

San Diego Association of Governments
FY 2022 SPECIAL COMPENSATION TABLE

Shift Differential Pay

Employees who hold the job title of Toll Operations Specialist or Toll Plaza Attendant, who are routinely and consistently scheduled to work other than a standard daytime shift, will be entitled to shift differential pay in the amount of \$0.50 per hour for hours worked between 6 p.m. and 6 a.m.

Consistent with California Code of Regulations (CCR), Title 2, Section 571(b) and 571.1, SANDAG shall report Shift Differential Pay to CalPERS as special compensation when duly earned by an employee.

This policy is retroactive and effective January 1, 2018.

Holiday Pay

Due to the 24/7 operational nature of the SR 125 toll road, employees who hold the position Toll Operations Specialist are required to work their usual assigned schedule regardless of agency holidays. If a holiday falls on a day a Toll Operations Specialist is normally required to work, the employee will be paid regular holiday pay in addition to straight time at their current hourly rate for the hours worked on the holiday. The following holidays shall be observed:

- New Year's Day
- Martin Luther King Day
- Presidents' Day
- Cesar Chavez Day
- Memorial Day
- Independence Day
- Labor Day
- Veterans Day
- Thanksgiving Day and the day after
- Christmas Day

Consistent with California Code of Regulations (CCR), Title 2, Section 571(b) and 571.1, SANDAG shall report Holiday Pay to CalPERS as special compensation when duly earned by an employee.

This policy is retroactive and effective January 1, 2021.

Lump Sum Merit Pay

Employees who meet or exceed their goals and objectives, as evidenced by the employee receiving an overall performance rating of 3.0 or higher from their Director, and supported by an average rating of 3.0 (Meets Expectations) or higher on the Performance Check-ins that cover the evaluation period, may be eligible to receive a performance reward. The primary form of a performance reward is a merit increase (an adjustment in base salary). Merit increases move an employee through their salary range and support the agency's retention goals by ensuring employee pay remains competitive with similar roles in the market. Alternatively, employees may be provided with a lump sum merit payment as a form of performance reward. Lump sum merit payments may be used to supplement merit increases, or instead of merit increases, when an employee is at or close to the top of their salary range. When an employee receives lump sum merit pay, their base salary will be brought to the top of the salary range; any additional compensation above the top of the salary range will be provided as lump sum merit pay and is a one-time payment.

SANDAG shall not report Lump Sum Merit Pay to CalPERS as compensation earned.

This policy is retroactive and effective July 1, 2020.

This document was approved by the SANDAG Board of Directors on May 14, 2021.
