VII. SCOPE OF PERFORMANCE

- A. This AGREEMENT was awarded based on the application submitted by SUBRECIPIENT with the intention that the awarded funds would be used to implement the Project as described in the Project Description. Any substantive deviation from the Project Description must be approved in advance by written amendment if grant funds are to be used for such changes. If SUBRECIPIENT believes substantive changes need to be made to the Project, SUBRECIPIENT will immediately notify SANDAG in writing. SANDAG will then determine whether the Project is still consistent with the overall objectives of the relevant federal funding program and whether the changes would have negatively affected the Project ranking during the grant application process. SANDAG reserves the right to have AGREEMENT funding withheld or refunded due to substantive Project changes.
- B. SUBRECIPIENT must prioritize the service funded by this AGREEMENT for the target population, ensuring that at least 80 percent of the service is provided for older adults and individuals with disabilities. **[Following sentence for vehicle grants only]** Any vehicle funded through this agreement must be operated at least 20 hours per week for the duration of its minimum useful life.
- C. SUBRECIPIENT must make diligent and timely progress toward completion of the Project within the timeliness set forth in the Project Schedule, which is included in the Project Description. SUBRECIPIENT further agrees to the requirements and timeframes set forth in SANDAG Board Policy No. 035: Competitive Grant Program Procedures, as amended, and located on the SANDAG web page.
- D. In the event SUBRECIPIENT encounters or anticipates difficulty in meeting the Project Schedule, SUBRECIPIENT shall immediately notify the SANDAG STGP Program Manager in writing and shall provide pertinent details, including the reason(s) for the delay in performance and the date by which SUBRECIPIENT expects to complete performance. SUBRECIPIENT's notification will be informational in character only and SANDAG's receipt of it is not a waiver by SANDAG of a project delivery schedule or date, or any rights or remedies provided by this AGREEMENT.

VIII. PROJECT BUDGET

The SUBRECIPIENT and SANDAG have agreed to a Project Budget that is set forth in the Project Description. The SUBRECIPIENT and/or third-party contractor(s) will incur obligations to the Project only as authorized by the Project Budget. SUBRECIPIENT may, with prior written approval from the STGP

Program Manager, reallocate funds between tasks in the Project Budget as long as all of the following conditions are met:

1. The funds to be reallocated do not exceed an aggregate amount of ten percent for any particular task in the Project Budget,
2. The reallocation does not negatively impact the benefits obtained from the Project, and
3. There is no increase to the Fund Limit or decrease to the Match Percentage shown on the first page of this AGREEMENT.

Any other changes to the Project Budget require the issuance of an amendment to the AGREEMENT.

IX. MONITORING AND COMPLIANCE

SUBRECIPIENT's performance will be monitored for consistency with the Project Description. SANDAG will utilize the "SANDAG STGP Grant Monitoring Checklist," in substantially the same form as provided on the SANDAG STGP web page (www.sandag.org/stgp), to document compliance using both cost and non-cost performance indicators.

- A. SUBRECIPIENT's performance will be measured against the Performance Targets included in the Project Description during the term of this AGREEMENT. If the SUBRECIPIENT does not achieve minimum performance requirements, SANDAG will issue SUBRECIPIENT a written Notice to Complete a Corrective Action Plan pursuant to the SANDAG Specialized Transportation Program Management Plan (PMP).
- B. SANDAG will utilize the SANDAG STGP Grant Monitoring Checklist at regular site visits or desk reviews to verify compliance with provisions in this AGREEMENT and document compliance deficiencies. If SUBRECIPIENT does not comply with provisions in this AGREEMENT or meet the requirements in the STGP Grant Monitoring Checklist, SANDAG will issue SUBRECIPIENT a written Notice to Complete a Corrective Action Plan pursuant to the PMP.
- C. SUBRECIPIENT must comply with the most recently approved version of the PMP. A copy of the PMP can be obtained from STGP web page or the SANDAG STGP Program Manager. In the case of a conflict between the PMP and this AGREEMENT, this AGREEMENT prevails.

X. FUNDING REQUIREMENTS

- A. It is mutually understood between the Parties that this AGREEMENT has been written for the mutual benefit of both Parties in order to avoid program and fiscal delays that would occur if the AGREEMENT was executed only after ascertaining the availability and appropriation of funds.
- B. This AGREEMENT is valid and enforceable only if sufficient funds are made available to SANDAG by the United States Government for the purpose of this Project. In addition, this AGREEMENT is subject to any additional restrictions, limitations, conditions, or any statute enacted by the SANDAG Board of Directors, Congress or the State Legislature that may affect the provisions, terms, or funding of this AGREEMENT in any manner.
- C. It is mutually agreed that, if the Congress or the SANDAG Board of Directors does not appropriate sufficient funds for the program and Project, this AGREEMENT will be amended to reflect any reduction in funds.
- D. SANDAG has the option to void this AGREEMENT under the termination clause or to amend this AGREEMENT to reflect any reduction of funds. In the event of an unscheduled termination,

SANDAG may reimburse or offset SUBRECIPIENT costs in accordance with the provisions of this AGREEMENT.

