Dear Transportation Professionals and Interested Parties:

SUBJECT: Transportation Modeling Forum

I would like to thank all of our guests who have attended the previous Transportation Modeling Forums held at the San Diego Association of Governments over the last two years. The Transportation Modeling Forum could not have become such a local information dissemination success story without your continued support and interest.

The next Transportation Modeling Forum will be held on Wednesday, December 11, 2013, at 1:30 p.m., in the Board of Directors conference room on the 7th floor. The agenda for this forum is attached.

The first agenda item provides background information regarding transportation modeling inputs, while the remaining two agenda items focus on longer-term transportation model enhancements.

Sincerely,

CLINT DANIELS  
Regional Models Manager

CDA/MCA/bga

# TRANSPORTATION MODELING FORUM

Wednesday, December 11, 2013

## ITEM #

### 1. WELCOME AND INTRODUCTIONS (1:30 P.M.)

Clint Daniels will greet the group and introduce the SANDAG travel demand modeling staff.

### 2. LAND USE MODELING

Daniel Flyte will demonstrate the SANDAG methodology for forecasting population and employment, land consumption, and growth allocation

### 3. ACTIVE TRANSPORTATIONS

Wu Sun will provide an update on a new model component that will allow for the allocation of bicycle and pedestrian trips to a network

### 4. DYNAMIC TRAFFIC ASSIGNMENT

Rick Curry will present the plan of implementing a Dynamic Traffic Assignment via a Mesoscopic traffic simulation software package.

### 5. NEXT MEETING DATE

Wednesday, June 11, 2014, 1:30 – 3 p.m. SANDAG, Board Conference Room (7th floor).
