

# COMMUNITY MEETING

## SAN DIEGO RIVER TRAIL CARLTON OAKS GOLF COURSE SEGMENT

The San Diego Association of Governments (SANDAG) invites you to the second community meeting on a proposed new section of the San Diego River Trail — the Carlton Oaks Golf Course segment. Attend the meeting to hear proposals for where this trail could be built and provide input on the trail design and features. Your participation will help ensure the proposed project serves the needs of San Diego and Santee residents, and San Diego River Trail users from around the region.

### ABOUT THE PROJECT

SANDAG is working with the San Diego River Conservancy and the cities of San Diego and Santee to complete the [San Diego River Trail](#) — a regional bikeway that eventually will extend from the Pacific Ocean through Santee. The Carlton Oaks Golf Course segment is a proposed addition that will create a trail from West Hills Parkway, past the golf course, to connect with exiting trails in Mast Park West.
