**MEETING ANNOUNCEMENT AMIDST COVID-19 PANDEMIC:**
The Bayshore Bikeway Working Group meeting scheduled for Wednesday, July 15, 2020, will be conducted virtually in accordance with Governor Newsom’s State of Emergency declaration regarding the COVID-19 outbreak, Executive Order N-29-20, and the Guidance for Gatherings issued by the California Department of Public Health. Working Group Members will primarily participate in the meeting virtually, while practicing social distancing, from individual remote locations. There are a few options for public participation:

- Listen to the meeting audio stream through sandag.org
- Observe the meeting via GoToMeeting (registration required)

To register for the GoToMeeting webinar, follow the prompts to enter your name and email address. Members of the public who prefer not to share their names with SANDAG may use initials or a pseudonym; however, to receive a confirmation email, including a link to join the webinar, you will need to enter a valid email address. On the morning of the meeting, click the “Join Webinar” link in the confirmation email. To avoid connection issues, check your system requirements in advance.

During the GoToMeeting webinar: To minimize/expand the webinar attendee panel, click on the orange arrow at the top right corner of your screen. Attendees will be in “listen only” mode. View GoToMeeting FAQs for additional information.

SANDAG is relying on commercial technology to broadcast the meeting via GoToWebinar. With the recent increase of virtual meetings, platforms such as Microsoft Teams, WebEx, GoToMeeting, and Zoom are working to scale their systems to meet the new demand. If we experience technical difficulty or you are unexpectedly disconnected from the broadcast, please close and re-open your browser and click the link to re-join the meeting. SANDAG staff will take all possible measures to ensure a publicly accessible experience. Please note that the meeting will continue to be broadcast audio-only via the “Listen to the meeting” link on sandag.org.

Public Comments: Persons who wish to address the members on an item to be considered at this meeting, or on non-agendized issues, may email comments to the Clerk at clerk@sandag.org (please reference: “July 15, BBWG Meeting” in your subject line and identify the item number(s) to which your comments pertain). Comments received by 4 p.m. on Tuesday, July 14, will be provided to members prior to the meeting. If you desire to provide a live verbal comment during the meeting, register for the GoToMeeting webinar as noted above, and join the meeting using the “Join Webinar” link provided in your confirmation email. Commenters can use a computer microphone and speakers to listen and communicate or dial into the meeting with a telephone. Commenters must join the webinar portion of the session to obtain a personal audio PIN before attempting to call-in. You may use either the “Telephone” or “Mic & Speakers” audio option, although the “Telephone” option will require use of the PIN. When public comments for an item are called for, press the “raise your hand” button in the GoToWebinar control panel to be called on. You will then be then be called on by name and unmuted by the organizer and may provide comments for the allotted time. Do not self-mute – organizers will not be able to unmute you to provide comments. All comments received prior to the close of the meeting will be made part of the meeting record.
Welcome to SANDAG. Members of the public may speak to the Working Group on any item at the time the Working Group is considering the item. Public speakers are limited to three minutes or less per person. The Working Group may only take action on any item appearing on the agenda.

In order to keep the public informed in an efficient manner and facilitate public participation, SANDAG also provides access to all agenda and meeting materials online at sandag.org/meetings. Additionally, interested persons can sign up for email notifications at sandag.org/subscribe.

Reports

4. Barrio Logan Segment Status Report (Information)

Linda Culp, Principal Regional Planner, presented an update on the environmental, final design, and right-of-way phases of the project as well as upcoming milestones. Staff continues to work with the Port of San Diego, San Diego Gas & Electric, NASSCO, BNSF Railway, and the Navy on various easements needed for the project. In addition to these right-of-way certifications, staff is working with the City of San Diego on their project review and eventual approval. SANDAG plans to request the construction funding allocation from the Active Transportation Program at the January 2021 meeting of the California Transportation Commission.

5. 8B Segment Status Report (Information)

Linda Culp presented a status on Segment 8B, along Bay Boulevard south of Palomar to Ada streets in the City of Chula Vista. Final design is on hold pending completion of the right-of-way phase.

6. National City Alignment Status (Information)

Luca Zappiello, the City of National City, presented on the status of the ultimate alignment for the Bayshore Bikeway in National City. Recently, the city was successful in securing Active Transportation Program funding to complete the project. Staff expects to complete the environmental phase in late 2020 and construction in 2023.
7. Chula Vista Bayfront E Street to H Street Bayshore Bikeway (Segment 6 and 7A) Gap (Information)

Frank Rivera and Bill Valle, City of Chula Vista, discussed the need to begin planning efforts for the realignment of the Bayshore Bikeway due to upcoming development activity along Bay Boulevard between E and H streets. The city is interested in relocating this segment to the parallel Coronado Branch Line Railroad corridor, consistent with the Bayshore Bikeway Plan. Working Group members discussed their support for this project and suggested coordination with the Metropolitan Transit System as a next step.

8. Chula Vista Bayfront Redevelopment (Information)

Adam Meyer, Stephanie Shook, and Cameron McLead, Port of San Diego, provided an update on the progress for the bayfront redevelopment and how it will assist with the completion of the Bayshore Bikeway. Construction of components of the redevelopment project are scheduled to open starting over the next year. Design work has also started on the Bayshore Bikeway through this area.

9. Border to Bayshore Project Update (Information)

Alison Moss, Active Transportation Associate Planner, presented on the final design, project schedule, and budget for the Border to Bayshore project. Environmental clearance was completed in May 2019 and final design is expected to be complete in spring 2020 and will be submitted to the City of San Diego for review and approval of the portion within the city. Pending approvals, construction is expected to begin in 2021.

10. Updates on Projects Related to the Bayshore Bikeway (Information)

Members of the Working Group provided information on projects related to the Bayshore Bikeway including wayfinding signage, a recent tour for attendees at the annual Focus on the Future conference, and the upcoming opening of the County's Bicycle Skills Park.

11. Upcoming Meetings

Staff will confirm a specific date for a spring 2020 meeting with members.

12. Adjournment

Chair Cox adjourned the meeting at 3:45 p.m.
