

Regional Energy Working Group

Membership

The Regional Energy Working Group (EWG) advises the Regional Planning Committee on issues related to the coordination and implementation of the Regional Energy Strategy and tasks of the Regional Energy Planning Program. The EWG consists of elected officials from the City of San Diego, the County of San Diego, and the four subareas of the region. In addition to elected officials, the EWG includes stakeholders representing business, energy, environment, economy, education, and consumer interests.

The EWG generally meets at 11:30 a.m. on the fourth Thursday of the month.
