

"DONUTS AND DISPLAYS" OPEN HOUSE

TransNet Smart Growth Incentive Program and Active Transportation Grant Program

Thursday, January 11, 2018

8:45 to 9:45 a.m.

SANDAG Board Room – 7th Floor

Light refreshments will be provided

This will be an open house to showcase completed TransNet Smart Growth Incentive Program (SGIP) and Active Transportation Grant Program (ATGP) projects, and provide an opportunity for conversations regarding lessons learned between jurisdictions that are considering submitting grant applications. Potential Cycle 4 applicants are encouraged to attend and learn more about projects that have been funded through the programs.

1. WELCOME AND INTRODUCTIONS – 8:45 a.m.

SANDAG staff will provide background information and introduce project managers from local jurisdictions that will highlight their projects.

2. PRESENTATION FROM THE CITY OF NATIONAL CITY – 8:50 a.m.

Brad Raulston, City of National City, will present on a variety of completed SGIP and ATGP projects implemented throughout National City.

3. OPEN HOUSE PROJECT DISPLAYS – 9 a.m.

Smart Growth Incentive Program Projects

SGIP Capital Projects

- **Paseo Santa Fe project.** John Conley, City of Vista, will display the Paseo Santa Fe project, which improved the infrastructure and streetscape in Vista's Town Center while slowing traffic and improving multimodal mobility within the Town Center.
- **Third Avenue Streetscape Implementation Project.** Patricia Ferman, City of Chula Vista, will display the Third Avenue Streetscape Implementation Project, which implemented streetscape enhancements, traffic calming, and improved pedestrian crossings in Chula Vista's Third Avenue Village.

SGIP Planning Project

- **Mainstreet Promenade Extension Planning Project.** Mike Viglione, City of Lemon Grove, and Mike Singleton, KTU+A, will display the Mainstreet Promenade Extension Planning Project, which proposed multi-modal enhancements to the Main Street Promenade Extension corridor and created opportunities for recreation and social gathering.

Active Transportation Grant Program Projects

ATGP Capital Project

- **Stevens/Valley Avenue Corridor Bicycle and Pedestrian Improvement Project.** Jim Greenstein, City of Solana Beach, will display the Stevens/Valley Avenue Corridor Bicycle and Pedestrian Improvement Project, which enhanced bike lanes, crosswalks, and sidewalks to improve the use of the roadway.

ATGP Planning Project

- **Linda Vista Comprehensive Active Transportation Strategies Project.** Claudia Brizuela, City of San Diego, will display the Linda Vista Comprehensive Active Transportation (CATS) project, which developed a CATS for the Linda Vista Community Planning Area, providing direct and convenient connections to various destinations, while increasing bicyclist and pedestrian safety.

ATGP Bike Parking Project

- **North Coast Transit Station Bike Station Project.** Howard LaGrange, City of Oceanside, will display the North Coast Transit Station Bike Station project, which constructed a 200 square foot bike station for 30 bicycles to provide secure, indoor bike parking, which bicyclists can access 24 hours a day, 7 days a week.

ATGP Education, Encouragement, and Awareness Project

- **“Be Safe El Cajon” Education, Encouragement, and Awareness Project.** Lorena Cordova, City of El Cajon, will display the “Be Safe El Cajon” Education, Encouragement, and Awareness project, which initiated a multi-media, multi-lingual, multimodal and multi-faceted education and awareness campaign to encourage active transportation.

4. CONCLUDING OBSERVATIONS – 9:40 to 9:45 a.m.

Participants will be asked to share high-level concluding observations with the larger group. An opportunity for making additional observations will be provided at the *TransNet* SGIP-ATGP Pre-Application Workshop, scheduled to take place immediately after the “Donuts and Displays” Open House workshop.
