Dear Ms. McKim:

SUBJECT: SANDAG 2010/11 – 2013/14 RTIP/FSTIP AMENDMENT NO. 2

We have completed our review of Amendment Number 2 to the San Diego Association of Governments (SANDAG) 2010 Regional Transportation Improvement Program (RTIP) that was submitted to the Federal Highway Administration (FHWA) and Federal Transit Administration (FTA) by your letter dated January 3, 2011. This amendment, approved by the SANDAG Transportation Committee by Resolution No. 2011-09 on December 10, 2010, adds sixteen new listings to California's 2010/11 Federal Statewide Transportation Improvement Program (FSTIP) and modifies 32 project listings that were previously approved for inclusion in the 2010/2011 FSTIP.

Based on our review of the information provided we accept this amendment to the 2010/11 FSTIP in accord with the Final Rule on statewide and metropolitan transportation planning that was published in the Federal Register on February 14, 2007. We are approving this amendment to the SANDAG portion of the 2010/11 FSTIP in accord with the *July 15, 2004, Memorandum of Understanding between the Federal Highway Administration, California Division, and the Federal Transit Administration, Region IX.*

We find that the SANDAG 2010 RTIP, including Amendment No. 2, was developed through a continuing, cooperative, and comprehensive transportation planning process in accord with the metropolitan transportation planning provisions of 23 U.S.C. §134 and 49 U.S.C. Chapter 53. We have determined that the adopted modifications to the SANDAG RTIP comply with the conformity provisions of the Transportation Conformity Rule (40 CFR §93.122(g)). All non-exempt projects in Amendment No. 2 are included in the quantitative emissions analysis conducted for the 2030 RTP (2006 Update) and 2010 RTIP. The metropolitan transportation planning and regional air quality conformity findings have been coordinated with the regional offices of the U.S. EPA and the FTA.

If you have questions or need additional information concerning our approval of this amendment, please contact Wade Hobbs of the FHWA California Division office at (916) 498-5027, or by email at Wade.Hobbs@dot.gov; or Hymie Luden of the FTA Region IX office at (415) 744-2732, or by email at Hymie.Luden@dot.gov.
