Dear Ms. Clemons and Mr. Matley:

The California Department of Transportation (Caltrans) has completed the review of the following amendment to the San Diego Association of Governments' (SANDAG) 2018/19 – 2022/23 Federal Transportation Improvement Program (FTIP):

<u>No.</u>	<u>Description</u>
2	<p><b>Transit Transportation System</b></p> <ul style="list-style-type: none"> <li>• This amendment modifies projects that include funding from the Road Repair and Accountability Act of 2017, Low Carbon Transit Operations Program, and various Federal Transit Administration (FTA) programs.</li> </ul>

See enclosure.

SANDAG has certified that the amendment is consistent with the Regional Transportation Plan, is financially constrained, is consistent with the regional emission analysis, and meets the requirements of public involvement procedures adopted by SANDAG.

Pursuant to the authority delegated to me by the Director of Caltrans, I approve SANDAG's Amendment Number 2. I also recommend that the Federal Highway Administration and FTA approve this FTIP amendment for inclusion into California's 2019 Federal Statewide Transportation Improvement Program (FSTIP). Projects included in this FTIP, in fiscal years beyond the four-year cycle of the current FSTIP, are not approved as part of this FTIP amendment and are for information only. Approval of this amendment does not constitute an eligibility determination of projects for federal funding.
