REPORTS

5. MILITARY AND TRANSPORTATION DEMAND MANAGEMENT - A PILOT OUTREACH EFFORT AT NAVAL BASE CORONADO

(INFORMATION

Jay Faught, iCommute; Steve Chung, NRSW Regional CPLO)

Military and civilian personnel live in different parts of the San Diego region and commute daily to jobs on various bases. These trips are an excellent opportunity to look for Transportation Demand Management (TDM) solutions to reduce congestion and contribute to greenhouse gas reduction. A pilot marketing effort was conducted by SANDAG iCommute, in coordination with Naval Base Coronado, to identify what types of outreach might encourage base employees to utilize rideshare options. Staff from iCommute will brief the MWG on the results of that effort, as well as discuss lessons learned and potential next steps.
+6. **“POWER YOUR DRIVE” SDG&E’S ELECTRIC VEHICLE CHARGING STATION PROGRAM FOR WORKPLACES AND MULTI-UNIT DWELLINGS**
*(Greg Haddow, San Diego Gas & Electric)*

The California Public Utilities Commission recently approved San Diego Gas & Electric’s (SDG&E) program for installing grid-integrated electric vehicle charging stations in its service territory. SDG&E will present an overview of the “Power Your Drive” program, its target locations, and timeline for program sign-up and installations. Program information is available at: [www.sdge.com/PowerYourDrive](http://www.sdge.com/PowerYourDrive). SANDAG’s April InfoBit on electric vehicle efforts in the region is provided for background.

7. **ENCROACHMENT ISSUES CONTINUED**
*(Chair Mike Woiwode, City of Coronado)*

As urban growth and development increase near and around military installations, land use conflicts between base operations and civilian development increase. Through joint, cooperative military and community planning, growth conflicts can be anticipated, identified, and prevented. Based on discussions and input from the MWG to date, staff will provide a summary report for MWG input. This will inform future planning efforts and be updated as needed.

+8. **NEXT STEPS FOR STRATEGIC ACTIONS**
*(Chair Mike Woiwode, City of Coronado)*

In the summer of 2014 the MWG held a workshop to gather insight from military and local jurisdictional staff on four topics the MWG had identified as potential areas of mutual concern. The MWG identified some short/medium/longer term actions to be taken. The MWG is asked to review this information and discuss near-term priorities.

9. **POSSIBLE TOPICS FOR NEXT MEETING AND ADJOURNMENT**
*(Chair Mike Woiwode, City of Coronado)*

The MWG is asked to discuss possible topics for the next quarterly meeting and to determine a date and time for that meeting.
