Dear Transportation Professional and Interested Parties:

SUBJECT: Transportation Modeling Forum

It is my pleasure to introduce to you the SANDAG Transportation Modeling Forum. This new forum will be held twice a year at SANDAG and will include presentations by staff followed by questions and answers. The presentations will range from low-altitude transportation model inputs, procedures and parameters to high-level policy discussions.

The first Transportation Modeling Forum will be held on Wednesday, December 14, 2011, at 1:30 p.m., in the Board of Directors conference room on the 7th floor. The agenda for this forum is attached.

Future agenda topics include but are not limited to: growth forecasts, traffic census, recent model enhancements, and future model enhancements (e.g., ABM).

Sincerely,

CLINT DANIELS