XI. ALLOWABLE COSTS FOR NON-VEHICLE PURCHASES [Remove section if not applicable]

- A.** Payment for this AGREEMENT will be on a reimbursement basis, based upon expended actual allowable direct and indirect costs, including, but not limited to, labor costs, employee benefits, and travel and third-party contract costs incurred by SUBRECIPIENT in performance of the Project work, not to exceed the Fund Limit set forth in this AGREEMENT and consistent with the Project Budget. SUBRECIPIENT must have incurred the expenditures on or after receiving the SANDAG Notice to Proceed and before the Termination Date of this AGREEMENT.
- B.** Indirect costs are reimbursable if the SUBRECIPIENT has indicated the use of indirect costs in its application to SANDAG, and if the SUBRECIPIENT has a Federally Negotiated Indirect Cost Rate (FNICR) recognized by the federal government. SUBRECIPIENTS that do not have a FNICR, and will not receive \$35 million or more in direct federal funding in the fiscal year requested and each thereafter, may choose to use a de minimis indirect cost rate per 2 CFR 200. **[Remove sentence if not applicable]** The indirect cost rate to be used by SUBRECIPIENT is Insert Rate from SUBRECIPIENT's Indirect Cost Rate Certification Form.
- C.** Transportation and subsistence costs will be reimbursed at the actual costs incurred and supported by receipts, and must not exceed the maximum amounts authorized for state employees, which are available at: <https://www.calhr.ca.gov/employees/Pages/travel-reimbursements.aspx>.
- D.** SANDAG will reimburse SUBRECIPIENT for vehicle expenses claimed using a mileage reimbursement rate up to the current maximum allowable by the Internal Revenue Service (IRS). Subject to the conditions outlined in the next paragraph, the mileage reimbursement rate covers all vehicle expenses, with the exception of parking fees and roadway tolls. The vehicle expenses covered by the mileage reimbursement rate include, but are not limited to, items such as fuel, oil, repairs, wear items (e.g., tires, brakes, mufflers), preventative maintenance, parts, washing, license and registration fees, and insurance.

The mileage reimbursement will only be paid for mileage reflected in a SUBRECIPIENT-maintained mileage log. The mileage log must include the vehicle identification number, date and time of trip, trip purpose, beginning odometer, ending odometer and total trip mileage. Receipts are required for parking and tolls. SANDAG may, at its discretion, audit SUBRECIPIENT's mileage logs and require SUBRECIPIENT's submission of its mileage logs with any SUBRECIPIENT invoices seeking mileage reimbursement.

- E.** SUBRECIPIENT must submit invoices no more frequently than monthly, and no less frequently than every 90 calendar days. SANDAG will reimburse SUBRECIPIENT for all allowable Project costs no more frequently than monthly, and no less frequently than every 90 calendar days, in arrears as promptly as SANDAG fiscal procedures permit upon receipt of itemized signed invoices. The standardized SUBRECIPIENT invoice and reporting forms will be provided by the SANDAG STGP Program Manager if an online software is not available. Invoices must reference this AGREEMENT and be signed and submitted to SANDAG at the following address or as may be otherwise indicated by SANDAG:

- B.** SUBRECIPIENT agrees, and will cause its third-party contractors to agree, that (a) Contract Cost Principles and Procedures and Federal Acquisition Regulations System under 2 CFR 200 and Part 1201 will be used to determine the allowability of individual Project cost items; and (b) all Parties must comply with federal administrative procedures in accordance with 2 CFR 200, Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments, Part 1201, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, and the following attachments to this AGREEMENT: Standard Federal Provisions (Federal Transit Administration) and the Federal Provisions for the 5310 Program Enhanced Mobility of Seniors and Individuals with Disabilities.
- C.** Any Project costs for which SUBRECIPIENT has received payment or credit that are determined by subsequent audit to be unallowable under 2 CFR 200 or Part 1201 are subject to repayment by SUBRECIPIENT to SANDAG by offset or other means approved by SANDAG. Should SUBRECIPIENT fail to reimburse moneys due SANDAG within 30 calendar days of discovery or demand, or within such other period as may be agreed to in writing between the Parties, SANDAG is authorized to intercept and withhold future payments due to SUBRECIPIENT from SANDAG.

XIII. REPORTS AND DATA COLLECTION

- A.** SUBRECIPIENT must submit written progress reports no less frequently than quarterly to allow SANDAG to determine if SUBRECIPIENT is performing to expectations, is on schedule, is within funding cost limitations, to communicate interim findings, and to afford occasions for airing difficulties respecting special problems encountered so that remedies can be developed. Grant Progress Reports including Project data establishing SUBRECIPIENT's performance as compared to the Performance Targets included in the Project Description must be provided by SUBRECIPIENT to SANDAG at least quarterly. The standardized SUBRECIPIENT reporting forms will be provided by the SANDAG STGP Program Manager if an online software is not available.
- B.** SUBRECIPIENT must provide any requested data regarding trips, populations served, or other data as may be needed to establish SUBRECIPIENT's performance and compliance with the AGREEMENT, including but not limited to any reports required by federal funding agencies such as the performance measure reporting set forth in FTA Circular 9070.1G and Transit Asset Management set forth in 49 CFR Parts 625 and 630.
- C.** If SUBRECIPIENT expends \$1 million or more in Federal awards in SUBRECIPIENT's fiscal year, SUBRECIPIENT must have a single audit conducted for that year in accordance with the Office of Management and Budget (OMB) under 2 CFR 200 unless SUBRECIPIENT elects to have a program-specific audit. If the only Federal funds expended by SUBRECIPIENT are Section 5310 funds, SUBRECIPIENT may elect to have a program-specific audit. The federal Assistance Listings Number for the Section 5310 Program is 20.513. If a single audit or program-specific audit is required, SUBRECIPIENT must submit the audit to SANDAG. SANDAG will issue a management decision within six months of receipt of the single audit if there are audit findings that relate to the Section 5310 award. SANDAG will state whether or not the audit finding is sustained, and if the SUBRECIPIENT has not yet completed the corrective action, a timetable for follow-up will be given.
- D.** In order to track the types of persons served by SUBRECIPIENT for Title VI, as well as provide information to SUBRECIPIENT to help it better serve its clients, SUBRECIPIENT must collect client demographic information at least quarterly, and report those data to SANDAG on an annual basis or upon request, on a form to be provided by SANDAG.

