TO: Regional Planning Technical Working Group

FROM: Carolina Gregor, Senior Regional Planner

SUBJECT: Cancellation of the July 10, 2014, Regional Planning Technical Working Group Meeting and Invitation to a Special Joint Working Group Workshop on August 6, 2014

The Regional Planning Technical Working Group (TWG) meeting, originally scheduled for Thursday, July 10, 2014, has been cancelled. Due to the summer holidays, the next regularly-scheduled meeting date is Thursday, September 11, 2014.

Please note that while we will not hold an August TWG meeting, on Wednesday, August 6, 2014, from 11:30 a.m. to 2 p.m., SANDAG will hold a special “Joint Working Group Workshop” in the SANDAG Board Room focused on the alternative transportation scenarios being considered in San Diego Forward: The Regional Plan for several of its working groups. The working groups include: the TWG, the Cities/County Transportation Advisory Committee, the Active Transportation Working Group, the San Diego Traffic Engineers Council, and the Committee on Binational Regional Opportunities. We encourage as many working group members to attend as possible, given that the transportation scenarios will not be brought to the working groups individually due to summer meeting cancellations. Please mark your calendars for this workshop. A flyer with more details is attached.

If you cannot attend the workshop on August 6 from 11:30 a.m. to 2 p.m., SANDAG will be holding two similar workshops, geared towards the public, on Monday, August 4, 2014, at Caltrans, during the middle of the day and in the evening. More information will be posted on the San Diego Forward website at www.sdforward.com.

If you have questions or a specific issue or topic that you would like to discuss at a future TWG meeting, don’t hesitate to contact me at (619) 699-1989 or via email at carolina.gregor@sandag.org. In the meantime, have a great summer and we hope to see you at the August 6 “Joint Working Group Workshop” on the alternative transportation scenarios!

JOINT WORKSHOP FOR SANDAG WORKING GROUPS

Weigh in on Transportation Network Scenarios
SANDAG Working Groups are invited to join us for an interactive workshop to discuss the two transportation scenarios under consideration for San Diego Forward: The Regional Plan. Come learn about the current regional transportation system, the investment choices in two possible scenarios, and the performance of each scenario. Interactive exercises are planned. Your feedback is needed on the scenarios – we encourage you to attend!

About San Diego Forward
Over the past two years, the SANDAG and its partners have been working with communities and stakeholders from throughout the region to develop a vision that works for the economy, the environment, and our daily lives. The SANDAG Board will be asked to adopt San Diego Forward: The Regional Plan next summer. Previous workshops have focused on a wide range of topics to help provide the foundation for the plan. This workshop is focused specifically on mobility... Come provide your input on the transportation network scenarios. Your contributions are valuable!
