| 7.    | **AN OVERVIEW OF RECENT PUBLIC SAFETY REFORMS TO PAROLE SUPERVISION AND THE POTENTIAL IMPACT TO THE SAN DIEGO REGION** (B.G. Benavidez, Parole Administrator, Inland District, California Department of Corrections and Rehabilitation)  

The mission of the California Department of Corrections and Rehabilitation (CDCR) is to enhance public safety through safe and secure incarceration of offenders, effective parole supervision, and rehabilitative strategies to successfully reintegrate offenders into our communities. In January 2010, CDCR launched, as required by law, public safety reforms to encourage inmates to complete rehabilitation programs, to improve supervision for high-risk parolees, and to better partner with communities in managing minor parole violations. An overview of these reforms will be given, with a focus of how local agencies are working together on these efforts in the San Diego Region.  |

1. ROLL CALL
Chair Mark Lewis (East County) called the Public Safety Committee (PSC) meeting to order at 1:00 p.m. Roll call was taken and a quorum was present. See last page for attendance.

2. APPROVAL OF MEETING MINUTES
Upon a motion by Councilmember Marti Emerald (City of San Diego) and a second by Councilmember Rebecca Jones (North County Inland), the minutes of January 15, 2010, were unanimously approved. Councilmember Rosalie Zarate (South County) abstained from voting.

3. PUBLIC COMMENTS/COMMUNICATIONS/MEMBER COMMENTS
Councilmember Emerald announced the City of San Diego’s recently revised curfew ordinance is on the agenda next week as an emergency ordinance for City Council. Also, regarding pedicab operators, State Assembly members Marty Block and Nathan Fletcher co-sponsored Assembly Bill (AB) 2294, allowing local government entities to require that all pedicab operators possess valid drivers licenses. Councilmember Emerald urged Committee members to contact legislators to support AB 2294.

Councilmember David Roberts (North County Coastal) stated that the City of Solana Beach recently sent a letter to the County praising the San Dieguito Alliance. There is some disappointment that the County has decided to have only one prevention contract per region. He expressed hope that this topic would be reviewed so that the San Dieguito Alliance could be involved with the new contractor in providing drug and alcohol prevention services.

Chair Lewis recognized and welcomed visitors from Valhalla and San Diego State University.

CHANGES TO FEDERAL PUBLIC SAFETY REPRESENTATION  
AT PUBLIC SAFETY COMMITTEE

Introduction

The Public Safety Committee (PSC) is currently composed of 15 voting members and five advisory members. Pursuant to Board Policy 002, the five advisory members include two selected by Federal Public Safety agencies and one each from the Tribal Chairman's Association, County Probation Department, and Department of Defense. The Chiefs'/Sheriff's Management Committee at its March 3, 2010, meeting, recommended to the PSC that the membership be further enhanced with the addition of second alternates to the two Federal Public Safety advisory members, with the Transportation Safety Administration (TSA) and Drug Enforcement Agency (DEA) assuming these roles in 2010.

Discussion

The PSC is currently composed of 20 representatives from around the region representing local jurisdictions, as well as public safety and other agencies from the federal, state, and local level (Attachment 1). Given the key role that both the TSA and DEA play in maintaining the safety of our region, Federal Public Safety agencies intend to include these agencies within their category of representation. Inclusion of these agencies is consistent with Board Policy 002 (Attachment 2), which defers selection of the particular Federal Public Safety agencies who will serve on the PSC to the agencies themselves. The TSA and DEA would initially be appointed as second alternates to the PSC and in subsequent years, primary, first alternate, and second alternate roles would be rotated annually among the six Federal agencies as they see fit.

4. Appointments

4.1 Public Agencies

4.1.1 The mayor and council of the City of San Diego and the governing body of each of the other member agencies will make their appointments annually by January 10, and when vacancies occur. Each member agency shall confirm the appointment of its primary and alternate Board members by sending a written letter to the SANDAG Clerk of the Board. All such appointments shall go into effect immediately following approval by the member agency’s governing body.

4.1.2 The SANDAG Chair will provide notice requesting that Board members from each of the subregions appoint a Board member or alternate as authorized to serve as a primary member on each PAC and one to serve as an alternate to each PAC. At the time this notice is given, all primary and alternate Board members will be provided with an attendance record for all primary and alternate members currently serving on the Board or a PAC. PAROLE - A HISTORICAL PERSPECTIVE
- Indeterminate Sentencing - 1977 IDL
- Prison Building Boom & Overcrowding - 1980's
Three Judge Panel’s Order

- Armstrong - ADA
- Coleman & Plata (Medical & Mental Health)
- Federal law (Prison Litigation Act) makes any prisoner release order a “remedy of last resort” in circumstances where this is the only option to remedy constitutional violations.

Three Judge Panel’s Order

- The basis for the order must demonstrate that 4 conditions have been met:
  - Overcrowding is the primary cause
  - No other remedy exists to bring the state into constitutional compliance
  - The order must be tailored to specifically remedy the Plata and Coleman constitutional violations
  - The state can comply with the order with little to no impact to public safety
Three Judge Panel’s Order

  - Release 40,000 inmates within two years to a capacity of 120 - 145% of design capacity

On October 11, 2009, Section 3000.03 of the California Penal Code was enacted. The new law, which goes into effect on January 25, 2010, authorizes the placement of the eligible parolees onto non-revocable parole. Effective the day the law goes into effect, approximately 26,000 parolees currently on parole will need to be screened for possible transition to non-revocable parole status.

- Removes low level offenders from parole supervision
- Allows CDCR to focus parole supervision on the most serious and violent offenders
- Allows law enforcement to continue to conduct warrantless searches on these parolees
- Reduces the number of parolees processed for parole violations
- Reduces the need for bed space in county jails and state prisons
DIFFERENCES BETWEEN TRADITIONAL PAROLE AND NON-REVOCABLE PAROLE

- The parolee is not actively supervised and there are no contact requirements
- The parolee is not required to report for an initial interview
- The parolee does not have any special conditions of parole

FOR PAROLEES ON NON-REVOCABLE PAROLE APPROVAL IS NO LONGER NEEDED FOR:

- Travel
- Transfer out of the county of last legal residence
**Parolees on non-revocable parole are not subject to:**