XIV. INDEMNIFICATION AND LIABILITY

- A. Nothing in the provisions of this AGREEMENT is intended to create duties or obligations to or rights in third parties to this AGREEMENT or effect the legal liability of either party to the AGREEMENT by imposing any standard of care with respect to operation, maintenance, or repair different from the standard of care imposed by law or this AGREEMENT. In connection with the Project, SUBRECIPIENT agrees that SANDAG is not subject to any obligations or liabilities to any third-party contractor, or other person or entity that is not a party to this AGREEMENT. Notwithstanding that SANDAG may have concurred in or approved any third-party contract at any tier, SANDAG has no obligations or liabilities to any entity other than the SUBRECIPIENT, including any third-party contractor at any tier.
- B. Neither SANDAG nor any officer or employee thereof is responsible for any damage or liability occurring by reason of anything done or omitted to be done by SUBRECIPIENT or its third-party contractors under or in connection with any work, authority, or jurisdiction arising from or related to this AGREEMENT. SUBRECIPIENT and its third-party contractors must fully defend, indemnify, and save harmless SANDAG, its officers and employees from all claims, suits, or actions of every name, kind, and description occurring by reason of anything done or omitted to be done by SUBRECIPIENT and its third-party contractors under or in connection with any work, authority, or jurisdiction arising under this AGREEMENT.

Each insurance policy must contain a clause, which provides that the policy may not be canceled without first giving 30 days' advance written notice to SANDAG. For purposes of this notice requirement, any material change in the policy prior to its expiration will be considered a cancellation.

SUBRECIPIENT and its third-party contractor(s) must maintain sufficient insurance or a self-insurance program approved by SANDAG to cover all casualty losses and ensure the repair or replacement of federally funded Property. In the event a piece of Property is not replaced or repaired, SUBRECIPIENT agrees to reimburse SANDAG for the federal share of the original purchase price of the Property.

SUBRECIPIENT will not be entitled to a return of any of its matching funds previously provided to purchase the Property.

A. REQUIRED PRIOR AUTHORIZATION

Prior authorization in writing by the Project Manager shall be required before Contractor enters into any non-budgeted purchase order or subcontract exceeding \$3,000 for supplies, equipment, or subcontractor services. If the non-budgeted purpose will cause the Project budget to exceed the Maximum Amount of the Agreement, then prior approval from the SANDAG Executive Director is also required. Contractor shall provide an evaluation of the necessity or desirability of incurring such costs. For purchase of any item, service or consulting work not covered in the Fee, Rate or Payment Schedule and exceeding \$3,000, with prior authorization by the Project Manager, three competitive quotations must be submitted with the request or the absence of bidding must be adequately justified.

Non-expendable equipment so inventoried are those items of equipment that have a normal life expectancy of one year or more and an approximate unit price of \$5,000 or more. In addition, theft-sensitive items of equipment costing less than \$5,000 shall be inventoried. A copy of the inventory record must be submitted to SANDAG on request by SANDAG.

C. DISPOSAL OF EQUIPMENT AT CONTRACT TERMINATION

At the conclusion of the Agreement or if the Agreement is terminated, Contractor may either keep the equipment and credit SANDAG in an amount equal to its fair market value or sell such equipment at the best price obtainable, at a public or private sale, in accordance with established procedures, and credit SANDAG in an amount equal to the sales price. If the Contractor elects to keep the equipment, fair market value shall be determined, at the Contractor's expense, on the basis of a competent, independent appraisal of such equipment. Appraisals shall be obtained from an appraiser mutually agreeable to SANDAG and Contractor. If it is determined to sell the equipment, the terms and conditions of such sale must be approved in advance by SANDAG.

D. FEDERAL FUNDS CREDIT

Contractor will comply with all provisions of Executive Order 11246 and of the rules, regulations, and relevant orders of the Secretary of Labor.

C. DISCUSSION OF PAY

Contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the Contractor's legal duty to furnish information.

D. NOTICE TO WORKER'S REPRESENTATIVES

The Contractor will send to each labor union or representative of workers with which it has a collective bargaining agreement or other contract or understanding, a notice advising the said labor union or workers' representatives of the Contractor's commitments under Section 202 of Executive Order 11246 (Johnson, 1965), and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

G. NONCOMPLIANCE

In the event of Contractor's noncompliance with the nondiscrimination clauses of this Agreement or with any of such rules, regulations, or orders, this Agreement may be cancelled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

H. INCLUSION OF PROVISIONS IN SUBCONTRACTS

Contractor will include the provisions of this section in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to Section 204 of Executive Order 11246, so that such provisions will be binding upon each subcontractor or vendor. Contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, Contractor may request the United States to enter into such litigation to protect the interests of the United States." Contractor also agrees to comply with federal procedures in accordance with 2 CFR Part 200.

