PUBLIC SAFETY COMMITTEE

December 14, 2012

AGENDA ITEM NO.: **5**

Action Requested: APPROVE

FY 2013 BUDGET AMENDMENT: ASSEMBLY BILL 109 EVALUATION

File Number 2346200

Introduction

The San Diego County Community Corrections Partnership (CCP) recently approved the San Diego County Probation Department to allocate funding and enter into a contract with SANDAG to conduct a process and impact evaluation of the changes made locally as part of Public Safety Realignment and Assembly Bill 109 (AB 109). As part of this initial two-

year contract, SANDAG will document systemwide changes to implement evidence-based practice in the housing and supervision of realigned offenders and measure outcomes related to recidivism. Regular reports on findings will be provided to stakeholders at CCP meetings.

Discussion

On October 1, 2011, counties across the State of California assumed responsibility for housing and supervising offenders who previously would have been incarcerated in State prisons or supervised in the community post-release by parole. Since that time, local stakeholders have collaborated as part of the CCP to create and implement a plan to facilitate this transfer of responsibility and ensure that public safety is maintained.

Over the years, SANDAG has evaluated a number of programs aimed at assisting ex-offenders reenter the community after incarceration to determine if these efforts successfully reduce recidivism. A recent example includes the five-year process and impact evaluation of Senate Bill 618 (SB 618) that resulted in a number of "lessons learned". As part of the proposed project, staff would work with local stakeholders, including the San Diego County Probation Department, Sheriff's Department, District Attorney's Office, Public Defender's Office, and Health and Human Services, as well as the San Diego County Superior Court, to document efforts related to understanding and addressing the underlying risk factors of AB 109 offenders, and measuring how successful these efforts were in terms of reducing recidivism.

Recommendation

The Public Safety Committee is asked to approve an amendment to the FY 2013 Program Budget to accept \$400,000 in funding for new Work Element 23462 - AB 109 Evaluation.
