MANAGEMENT COMMITTEE DISCUSSION AND ACTIONS
Meeting of September 5, 2012

1. ROLL CALL

Chief John Bolduc (San Diego Harbor Police Department) called the meeting to order at 9:30 a.m. Roll call was taken and a quorum was present. See attendance sheet on last page.

2. APPROVAL OF AUGUST 1, 2012 MEETING MINUTES (APPROVE)

Upon a motion by Chief Adolfo Gonzales (National City Police Department) and a second by Chief Lou Scanlon (Coronado City Police Department); the Management Committee unanimously approved the minutes of August 1, 2012.

3. PUBLIC COMMENTS/COMMUNICATIONS/MEMBER COMMENTS

ARJIS Director Pam Scanlon announced the International Association of Chiefs of Police (IACP) will be held in San Diego from September 29, 2012 to October 3, 2012 at the San Diego Convention Center.

4. MID-YEAR CRIME STATISTICS, SAN DIEGO REGION (INFORMATION)

Dr. Cynthia Burke (Division Director, Applied Policy Research/Criminal Justice Research) gave a PowerPoint presentation on the Mid-Year Crime Statistics. Even though crime is up, it is still the second lowest crime rate in the last ten years. Dr. Burke will give this presentation at the next Public Safety Committee meeting on September 21, 2012 and will continue to monitor the crime rates.

Assistant Chief Shelley Zimmerman asked about the change in reporting rape with male victims.

Ms. Scanlon stated she believes this change will occur in 2013. This item will be going to the Business Working Group for discussion tomorrow (September 6, 2012).

Chief Ed Aceves (La Mesa Police Department) requested a copy of the crime report.
5. **SECONDS IN COMMAND SURVEY: PERCEPTIONS AND TRENDS (INFORMATION)**

Dr. Burke gave a PowerPoint presentation on a survey recently conducted by SANDAG regarding experiences related to reentry over the past ten months. Dr. Burke received data from the Probation Department and shared the results with Chief Mack Jenkins (San Diego County Probation Chief). As of 7/11/2012, there were 1,630 probationers under local supervision. Surveys were sent out to the 9 municipal police departments, Sheriff, San Diego Harbor Police, University of California, San Diego (UCSD), and San Diego State University (SDSU). The conclusion was there may be areas for improved communication with Probation and opportunities for more strategic and target coordination in terms of offenders returning to communities as part of re-alignment.

6. **ARJIS UPDATES (INFORMATION)**

Ms. Scanlon noted the outsourcing process continues. ARJIS is in the process of finalizing the network costs with Xerox. ARJIS is in negotiation with NLETS (Phoenix, AZ) regarding the data center. The French firm hired by the City of San Diego for their data is located in Texas and does not have experience with the law enforcement process. NLETS has plenty of experience with law enforcement and is willing to give ARJIS 6 months of free rent. ARJIS will investigate and confirm that the distance to Phoenix does not impact performance. ARJIS was able to negotiate 7 direct hires of key programmers/developers.

ARJIS posts Public Crime Stats on the 28th day of the month for the previous month. There are changes in the geo representation with beats, sectors, and quadrants. “Unknown” beat was added.

New data sources were added to the SRFERS application. By connecting to the Immigration and Customs Enforcement DPIC system, users are now able to access federal booking photos and criminal alien records. The interface to the California Department of Corrections and Rehabilitation (CDCR) Parole LEADS system will provide users with access to parole data and conditions. ARJIS is working with the CDCR to address training issues before this is fully deployed.

The mapping dashboard will be shown at an upcoming meeting. The dashboard includes several data sources including LPR, CAD, and Probation.

7. **TACTICAL IDENTIFICATION SYSTEM (TACIDS) (INFORMATION)**

Lloyd Muenzer (ARJIS staff) gave a presentation on TACIDS, a new mobile project funded by the National Institute of Justice. The TACIDS application utilizes facial recognition technologies to assist with positive identification in the field. ARJIS has an expansive mobile program with over 500 devices deployed in the field. Users from this group were selected to assist in testing the application, which has already resulted in arrests and identifications. ARJIS has completed a privacy impact assessment of this system and policy guidelines have been established.

Chief Scanlon asked if facial recognition would work on tattoos. Mr. Muenzer advised that the facial recognition has different algorithms than tattoos and that the technology isn’t as far along.
San Diego District Attorney Bonnie Dumanis asked if you need a probable cause to arrest. Mr. Muenzer said there is a need to know who the person is and can take a picture on field interviews.

Assistant Chief Shelley Zimerman (San Diego Police Department) stated the need to get the wanted people and using a public camera. Pictures are also put on facebook (public site).

Chief Gonzales stated you can take a picture from a smart phone and enter into the tablet or a picture from a web site.

Chief Frank McCoy (Oceanside Police Department) asked who can receive a tablet. He is interested for his department.

Mr. Muenzer stated that ARJIS only has 50 funded tablets and is limited by costs.

District Attorney Dumanis asked how much does it cost per license. She would also like to run it by lawyers, question on taking information to court for prosecution, and what software the tablet uses. She will send a representative from the DA’s office to the next Business Working Group meeting.

Mr. Muenzer will advise on costs.

Chief Bolduc stated he is very interested in the tablets and wants to get more information.

8. FY 2013 WORK PLAN (INFORMATION)

Ms. Scanlon reported on the ARJIS FY13 WorkPlan. Representatives from each agency on the Business Working Group will rate the projects from very low priority to very high priority. The BWG will be meeting on September 6, 2012. The BWG does this rating once every year. A report on the findings will be given to the Management Committee upon completion.

Barbara Montgomery noted that there will be more COGNOS training. ARJIS is working with the vendor and the Business Working Group to comprise a training format for agencies and their particular needs.

9. UPCOMING MEETINGS (INFORMATION)

The next meeting of the Chiefs’/Sheriff’s Committee is tentatively scheduled for Wednesday, October 3, 2012 at 9:30 a.m. at San Diego Police Department, Western Division. Ms. Scanlon is currently corresponding with Nancy Kolb from the IACP to schedule a presentation on Social Media in Law Enforcement. If so, this presentation will be held at SANDAG in the time slot for the Management Committee. More details will be sent to the members once confirmed.

10. ADJOURNMENT