Any costs for which payment has been made to the Contractor that are determined by subsequent audit to be unallowable under application sections of 48 CFR 15, 48 CFR, Federal Acquisition Regulations System, Chapter 1, Part 31 et seq., 2 CFR 200 and/or Part 1201, are subject to repayment by the Contractor to SANDAG.

XX. NON-COLLUSION - APPLICABLE TO ALL CONTRACTS IN EXCESS OF \$25,000

Title 23, USC, Section 112, requires as a condition precedent to approval by the Federal Highway Administrator of the contract for this work that Contractor file a sworn statement executed by, or on behalf of, the person, firm, association, or corporation to whom such contract is to be awarded,

certifying that such person, firm, association, or corporation has not, either directly or indirectly, entered into any agreement, participated in any collusion, or otherwise taken any action in restraint of free competitive bidding in connection with the submitted bid. A form to make the non-collusion affidavit statement required by Section 112 as a certification under penalty of perjury rather than as a sworn statement as permitted by 28 USC 1746, is attached.

XXI. DEBARMENT AND SUSPENSION - APPLICABLE TO ALL CONTRACTS EXCEEDING \$25,000

SANDAG and the Contractor shall comply with the requirements of Executive Orders 12549 (Reagan, 1986) and Executive Order 12689 (Bush, 1989), "Debarment and Suspension," 31 USC 6101 note; and United States DOT regulations on Debarment and Suspension at 2 CFR 200. The list also includes the names of parties debarred, suspended, or otherwise excluded by agencies, and contractors declared ineligible for contract award under statutory or regulatory authority other than Executive Order 12549 and Executive Order 12689.

Before entering into any subagreement with a subrecipient, SANDAG shall obtain a debarment and suspension certification from each prospective recipient containing information about the debarment and suspension status and other specific information about the subrecipient and its "principals," as defined at 2 CFR 180.995. An example of the appropriate certification is contained in this bid package.

SANDAG also shall require each third-party contractor to refrain from awarding any third-party subcontract of any amount (at any tier) to a debarred or suspended subcontractor, and to obtain a similar certification from any third-party subcontractor (at any tier) seeking a contract exceeding \$100,000. An example of the appropriate certification is contained in this bid package.

SANDAG shall provide FTA a copy of each conditioned debarment or suspension certification provided by a prospective third-party contractor at any tier or subrecipient at any tier. Until FTA approval is obtained, SANDAG shall refrain from awarding a third-party contract or entering into a subagreement with any party that has submitted a conditioned debarment or suspension certification.

XXII. TECHNICAL RESTRICTIONS ON THE ACQUISITION OF INTELLIGENT TRANSPORTATION SYSTEM PROPERTY AND SERVICES

If this Agreement involves the acquisition of Intelligent Transportation System (ITS) property and/or services, then the ITS property and services must comply with the national ITS architecture and standards to the extent required by the procedures for implementing section 5206(e) of the Transportation Equity Act for the 21st Century, Public Law 105-178, 112 Stat. 547, pertaining to conformance with the National Intelligent Transportation Systems Architecture and Standards and the "FTA National ITS Architecture Policy on Transit Projects," 66 CFR 1455, January 8, 2001, and later published policies or implementing directives FTA may issue. Third-party contracts involving

XXIII. NOTICE TO FTA AND U.S. DOT INSPECTOR GENERAL OF INFORMATION RELATED TO FRAUD, WASTE, ABUSE, OR OTHER LEGAL MATTERS [C.F.R. §§ and 1200.220, False Claims Act, 31 U.S.C. § 3729, et seq]

Notification to FTA; Flow Down Requirement. If a current or prospective legal matter that may affect the Federal Government emerges, Subrecipient must promptly notify the FTA Chief Counsel and FTA Regional Counsel for the Region in which the Subrecipient is located. The Subrecipient must include a similar notification requirement in its Third Party Agreements and must require each Third Party Participant to include an equivalent provision in its subagreements at every tier, for any agreement that is a “covered transaction” according to 2 C.F.R. §§ 180.220 AND 1200.220.

(1) The types of legal matters that require notification include, but are not limited to, a major dispute, breach, default, litigation, or naming the Federal Government as a party to litigation or a legal disagreement in any forum for any reason.

(2) Matters that may affect the Federal Government include, but are not limited to, the Federal Government’s interests in the Award, the accompanying Underlying Agreement, and any Amendments thereto, or the Federal Government’s administration or enforcement of federal laws, regulations, and requirements.

