Public Health and the 47th Street Bus Rapid Transit Station Community Meeting

January 24, 2012, 6:00 – 8:00 p.m.
Jacobs Center for Neighborhood Innovation, Breakout Room A

Meeting Goals

- Share existing conditions data and findings from the walkability assessment
- Highlight findings from the analysis of HIA alternatives
- Identify recommendations and discuss next steps

Meeting Agenda

6:00 Welcome and Introductions
6:10 Background of the Project
6:20 Present existing conditions data and walk audit findings
5 minute group call-outs: What surprised you from the data?
6:40 Review and share findings from HIA alternatives analysis and proposed recommendations
7:00 Small group discussions
Group Questions: Do the findings make sense? Is there anything missing? Does anything seem inaccurate? What impacts and recommendations are most important to you?
7:40 Review Next Steps
