

# Transportation Committee

---

## Membership

The Transportation Committee advises the SANDAG Board of Directors on major policy-level matters related to transportation. The Transportation Committee assists in the preparation of the Regional Transportation Plan and other regional transportation planning and programming efforts. It provides oversight for the major highway, transit, regional arterial, and regional bikeway projects funded under the Regional Transportation Improvement Program, including the *TransNet* Program of Projects. Areas of interest include project schedules, costs, and scope.

The Transportation Committee generally meets at 9 a.m. on the first and third Friday of the month.
