Dear Ms. Kiser and Mr. Sukys:

The California Department of Transportation has completed the review of the following amendment to the San Diego Association of Governments' (SANDAG) 20010/11 - 2013/14 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
14	<p>State, Local and Transit Elements</p> <ul style="list-style-type: none"> This amendment adds, modifies or deletes projects from various funding sources in San Diego County. It includes individual and grouped project listings with funding from the Surface Transportation Program, Federal Discretionary Program, Safe Routes to School, State Transportation Improvement Program, State Highway Operation and Protection Program, the Highway Bridge Program, State Bond funds, Federal Transit Administration (FTA) sections 5307, 5309, 5311, and 5316, and local funds.

See enclosure.

The SANDAG board resolution adopting this FTIP amendment certifies that projects included meet all applicable transportation planning requirements per Title 23 Code of Federal Regulation (CFR) Part 450 and satisfy the applicable air quality conformity requirements.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SANDAG's Amendment Number 14. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2011 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of project for federal funding.
