## REPORTS

- +6. **2019 SAN DIEGO FORWARD: THE REGIONAL PLAN – TRIBAL CONSULTATION** **DISCUSSION**

6A. San Diego Forward: The Regional Plan Overview and Approach (Coleen Clementson)

SANDAG is updating San Diego Forward: The Regional Plan (Regional Plan). The updated Regional Plan will be known as "San Diego Forward: The 2019-2050 Regional Plan," and is anticipated for adoption by the SANDAG Board of Directors in fall 2019. Staff will provide an update on Board actions, including vision, goals, and policy objectives development; the unconstrained network; and the approach to developing the revenue-constrained transportation network scenarios.

+6B. Tribal Policy Paper and Tribal Summit

As part of the Tribal Consultation process, a summit is convened between the SANDAG Board of Directors and the Southern California Tribal Chairmen's Association (SCTCA) to discuss policy issues of mutual concern and determine strategic actions to be implemented through the Regional Plan. As part of this effort, a tribal policy paper is developed to provide background on the state of relations. The Working Group is asked to discuss tribal transportation accomplishments and updates. A sample matrix from 2014 will be provided. The Working Group also is asked to provide ideas related to the structure of the summit.

7. **TRIBAL TRANSPORTATION WORKSHOP (Jane Clough)** **DISCUSSION**

SANDAG and the Southern California Tribal Chairmen's Association, through the Working Group, completed an Intra-regional Tribal Transportation Strategy, which examines tribal mobility needs in a regional context. One of the near-term strategic actions is to break into corridor subgroups and discuss projects in more detail to determine if there are projects that have potential to move forward because of mutual interest, funding opportunities, or timing of various planning processes.

8. **TOPICS FOR NEXT MEETING AND ADJOURNMENT (Chair Erica Pinto; Working Group Co-Chair, Jamul)** **DISCUSSION/  
POSSIBLE ACTION**

The Working Group is asked to discuss potential topics for the next quarterly meeting, tentatively scheduled for March 2018. As the January meeting was in the north, it is recommended that the meeting be held in the south.
