Location: Marine Corps Recruit Depot San Diego; please refer to map on following page.
Address: San Diego Intl, San Diego, CA 92101

Primary Access is through Gate 4, Witherby Street, make a curving right hand turn. At the top of the hill, make a left onto Belleau Wood Avenue. Turn left on Haiti Avenue. Go down Haiti Avenue and just before the flagpole turn right. Continue down the street (formally Hochmuth Avenue) to the parking lot on the left before you hit Russell Avenue. The workshop will be held in Building 7 (the west/left side) on the 2nd deck. There will be someone there to meet participants from about 30 minutes prior to the meeting and until about 15 minutes after scheduled start time to direct.

You can come in Washington Street, if you do, bear right onto Belleau Wood Avenue, left on Santiago then right and onto Hochmuth Avenue. Both gates will have the access roster.

1. SIGN IN/REGISTRATION

2. INTRODUCTION AND WORKSHOP OBJECTIVE (SANDAG Board Member Mike Woiwode)

San Diego Forward: The Regional Plan overview video.

3. PUBLIC COMMENT

Members of the public shall have the opportunity to address the San Diego Regional Military Working Group on any issue within the jurisdiction of SANDAG that is not on this agenda.

4. BRIEFING ON SELECTED TOPICS FOR ROUNDTABLE DISCUSSION (Coleen Clementson, SANDAG)

5. ROUND TABLE DISCUSSIONS (simultaneous)

   Topic 1: Active Transportation and Ridesharing
   - How can walking and biking be a more viable transportation option for military workers and their families?
   - What/where are the key locations for safe routes to transit for military personnel and their families?

   Topic 2: Transportation Connections
   - Where is military housing located in relation to the primary military employment areas?
   - What travel options are available and what travel options are being used?
   - Where is military housing planned?
   - Is the planned housing near existing or planned public transit?

   Topic 3: Land Use Compatibility/Habitat
   - What military planning efforts are important to the region?
   - What SANDAG or local planning efforts are important to the military?
   - What ways can information be shared between the military and SANDAG regarding important regional or military projects?
   - How can land use decisions by the military and local land use authorities be leveraged? For example, in identifying/protecting sensitive habitat and open space?

   Topic 4: Energy
   - To foster and promote energy security, how and to what extent can the military and SANDAG collaborate on regional energy plans, projects or programs?
   - Are there off base housing and/or amenities that would benefit from energy saving programs? Is this an area that the military and SANDAG should collaborate on?
   - Are there programs from other federal agencies, such as the Department of Energy, that SANDAG and the military could engage to initiate pilot programs to encourage greater use of plug-in electric vehicles?

6. REPORT OUT FROM ROUNDTABLES (luncheon)