(3) Additional Notice to U.S. DOT Inspector General. The subrecipient must promptly notify the U.S. DOT Inspector General in addition to the FTA Chief Counsel or Regional Counsel for the Region in which the subrecipient is located, if the subrecipient has knowledge of potential fraud, waste, or abuse occurring on a Project receiving assistance from FTA. The notification provision applies if a person has or may have submitted a false claim under the False Claims Act, 31 U.S.C. § 3729, et seq., or has or may have committed a criminal or civil violation of law pertaining to such matters as fraud, conflict of interest, bid rigging, misappropriation or embezzlement, bribery, gratuity, or similar misconduct involving federal assistance. This responsibility occurs whether the Project is subject to this Agreement or another agreement between the subrecipient and FTA, or an agreement involving a principal, officer, employee, agent, or Third Party Participant of the subrecipient. It also applies to subcontractors at any tier. Knowledge, as used in this paragraph, includes, but is not limited to, knowledge of a criminal or civil investigation by a Federal, state, or local law enforcement or other investigative agency, a criminal indictment or civil complaint, or probable cause that could support a criminal indictment, or any other credible information in the possession of the subrecipient. In this paragraph, “promptly” means to refer information without delay and without change. This notification provision applies to all divisions of the subrecipient, including divisions tasked with law enforcement or investigatory functions.

FEDERAL TRANSIT ADMINISTRATION (FTA) PROVISIONS FOR PROCUREMENTS IN EXCESS OF \$100,000

Use of the term "Contractor" or "Consultant" herein shall refer to "Subrecipient" as defined in the Agreement. As an FTA grantee, SANDAG is required to inform the Contractor that "Buy America" is applicable to Public Works, Acquisition of Goods, or Rolling Stock Procurements exceeding \$100,000. The provisions of this Agreement exhibit shall apply to all subcontractors with subcontracts in excess of \$100,000.

I. BUY AMERICA REQUIREMENTS

The Contractor's attention is directed to the Build America, Buy America Act (BABA), governing steel, iron, manufactured products and construction materials permanently incorporated into federal aid projects, enacted as part of the Infrastructure Investment and Jobs Act (IIJA) on November 15, 2021 and is located at Pub. L. No. 117-58, §§ 70901-52. Contractor shall comply with additional federal laws and regulations implemented by the U.S. Office of Management and Budget, the U.S. Department of Transportation and FTA governing BABA, including but not limited to, 49 USC 5323(j), 49 USC 22905(a), 2 CFR Part 184, 23 CFR 635.410, and 49 CFR 661.

While professional services are not typically subject BABA, the Contractor understands that they are responsible for ensuring compliance with BABA. Absent a waiver or exemption, Contractor shall not approve for use in this Project, any iron, steel, manufactured products, or construction materials unless such materials have been produced in the United States. Contractor shall obtain all necessary compliance certificates for work that is within the scope of work. Failure to do so shall be a default under this Agreement. Guidance on complying with BABA is outlined by the Office of Management and Budget's Memorandum M-22-11, Initial Implementation Guidance on Application of Buy America Preference in Federal Financial Assistance Programs for Infrastructure, April 18, 2022.

A. WAIVERS OR EXEMPTIONS

BABA includes substantive changes to the existing Buy America provisions. Compliance with the new requirements is required unless Contractor can qualify for a waiver or exemption. Under limited circumstances, FTA may waive Buy America requirements if the agency finds that:

- application of Buy America is inconsistent with the public interest;
- the steel, iron, and goods produced in the U.S. are not produced in a sufficient and reasonably available amount or are not of a satisfactory quality; or
- including domestic material will increase the cost of the overall project by more than 25 percent for rolling stock.

The process for seeking a waiver is set forth in 49 CFR part 661 et seq. The Contractor is responsible for determining if a waiver or exemption is applicable and ensuring the bid amount reflects any applicable waivers or exemptions. Within five days of written notification, the Contractor shall provide the necessary information to substantiate the cost of nondomestic items and the factual basis for the claim of exemption to the federal requirements, including and not limited to 49 USC 5323(j) and the regulations in 49 CFR 661. Contractor is encouraged to apply for a waiver as soon as possible and to provide detailed requests to expedite FTA's review. FTA's determinations on waiver requests are published in the Federal Register for notice and comment.

Federal departments and agencies continue to update BABA guidance and regulations. For more information, please see "Caltrans Local Assistance, Guidance and Oversight, Buy America 2.0 FAQ." Also, see Exhibit 12-G of the Caltrans Local Assistance Procedures Manual, Buy America Provisions, "Local Assistance Procedures Manual Exhibit 12-G Required Federal-Aid Contract Language" as well as applicable provisions of the FTA Master Agreement (2022). SANDAG will continue to update its materials as additional information and guidance become available.

B. ROLLING STOCK

Rolling stock means transit vehicles such as buses, vans, cars, trolley cars and buses as well as vehicles used for support services. Under 49 CFR 661 et seq. no FTA funding shall be used for a project unless all iron, steel and manufactured products used are produced in the United States.

In addition to the general waivers provided above, where an FTA grantee is purchasing buses or other rolling stock (including train control, communication, and traction power equipment), FTA may waive the Buy America requirements when the cost of components produced in the United States is more than 70 percent of the cost of all the components of the rolling stock or equipment, and final assembly of the rolling stock or equipment has taken place in the United States. (49 USC 5323(j)(2)(C) and 49 CFR part 661 et seq.). Additionally, rolling stock procurements are subject to the pre-award and post-delivery Buy America audit provisions set forth in 49 U.S.C. § 5323(m) and 49 CFR part 663.

C. SUBMITTALS

In the Buy America Certificate, Alternative 'A' or 'B,' must be completed and submitted with the proposal. A proposal which does not include either Alternative 'A' or 'B' or which includes both Alternative 'A' and Alternative 'B' may be considered nonresponsive.

