Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the San Diego Association of Governments' (SANDAG) 2016/17-2020/21 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
13	<p>Local, State and Transit Transportation Systems</p> <ul style="list-style-type: none"> This amendment adds and modifies projects that include funding from the Surface Transportation Program, Congestion Mitigation and Air Quality Improvement Program, Federal Earmarks, Active Transportation Program, Infrastructure for Rebuilding America Grant, State Transportation Improvement Program, and the Road Repair and Accountability Act of 2017.

See enclosure.

The SANDAG has certified that the amendment is consistent with the Regional Transportation Plan; it is financially constrained, consistent with the regional emission analysis, and meets the requirements of public involvement procedures adopted by SANDAG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SANDAG's Amendment Number 13. I also recommend that the Federal Highway Administration and the Federal Transit Administration approve this FTIP amendment for inclusion into California's 2017 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP amendment, in fiscal years not within the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are shown for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.

Mr. Vincent Mammano/Mr. Edward Carranza, Jr.
