

# **Committee on Binational Regional Opportunities**

---

## **Membership**

The Committee on Binational Regional Opportunities (COBRO) advises the Borders Committee of the San Diego Association of Governments (SANDAG) concerning both short- and long-term binational related activities, issues and actions; provide input regarding binational border-related planning and development; and identify ways to assist and coordinate with existing efforts in the binational area. The COBRO will serve as a working group to the SANDAG Borders Committee to facilitate a better understanding of the binational border-related issues and needs of the California-Baja California Region.

The COBRO meets at 3 p.m. on the first Tuesday of every other month.
