(619) 595-5604
rch@sandag.org

SANDAG offices are accessible by public transit.
Phone 1-800-COMMUTE or see www.sdcommute.com for route information.
ITEM #                  ACTION

1. Introductions                                                                  

2. Public Comments                                                                

+ 3. Congestion Management Program (Mario Oropeza)                                RECOMMEND

   The Congestion Management Program update has been discussed by CTAC at meetings in August, September, and October, 2002. Changes to the program are summarized in the attachment. CTAC is asked to recommend the update to the Congestion Management Program to the Transportation Committee. The Congestion Management Program update is available from the SANDAG Web site:

4. 2030 Regional Transportation Plan (Kim Kawada)                               DISCUSSION

   Staff will present the Draft 2030 Regional Transportation Plan (RTP). The plan details the region’s mobility strategy for 2030. The Draft 2030 RTP and Technical Appendices are available from the SANDAG Web site www.sandag.org.

+ 5. Regional Arterial System Projects (José Nuncio)                             RECOMMEND

   The CTAC Review Subcommittee is recommending a fund reallocation for the Espola Road and SR 78/Rancho Del Oro Interchange projects and schedule extensions for three other projects. A detailed summary is attached. CTAC is asked to concur with the subcommittee’s recommendation. The recommendation will be presented to the Transportation Committee at an upcoming meeting.
6. **North County Parkway Plan (Richard Chavez)**

   North County cities, Caltrans, and SANDAG have been working on arterial project prioritization. A draft report was presented to the policy group in August 2002. Completion of the report has been on hold due to a SANDAG staff focus on completing the Draft 2030 RTP. SANDAG staff recommends finalizing the North County Parkway Plan and immediately beginning a regional effort to prioritize arterial projects on the Regionally Significant Transportation Network through CTAC. The Regionally Significant Transportation Network was developed by CTAC and is defined in Chapter 6 and Technical Appendix 9 of the Draft 2030 RTP.

7. **Announcements from Members**

   Members are encouraged to share relevant information.

The meeting summary from the October 24, 2002 meeting is attached.
