Re: FY 07-11 FSTIP Transit Amendment 3 for the
San Diego Association of Governments

Dear Ms. Falsetti:

Thank you for your letter, dated April 17, 2006, approving the FY 01-11 FSTIP Transit Amendment 3 for Sandag. It lists projects for funding by various Federal Transit Administration programs.

The Amendment was developed by a process in accord with 23 USC 134 and 49 USC 53. Transit Element projects are exempt from air quality conformity determination. Our finding was coordinated with the Federal Highway Administration and the Environmental Protection Agency.

This letter constitutes approval of the Transit Amendment of the California Statewide Transportation Improvement Program, with the understanding that the eligibility of individual projects for funding is subject to the applicant's satisfaction of all administrative requirements.

If you have questions about our review, please call Mr. Hymie Luden, City and Regional Planner, at (415) 744-2732.

Sincerely,

Leslie T. Rogers
Regional Administrator
