

Clean Air Day 2026 Competition

Compete against organizations in your industry to see who can encourage the most participation and make the biggest impact to help clean the air!

How to Participate:

- 1. Pledge** your organization for Clean Air Day at cleanairday.org/organization and select your industry category. A unique pledge link will be emailed to you.
- 2. Promote** your unique pledge link to your employees and community members using our promotional toolkit.
- 3. Compete** to secure the most pledges in your industry category (minimum of five pledges required to enter the competition) by Wednesday, October 7, at 11:59 p.m.

Winners Announced on Wednesday, October 14:

Winners will be recognized on SANDAG.org, featured in a SANDAG e-blast and social media post, and provided with a digital badge to showcase their achievement online, in email signatures, or on social media.

SANDAG Commuter Program Participants Receive:

- One point for receiving at least five pledges through your unique link
- One point for hosting a Clean Air Day activity or event by Sunday, October 11