A waiver from the Buy America provisions may be sought by the Contractor if grounds for the waiver or exemption exist. Inclusion of the Alternative 'B' certificate in a bid constitutes an application by the Contractor for an exemption to the Buy America requirement applicable to this type of contract. If a bid includes the Alternative 'B' certificate and an exemption is not granted, the bid will be considered nonresponsive.

II. ENVIRONMENTAL REQUIREMENTS

A. GENERAL APPLICABILITY

For all contracts and subcontracts in excess of \$100,000, Contractor agrees to comply with all applicable standards, orders, or requirements issued under Section 306 of the Clean Air Act (42 USC 1857[H]), Section 508 of the Clean Water Act (33 USC 1368), Executive Order 11378 (Johnson, 1968), and Environmental Protection Agency (EPA) regulations (40 CFR 15) which prohibit the use under nonexempt federal contracts, grants, or loans of facilities included on the EPA list of Violating Facilities. Contractor shall report violations to FTA and to the United States EPA Assistant Administrator for Enforcement (ENO329).

B. ENVIRONMENTAL REGULATIONS

The successful Contractor recognizes that many federal and state laws imposing environmental and resource conservation requirements may apply to the Project. Some, but not all, of the major federal laws that may affect the Project include: the National Environmental Policy Act of 1969, as amended, 42 USC 4321 et seq.; the Clean Air Act, as amended, 42 USC 7401 et seq., and scattered sections of 29 USC; the Clean Water Act, as amended, scattered sections of 33 USC and 12 USC; the Resource Conservation and Recovery Act, as amended, 42 USC 6901 et seq., and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended, 42 USC 9601 et seq. Contractor recognizes that United States EPA, Federal Highway Administration (FHWA), and other agencies of the federal government have issued and are expected in the future to issue regulations, guidelines, standards, orders, directives, or other requirements that may affect the Project. Thus, Contractor agrees to adhere to, and impose on its subcontractors and third-party contractors, any such federal requirements as the federal government may now or in the future promulgate. Listed below are requirements of particular concern to FTA and SANDAG. Contractor acknowledges that this list does not constitute

Contractor's entire obligation to meet all federal environmental and resource conservation requirements.

C. ENVIRONMENTAL PROTECTION

Contractor shall comply with the applicable requirements of NEPA of 1969, as amended, 42 USC 4321 et seq., in accordance with Executive Order 12898 (Clinton, 1994), "Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations," 59 Fed. Reg. 7629, FTA statutory requirements on environmental matters at 49 USC 5324(b); Council on Environmental Quality regulations on compliance with the National Environmental Policy Act of 1969, as amended, 40 CFR 1500 et seq.; and joint FHWA/FTA regulations, "Environmental Impact and Related Procedures," 23 CFR 771, and 49 CFR 622.

If Contractor will be preparing an environmental impact statement under National Environmental Policy Act, and an awarded Agreement will include federal funding, the Contractor will be required to submit a statement to SANDAG certifying that the Contractor has no financial or other interest in the outcome of the Project, 40 CFR 1506(c).

D. AIR QUALITY

Contractor shall comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act, as amended, 42 USC 7401 et seq. Specifically: Contractor shall comply with applicable requirements of U.S. EPA regulations, "Conformity to State or Federal Implementation Plans of Transportation Plans, Programs, and Projects Developed, Funded or Approved Under Title 23 USC or the Federal Transit Act," 40 CFR 51(T); and "Determining Conformity of Federal Actions to State or Federal Implementation Plans," 40 CFR 93. To support the requisite air quality conformity finding for the Project, Contractor shall implement each air quality mitigation and control measure incorporated in the Project. Contractor agrees that any Project identified in a SIP as a Transportation Control Measure will be wholly consistent with the description of the design concept and scope of the Project described in the SIP.

United States EPA also imposes requirements implementing the Clean Air Act, as amended, which may apply to transit operators, particularly operators of large transit bus fleets. Thus, Contractor should be aware that the following United States EPA regulations, among others, may apply to this Project: "Control of Air Pollution from Motor Vehicles and Motor Vehicle Engines," 40 CFR 85; "Control of Air Pollution from New and InUse Motor Vehicles and New and In-Use Motor Vehicle Engines: Certification and Test Procedures," 40 CFR 86; and "Fuel Economy of Motor Vehicles," 40 CFR 600.

Contractor agrees to report and require each third-party contractor and subcontractor at any tier to report any violation of these requirements resulting from any Project implementation activity of a third-party contractor, subrecipient, or itself to FTA and the appropriate United States EPA Regional Office.

E. CLEAN WATER

Contractor shall comply with all applicable standards, orders, or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 USC 1251 et seq.

Contractor agrees to report and require each third-party contractor and subcontractor at any tier to report any violation of these requirements resulting from any Project implementation activity of a third-party contractor (at any tier), subcontractor (at any tier), or itself to FTA and the appropriate United States EPA Regional Office.

F. USE OF PUBLIC LANDS

Contractor agrees that no publicly-owned land from a park, recreation area, or wildlife or waterfowl refuge of national, state, or local significance as determined by the federal, state, or local officials

having jurisdiction thereof, or any land from a historic site of national, state, or local significance may be used for the Project unless the FTA makes the specific findings required by 49 USC 303.

