Dear Transportation Professionals and Interested Parties:

SUBJECT: Transportation Modeling Forum

I would like to thank all of our guests from the Transportation Modeling Forum held in December 2013. The Transportation Modeling Forum attendance remains steady and has become a very important platform for the San Diego Association of Governments (SANDAG) to disseminate information regarding travel demand modeling.

The next Transportation Modeling Forum will be held on Wednesday, June 11, 2014, at 1:30 pm in the Board of Directors conference room on the 7th floor. The agenda for this forum is attached.

This agenda undertakes three distinct items that are vital to the success of the Regional Models section of SANDAG.

Sincerely,

KURT KRONINGER
Technical Services Director

KRO/MCA/bga
