

COMMUNITY ENGAGEMENT MEETINGS

The San Diego Association of Governments (SANDAG) is the San Diego region's primary public planning, transportation, and research agency; SANDAG provides information on a broad range of topics pertinent to the region's quality of life. The SANDAG Board of Directors is conducting a nationwide search for a new Executive Director to lead the agency. As part of that process, the Board is seeking input from the community regarding the draft position description.

During five subregional community meetings with CPS HR Consulting, attendees will have the opportunity to comment on a draft position description and provide input on the leadership characteristics, knowledge, and skills desirable for the next SANDAG Executive Director.

You're invited to attend a subregional meeting in your community