G. MITIGATION OF ADVERSE ENVIRONMENTAL EFFECTS

Contractor agrees that, if the Project should cause adverse environmental effects, the successful Contractor will take all reasonable steps to minimize those effects in accordance with 49 USC 5324(b), and all other applicable federal laws and regulations; specifically, the procedures of 23 CFR 771, and 49 CFR 622. Contractor agrees to undertake all environmental mitigation measures that may be identified as commitments in applicable environmental documents (such as environmental assessments, environmental impact statements, memoranda of agreement, and statements required by 49 USC 303) and with any conditions the federal government has imposed in its finding of no significant impact or a record of decision. Those mitigation measures are incorporated by reference and made part of the Grant Agreement or Cooperative Agreement between FTA and SANDAG. As soon as the federal government and Contractor reach agreement on any deferred mitigation measures, those measures will then be incorporated by reference and made part of the Grant Agreement or Cooperative Agreement between FTA and SANDAG. Contractor agrees that any mitigation measures agreed upon may not be modified or withdrawn without the express written approval of the federal government.

H. CONSULTANT CERTIFICATION

If Contractor will be preparing an environmental impact statement on behalf of SANDAG under NEPA, Contractor certifies, as required by 40 CFR 1506.5(c), by signing this Agreement, that it has no financial or other interest in the outcome of the Project.

I. RECYCLED MATERIALS

Contractor and its subcontractors will give preference for those products and services that conserve natural resources, protect the environment, and are energy efficient by complying with and facilitating compliance with Section 6002 of the Resource Conservation and Recovery Act, as amended, 42 USC 6962, and U.S. Environmental Protection Agency (U.S. EPA), "Comprehensive Procurement Guideline for Products Containing Recovered Materials," 40 CFR part 247. Contractor will pass this provision through to its subcontractors. Contractor will procure only items designated in guidelines of the EPA at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000. These requirements extend to all subcontracts at every tier where the value of an EPA designated item exceeds \$10,000.

III. RESTRICTIONS ON LOBBYING

A. NO USE OF FEDERAL FUNDS

SANDAG and Contractor shall not use federal assistance funds to support lobbying.

B. CERTIFICATION

In accordance with 31 USC 1352 and United States DOT regulations, "New Restrictions on Lobbying," 49 CFR 20, if the Project exceeds \$100,000, FTA will not make any federal assistance available to the Contractor until FTA has:

- Received the Contractor's certification that the Contractor has not and will not use federal appropriated funds to pay any person or organization to influence or attempt to influence an officer or employee of any federal department or agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with

- obtaining any federal grant, cooperative agreement, or any other federal award from which funding for the Project is originally derived, consistent with 31 U.S.C 1352.
- If applicable, the Contractor's statement disclosing any lobbying with nonfederal funds that has taken place in connection with obtaining any federal financing ultimately supporting the Project.

C. REQUIRED DISCLOSURE

The Contractor agrees to provide SANDAG a copy of each lobbying disclosure statement with the accompanying lobbying certification provided by a prospective third-party contractor at any tier or subrecipient at any tier. The form is Certification of Restrictions on Lobbying (Part 5).

FEDERAL PROVISIONS FOR THE SECTION 5310 PROGRAM ENHANCED MOBILITY OF SENIORS AND INDIVIDUALS WITH DISABILITIES

The Federal Transit Administration (FTA) Standard Federal Provisions included as part of the Section 5310 Fund Transfer Program Fund Transfer Agreement (AGREEMENT) provide federal provisions generally applicable to all FTA-funded programs. This document provides requirements that are specific to the 5310 Program, Enhanced Mobility of Seniors and Individuals with Disabilities (Section 5310 Program Provisions). SANDAG, as an FTA recipient, is required to inform the SUBRECIPIENT, as identified in the AGREEMENT, of these Federal Provisions, as provided herein. Further, any third-party contract entered into by SUBRECIPIENT as a result of the AGREEMENT with SANDAG shall include these Section 5310 Program Provisions.

I. EQUIPMENT MANAGEMENT

A. General

SUBRECIPIENT agrees to comply with the common grant rule procedures in 2 CFR 200.313.

B. Vehicle Use, Useful Life, and Disposition

Under the Agreement, SANDAG will lease vehicles acquired with Section 5310 funds and SUBRECIPIENT will be registered owner. SANDAG will hold title to the vehicles.

SUBRECIPIENTS must adhere to the vehicle useful life criteria that are detailed in the current FTA Circular 5010.1, Grant Management Requirements. At the conclusion of the useful life of the property, SUBRECIPIENT must dispose of property consistent with FTA guidance and the Lease Agreement.

II. PROCUREMENT

A. General

When procuring property, supplies, equipment, or services with funds from an FTA grant, SUBRECIPIENT must comply with FTA procurement requirements at 2 CFR 200.318 et seq. and guidance contained in the current FTA Circular 4220.1F. SANDAG is responsible for ensuring that SUBRECIPIENTS are aware of and comply with requirements and will assist SUBRECIPIENTS as needed.

B. Pre-Award and Post-delivery Reviews

Procurements for vehicles, other than sedans or unmodified vans, must be audited in accordance with 49 C.F.R. 663, "Pre-Award and Post-Delivery Audits of Rolling Stock Purchases." Additional guidance is available in the manual, "Conducting Pre-Award and Post-Delivery Reviews for Bus Procurement" on FTA's website: www.transit.dot.gov.

