized me to make these Certifications and Assurances and bind its compliance. Thus, it agrees to comply with all federal laws, regulations, and requirements, follow applicable federal guidance, and comply with the Certifications and Assurances as indicated on the foregoing page applicable to each application its Authorized Representative makes to the Federal Transit Administration (FTA) in the federal fiscal year, irrespective of whether the individual that acted on his or her Applicant's behalf continues to represent it.

The Certifications and Assurances the Applicant selects apply to each Award for which it now seeks, or may later seek federal assistance to be awarded by FTA during the federal fiscal year.

The Applicant affirms the truthfulness and accuracy of the Certifications and Assurances it has selected in the statements submitted with this document and any other submission made to FTA, and acknowledges that the Program Fraud Civil Remedies Act of 1986, 31 U.S.C. § 3801 *et seq.*, and implementing U.S. DOT regulations, "Program Fraud Civil Remedies," 49 CFR part 31, apply to any certification, assurance or submission made to FTA. The criminal provisions of 18 U.S.C. § 1001 apply to any certification, assurance, or submission made in connection with a federal public transportation program authorized by 49 U.S.C. chapter 53 or any other statute

## Certifications and Assurances

Fiscal Year 2024

In signing this document, I declare under penalties of perjury that the foregoing Certifications and Assurances, and any other statements made by me on behalf of the Applicant are true and accurate.

Signature 

Date: 4/22/24

Name Coleen Clementson

Authorized Representative of Applicant

### AFFIRMATION OF APPLICANT'S ATTORNEY

For (Name of Applicant): San Diego Association of Governments (SANDAG)

As the undersigned Attorney for the above-named Applicant, I hereby affirm to the Applicant that it has authority under state, local, or tribal government law, as applicable, to make and comply with the Certifications and Assurances as indicated on the foregoing pages. I further affirm that, in my opinion, the Certifications and Assurances have been legally made and constitute legal and binding obligations on it.

I further affirm that, to the best of my knowledge, there is no legislation or litigation pending or imminent that might adversely affect the validity of these Certifications and Assurances, or of the performance of its FTA assisted Award.

Signature 

Date: 4/30/24

Name John F. Kirk

Attorney for Applicant

*Each Applicant for federal assistance to be awarded by FTA must provide an Affirmation of Applicant's Attorney pertaining to the Applicant's legal capacity. The Applicant may enter its electronic signature in lieu of the Attorney's signature within TrAMS, provided the Applicant has on file and uploaded to TrAMS this hard-copy Affirmation, signed by the attorney and dated this federal fiscal year.*
