

MID-COAST CORRIDOR TRANSIT PROJECT

Public Review Period for Mid-Coast Trolley Extension Supplemental Report on the San Diego Fairy Shrimp closes on September 2

The 45-day review and comment period for the *Mid-Coast Corridor Transit Project Supplemental Environmental Impact Statement/Supplement to the Subsequent Environmental Impact Report* (Supplement), will conclude on Tuesday, September 2, 2014. Released by SANDAG on July 18th, 2014, the Supplement evaluates a previously unidentified impact to the San Diego fairy shrimp, a federally listed endangered species. **Comments on the Supplement must be limited to the analysis of impacts to the fairy shrimp.** Responses to comments received on the Supplement will be provided in the Final SEIS/SEIR along with responses to the comments received on the Draft Supplemental Environmental Impact Statement/Subsequent Environmental Impact Report which was circulated for review and comment from May 17, 2013 to July 17, 2013.

Comments may be submitted in writing via U.S. mail, email or fax, or may be made orally on the project's voice mail.

What is the Mid-Coast Corridor Transit Project?

The Mid-Coast Corridor Transit Project will extend Trolley service (light rail) from the Santa Fe Depot in Downtown San Diego north to the University City community, serving major destinations including Old Town, UCSD, and Westfield UTC. The proposed project would be funded in partnership by SANDAG (utilizing *TransNet* funds) and the Federal Transit Administration (FTA) New Starts program.
