7. REGIONAL DATA SHARING MOU (DISCUSSION)

Once the data comes to ARJIS, and is validated and run through the UCR and MACR services, the agencies want their data to be exported back to them to do additional analysis with their agency specific tools.

Additions to the MOU will include a process for non-data contributing agencies to request data exports, such as the LECC request for their TAG project; and LPR will be added to the MOU. The Business Committee will be asked to review the MOU at their next Meeting, after which the MOU will come back to this Committee for final approval.
