ITEM #

1. Welcome and Purpose of the Group

   Based on Assemblymember Kehoe’s offer to work with the Board on AB 361, the Board took no position on the bill at the last meeting. Instead, the Board recommended that the Chair appoint an Ad Hoc Working Group to negotiate provisions of the bill to achieve consensus.

2. Review of AB 361 (Kehoe) and Recommend Principles/Strategies

   The staff report advises the Board on possible issues related to provisions of the bill and recommends options and strategies to address them.

3. Next Steps With Author and Next Meeting of Group

   The bill has been set for hearing in Assembly Transportation on April 7th. The Group should determine its process for negotiations with the author and provide direction for purposes of the hearing.
