SD Regional Sex Offender Information Management System

- SD Regional Registration Center
- SD Regional Sex Offender Pin Map
- SD Regional Sex Offender Info. Mgmt. System
- SD Regional SAFE Task Force
- SD Regional High-Risk Offender on Internet
Accomplishments

- Treatment and supervision standards
- Community education programs
- SD Regional Registration Center
- SAFE Task Force (Sexual Assault Felony Enforcement)
- Countywide Sex Offender Pin Map
- High-risk sex offender data on Internet
- SD Regional Sex Offender Info. Management System
Sex Offender Information Management System Objectives

- Create integrated data sharing system
- Track sex offenders and their risk levels
- Standardize data collection effort
- Improve data accuracy
- Improve communication between agencies
- One-stop access to offender data
- Collaborate with other data sources
Phase 1 Functionality

- Web-based highly secure
- Registration Module – sex offenders in SD County for all agencies
- Alert Module – at-risk or out of compliant offenders
- Reporting Module
- Feed data to ARJIS Officer Notification, mapping, and CA DOJ
Phase 1 Status

- Phase 1 approved by Chiefs & Sheriff’s Cmte.
- Executive sponsor is Probation
- Estimated Phase 1 project cost $297,051
- Funding from:
  - Probation ($126,000)
  - NIJ ($150,000)
  - ARJIS ($25,000)
Timeline

- Estimated Phase 1 Timeline:
  - July ’04 – Project Charter approved & contracts signed
  - Aug ’04 – Development begins
  - Dec ’04 – Final acceptance of Phase 1

- Future phases:
  - Phase 2: Mugshot integration
  - Phase 3: Supervision, treatment providers & polygraph examiners
OTHER COMPONENTS OF THE SEX OFFENDER INFORMATION SYSTEM
Regional Registration Center

- Physical location (SDPD Headquarters) for all registrants to update registration manually
- Current legislative only allows registration by SD Police and SD Sheriff
- Information accessible by all ARJIS agencies
(Sexual Assault Felony Enforcement)
SAFE Task Force

- Compliance checks on offenders
- Interview Registrants @ RRC
- Present Criminal Violations to D.A.
- Obtain Warrants for Non-Compliance
- Assess Threat of Registrants
- Assist With Public Notifications
San Diego County Sex Offender Pin Map

- Initiated by Supervisor Dianne Jacob
- Made available to the public on July 1, 2002
- Map includes entire San Diego county
- Developed by ARJIS – on WWW.ARJIS.ORG
- Site receives an average of 6,000 hits a day
High-Risk Offenders on Internet

- Place high-risk offenders on Internet
- Integrate with existing Offender Pin Map
- Regional solution for ALL agencies & communities in SD County
- Presented to County Chiefs & Sheriff Cmte on 7/7/04
- AB 488 to allow Statewide Megan’s Law on Internet
Next Steps

- PSC approve objectives of San Diego Regional Sex Offender Information Management System

- Seek funding to complete remaining phases
  - Phase 2: Mugshot Integration
  - Phase 3: Supervision, treatment providers, and polygraph examiners

- Other areas for PSC to consider:
  - High-risk offenders on Internet
  - Seek legislative changes for:
    - Full statewide Megan’s Law on Internet
    - Operation of true Regional Registration Center
Questions ?
