TO: Regional Energy Working Group

FROM: Susan Freedman, Senior Regional Energy Planner

SUBJECT: Cancellation of the October 27, 2011, Regional Energy Working Group Meeting

The Regional Energy Working Group meeting, originally scheduled for Thursday, October 27, 2011, has been cancelled. The next scheduled meeting date is Thursday, November 17, 2011. Please note that the November and December meetings will occur one week early due to the public holidays.

Agenda items for the **November 17, 2011**, meeting:

- San Diego Gas & Electric (SDG&E) proposed changes to solar rates in its General Rate Case filing.
  - SDG&E to present on its filing, specifically changes to residential and commercial/public agency solar rates.
  - California Center for Sustainable Energy (CCSE) to present assessment of potential rate impacts to residential and commercial/public agency customers.
- Update on public goods charge as it relates to energy-efficiency program funding.
- Regional planning for plug-in electric vehicles (PEV), including forming a regional PEV working group and timelines for the Department of Energy and California Energy Commission PEV grants. (SANDAG and CCSE)

Agenda items for the **December 15, 2011**, meeting:

- Continued discussion (if necessary) of proposed solar rate changes and related topics, e.g., feed-in tariffs and net metering.
- Proposed energy measures included in the SANDAG 2050 Regional Transportation Plan and its Sustainable Communities Strategy.

If you have questions or a specific issue or topic that you would like to discuss at a future meeting, do not hesitate to contact me at (619) 699-7387 or via e-mail at sfr@sandag.org.
