

Celebrate the Opening of a New Section of the **BAYSHORE BIKEWAY!**

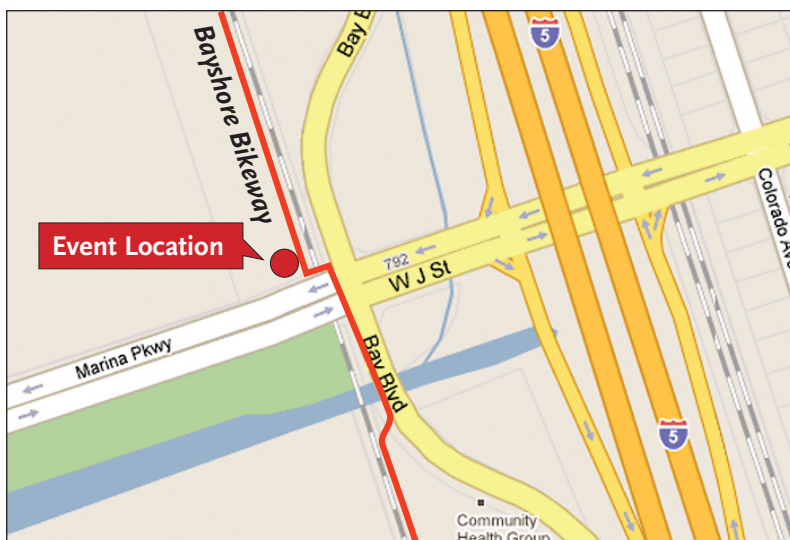

Saturday, March 24, 2012
11 a.m.

Off Bay Boulevard and West J Street/Marina Parkway
 Chula Vista, CA
 (See map below)

Light refreshments. A free gift.
Booths. Giveaways.
Ride your bike to the celebration!

Everyone is invited to join County Supervisor Greg Cox, SANDAG Second Vice Chair and Imperial Beach Mayor Jim Janney, Chula Vista Mayor Cheryl Cox, and San Diego Port Commissioner Scott Peters as they cut the ribbon on a new stretch of the Bayshore Bikeway in Chula Vista.

Construction has been completed on a new 1.8-mile segment of the Bayshore Bikeway between H and Palomar streets in Chula Vista. This latest project marks another major milestone in fulfilling the regional vision to create a world-class bikeway that stretches all the way around San Diego Bay. To date, more than half of the planned 24-mile Bayshore Bikeway has been built. The new segment is funded by federal Transportation Enhancement funds and the regional *TransNet* half-cent sales tax administered by SANDAG.

Parking is available along Marina Parkway and in the paved lot where the ribbon cutting event will be held.