SUBRECIPIENTS are responsible for conducting a post-delivery review to ensure compliance with the bid specifications, Buy America requirements, and federal motor vehicle safety requirements, and to complete specific certifications. An in-plant inspection is required if a SUBRECIPIENT will receive more than ten vehicles of the same model other than unmodified vans.

C. New Model Bus Testing

Any new model bus requested by SUBRECIPIENT must have been tested consistent with the requirements in 49 C.F.R. 665. SUBRECIPIENT must provide SANDAG with a copy of the resulting test report before FTA funds can be released.

D. Buy America

On November 15, 2021, the Build America, Buy America Act (BABA) (Sections 70901-52 of the Infrastructure Investment and Jobs Act, [Public Law 117-58](#)) became law. The U.S. Office of Management and Budget published new guidance under 2 CFR 184, to federal agencies implementing BABA. Although these changes to Buy America requirements are primarily focused on domestic preferences for construction materials, SUBRECIPIENT must comply with all BABA regulations.

Title 49 U.S.C. 5323(j) provides with limited exceptions that funds for a public transportation project may not be obligated unless the steel, iron, and manufactured goods used in the project are produced in the United States. Section 5310 SUBRECIPIENTS must comply with FTA regulations, 49 C.F.R. 661 et seq. FTA's Buy America requirements at 49 C.F.R. 661 differ from Federal Buy American regulations at 48 C.F.R. 25. SANDAG strongly advises SUBRECIPIENTS to review 49 C.F.R. 661 et seq. as well as the current FTA Circular, "Third Party Contracting Guidance," before undertaking any procurement and SANDAG is available to assist SUBRECIPIENTS as needed. In addition, 49 U.S.C. 5323(j)(11) allows a party adversely affected by an FTA action the right to seek review. FTA has created a Buy America website to provide an overview of these requirements as well as policies, procedures, and letters of interpretation: www.transit.dot.gov/buyamerica.

E. Transit Vehicle Manufacturer Disadvantaged Business Enterprises (DBE) Program Requirement

SANDAG will determine that the manufacturer likely to receive the contract is in compliance with part 26.

III. FINANCIAL MANAGEMENT

The financial management system for SUBRECIPIENTS must meet the standards set forth in 2 CFR 200.302 of the common grant rule. These standards include:

A. Financial Reporting

Accurate, current, and complete disclosure of the financial results of financially assisted activities must be made in accordance with the financial reporting requirements of the grant award.

B. Accounting Records

SUBRECIPIENT must maintain records that adequately identify the source and application of funds provided for financially assisted activities. These records must contain information pertaining to SUBRECIPIENT awards and authorizations, obligations, unobligated balances, assets, liabilities, outlays or expenditures, and income.

C. Internal Control

Effective control and accountability must be maintained for all SUBRECIPIENT cash, real and personal property, and other assets. SUBRECIPIENTS must adequately safeguard all such property and must ensure that it is used solely for authorized purposes.

D. Budget Control

Actual expenditures or outlays must be compared with budgeted amounts for each grant award. Financial information must be related to performance or productivity data, including the development of unit cost information whenever appropriate or specifically required in the

AGREEMENT. If unit cost data are required, estimates based on available documentation will be accepted whenever possible.

E. Allowable Cost

Applicable Office of Management and Budget (OMB) cost principles, FTA program regulations, and the terms of the FTA master agreement and grant agreements will be followed in determining the reasonableness, allowability, and allocability of costs. 2 C.F.R. 200 provides guidance on allowable costs for nonprofit organizations. Expenses such as indirect costs or payments to a self-insurance fund must be documented appropriately. Advertising and public relations is permitted for “specific purposes necessary to meet the requirements of the federal award.” Transit marketing and promotion are allowable project costs under these provisions since transit ridership is the ultimate purpose of the federal grant.

F. Source Documentation

Accounting records must be supported by such source documentation as cancelled checks, paid bills, payroll, time and attendance records, third-party contract award documents, etc.

IV. SUBRECIPIENT UNIQUE ENTITY IDENTIFIER REQUIREMENT

SUBRECIPIENT must provide its Unique Entity Identifier to SANDAG. No entity may receive an award from SANDAG unless a valid Unique Entity Identifier has been provided.

V. DRUG AND ALCOHOL TESTING

A SUBRECIPIENT that receives only Section 5310 program assistance is not subject to FTA’s drug and alcohol testing rules, but must comply with the Federal Motor Carrier Safety Administration (FMCSA) rule for all employees who hold commercial driver’s licenses (49 C.F.R. 382). Section 5310 SUBRECIPIENTS that also receive funding under one of the covered FTA programs (Section 5307, 5309, or 5311) should include any employees funded under Section 5310 projects in their testing program.

An FTA compliant testing program, as required by the receipt of FTA operating or capital funding (5307, 5309, 5311), may be used for Section 5310 employees; there is no need to have separate testing programs.

Technical assistance materials and training information to help SUBRECIPIENT implement the rules are available at FTA’s website (www.transit.dot.gov) or through contacting SANDAG or the FTA Office of Safety and Oversight.

VI. COMMERCIAL DRIVER’S LICENSE (CDL)

All drivers of motor vehicles designed to transport 16 or more passengers (including the driver) or of vehicles which have a gross combination weight rating of 26,001 pounds or more must have a CDL. Mechanics that drive the vehicles must also have a CDL.
